Subject: Classified Senate Hiring Prioritization List

Hi Angie—

As you requested, I am notifying you first of the results from the Classified Senate Hiring Prioritization Position Requests, copies of which I already gave you last Friday. All were noted in Program Review. The Committee members individually scored the six Position Requests, then totaled them all. The results are recorded on the Score Sheet attachment. The Prioritized Recommendation List with brief introductory statements was submitted to the Classified Senate on 11/9/16 and approved. We've also included a partial list of additional staffing needs from Program Review, but the information is inadequate to describe any details. I did make the effort.

I can provide copies of the Position Requests and our Recommendation to each Dean and VP next week when I report the results to the rest of the campus. It may give Administrators a better understanding of these specific staffing needs.

Respectfully submitted,
Doreen
