

Local Health Care Resources

For emergencies, call 911

(This is not a complete list of available primary care physicians. This is a list of clinics in surrounding areas that have previously been known to accept Medi-Cal insurance. Call your insurance provider for up-to-date information about local doctors who are in-network providers and who are accepting new patients.)

*Columbia College Basic Needs Coordinator is available to assist you with accessing local health care resources. Call (209) 588-5283 for assistance. *
