Course Reflections Project

Title your page “Course Reflections Project”

Include a line that has the course number, your name, and the date.

Include responses to these prompts as separate paragraphs:

1. What did you want from this class when you signed up?

2. Do you feel like those goals were met?

3. What did you get from the class that you were not expecting?

4. How do you feel you will be able to incorporate the things you learned in your hospitality career?

5. Is there anything you would change about the class?

6. Do you feel like you now have the skills or knowledge to meet the following course objectives?
