

SPECIAL PROGRAMS ADVISORY COMMITTEE

PURPOSE

The Advisory Committee lends assistance to the Special Programs Division of Columbia College in the development of education programs which are based on the real needs in the community and in the preparation of students for useful and productive lives. The Special Programs Division, includes the following programs:

- EOPS/CARE (Extended Opportunities Programs and Services/ Cooperative Agencies Resources for Education)
- DSP (Disabled Students Programs and Services)
- TRiO Student Support Services
- CalWORKs

The committee is extremely important in the development of a system of understanding and communication between the school and the communities it serves. Through the Advisory Committee, Columbia College is provided with a majority of the necessary contacts to assist the school in gathering facts regarding student needs; along with the dissemination of vital program and campus information to local businesses and community agencies.

For more information on each of the programs, please visit the following link:
