From the President

Welcome to Columbia College! Helping you achieve your educational goals is the highest priority of the faculty, staff and administrators here at CC. We have a shared commitment to excellence in teaching and learning. Whether you seek to transfer to a university, train for a new career, improve your language skills, or develop skills for career advancement, we are here to serve you.

In addition to a variety of program options, Columbia College has a range of services to assist our students. I encourage you to take full advantage of the available resources to support your success and enrich your educational experience here at CC. The 2015-2016 catalog is published as an information resource to assist you in planning and Student Services staff and Counselors are available to support your journey.

Along with academic pursuits, we offer an array of student life activities on campus and many opportunities for students to be involved in planning and decision-making. I encourage you to connect with the Associated Students of Columbia College (ASCC) to learn more about clubs, activities, and participation in shared governance here at CC and in the District.

Again, welcome to Columbia College. We look forward to helping you realize your plans for academic growth and life-long learning.

Thank you for choosing Columbia and best wishes for your success.

Angela R. Fairchilds, Ph.D.
College President
