

Graduation & Transfer Requirements

Columbia College will confer an Associate in Arts, Associate in Science, or Associate in Science (Occupational Education) Degree upon completion of the following requirements. The Associate in Arts Degree is earned in areas such as Fine Arts, Humanities, Social and Behavioral Science. The Associate in Science Degree is awarded in Science and Technical fields. The Associate in Science Occupational Education Degree is earned in occupational programs that provide students with skills and training for immediate entry into the workforce.

1. **Total Units:** Satisfactory completion of 60 degree-applicable semester units from courses numbered 1-199, of which 12 must be completed at Columbia College. Units earned in remedial and Skills Development unit courses do not count in the 60 unit requirement (courses numbered 200 and above).
2. **Catalog Rights:** For students entering Columbia College for the first time in summer 2013, fall 2013 or spring 2014, the degree requirements are valid through 2016-17. Students taking more than four years of continuous enrollment to complete a degree will no longer have rights to the 2013-14 catalog. Consult a counselor for assistance.
3. **Scholarship:** A cumulative Grade Point Average of not less than 2.0 (C average) and no grade lower than C in major classes and General Education areas A.1, A.2, A.3 and B.4.
4. **Major:** Satisfactory completion of any AA/AS/AS(OE) major listed on pages 70-104. Students completing these degree majors will have completed at least 18 units in a single discipline or related discipline. (*Title 5 section 55806*) All courses in the major must be completed with a C or better. Pass (P) grades are not accepted unless a course in the major is pass/no pass grading. More than one Associate Degree may be awarded to a student who completes all applicable requirements as listed above plus 12 extra units (72 or more total semester units). A course may only be used to meet the requirements for two different majors when no other course selections are available and the course is required in both majors. The same catalog year must be used when applying for multiple degrees.
5. **General Education Breadth Requirements:** Satisfactory completion of each Area of General Education "A" through

“E”, by choosing suitable courses from those listed under each Area on pages 54-55. Courses in areas A.1, A.2, A.3 and B.4 must be completed with a grade of C or better. Students wishing to transfer to a California State University may follow the requirements listed in the right-hand column. Students who do not expect to transfer, but wish to graduate from Columbia College with the AA, AS, or AS (OE) Degree should follow the requirements listed in the appropriate left-hand column. The courses suitable to satisfy both patterns are listed in the center column. Transfer students are encouraged to satisfy both patterns at the same time by careful selection of courses, in order to graduate with the AA, AS, or AS (OE) Degree as well as transfer to a CSU campus. CSU/UC transfer students should refer to pages 52-53 for an alternative method of completing transferable General Education Requirements.

6. **Competency Requirements:** State Law mandates that students earning the Associate Degree must meet competency requirements in reading, composition, and mathematics. These requirements may be met by completing the following courses with a grade of C or better:
 - ENGL 1A, Reading and Composition: Beginning
 - MATH 104, Algebra II, or any mathematics course of a higher level than MATH 104, Algebra II.
 - They may also be met through completion of a credit by examination with a grade of C or better.
 - MATH 106: Introduction to Mathematical Thinking
7. **Institutional Requirement:** Two physical activity courses under Health & Human Performance are required. Note: HHP 6A and HHP 6B together can fulfill this institutional requirement and complete area E of the CSU GE Breadth pattern.

*May not apply to the AA-T & AS-T transfer degrees

Supplementary Notes

1. These requirements for graduation and General Education apply to Associate Degree and CSU transfer students entering Columbia College for the first time in Summer term 2013, and are valid through the 2016-17 academic year. Students continuously enrolled may continue to follow their older catalog, but those taking more than four years of continuous attendance to graduate must use graduation requirements not older than four years.
2. When a student petitions for graduation they may choose to use a more current catalog for all graduation requirements. However, once a student has selected a catalog, they must retain this catalog for all degrees and certificates awarded during the academic year.
3. Request for Waiver or Substitution: Request for waiver or substitution of any graduation requirement must be petitioned to the Academic Requirements Review Committee.
4. Double-counting units: Courses used to satisfy General

Education Breadth Requirements may also be used to satisfy major requirements for the Associate Degree.

5. The student must request a Lower Division General Education Certification when a student requests his/her transcript to be sent to a CSU campus.

Notice of Intent to Graduate or Certificate Completion

The semester prior to completion of a degree, Certificate of Achievement, or Skills Attainment Certificate, students must obtain a petition of completion available on the College website at www.gocolumbia.edu. Click on “Admissions and Records” then “Student Online Forms.”

The student must then schedule an appointment with a college counselor who will review the student’s academic history to determine if in fact they are potentially eligible for completion of the award during the following semester. If the counselor determines that in fact the student will be eligible for the award, the counselor will sign the petition and the student must then submit the petition to the evaluator located in the Admissions and Records Office.

Degrees, Certificate of Achievements, and Skills Attainment Certificate may be conferred at the culmination of the summer, fall or spring terms. Notation of the completed degree or certificate of achievement and the date that the award was conferred will appear on the student’s official academic transcript. The Skills Attainment Certificate award will NOT appear on the official academic transcript. Diplomas are only available at the culmination of the spring semester of each academic year. Certificates of Achievement will be mailed to students after the final evaluation is complete.

Commencement—Graduation Ceremony for Associate’s Degrees

At the culmination of each academic year Columbia College holds a commencement ceremony to honor those students who have completed a degree.

To be eligible to participate in the ceremony, a student must have all degree requirements completed by the end of the spring semester.

Transfer Requirements to a California State University

Columbia College will send certification of General Education Breadth Requirements to the California State University campus to which the student transfers upon request from the student. Full certification consists of not less than 39 semester units from Areas “A” through “E”. In addition, the following transfer requirements and information apply.

1. **Total Units:** Satisfactory completion of 60 to 70 transferable semester units from courses numbered 1-99. If you wish to transfer with fewer than 60 transferable units, you must submit satisfactory test scores from either the Scholastic Aptitude Test (SAT) or American College Testing Program (ACT). For possible exemption from ACT and SAT tests, see the catalog of the college to which student plans to transfer. Transfer requirements vary from campus to campus within both CSU and UC systems. You are

required to complete 60 transferable units in order to attain full junior status upon transfer. Contact a counselor for specific requirements relative to your transfer choice.

2. **Scholarship:** A cumulative Grade Point Average of not less than 2.0 (C average).
3. **Major:** Satisfactory completion of lower division prerequisites for the BA/BS major listed in an articulation agreement or the catalog of the California State University transfer campus.
4. **General Education Breadth Requirements:** Satisfactory completion of each Area of General Education "A" through "E", by choosing suitable courses from those listed under each Area on pages 54-55. Students wishing to transfer to a California State University may follow the requirements listed in the right-hand column. Students who do not expect to transfer, but wish to graduate from Columbia College with the AA, AS, or AS (OE) Degree, should follow the requirements listed in the left-hand column. The courses suitable to satisfy **both** patterns are listed in the center column. Transfer students are encouraged to satisfy both patterns at the same time by careful selection of courses, in order to graduate with the AA, AS, or AS (OE) Degree as well as transfer to a CSU campus. CSU/UC transfer students should refer to pages 48-51 for further information.
5. **The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749)** guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

Supplementary Notes

1. Transfer students also have the option of completing the Intersegmental General Education Transfer Curriculum (IGETC) instead of the General Education requirements listed here. *Completion of IGETC will permit a student to transfer to either a CSU or UC campus without the need, after transfer, to take additional lower-division general education university requirements. See the current catalog (pages 52-53) and a counselor for assistance.*
2. California law includes a requirement in U. S. History and Federal, State and Local Government for the CSU transfer pursuing the BA/BS Degree. Completion of History 16 or 17 and Political Science 10 from Area D will meet this requirement. Some CSU campuses place the U.S. History and government requirement outside the 39 unit GE Certification while others include it within the 39 units.
3. Students must request the college to send a fully or partially completed Lower Division General Education Certification when a student requests his/her transcript be sent to any CSU campus. The alternate General Education pattern, Intersegmental General Education Transfer Curriculum (IGETC, pages 52-53) may be used in lieu of the CSU GE Pattern for students in most majors who are unsure of whether they want to transfer to a CSU or a UC. The IGETC pattern cannot be used if three or more areas are incomplete. Students can check the appropriate box (CSUGE- or IGETC) on the transcript request form.

Transfer Requirements

CALIFORNIA STATE UNIVERSITY SYSTEM (CSU) Transfer Information

The California State University system (CSU) has established the following campuses:

California State University, Bakersfield
 California State University, Channel Islands
 California State University, Chico
 California State University, Dominguez Hills
 California State University, East Bay
 California State University, Fresno
 California State University, Fullerton
 California State University, Long Beach
 California State University, Los Angeles
 California Maritime Academy
 California State University, Monterey Bay
 California State University, Northridge
 California State Polytechnic University, Pomona
 California State University, Sacramento
 California State University, San Bernardino
 California Polytechnic State University, San Luis Obispo
 California State University, San Marcos
 California State University, Stanislaus
 Humboldt State University
 San Diego State University
 San Francisco State University
 San Jose State University
 Sonoma State University

CSU Admission

As an Undergraduate Transfer (Transfer Requirements)—You will qualify for admission as a transfer student if you have a grade point average of 2.0 (C) or better in Area A and B.4, are in good standing at the last college or university attended, and meet any of the following standards:

1. You will meet the freshman admission requirements (*courses and tests scores*) in effect for the term to which you are applying.
2. You were eligible as a freshman at the time of high school graduation and have been in continuous attendance in an accredited college since high school graduation.
3. You were eligible as a freshman at the time of high school graduation except for the subject requirements, have made up the missing subjects at a high school or college, and have been in continuous attendance in a accredited college since high school graduation.

4. Students transferring with full certification of lower division general education requirements are *assured* that they have met 39 of the 48 unit minimum requirements for the Bachelors Degree. Students transferring without certification of general education must complete the pattern of courses required of “native” students as outlined in the catalog of the particular state university. The CSU General Education Breadth Requirements (pages 54-55) and the Intersegmental General Education Transfer Curriculum (IGETC, pages 52-53) are the two patterns of courses which Columbia College uses to certify that the student has met the required minimum semester units of general education.

Transcripts—Request that official transcripts be sent directly from all colleges or universities previously attended even if there is no applicable or completed coursework. Transcripts must be received in sealed envelopes from each institution attended. You should keep personal copies of all transcripts and test scores for academic advising sessions and to complete the admission application.

If transferring with fewer than 60 transferable semester (*90 quarter*) units of study, you must also submit your high school transcript. Applicants with 60 or more transferable semester units may be asked to submit high school transcripts if admissibility cannot be determined by the college or university transcripts.

Test Scores—Freshman and transfer applicants who have fewer than 60 semester or 90 quarter units of transferable college credit must submit scores, unless exempt from either the Scholastic Assessment Test (SAT I) of the College Board or the American College Testing Program (ACT).

If you are applying to an *impacted program* and are required to submit test scores, you should take the test no later than early December if applying for fall admission or no later than November if applying to San Luis Obispo. Test scores are also used for advising and placement purposes. Registration forms and dates for the SAT I or ACT are available from high school or college counselors or from a CSU campus testing office. Or you may write to or call:

The College Board (SAT I)

Registration Unit
 P.O. Box 592, Princeton, NJ 08541
 609.771.7588

American College Testing Program (ACT)

Registration Unit
 P.O. Box 168, Iowa City, IA 52240
 319.337.1270

TOEFL Requirement —All undergraduate applicants, regardless of citizenship, who have not attended schools at the secondary level or above for at least three years full time where English is the principal language of instruction must present a score of 480 or above on the Test of English as a Foreign Language (TOEFL).

Required Placement Tests—The CSU requires new students to be tested in English (*English Placement Test–EPT*) and mathematics (*Entry Level Mathematics Test–ELM*) as soon as possible after they are admitted. These are not admission tests but determine eligibility to enroll in specific courses. Completion of specified English and mathematics courses taken at the community college level may exempt you from these tests.

Immunization—All new and readmitted students born after January 1, 1957, will be notified of the requirement to present proof of measles and rubella immunizations. This is not an admission requirement, but is required of students by the beginning of their second term of enrollment in CSU. Proof of measles and rubella immunizations is also required for certain groups of enrolled students who have increased exposure to these diseases.

Health Screening—Students admitted to California Maritime Academy will be required to have a complete physical examination prior to entry to determine qualifications for a merchant marine license. Cal Maritime will provide the necessary physical examination form.

Educational Opportunity Program (EOP) Admission Requirements—Each CSU campus has an Educational Opportunity Program for low-income undergraduate students who are disadvantaged because of their economic or educational background. EOP serves California residents who do not meet regular admission criteria, as well as those who qualify for regular admission, if they have a history of low income and need academic and financial assistance.

If you wish to be considered for admission through EOP, you must so indicate on the application. In addition, you must complete and submit the forms included in the EOP Information and Supplementary Application booklet. The EOP booklet is available at each CSU campus EOP office and the Columbia College EOPS Office. Submission of an EOP application which results in ineligibility will delay processing of your application for regular admission.

Because the number of EOP places is limited, you should file your application forms early in the filing period. Before doing so, however, please consult with the EOP Office at the campus of your choice and an EOPS counselor at Columbia College.

International (Foreign) Student Admission Requirements—The CSU must assess the academic preparation of foreign applicants. For this purpose, “foreign students” include those who hold U.S. visas as students, exchange visitors, or other non-immigrant classifications.

The CSU issues separate requirements and application filing dates in the admission of foreign students. Verification of English proficiency (*see the previous TOEFL section*), financial resources, and academic performance are all important considerations. Official academic records from foreign institutions must be on file at least eight weeks before registration for the first term and, if not written in English,

must be accompanied by certified English translations. Priority for admission is given to California residents.

Selection of Major—The majors offered at each campus are listed in the back of the CSU application booklet. You should review program descriptions in campus catalogs before you file your application; options within programs at one campus may be similar to differently named programs at other campuses. If you are uncertain about your major, some campuses accept students who are uncertain about their major (*undeclared*). We encourage you to use this category if you are unsure about what field to pursue. There are advising and information resources available on each campus to help you select an appropriate major.

Choice of Campus—The CSU application allows you to designate the CSU campus of your choice and an alternate campus to which your application will be forwarded in the event your first choice campus cannot accommodate you. When designating an alternate campus, be sure that your major or alternate major is offered at that campus.

The CSU accepts most applications at the first choice campus in the first choice major during the initial filing period. Most campuses consider applications for an alternate major before forwarding the application to the alternate campus. When designating an alternate campus, you should be certain that the major or alternate major is offered and not impacted at the alternate campus (See Impacted Programs) and the alternate campus is still accepting applications. It is not possible for your application to be redirected to impacted campuses and programs.

It is generally unnecessary to file more than one application to CSU during the initial filing period; however see the following section on Impacted Programs. During periods of high demand and limited resources, some campuses may not accept applications for winter, spring or summer terms.

The CSU assigns highest admission priority to California Community College transfer students who have completed the first two years of their baccalaureate program, including those applying for impacted programs. In addition, CSU campuses will make every effort to see that California Community College transfer students originally eligible for admission as first-time freshmen are admitted to their first choice CSU campus.

Impacted Programs—The CSU designates programs as impacted when more applications are received in the first month of the filing period than can be accommodated. Some majors are impacted at every campus where they are offered; others may be impacted only at some campuses. Applicants to impacted majors must file an application for admission during the first month of the filing period and will be subject to supplementary admission criteria. Priority for admission to impacted programs is given to California residents.

If you wish to be considered in impacted majors at two or more campuses, you must file an application to each. The

CSU announces each fall the majors that are impacted and the supplementary criteria required by the campuses. That announcement is published in the *CSU REVIEW* distributed to high school and college counselors. Information about the supplementary criteria is also sent to program applicants.

Last year, several programs were impacted at every CSU campus offering the programs. If you apply to one of these programs and are not accommodated, you can be redirected only in an alternate major that is not impacted.

Supplementary Admission Criteria—Supplementary admission criteria may include overall grade point average and a combination of campus-developed criteria. If you are required to submit scores on either the SAT I or the ACT, you should take the test no later than early December if applying for fall admission or November if applying to San Luis Obispo.

Please consult with any CSU campus Admission or Relations with Schools Office for further information.

UNIVERSITY OF CALIFORNIA Transfer Requirements

The University of California system has established the following campuses:

- University of California, Berkeley
- University of California, Davis
- University of California, Irvine
- University of California, Los Angeles
- University of California, Merced
- University of California, Riverside
- University of California, San Diego
- University of California, San Francisco (medical majors only)
- University of California, Santa Barbara
- University of California, Santa Cruz

Selecting Campuses and Programs of Study

The University encourages you to approach your selection of University campuses and programs carefully. You may be familiar with only one or two of the University's ten general campuses, probably those nearest your home or those mentioned more frequently in the news. However, you should consider the many different educational alternatives and programs offered by all the campuses before you make your selections and complete your application. Each of the ten general campuses offers a full range of undergraduate programs.

For each campus you apply to, you must choose a major and indicate your choice on your application. You may choose the same major at all campuses or a different major at each one. You may also select an alternate major at some campuses, *although there is no guarantee that you will be admitted to the alternate major if you are denied admission to your first choice.*

You may apply to some schools or colleges at all of the campuses using the Undeclared, Undecided major option if

you have not yet decided on an area of study. The University encourages you to apply as Undeclared rather than indicate a major that does not interest you. If you wish to apply as Undeclared, check with the campus(es) first because the options available to Undeclared majors vary from campus to campus. If you apply for one major and later request a change to another, campuses will make every effort to honor your request but there is no guarantee. When making your selections, keep in mind that some campuses and programs are highly competitive and can accept only a limited number of students each year. The University encourages you to apply to additional campuses that interest you to increase your chance of being admitted to one of your choices.

Undergraduate Programs

The undergraduate programs offered by each campus, and the concentrations available within these programs, are listed in the admissions application.

All campuses offer the general courses required for admission to professional schools in the health sciences, business, and law. The University does not offer formal pre-professional majors, however some campuses offer special undergraduate programs that include all the professional school prerequisites.

If you have any questions about academic programs, contact the Admissions or Relations with Schools Office at the campus you wish to attend.

Admission as a Transfer Student

The University considers you a transfer applicant if you graduated from high school and enrolled in a regular session at a college or university. Do not disregard your college record and apply as a freshman.

If you plan to attend Columbia College before applying to the University, you should take courses that are UC transferable, that satisfy University and college requirements, and that fulfill admission, lower division general education and prerequisite courses in your major. Advisors in the Admissions Office at the campus you wish to attend and Columbia College counselors can help you with your planning. UC will not grant unit credit toward graduation for coursework completed in excess of 70 lower division transferrable semester units. See also UC Transferable Course Agreement (TCA) on page 51 and the Intersegmental General Education Transfer Curriculum (IGETC) on pages 52-53. The University publishes a booklet especially for transfer applicants called *Answers for Transfers*. It is available in the Career/Transfer Center on campus.

Minimum Eligibility Requirements for Transfer to UC

When there are more eligible applicants than spaces available, each campus uses academic criteria alone, i.e., academic coursework, grade point average, SAT I or ACT results, and SAT II test scores, to select between 40 and 60 percent of those accepted. Each campus uses a combination of academic

and supplemental criteria to select the remaining admittees. If the number of applicants exceeds the spaces available for a particular campus or major, the campus uses criteria that exceed the minimum requirements to select students. Meeting the minimum requirements, therefore, is not enough to gain admission to many UC campuses and programs.

The selection criteria for each academic year described in the UC publication *Introducing the University* and some campus catalogs may be found in the Career/Transfer Center. The criteria vary from year to year and from campus to campus.

All UC campuses are on the quarter calendar except Berkeley, which is on the semester system. The quarter calendar often prohibits mid-year transfer because the end of the fall semester (*typically late January*) and the beginning of the winter quarter (*early January*) overlap. Therefore, you often cannot transfer to the University for the winter quarter if you enroll in a community college or other institution with a fall semester that does not end prior to January 1.

For California Residents

There are three ways in which you can meet the UC's minimum admission requirements for transfer students. These requirements are described below. In all cases, you must have at least a **C** (2.0) average in all transferable coursework.

1. If you were eligible for admission to the UC when you graduated from high school—meaning you satisfied the Subject, Scholarship, and Examination Requirements—you are eligible to transfer if you have a **C** (2.0) average in your transferable college coursework.
2. If you met the Scholarship Requirement, but did not satisfy the Subject Requirement, you must take college courses in the subjects you are missing to be eligible to transfer. You will need to earn a grade of **C** or better in each of these required courses, and an overall **C** (2.0) average in all transferable college coursework. If you completed less than 12 quarter or semester units of transferable college coursework, you must also satisfy the Examination Requirement.
3. If you were not eligible for admission to the UC when you graduated from high school because you did not meet the Scholarship Requirement, or you did not meet the Scholarship Requirement and did not complete all the required “a-g” subjects, you must:
 - a. Complete a minimum of 90 quarter units or 60 semester units of transferable college credit with a grade point average of at least 2.4, and satisfy either (b) or (c) as follows.
 - b. Take college courses in the subjects you are lacking and earn a grade of **C** or better in each one. (*The University will waive up to two units of the required high school coursework except in mathematics and English.*)
 - c. Complete one college course in mathematics, two in English, and four selected from either U.S. history, laboratory science, or language other than English. You must earn a grade of **C** or better in each course.

Nonresidents

The minimum admission requirements for nonresident transfer applicants are the same as those for residents except that nonresidents must have a grade point average of 2.8 or higher in all transferable college coursework.

Articulation System Stimulating Interinstitutional Student Transfer (ASSIST)

As a prospective transfer student, it is important to make sure your community college courses are acceptable to the UC or CSU for transfer credit. ASSIST is California's official statewide repository of transfer information, offering easy access to a single database. ASSIST can help you determine if you will receive credit for courses you have already taken and how those courses apply to general education (IGETC or CSU GE Breadth), major preparation requirements and elective credit. (www.assist.org)

Transfer Admission Guarantee (TAG)

Columbia College has available guaranteed admission agreements with the University of California campuses at Davis, Riverside, Santa Cruz, and Santa Barbara. The purpose of the TAG is to guarantee students admission to the university or college with which the TAG has been contracted. The TAG assures students that the courses to which they have committed will meet requirements for admission, general education and lower division major preparation. The TAG should be written at least one year prior (*completion of 30 UC-transferable units*) to enrollment in the four-year university or college to which the student is transferring and cannot be used for any term other than the one indicated in the signed agreement. If you plan to transfer to any one of these four campuses, you must see a counselor as soon as possible in order to initiate the Transfer Admission Guarantee process. There are strict deadlines for UC Davis at this time and TAGs may not be available for all quarters/semesters of the academic year.

Transferable Course Agreement (TCA)

The Transferable Course Agreement is available at www.assist.org. Please contact a counselor for additional information.

IGETC 2013-14

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM FOR TRANSFER TO THE UNIVERSITY OF CALIFORNIA AND THE CALIFORNIA STATE UNIVERSITY

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to satisfy specific campus lower-division general education requirements. It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of these systems prior to transfer. The IGETC is an alternative General Education Pattern for transfer to the CSU and UC systems. Depending upon the major and/or the campus of choice, some students may be better served by taking courses which fulfill the CSU General Education Breadth Requirements listed on pages 54-55 of this catalog or those listed in the CSU or UC campus of choice catalog. Students

pursuing majors that require extensive lower-division major preparation may not find the IGETC option to be advantageous. The IGETC will probably be most useful for students who want to keep their options open before making a final decision about transferring to a particular CSU or UC campus.

The course requirements for all areas must be fully completed with a grade of C or better before the IGETC can be certified. A student must request an IGETC Certification from the Admissions & Records Office. Certification will be sent after the last semester is completed at Columbia College. Courses taken from the IGETC list at another community college will be used in the final certification. Advanced Placement Examination credit may be used in some, but not all areas.

Area 1–English Communication

One course each from Group 1A, Group 1B, and Group 1C. (Group 1C is for CSU students only.)

- **Group 1A: English Composition**

One course, three semester units.

ENGL 1A

(Or course from other college or AP)

- **Group 1B: Critical Thinking/English Composition**

One course, three semester units.

ENGL 1B

ENGL 1C

HIST 5/PHILO 5

(Or course from other college)

- **Group 1C: Oral Communication**

CSU students only. One course, three semester units

SPCOM 1

SPCOM 4

(Or course from other college)

Area 2A – Mathematical Concepts and Quantitative Reasoning

One course, three semester units.

MATH 2, 6, 12, 17A*, 17B*, 18A, 18B, 18C

(Or course from other college or AP)

*Maximum of 5 units transferable to UC from 17A and 17B.

Area 3 – Arts and Humanities

Completion of at least three courses totaling nine units. One course must be in the Arts and one course must be in the Humanities. The third course may come from either Arts or Humanities.

- **Group 3A: Arts**

ART 11, 12, 13; DRAMA 10

MUSIC 2, 10, 11, 12

(Or course from another college or AP)

- **Group 3B: Humanities**

ENGL 11, 17, 18, 46, 47, 49, 50, 81

HIST 5, HUMAN 1, 2, 3, 4; PHILO 1, 5, 25, 35

SIGN 40B, 40C, SPAN 1B, 2A, 2B

(Or course from other college or AP)

Area 4 – Social and Behavioral Sciences

From at least two disciplines, complete at least three courses totaling at least nine units.

- **Group 4A: Anthropology and Archaeology**

ANTHR 1*, 2, 10, 15*

- **Group 4B: Economics**

ECON 10, 11

- **Group 4C: Ethnic Studies**

ANTHR 15*, SOCIO 5*, SPCOM 5

- **Group 4D: Gender Studies**

ANTHR 7, HHP 2, HIST 21, SOCIO 7

Area 4 – Social and Behavioral Sciences

(continued)

- **Group 4E: Geography**
GEOGR 12
- **Group 4F: History**
HIST 11, 13, 14, 16, 17, 21
- **Group 4G: Interdisciplinary, Social and Behavioral Sciences**
CHILD 1, SPCOM 12
- **Group 4H: Political Science, Government and Legal Institutions**
POLSC 10, 12, 14
- **Group 4I: Psychology**
PSYCH 1, 5, 10, 35
- **Group 4J: Sociology and Criminology**
HHP 63, SOCIO 1, 2, 5*, 8, 12, ANTHR 8
(Or courses from other colleges or AP for all of AREA 4)

Area 5 – Physical and Biological Sciences

Completion of at least two courses totaling seven units or more. One Physical Science and one Biological Science course with at least one of these courses to include a Laboratory (L).

- **Group 5A: Physical Sciences**
CHEM 20**, 5**, 14**, 16**, 2A, 2B, 4A, 4B
ESC 1, 5 (L), 10, 22, 30, 33(L), 40, 42, 50 (L), 62
GEOGR 15
PHYCS 1**, 2**, 4A (L), 4B (L), 5A (L), 5B (L)
(Or courses from other colleges or AP)
- **Group 5B: Biological Sciences**
ANTHR 1*, BIOL 2 (L)***, 4 (L), 6 (L), 10 (L), 17 (L)***, 24 (L),
60 (L), 65 (L)
(Or courses from other college or AP)
- **Group 5C: Laboratory Activity**
CHEM 5L, 14L, 16L, 20L, 2AL, 2BL, 4AL, 4BL
(Or another course from 5A or 5B with a lab as indicated by (L).)

Area 6 – Language Other than English

(UC Requirement Only) Students transferring to the University of California are required to demonstrate competence (proficiency) in a language other than English equal to two years of high school study. The process for demonstrating competency is outlined below:

1. Completion of two years of high school level work in the same foreign language with a grade of “C” or better.
2. Completion of a course (or courses) at another college or university, with a grade of “C” or better in each course. Generally, one semester of college work in a language other than English is considered to be equivalent to two years of high school level work. Students must provide the following documentation: test name, score, date test was completed and name of school.
3. In addition, the UC faculty has agreed that a CCC faculty member is qualified to determine language proficiency equal to two years of high school study. The faculty member provides a letter on letterhead asserting the student has mastered proficiency in the language equivalent to two years of high school study or higher.

Any one of the courses listed below completed with a grade of “C” or better will fulfill the requirement:

SIGN 40B	ASL: Intermediate Communication with the Deaf
SIGN 40C	ASL: Advanced Intermediate Communication with the Deaf
SPAN 1A	Spanish: Beginning
SPAN 1B	Spanish: Beginning
SPAN 2A	Spanish: Intermediate
SPAN 2B	Spanish: Intermediate

4. Completion, with a grade of “C” or better, of two years of formal schooling at the sixth grade level or higher at an institution where the language of institution is not English. Documentation must be presented to substantiate the required courses were completed. Students must provide the following documentation: test name, score, date test was completed and name of school.
5. A score of 500 or higher in the College Board Achievement tests in languages other than English.
6. A score of 3 or higher in the College Board Advanced Placement Examination in Languages other than English.

Area 7 – CSU Graduation Requirement in U.S. History, Constitution and American Ideals

The CSU U.S. History, Constitution, and American Ideals (AI) graduation requirement is not part IGETC. Courses used to satisfy this requirement may also be listed in Area 4. However, CSU campuses have the discretion whether to allow courses used to satisfy the CSU AI graduation requirement to count in both Area 4 and to meet the AI graduation requirement. In the absence of specific knowledge of a CSU campus policy for double-counting, Columbia College will certify IGETC using the courses in Area 4 and the CSU AI graduation requirement. 6 units: one course from Group 7A and one from Group 7B

- **Group 7A:**
POLSC 10 Constitutional Government
And
- **Group 7B:**
HIST16 United States: to 1877
Or HIST 17 United States: 1877 to Present

- * Courses designated with an asterisk (*) may be counted in one area only.
- ** Indicates that transfer credit may be limited by either UC or CSU or both.
- (L) Designates a Laboratory course or a course that includes a Laboratory.

Notice to Students

Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Failure to plan appropriately WILL adversely affect timely graduation and/or transfer. Students are encouraged to consult with a counselor in developing an individual education plan. (Counseling Office, Manzanita 15, 588.5109).

Two physical activity courses under Health & Human Performance are required for graduation from Columbia College. DD214 will clear the physical activity requirement.

U.S. History, Constitution and American Ideals
 HIST 16 or HIST 17, taken in conjunction with POLSC 10, satisfies Associate Degree and CSU requirements in United States History, Constitution, and American Ideals. Completion of HIST 16 and/or 17 in combination with MJC HIST 101 or MJC HIST 102 will not fulfill the requirement for CSU graduation.

See pages 45-51 for additional information on Graduation and Transfer Requirements.
See pages 57-58 for specific information on Advanced Placement (AP) credit.

Notice to Students
 A student must request a CSU General Education Breadth Certification from the Admissions & Records Office. Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Failure to plan appropriately WILL adversely affect timely graduation and/or transfer. Students are encouraged to consult with a counselor in developing an individual education plan. (Counseling Office, Manzanita 15, 588.5109).

Columbia College/Modesto Junior College Equivalent Courses (2013)

Yosemite Community College District is home to two community colleges, Columbia College (CC) and Modesto Junior College (MJC). That means that some of Columbia's courses are equivalent to courses offered at Modesto Junior College. If you have taken courses at either school and wish to take courses at the other, see the guide below.

College Credit for External Examinations

Advanced Placement (AP)

Students must have the College Board send AP exam results to the Admissions and Records Office (hand-carried copies will not be accepted) for use on the AA/AS/ASOE or GE patterns. (Students are encouraged to see a counselor when interpreting AP scores.) Course credit and units granted at Columbia College may differ from course credit and units granted by a transfer institution. Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Exams with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and AA/AS and ASOE general education (GE).

¹ Areas of GE Breadth (A1 through E) are defined in EO 1033. Areas of American Institutions (US-1 through US-3) are set forth in Sections IA and IB of EO 4405, and at www.assist.org.

² If a student passes more than one AP exam in calculus or computer science, only one examination may be applied to the baccalaureate.

³ If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to a certification in GE Breadth.

⁴ Does not fulfill AHI California Government requirement.

AA/AS/ASOE: A student who receives AP credit and then takes the equivalent Columbia College course will have the unit credit for such duplication deducted prior to being awarded the Associate degree. Credit by Advanced Placement exam is noted and listed first on a student's transcript, with units assigned and no grade.

CSU GE: The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breadth requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.

IGETC: AP exams must be used in the area indicated regardless of where the certifying institution's discipline is located.

CLEP/IB: For information on College-Level Examination Program (CLEP) and International Baccalaureate (IB) credits, please see a counselor or visit the website: www.gocolumbia.edu/student_services/articulation.aspx

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college's

course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

Following is a list of Columbia College courses with approved C-ID designations as of April 2013.

C-ID #	C-ID Name	Columbia College Course	Course Name
BUS 110	Introduction to Business	BUSAD 20	Principles of Business
CDEV 100	Child Growth and Development	CHILD 1	Child Growth and Development
CDEV 110	Child Family and Community	CHILD 22	Child, Family, Community
CHEM 110	General Chemistry for Science Majors I, with Lab	CHEM 1A	General Chemistry
CHEM 120S	General Chemistry for Science Majors Sequence A	CHEM 1B + CHEM 1A	General Chemistry
COMM 110	Public Speaking	SPCOM 1	Introduction to Public Speaking
COMM 120	Argumentation or Argumentation and Debate	SPCOM 2	Argumentation and Debate
COMM 140	Small Group Communication	SPCOM 9	Introduction to Small Group and Team Communication
COMM 150	Intercultural Communication	SPCOM 5	Intercultural Communication
COMM 160B	Forensics (Speech & Debate)	SPCOM 7	Forensics Workshop
COMM 170	Oral Interpretation of Literature	DRAMA 20	Oral Expression and Interpretation
COMP 112	Introduction to Programming Concepts and Methodologies	CMPS 22	Programming Concepts and Methodology I
COMP 122	Programming Concepts and Methodology I	CMPS 22	Programming Concepts and Methodology I
ECE 120	Principles & Practices of Teaching Young Children	CHILD 3	Principles and Practices of Teaching Young Children
ECE 130	Introduction to Curriculum	CHILD 35	Introduction to Curriculum
ECE 200	Observation and Assessment	CHILD 4	Observation and Assessment
ECE 220	Health, Safety and Nutrition	CHILD 26	Health, Safety and Nutrition
ECE 230	Teaching in a Diverse Society	CHILD 36	Teaching in a Diverse Society
ENGL 100	College Composition	ENGL 1A	Reading and Composition: Beginning
ENGL 105	Argumentative Writing and Critical Thinking	ENGL 1C	Critical Reasoning and Writing
ENGL 120	Introduction to Literature	ENGL 1B	Advanced Composition and Introduction to Literature
ENGL 130	Survey of American Literature 1	ENGL 17	American Literature
ENGL 135	Survey of American Literature 2	ENGL 18	American Literature

C-ID #	C-ID Name	Columbia College Course	Course Name
ENGL 160	Survey of British Literature 1	ENGL 46	Survey of English Literature
ENGL 165	Survey of British Literature 2	ENGL 47	Survey of English Literature
GEOG 120	Introduction to Human Geography	GEOGR 12	Cultural Geography
GEOL 101	Physical Geology with Lab	ESC 5	Physical Geology
GEOL 110	Historical Geology	ESC 22	Historical Geology
GEOL 130	Environmental Geology	ESC 10	Environmental Geology
GEOL 200	Geology of California	ESC 12	California Geology
MUS 125	Musicianship I	MUSIC 4A	Elementary Musicianship
MUS 140	Music Theory III	MUSIC 21A	Intermediate Music Theory
MUS 150	Music Theory IV	MUSIC 21B	Intermediate Music Theory
MUS 155	Musicianship IV	MUSIC 5B	Intermediate Musicianship
PHYS 110	Algebra/Trigonometry-Based Physics B	PHYCS 4B	Introductory Physics II: Trigonometry Level
PHYS 205	Calculus-Based Physics for Scientists and Engineers: A	PHYCS 5A	Introductory Physics I: Calculus Level
PHYS 210	Calculus-Based Physics for Scientists and Engineers: B	PHYCS 5B	Introductory Physics II: Calculus Level
PSY 110	Introductory Psychology	PSYCH 1	General Psychology
PSY 130	Introduction to Human Sexuality	PSYCH 5	Human Sexual Behavior
PSY 180	Introduction to Lifespan Psychology	PSYCH 10	Lifespan Human Development
SOCI 110	Introduction to Sociology	SOCIO 1	Introduction to Sociology
SOCI 115	Social Problems	SOCIO 2	American Society: Social Problems and Deviance
SOCI 130	Introduction to Marriage and Family	SOCIO 12	Sociology of the Family
SOCI 140	Introduction to Gender	SOCIO 7	Gender, Culture and Society
SOCI 150	Introduction to Race and Ethnicity	SOCIO 5	Ethnicity and Ethnic Relations in America
SPAN 100	Elementary Spanish I	SPAN 1A	Spanish: Beginning
SPAN 200	Intermediate Spanish I	SPAN 2A	Spanish: Intermediate
SPAN 210	Intermediate Spanish II	SPAN 2B	Spanish: Intermediate
