The Academic Achievement Center (AAC) provides free peer tutoring for Columbia College students. AAC tutors work individually and in groups with students on coursework and study skills for most classes and writing assignments. Tutoring is available by appointment, five days a week, and can be arranged by calling or visiting the AAC in Tamarack 209, library 2nd floor.

The AAC also provides Supplemental Instruction (SI). Supplemental Instruction is a peer-assisted study session program offered for courses with historically high attrition rates in which students often benefit from additional academic assistance.

SI sessions are led by SI leaders, students who have demonstrated mastery of course content and who are recommended by department faculty. SI leaders attend lectures, take notes, read assigned materials, and help peers integrate course content and study skills in a group setting. SI leaders are trained in SI techniques created by the University of Missouri at Kansas City International Center for Supplemental Instruction.

• All SI sessions are free to registered Columbia College students.

• Students can show up to sessions at any point in the semester.

In addition, the AAC computer lab has eight computers for student use, with free printing, and is available for use without an appointment. The AAC also offers, for a fee, test proctoring services to individuals who are taking courses through another educational institution. Appointments for test proctoring can be made by calling 588-5177.

Financial Aid / Last name A-L: 588.5105.
Last name M-Z: 588.5272

Financial Aid
Financial aid may be available for expenses that are directly related to attending college when these costs are more than students or their families can afford. The eligibility for most financial aid is based on financial need, which is determined by the Financial Aid Office from information submitted by the student and/or family on the Free Application for Federal Student Aid (FAFSA). Students are urged to complete applications by March 2 prior to each academic year in order to maximize the amount of financial aid they are eligible for. Applicants must also show satisfactory academic progress and be enrolled in or working toward a transfer, certificate, or degree objective and have not already earned a degree.

General information about grants is listed below but a more comprehensive list is available on the Financial Aid website. Various dollar amounts shown and regulations regarding financial aid are subject to change without notice due to governmental, state, and local requirement changes.

Board of Governors Fee Waiver (BOG)
Students may qualify to have enrollment fees waived if they or their parents are low income; are receiving TANF/CalWorks, SSI/SSP, or GA; or are a dependent of a deceased/disabled veteran. The BOG is only available to California residents and eligible AB 540 and AB 1899 students.”

California Dream Act
Students who do not hold a valid non-immigrant visa and who meet AB 540 requirements may complete the California Dream Act Application as opposed to the FAFSA which is for US citizens only. Awards available through the Dream Act are limited to state aid such as Cal Grants, Chafee Foster Youth Grant, and the Middle Class Scholarship and institutional aid such as the BOG.

Federal Pell Grants
Pell Grants are federal grants to assist low and middle income students who are enrolling in 6 or more units. The maximum Pell Grant is $5,830 for the 2015-2016 year for a full-time student; however, students with exceptional financial need will qualify for a prorated amount based on their enrollment.

Federal Supplemental Educational Opportunity Grant (FSEOG)
FSEOG is another form of Federal aid is given to the lowest income students on a first-come, first-served basis (from when they submitted the FAFSA) due to the limited supply of funds. The maximum award at Columbia College is $1,000 and is only available to students enrolled in 6 or more units.

Cal Grants
Cal Grants are awarded by the California Student Aid Commission (CSAC) and are categorized into types A, B, and C. Each type is awarded based on varying criteria, including financial need, GPA, and program of study, and award
amounts vary by Cal Grant type. To apply, students must submit the FAFSA by March 2 prior to the year of enrollment and submit their verified GPA to CSAC.

Chafee Grant
Awards $5,000 per year to former foster youth who are California residents. They must have remaining financial need and meet certain age and Independent Living Program (ILP) requirements.

Loans
Columbia College does not participate in any Direct or Federal Family Loan Programs.

Standards for Satisfactory Academic Progress (SAP)
Students must meet Satisfactory Academic Progress (SAP) qualitative and quantitative standards in order to maintain eligibility for federal financial aid. SAP is assessed at the end of each semester after grades are posted. Students must maintain a cumulative grade point average of 2.0 and 67.7% completion rate for all attempted units. Failure to maintain either standard will result in the student being placed on financial aid warning. Two consecutive SAP assessments where students do not meet standards will result in disqualification from aid.

Students must also complete an eligible program within 150% of its published program length. For students pursuing an AA/AS or transfer program, the approved maximum time frame is 90 units (60 units for AA/AS x 150% = 90 units). For certificate programs, it is 150% of the approved program length required to complete the certificate. Students who exceed this maximum time frame are suspended from aid.

Return of Title IV Funds (R2T4)
Per federal regulation (34 CRF Parts 668, 682, and 685), any student who receives financial aid funds and drops units or withdraws from courses before completing more than 60% of the semester, will be required to pay back a portion of the grant funds to the federal government. Students who owe Return of Title IV funds are ineligible to receive additional federal financial assistance from any college or university until satisfactory repayment arrangements have been made.

If you receive financial aid, please contact the Financial Aid Office first before withdrawing from any course.
