

IGETC 2015-16

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM FOR TRANSFER TO THE UNIVERSITY OF CALIFORNIA AND THE CALIFORNIA STATE UNIVERSITY

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to satisfy specific campus lower-division general education requirements. **IGETC may also be used to satisfy the requirements of the AA-T or AS-T degree.** It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of these systems prior to transfer. The IGETC is an alternative General Education Pattern for transfer to the CSU and UC systems. Depending upon the major and/or the campus of choice, some students may be better served by taking courses which fulfill the CSU General Education Breadth Requirements listed on pages

54-55 of this catalog or those listed in the CSU or UC campus of choice catalog. Students pursuing majors that require extensive lower-division major preparation may not find the IGETC option to be advantageous. The IGETC will probably be most useful for students who want to keep their options open before making a final decision about transferring to a particular CSU or UC campus.

The course requirements for all areas must be fully completed with a grade of C or better before the IGETC can be certified. A student must request an IGETC Certification from the Admissions & Records Office. Certification will be sent after the last semester is completed at Columbia College. Courses taken from the IGETC list at another community college will be used in the final certification. Advanced Placement Examination credit may be used in some, but not all areas.

Area 6 – Language Other than English

(UC Requirement Only) Students transferring to the University of California are required to demonstrate competence (proficiency) in a language other than English equal to two years of high school study. The process for demonstrating competency is outlined below:

1. Completion of two years of high school level work in the same foreign language with a grade of “C-” or better.
2. Completion of a course (or courses) at another college or university, with a grade of “C” or better in each course. Generally, one semester of college work in a language other than English is considered to be equivalent to two years of high school level work. Students must provide the following documentation: test name, score, date test was completed and name of school.
3. In addition, the UC faculty has agreed that a CCC faculty member is qualified to determine language proficiency equal to two years of high school study. The faculty member provides a letter on letterhead asserting the student has mastered proficiency in the language equivalent to two years of high school study or higher.

Any one of the courses listed below completed with a grade of “C” or better will fulfill the requirement:

4. Completion, with a grade of “C” or better, of two years of formal schooling at the sixth grade level or higher at an institution where the language of institution is not English. Documentation must be presented to substantiate the required courses were completed. Students must provide the following documentation: test name, score, date test was completed and name of school.
5. A score of 500 or higher in the College Board Achievement tests in languages other than English.
6. A score of 3 or higher in the College Board Advanced Placement Examination in Languages other than English.

Area 7 – CSU Graduation Requirement in U.S. History, Constitution and American Ideals

The CSU U.S. History, Constitution, and American Ideals (AI) graduation requirement is not part IGETC. Courses used to satisfy this requirement may also be listed in Area 4. However, CSU campuses have the discretion whether to allow courses used to satisfy the CSU AI graduation requirement to count in both Area 4 and to meet the AI graduation requirement. In the absence of specific knowledge of a CSU campus policy for double-counting, Columbia College will certify IGETC using the courses in Area 4 and the CSU AI graduation requirement. 6 units: one course from Group 7A and one from Group 7B

- **Group 7A:**
POLSC 10 Constitutional Government
And
- **Group 7B:**
