1. **Who is Higher One?**
Yosemite Community College District has partnered with Higher One to deliver your financial aid refund. We are committed to delivering 100% of your refund at no cost, providing students with clear choices and offering great customer service.

2. **Why am I getting a card?**
The card number is the personal code you will use to make your choice. If you choose the OneAccount as your refund choice, the card will be activated and linked to your OneAccount.

3. **How will I get a My YCCD Card?**
You will receive your card in the mail at your primary address on file with YCCD. Just look for the bright green envelope and please make sure your address is up-to-date.

4. **What are my options for receiving money?**
   - **Same business day deposit to a OneAccount.** Money deposited to the account the same business day funds are released by YCCD to Higher One.
   - **Deposit to another account.** Money in two to three business days.
   - **Paper check.** Money in five to seven business days.

5. **What if I don’t make a selection?**

6. **Are these full-service checking accounts?**

7. **Why is the MasterCard logo on my card?**
If you choose to open an account, serviced by Higher One, Inc., the My YCCD Card can be used to make purchases wherever Debit MasterCard is accepted. It is important to note that the My YCCD Card is **NOT A CREDIT CARD**, but rather a **DEBIT CARD** backed by the purchasing power of the MasterCard network.

8. **What kinds of money might I receive from YCCD?**
The most common type of money Higher One disburses to students are funds left over from financial aid awards, loans or grants after tuition has been paid. Students receiving these funds have usually requested this additional support to help with books and living expenses. Other types of money may include reimbursement for tuition overpayment or a dropped class. Higher One uses the term “refund” but YCCD may have another name for these funds such as a disbursement, residual or a stipend.

10. **How is my money delivered?**

    Delivery of refund money is a multi-step process. First, Yosemite Community College District draws funds from the respective loan and/or grant provider and applies it to your student account. Next, we collect and verify that all the information is correct. Once verified, we send the information to Higher One. This often happens in groups or batches based on our bandwidth, capabilities, timelines etc. Once they receive your specific refund information, it is processed as fast as possible and disbursed according to your selection.

11. **How do I set up direct deposit of my paycheck to a checking account serviced by Higher One, Inc.?**
