Students are held responsible for payment of all fees associated with their registration activity. If the proper procedure for dropping classes is not followed, the student's fee obligation still remains. This applies even if the student never attends class. For classes cancelled by the College, students will not be held responsible for dropping courses or requesting refunds.

Within 10 days of registering for any classes, students must have a zero balance or they will be dropped for nonpayment of fees. Students who are California residents and have an active BOG fee waiver before registering will not be affected.
