

Tuolumne and Calaveras Occupational Olympics

Law Enforcement Event Criteria 2018

EVENT OVERVIEW

This event is designed to evaluate the students understanding of law enforcement, officer safety and how well the students work as a team. The students will be evaluated on skill, knowledge and ability.

Maximum number of participants:

Each school will be allowed six teams of two students.

Competition Details

Team Events

1. Domestic Violence / Crisis Intervention

Each team will learn to handle, and will be graded on the handling of a potentially dangerous situation. Scoring will reflect each team's "officer safety" techniques, recognition of criminal activity and situation resolution.

2. Traffic Stop / Field Interview

Each team will learn and be graded on their ability to deal with this potentially dangerous situation. Scoring will reflect stop procedures, vehicle approach, courtesy, reacting to the unknown, interviewing occupants and documentation of information.

3. Burglary in Progress

Each team will be provided with instruction on proper response technique to a burglary in progress. Scoring will be based on appropriate response, assessment, approach, building search, and communications.

Judging

Each team will be graded on each event. At the end of the competition all four events will be added together to determine the winners. 1 – 3 place teams will receive awards.

Equipment

Each student will be responsible for bringing the necessary equipment to compete. This includes duty belts, pens, pencils, notebooks, etc. Only Blue or Red training firearms will be allowed.
