In the event of resignation or leave of absence of any officer (with the exception of the President, **Past President** and adjunct representatives), the President shall call a special election to fill the

unexpired term of office.”

- Will put out a paper ballot that will require a signature. We will need a 2/3 vote to adopt. Will look at all three additions individually, and vote separately.
- Results will be given by November 20, 2015 at the next Academic Senate meeting.

E. Accreditation Co-Chair- Wendy Griffiths-Bender

- Going to hire someone to lead accreditation. We need someone dedicated to the task.
- 20% reassigned in the Spring 2016. Move to 40% in Fall 2016 and 60% in the Spring of 2017.
- Want to make sure if this person is working in the summer that they are compensated at their instructional rate.

Action: Move adoption the job description for Faculty Accreditation Co-Chair **M/S/P** (Landess/Hamilton/Ted Hamilton, Paula Clarke, Micha Miller, Lahna VonEpps, Melissa Colón, Kirsten Miller, Jeff Fitzwater, Joe Manlove, Matthew Fox, Sylvia Watterson, Kathy Schultz, Kath Christensen, Elizabeth Pflieger, Maryl Landess, Don Smith, Joe Ryan, Lindsay Laney, Tom Johnson, Tina Trolier, Derrick Wydick, Tim Elizondo, Erin Naegle, Thomas Newell

F. Student Learning Outcomes (SLO) Coordinator/Mentor Position- Wendy Griffiths-Bender

- Coordinator will receive 40% reassigned time and the two mentors will each receive 15% reassigned time.
- Add to the description “regional and statewide conferences” that will be needed to keep in touch with the regular changes in accreditation.
- Asking that this person is a liaison with the curriculum committee. Will be working with faculty as SLO’s will be required to be on the COR.
- Duties state: “The person will sit on College Council” That line will need to be removed as the Senate cannot appoint the coordinator to College Council.

Action: Move to accept SLO job description as amended **M/S/P** (Hamilton/Smith/Ted Hamilton, Paula Clarke, Micha Miller, Lahna VonEpps, Melissa Colón, Kirsten Miller, Jeff Fitzwater, Joe Manlove, Matthew Fox, Sylvia Watterson, Kathy Schultz, Kath Christensen, Elizabeth Pflieger, Maryl Landess, Don Smith, Joe Ryan, Lindsay Laney, Tom Johnson, Tina Trolier, Derrick Wydick, Tim Elizondo, Erin Naegle, Thomas Newell

G. GE Pattern Modification Resolution- Kathy Schultz

- ANTHR 14 should read ANTHR 1 with a 4 superscript, the fourth note will be used to satisfy area B2 or D1, but not both. Same thing is true in area C.
- Formatting and catalog issues will be taken care of post meeting.
- Will be doing away with ASOE’s. Faculty will have to make a decision of

- which degree they will want to go with.
- Our AA/AS degrees do not transfer. Our local degrees are still terminal degrees. AA vs ASOE will be adjusted and revised for the catalog.
- Counselors encourage students to take American Ideals. IGETC pathway has area 7 which states it is a CSU requirement. CSU will not give up the speech class, students must have a speech course to transfer.
- UC's do not require American Ideals.
- All courses have CSU/UC transfer requirements listed in the catalog.
- According to area B a person can get a degree from CC without ever taking a ? class if a student passes the AP exam with a 3. There are writing requirements on the AP. Concern that we are going to grant a college degree without a writing requirement?
- Counselors commented that the percentage of students that come in with high AP exam scores is very low.
- If our current writing requirement is good enough for UC's and CSU's why would we require a more rigorous writing requirement?
- Our catalog was out of compliance for years by prescribing what students must take. CSU does not stipulate what courses students must take in their general ed. MJC asks for 3 courses from 2 separate disciplines in Area D.
- Standard AA/AS degrees awarded in Spring 2015 was 122 awards, non-duplicated. 60% of students did meet CSU/UC transfer requirements.
- Diana is preparing data that will show over the past 7 years what courses are actually being taken in areas A-E.
- The only change to an ASOE for general education would be 1 course from Area D and 1 course from Area E. Students will have more electives. Activity courses do not apply to transfer requirements.

Action: Move to accept the GE Pattern Modification Resolution M/S/P (Landess/Naegle/Ted Hamilton, Paula Clarke, Micha Miller, Lahna VonEpps, Melissa Colón, Kirsten Miller, Jeff Fitzwater, Joe Manlove, Matthew Fox, Sylvia Watterson, Kathy Schultz, Kath Christensen, Elizabeth Pflieger, Maryl Landess, Don Smith, Joe Ryan, Lindsay Laney, Tom Johnson, Tina Trolier, Derrick Wydick, Tim Elizondo, Erin Naegle, Thomas Newell)

H. SLO's on Course Syllabi- Kathy Schultz

- Standard II-III B is extremely clear that SLO's will be included the COR as well as in the syllabus. Every syllabus must have SLO's on them, and they will be the same SLO's that are on the COR.
- Curriculum committee will look for the SLO's on the COR, but will have nothing to do with the assessment or analysis.
- Will possibly be asking to have a contracted person enter the data of copy and pasting into the new tool.
- SLO mentors will be working with adjuncts to get these onto the syllabus and COR.

I. Curriculum Expedite Process- Kathy Schultz

- If GE pattern is approved at the next meeting, it will go to College Council

and then the Board meeting.

- Will be a batch of curriculum that will need to go through to be correct in the catalog. This will be out of the normal timeline of the catalog and we will need a process to expedite these programs and courses.
- Absolutely essential that the 2 year plan makes it into the catalog.
- Erin and Wendy will bring the 2 year plan concern to Angie and Leslie.

J. Faculty Scholarship Inquiry Committee Update- Lahna VonEpps

- Asking the body if there are changes that need to be made to the current resolution.
- Last year 8 out of 9 students were awarded. They got a plaque, but no money. That was not the direction the committee was intending to go.
- Will bring back a revised document and update the current standing resolution.
- Suggestion to do a survey monkey to get some feedback from faculty of how the process should move forward from this point.

K. Free Parking Permits for staff and/or students- Sylvia Watterson

- Free parking pass if you car pool listed in Article 33 of the faculty contract. There would be options for people (faculty and/or adjuncts) who ride the bus.
- Would like to educate constituents and remind them that they have this option.

V. REPORTS: Reports A-D will be given in the November newsletter

~~A. President's Report - Wendy Griffiths Bender~~

~~B. President Elect - Erin Naegle~~

~~C. College Council - Don Smith~~

~~D. Curriculum - Kathy Schultz~~

*Tina, Tom J, Derrick, and Jeff F leave @ 4:15pm

F. Michelle Christopherson-

- District Council is going to have a strategic planning meeting 12/16/15 in Oakdale and can bring 2 people. Would like to have a Math or Econ teacher involved.
- Board meeting presentation was great with the cadets and everyone enjoyed it. Encouraging groups to participate and show the Board what we do.

ADJOURNMENT: 4:40pm VonEpps/Manlove

Next Full Senate Meeting November 20, 2015 in **Manzanita Conference Room 243**, 2:30-4:30pm

YFA meeting immediately followed with the following points of note:

- Responsible Employee Policy- not in practice yet, will be implemented in January 2016. There will be 15 different types of crimes that we will be asked to report on.
- Presentation given by John Black in the fall did not include alcohol violations, drug violations and theft. These are all things that will be included in this policy.
- Would like to increase our YFA visibility. There are 2 at-large positions open to be filled. Please contact Tim if interested.
- District wants to have SLO's in evaluations.
- Noticing that there is difficulty in communicating with administration, both from YFA and faculty as well. Due to limited availability of administration, more provocative questions are being asked in College Council.

Joint Resolution With the Academic Senates of Columbia College and Modesto Junior College in Support of Adopting Canvas as the Course Management System for YCCD

- Proposed by: The Distance Education Committees of Modesto Junior College and Columbia College.
- Whereas The California Community College Online Education Initiative (OEI) has created, for the first time, a system-wide consortium of online leaders and experts to implement standards and improve the experience and quality of online courses for students; and
- Whereas, Students and faculty have complained about Blackboard being difficult because Blackboard’s idiosyncrasies require current online instruction training to focus disproportionately on technology; and
- Whereas, Largely because of its intuitive interface, Canvas has been selected, after an exhaustingly thorough, intensive review process that included students, faculty, staff, and other experts throughout the state, as the recommended Course Management System (CMS) for California Community Colleges by the OEI; and
- Whereas, Faculty at MJC ran their own pilot with Canvas in 2012 and generally preferred Canvas to Blackboard. Students overwhelmingly preferred it to Blackboard (survey: <https://drive.google.com/file/d/0B740-F2hVSP2REtGWWNOWXNrSUK/view?usp=sharing>); and
- Whereas, Canvas has a “History of strong completion and success rate for students” (<https://ccconlineed.instructure.com/courses/90/pages/selection>); and
- Whereas, “Faculty user adoption rate at colleges [using Canvas] is significantly higher than other systems” (<https://ccconlineed.instructure.com/courses/90/pages/selection>); and

Whereas, Professional development opportunities will be provided to Canvas adopters at no cost to the college; and

Whereas, OEI and Canvas will help manage the migration process from Blackboard to Canvas; and

Whereas, Colleges that have adopted Canvas report significantly fewer support calls and less need for faculty CMS training; and

Whereas, Community colleges throughout California are moving to Canvas; and

Whereas, The contract with Canvas will allow all courses to have Canvas shells, as well as clubs, departments, and other college organizations; and

Whereas, Blackboard costs approximately \$120,000 per year. Canvas will be free at least through the 2018-2019 school year, saving the District approximately \$240,000.

Whereas, After 2019, the "OEI is optimistic that this level of support [i.e. free] will continue." Even if Canvas is not free, the cost is expected not to exceed \$20,000 per year; and

Whereas, The next OEI Canvas conversion cohort begins January 2016. The current contract with Blackboard will expire in the summer of 2017, which makes spring 2016 a perfect time to join the Canvas cohort for the 18 month conversion cycle;

Therefore: Be it resolved, that the Academic Senates at Modesto Junior College and Columbia College support joining the Spring 2016 cohort of California Community Colleges that will be transitioning, over an 18 month period, to Canvas; and

Therefore: Be it further resolved, that in accordance with the ASCCC and the recommendation from the OEI, associated savings from the transition to Canvas stay within the DE program for projects such as providing Canvas training and compensated CMS transitional support, ensuring that all DE courses meet OEI standards such as Section 508 accessibility, and enhancing the DE programs at both colleges in order to help YCCD students succeed.

RESOLUTION FA2015 – ??

Columbia College GE Pattern Modification

Where As, according to Title 5 §53200 of the California Education Code, the Academic Senate’s primary function is to make recommendations with respect to academic and professional matters, including curriculum and degree and certificate requirements, and

Where As, our local GE requirements are above and beyond what is required by Education Code and higher than many other community colleges, and

Where As, compared to our local cohort of community colleges, which includes Modesto Junior College, Delta College and Merced College, the Columbia College GE pattern requires considerably more units, and

Where As, the Academic Senate sees a benefit to implementing a GE pattern that is more similar to our sister college for students who may be attending classes on both campuses, and

Where As, we are the only community college in the state of California to offer an “ASOE” degree, and it is not recognized at the State Chancellor’s office as being different from a regular AA/AS, and

Where As, our multi-tiered system of AA/AS, ASOE is confusing to students, and

Where As, our goal is for our local Degrees to be completed within the 60 unit limit, similar to the State mandated limit on Transfer Degrees, and

Where As, new Financial Aid restrictions are in effect, and our higher GE requirements may put students at jeopardy of topping out in units eligible for Financial Aid,

Therefore, be it resolved,

That the Columbia College Academic Senate approve and adopt the updated local GE pattern effective with the 2016-2017 catalog, as shown in Attachment A.

Be it further resolved,

That the Columbia College Academic Senate approve and adopt the broader definition of Activity courses for our local Activity requirement effective with the 2016-2017 catalog, as shown in Attachment B.
