This catalog covers the academic year starting May 2, 2016 and ending April 29, 2017

Disclaimer: The Yosemite Community College District and Columbia College have made every reasonable effort to determine that everything stated in this catalog is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Yosemite Community College District or Columbia College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and the College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.
From the President

Welcome to Columbia College! Helping you achieve your educational goals is the highest priority of the faculty, staff and administrators here at CC. Whether you seek to transfer to a university, train for a new career, improve your language skills, or develop skills for career advancement, we are here to serve you.

The 2016-2017 catalog is published as an information resource to assist you in planning and a review of the catalog will show you the breadth of program options available to you. In addition, Columbia College has a range of services to assist you and our Student Services staff and Counselors are available to support your educational journey.

I encourage you to take full advantage of the available resources to support your success and enrich your educational experience here at CC. Stop by the Welcome Desk in the Manzanita building and get to know the Student Ambassadors who can offer on-the-spot assistance and help you navigate the enrollment processes at Columbia College.

Along with academic pursuits, we offer an array of student life activities on campus and many opportunities for students to be involved in planning and decision-making. I encourage you to connect with the Associated Students of Columbia College (ASCC) to learn more about clubs, activities, and participation in shared governance here at CC and in the District.

Again, welcome to Columbia College. We look forward to helping you realize your plans for academic growth and life-long learning.

Thank you for choosing Columbia College and best wishes for your success.

Angela R. Fairchilds, Ph.D.
President, Columbia College

Academic Schedule 2016-2017

SUMMER TERM | 2016

APRIL 11  Priority Registration Levels 1 and 2**
APRIL 12-19  Priority Registration Levels 3 and 4**
APRIL 20 -MAY 1  Open Registration for all students, online or on campus during office hours. No appointment necessary.
MAY 2 - AUG 12  Summer Sessions
5, 7, 10, and 15-week course sessions offered
AUG 20  Last day of summer term

FALL SEMESTER | 2016

MAY 16  Priority Registration Levels 1 and 2**
MAY 17–JUN 7  Priority Registration Levels 3 and 4**
JUN 8–AUG 28  Open registration for all students, online or on campus during office hours. No appointment necessary.
AUG 29  Full-term classes begin
SEPT 5  Labor Day Holiday - campus closed
SEPT 9*  Last day to drop a course on campus and be eligible for a refund
SEPT 9*  Last day for textbook refund—must have receipt
SEPT 9*  Last day to drop a class on campus without a “W” showing on permanent record
SEPT 11*  Last day to drop a class online and be eligible for a refund
SEPT 11*  Last day to drop a class online without a “W” showing on permanent record
SEPT 27*  Last day to elect for Pass/No Pass grading
OCT 28  Deadline for filing for graduation, Certificates of Achievement, and Skills Attainment Certificates for Spring 2017
NOV 11  Veterans Day Holiday
NOV 17*  Last day to withdraw from any course
NOV 24-25  Thanksgiving Holiday- campus closed
NOV 26-27  College closed - No classes
DEC 12–16  Final examinations

SPRING SEMESTER | 2017

NOV 14  Priority Registration Levels 1 and 2**
NOV 15–23  Priority Registration Levels 3 and 4**
NOV 28–JAN 8  OPEN REGISTRATION for all students, online or on campus during office hours. No appointment necessary.
DEC 23–JAN 2  Campus closed
JAN 9  Full-term classes begin
JAN 16  Martin Luther King, Jr. Day- campus closed
JAN 20*  Last day to drop a class on campus without a “W” showing on permanent record
JAN 20*  Last day to drop a class on campus and be eligible for a refund
JAN 22*  Last day to drop a class online and be eligible for a refund
JAN 22  Last day to drop a class online without a “W” showing on permanent record
FEB 7  Last day to elect for Pass/No Pass grading
FEB 10  Lincoln Day Holiday- campus closed
FEB 11-12  Non-Instruction Days
FEB 13  Washington Day Holiday- campus closed
MAR 9  Deadline for file graduation, Certificates of Achievement, and Skills Attainment Certificates for Summer and Fall 2017
APR 3*  Last day to withdraw from any course
APR 24–28  Final examinations
APR 28  Graduation
APR 29  Spring semester ends

* These dates apply to semester-length classes only.
** Priority level definitions can be found at gocolumbia.edu/admissions/priority_registration.php
A copy of your schedule can be printed from connectColumbia or at the College Admissions & Records Office.

NOTE: This calendar is subject to change. Refer to semester schedules for up-to-date information.

About Columbia College

Small College. Big Opportunities.
Choose Columbia College whether you're seeking a degree or vocational certificate, planning to transfer to a four-year university, improving your occupational skills, or simply pursuing an interest or hobby to enrich your life. There's something for everyone here!

Earning one of the College's numerous Associate in Arts Degrees, Associate in Science Degrees, Certificates of Achievement or Skills Attainment Certificates will help you prepare a career path and increase your opportunities for the future.

The Campus
Located on 280 acres of forestland in California's historic Mother Lode gold country, Columbia College has been described as one of the state's most beautiful community colleges. The campus is built among conifers and mixed hardwoods, surrounding a peaceful four and a half acre lake.

In this wooded setting, Columbia College provides a comprehensive program of academic and career technical education, which focuses on the dignity and worth of each individual student. Class sizes allow for a great deal of personal attention, and instructors are very accessible for student consultation.

What you'll also find here is a very supportive staff of counselors, financial aid professionals, and academic tutors, with everyone committed to helping you succeed—and all this at a very reasonable community college cost.

Your Golden Opportunity
For outdoor recreation, our local area has plenty to do! Pan for gold nuggets, explore underground caverns, visit restored mining towns, snow ski in nearby resorts, fish in neighborhood lakes, hike on one of our campus trails, or just relax alongside a rippling stream.

Whatever your reason for choosing Columbia College, you'll know that it's your golden opportunity from the moment that you set foot on our campus! Columbia College and Modesto Junior College (MJC) are institutions of higher education, both affiliated with the Yosemite Community College District (YCCD).

In 1964, action by the district electorate expanded the former Modesto Junior College District into the YCCD. This created one of the largest community college districts in the state geographically, encompassing nearly 4,000 square miles from the San Joaquin Valley and the coast range on the west to the Sierra Nevada on the east.

Today's YCCD includes Tuolumne and Stanislaus Counties, along with parts of San Joaquin, Merced, Calaveras, and Santa Clara Counties.

Prompted by a growing need for educational opportunities in mountain communities and concern with the lengthy student commute to MJC, the YCCD Board of Trustees established Columbia Junior College in 1968. "Junior" was dropped from the name in 1978. Originally on the quarter system, Columbia College changed to the semester system on July 1, 1984.
Columbia College Mission Statement

Columbia College is a dynamic institution of learners and creative thinkers dedicated to high standards of student success. We prepare students to be fully engaged in an evolving world by offering comprehensive and high quality programs and services. Columbia College is committed to a culture of improvement through measuring student learning across the institution. We strive for excellence, foster a spirit of professionalism and embrace diversity.

NOTE: Mission Statement in process of revision, as of April 2016.

Accreditation

Columbia College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415. 506.0234 by the authority of the U.S. Department of Education. Accreditation provides assurance that education earned is of value to the student; acceptable to employers, trade or profession-related licensing agencies; and other colleges and universities can accept a student's credential as legitimate.

A Comprehensive Community College

At Columbia College, students can earn an Associate Degree, Certificate of Achievement, or both upon completion of specific requirements as outlined in this catalog. Columbia College is committed to meeting the postsecondary educational needs of the community through delivery of the following in academic programs and support services:

General Education—Provides a broad learning experience across academic disciplines in order to strengthen critical thinking skills, including: (a) an understanding of the basic content and methodology of the major areas of knowledge, including the humanities and fine arts, the natural sciences, and the social sciences; (b) the capability to be a productive individual and lifelong learner—skills include oral and written communication, information competency, computer literacy, scientific and quantitative reasoning, critical analysis/logical thinking, and the ability to acquire knowledge through a variety of means; and (c) recognition of what it means to be an ethical human being and effective citizen—qualities include an appreciation of ethical principles, civility and interpersonal skills, respect for cultural diversity, historical and aesthetic sensitivity, and the willingness to assume civic, political, and social responsibilities locally, nationally and globally.

Career Technical Education—Delivers courses and programs that directly prepare students for employment after college; update the skills and knowledge of students who are working and to meet the needs of the local business community; and facilitate student transfer to other post-secondary institutions.

Remedial Education—Assists student in acquiring basic competencies needed for effective participation in other College programs.

Services for Students—To provide comprehensive support services, designed to facilitate student access to the College; to assist students in educational and career planning; and to help ensure successful completion of their personal goals.

Student Right-to-Know Rates

COMPLETION RATE:  22.82 %
TRANSFER RATE:  17.43 %

From 2011 COHORT Data

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2011, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above.

These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became “transfer-prepared” during a three-year period, from Fall 2011 to Spring 2014. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered “transfer-prepared.” Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming “transfer-prepared” during a five-semester period, from Spring 2011 to Spring 2013, are transfer students.
Schedule of Classes
The official class schedule is available each semester of the academic year online at www.gocolumbia.edu.

A student handbook/day planner is available to students and contains information regarding registration dates and instructions for registering in classes. The College reserves the right to make additions or deletions to the Schedule of Classes. Classes with insufficient enrollment may be cancelled by the College.

Counselors can assist students in choosing coursework that most appropriately supports the student’s individual goals. Student Ambassadors are available in the Career Transfer Center to help with registering in classes.

Contacting Faculty
Students may contact faculty using the phone numbers found in the faculty directory beginning on page 224 in the catalog. See the College website at www.gocolumbia.edu and the online Schedule of Classes for additional information.
Applying for Admission

Admissions Office
Manzanita Building, Upper Level foyer
Hours: M-Th 8:00 AM – 5:30 PM
F 9:00 AM – 4:30 PM
Phone: (209) 588-5231 FAX: (209) 588-5337
Web: www.gocolumbia.edu/admissions

Who can enroll at Columbia College
We invite you to apply for admission to Columbia College! If you are a graduate of an accredited high school, hold a high school Certificate of Proficiency, Certificate of Completion, or GED, or are at least 18 years old and can profit from higher education, and meet the residence requirements, you are eligible for admission.

To apply for admission
Prospective students may access and complete the online application at www.gocolumbia.edu. Click Admissions, then Apply Now!

Be sure to submit your application as early as possible prior to the term in which you wish to enroll (Education Code Section 76000, 76001 and 76002, Labor Code Section 3077; Board Policy 5010).

Transcripts Must be Provided
Your official transcripts for all previous college work must be received during the first semester of attendance. High school transcripts are required only if you have been out of school for five years or less.

Students are responsible for providing official documentation of previous high school* and college work for evaluation of credit. These documents will become the property of Columbia College and cannot be reproduced or released for any purpose.

HIGH SCHOOL TRANSCRIPTS OR TRANSCRIPTS FROM ANOTHER COLLEGE
Columbia College requires new students to submit official transcripts of coursework completed at other colleges and high schools*.

1. Request that the institution mail your transcripts to the Admissions & Records Office in a sealed envelope. Columbia College will only accept official transcripts that are received in sealed envelopes.
2. The transcript must be obtained from the institution of origin.
3. Columbia College cannot release copies of other institution's transcripts.

*High school transcripts are only required for admission from students who graduated from high school within the last five years.

Re-Admission after Absence
Planning on returning to Columbia College after an absence of one academic year or more? If so, you need to file a new application for admission online at www.gocolumbia.edu, click on Admissions and Records, then APPLY NOW! Transcripts are also required if you have attended another college since last attending Columbia College.

Notice of Acceptance
New and returning students will receive acceptance notification via email. In addition, information on assessment, orientation and advisement opportunities will be furnished. All of this information is also available on the college website.

Residence Requirements
For tuition purposes, all new and returning students are classified either as residents or nonresidents. Residency will be determined by the College on an individual basis with the submission of each application.
California residency is determined by the length of physical presence within the state and one's intent to make California his/her permanent residence. The minimum residence requirement is one year and one day prior to the first day of the term. A residence determination date is that day immediately preceding the opening day of instruction for any session a student proposes to attend.

Those who have resided in California for less than two years must prove intent, which can be established by submitting two items from the following list with your application:

- Owning or renting California residential property for personal use
- Registering to vote in California
- Paying California State Income Taxes
- Having a California Driver’s License or ID card
- Registering a motor vehicle in California
- Holding an active checking and/or savings account in a California bank
- Any other proof of intent for consideration by the College.

Persons who cannot establish the minimum residence requirement as indicated above will be required to pay $217 per unit non-resident tuition in addition to other standard student fees. Nonresident tuition is refundable upon withdrawal from classes during the refund period.

Active duty military and their dependents, who are currently residing in the state, are considered California residents. In addition, members of the armed forces, who are stationed on active duty in California may also be classified as residents.

Credentialed employees, migrant agricultural workers and their dependents may also be considered California residents.

If their visa does not preclude establishing residency in the U.S., non-citizen students may be classified as residents if they have resided in California for more than one year. INS documents must be issued one year and one day prior to the start of the semester otherwise, nonresident tuition will be charged. Examples of INS documentation include:

- Resident Alien Card
- Permanent Resident Card
- I-94 Form
- Visa
- Passport
- Temporary Resident Card

For residency questions and re-classification contact Admissions & Records at 588-5231. Residency decisions can be appealed by writing to the Vice President of Student Services. (Board Policy 5015; Education code 68040 et seq., 76140; Title 5, Sections 5400 et seq.)

**AB 540**

Assembly Bill 540 (January 1, 2002) allows exemption from nonresident tuition in some circumstances. This law does not grant residency. Instead, it only exempts nonresident students from paying nonresident tuition.

If you feel that you qualify, complete a Student Affidavit for Exemption from Nonresident Tuition form. The form can be obtained from the college website, www.gocolumbia.edu on the Admissions & Records page.

### Special Admit Students

Columbia College may admit students who are 14 years of age or older who would benefit from advanced scholastic or vocational work according to Education Code 48800, 48800.5, and 76000 and Board Policy 5010. To be eligible for admission, a student must be in good standing with the school in which he/she is enrolled and may not enroll in more than 11.5 units in any term.

**All applicants must submit a:**

- Columbia College Admissions Application
- Fee Waiver Application
- High School Petition for Advanced Admissions
- Health Services consent for treatment of minors for medical and personal counseling service form.

Students must satisfy all course prerequisites as defined in the current catalog and complete the College assessment prior to enrollment in math and/or English courses. Credit for courses completed shall be at the level determined to be appropriate by the school district and the community college governing board.

Eligible students may apply on the college website at www.gocolumbia.edu, clicking on "Admissions," and then "Apply Now." Students may register during open registration for appropriate classes providing that the application, High School Petition for Advanced Admissions, Medical Consent Treatment form and Fee Waiver Application are completed accurately and are on file in the Admissions & Records office.

No special arrangements for additional supervision of underage students are available at Columbia College. It is the responsibility of the parent/parents to assure that their student is able to handle the college environment, as well as the content of the courses in which the student enrolls.

Beginning Summer term of 2007, the Yosemite Community College Board of Trustees has waived the enrollment unit fee for special admit students. However, all students must have the Fee Waiver Application on file and will be responsible for all other fees. Contact the college Admissions Office for further college policies and procedures.

### Student Success Support Program (SSSP)/Matriculation

New and returning Columbia College students are provided with a step-by-step approach to a successful educational experience. The Student Success Support Program gives students information and assistance at the threshold of their college careers. All new Columbia students are required to participate in the SSSP process. Upon receipt of your application, a schedule of dates and times for assessment, orientation, advisement and registration will be emailed to you. This information is also on the college website.

A person participating in the Student Success Support Program will:

- complete the assessment test in writing, reading and math
- complete an online orientation to Columbia College where services and programs are explained
- attend an advising session during which a preliminary educational plan will be completed
- receive a College Catalog
- receive assistance with comprehensive educational planning.
EXEMPTION CATEGORIES

Students meeting one or more of the following criteria are exempt from all or parts of the SSSP process:

• students holding an associate degree or higher
• students enrolled only in activity courses for which there is no basic skill prerequisite
• students enrolled in Community Education and non-credit courses only
• students enrolled only in contract education or courses for in-service training.

Though a student may qualify for an exemption, attendance in the SSSP process is encouraged. Call the Director of Access, Retention & Success at (209) 588-5236.

ALTERNATIVE STUDENT SUCCESS SUPPORT SERVICES FOR STUDENTS WITH DISABILITIES

Applicants to the college with a verified disability and who are unable to participate in the Student Success & Support Process due to the limitations imposed by their disability are eligible for alternative matriculation services which may include:

1. Special assessment by the Special Programs staff
2. One-on-one orientation, advisement and development of an Educational Plan with Special Programs staff
3. Priority registration

To qualify for alternative service the applicant must submit to the DSPS office written documentation by a professional (e.g., physician, psychologist, LD Specialist, etc.) verifying the disability. Call (209) 588-5130 for more information.

STUDENT SUCCESS SUPPORT PROGRAM CHALLENGE (WAIVER) PROCEDURES

A student may challenge the required participation in SSSP if they do not meet the exemption categories. The challenge must be submitted, along with any supporting data, to the Associate Dean of Student Equity & Success. Forms are available from the Counseling Office. The Associate Dean of Student Equity & Success may request supporting documentation and/or a conversation with the student prior to making a decision.

Priority Registration Levels and Criteria

Priority registration allows you to register early, helping you get the classes you need to achieve your goals. To be eligible for priority registration you must be fully matriculated, in good academic standing and remain below the 100 degree-applicable unit limit.

There are four different priority levels for registration. Each student is allocated into one of the following levels depending upon eligibility.

LEVEL 1: California State Legislature-defined programs and student categories which include:

• Active Duty Military
• Veterans
• CalWORKs
• Eligible former Foster Youth
• EOPS
• Disability Services

Students must also meet Level 3 eligibility

LEVEL 2: Programs or categories of students designated by Columbia College

• TRiO, Athletes, and students petitioning to graduate.

Students must also meet Level 3 eligibility

LEVEL 3: Continuing and new students who:

• Are fully matriculated;
• Have 100 or fewer degree applicable units;
• Are in good standing or on 1st semester probation.

LEVEL 4: Continuing and new students who:

• Are not fully matriculated,
• Are concurrently enrolled in high school.

ALL OTHER STUDENTS (OPEN REGISTRATION)

• All students who do not meet criteria levels 1-4.
Keeping Priority Registration

In order to keep priority registration, continuing students must also meet the following criteria:

- **Units:** Priority registration is retained until a student has earned over 100 degree-applicable units (courses numbered 1-199) at Columbia College.
- **Retain Good Academic Standing:** To remain in good academic standing, students need to have a Grade Point Average (GPA) above 2.0, and progress needs to be at least 50% (i.e. the student must complete 50% of the units they attempt).

When a student's GPA falls below 2.0, or his or her minimum progress requirements fall below 50%, the student will be placed on academic or progress probation. Standings are based on the prior semester.

Priority registration is lost when students have earned a 2nd semester status of **Probation or Dismissal.**

Appeal process

Should you lose your priority registration, you may complete a **Loss of Priority Registration Appeal Form** for consideration by the Vice President of Student Services. For more information, contact the Counseling Center at (209) 588-5109 or drop in to the Counseling Office in the upper level of Manzanita.

Assessment (209) 588-5109

Assessment is required by California Education Code, Sec. 51006 and is intended to provide sufficient information to facilitate a student's success while he/she attends the College. As one of the matriculation components, assessment includes testing to determine a person's proficiency in English and math.

Students can obtain additional copies of their assessment scores by logging into connectColumbia or from the Counseling Office. These scores, however, will not be released if the student has any outstanding financial obligations to the College. Obligations can be paid at the Business Office or on the College website.

There are three test components in the assessment process. These components are sentence structure, reading, and mathematics. The assessment is untimed and fully computerized. Students receive their results and course placement recommendations immediately after completion of the assessment. Students may login to [www.collegeboard.com/student/testing/accuplacer](http://www.collegeboard.com/student/testing/accuplacer) to view sample test questions and tips for taking the assessment.

Columbia College will accept the test scores and placement results from other California Community Colleges providing the test results are no more than three (3) years old. Additionally, students may use math or English courses completed with a grade of "C" or better from other accredited colleges if the course/courses were completed within the past five (5) years and Advanced Placement scores of 3 or better to determine course placement. All of these documents must be official and must be in the Admissions & Records Office at least 10 days prior to registration. Other multiple measures may be used (i.e., high school math grades). Please see a counselor for more information.

The testing simply helps students in choosing appropriate courses, and can also be used to satisfy certain course prerequisites. For more information, contact a counselor or the Associate Dean of Student Equity & Success.

Students may obtain a copy of their assessment results by logging onto connectColumbia. Requests to have copies of the results mailed or faxed to other institutions must be written and signed by the student and faxed or mailed to the Counseling Office. The fee for mailing or faxing copies of the assessment scores to a student or other college is $3.

The Student Success Support Program requires the completion of an Educational Plan by all California Community College students who are pursuing an educational goal.

An abbreviated Education Plan will be completed during advising sessions. At Columbia College, students need to have a comprehensive Educational Plan on file when they have completed 15 units. This includes units completed at Columbia College and units transferred in from other colleges or universities.

The Counseling Office will assist with specific information on preparing your Educational Plan. After the plan has been reviewed with a counselor, a copy will be retained with other student records.

Regulations on Student Records (209) 588-5132

Student records are open to the student himself/herself, employees of the College acting in the course of their duties, and state or federal officials. (California Administrative Code Sec. 54618)

The College may grant access to individual student records for educational or emergency purposes and for court orders. (California Administrative Code Sec. 54620 and 54622)

Confidentiality of Student Records

Student records are the responsibility of the Admissions & Records Office. However, each College department that houses student records is charged with maintaining privacy and access according to College policy.

In addition, student information is maintained under the Vice President of College and Administrative Services (business office transactions), Vice President of Student Services (enrollment, academic records, counseling, library services, student financial aid, student discipline and student complaints, EOPS/CARE, DSPS, Veterans and CalWORKs).

Student information which is designated as public directory information may be released at the discretion of the College to anyone at any time unless the student has filed a written objection form with the Admissions & Records Office. However, Columbia College will not release directory information for individual use or private business/commercial use in advertising or publicity.

Directory information includes the student's name, major field of study, participation in officially recognized activities and sports, weight and height of members of College athletic teams, dates of attendance, degrees, awards and student's photograph in relation to campus-sponsored activities.

Students may ordinarily review their own records at any time during office hours. Under all circumstances, the College will make records available within five (5) to ten working days from the receipt of a written student request.

All of the preceding statements apply regardless of a student's age. Parents of students under the age of 18 may NOT obtain the student's record. (Education Code 40961; Board Policy 5040)
Diploma & Certificate Replacements

The following fees are applicable for replacing official College diplomas and certificates:

- Diplomas: $15
- Certificates: $10

Columbia College Transcripts

Two Columbia College transcripts will be issued without charge upon written request from the student through the Admissions & Records Office. This includes official or unofficial copies.

Additional transcript requests are processed through the National Student Clearinghouse.

<table>

*First 2 transcripts free, lifetime - Regular service only. (Not available through the National Student Clearinghouse). Complete and submit the “Transcript Request Form for Free Copies” to the Admissions & Records Office.

Current students and alumni can conveniently request official transcripts through the National Student Clearinghouse (NSC) www.studentclearinghouse.org. Instructions to Request Official Transcripts using the National Student Clearinghouse:

1. Go to www.studentclearinghouse.org
2. Click on Order – Track – Verify
3. Click on Order or Track a Transcript
4. Select Columbia College
5. Click on Order a Transcript Now
6. Complete information
7. Sign consent form electronically or hard copy by hand
8. Submit information

Requesting official transcripts via the NSC allows you:
- Real time automatic email updates for every step of the transcript process
- To use major credit cards for transcript payment.

If you do not have access to a computer, there are computers available on the Columbia College campus for students to use to place an order for official transcripts using the National Student Clearinghouse website.

ADDITIONAL INFORMATION

Transcripts will not be processed if student has an outstanding obligation to the college. Transcripts cannot be faxed. Transcripts are mailed through the US Postal Service (allow for additional delivery time) or are sent electronically. Fees must be paid at time of request.

Transcript telephone requests / email requests are not accepted. Questions about how to request your official transcripts? Contact Admissions & Records at (209) 588-2021.

(Education Code, Section 76223; Board Policy 5030)

ENROLLMENT & ACADEMIC STATUS VERIFICATION

With signed consent from the student, enrollment and academic status will be verified by the College for the following purposes: educational verification for employment, child care provider enrollment, insurance, etc.

The first two verifications will be done free of charge. Enrollment verifications requested after the two free verifications will be assessed a $5 fee each. The fee for 48-hour service is $15 in addition to the regular $5 fee.

Note that there is no charge for verification for federal loans. However, loan deferment verification will not be released if the student has an outstanding obligation to the College.

PRIVACY RIGHTS OF STUDENTS

In accordance with the Family Educational Rights and Privacy Act of 1974, written consent is needed for release or review of student records to all parties or officials, except those specifically authorized access under the act.

CHANGE OF OFFICIAL RECORDS

To request a change of name or social security number on official records, you must present legal documentation and a photo ID when verifying the change to the Admissions & Records Office.
Services for Students

Programs and services in place to help you succeed while enrolled at Columbia College

**Academic Achievement Center**
Tamarack Building, Second floor

- Hours: M-W: 8:30 AM – 7:00 PM
  - TH 8:30 AM – 4:00 PM
  - F 8:30 AM – 1:00 PM
- Phone: (209) 588-5088
- FAX: (209) 588-5121
- Test proctoring appointments: (209) 588-5177
- Web: www.gocolumbia.edu/aac

The Academic Achievement Center (AAC) provides free peer tutoring for Columbia College students. AAC tutors work individually and in groups with students on coursework and study skills for most classes and writing assignments. Tutoring is available by appointment, five days a week, and can be arranged by calling or visiting the AAC.

The AAC also provides Supplemental Instruction (SI). Supplemental Instruction is a peer-assisted study session program offered for courses with historically high attrition rates in which students often benefit from additional academic assistance.

SI sessions are led by SI leaders, students who have demonstrated mastery of course content and who are recommended by department faculty. SI leaders attend lectures, take notes, read assigned materials, and help peers integrate course content and study skills in a group setting. SI leaders are trained in SI techniques created by the University of Missouri at Kansas City International Center for Supplemental Instruction.

- All SI sessions are free to registered Columbia College students.
- Students can show up to sessions at any point in the semester.

In addition, the AAC computer lab has eight computers for student use, with free printing, and is available for use without an appointment. The AAC also offers, for a fee, test proctoring services to individuals who are taking courses through another educational institution.

**ATM Machines**

**Bookstore ATM, Manzanita Building, Lower Level**
- Hours: M-W: 8:30 AM – 7:00 PM
  - TH 8:30 AM – 4:00 PM
  - F 8:30 AM – 1:00 PM

**Higher One ATM, Library Foyer (Lower Level)**
- Hours: M-TH 7:45AM-7:45PM
  - F 7:45AM-4:30PM

The Manzanita Store is now offering an ATM service to the college.

- Withdrawals can be made up to $40.00.
- A $1.00 fee will be charged for each withdrawal. If a purchase of at least $2.00 is made the fee will be waived.
- This service will be available during normal store hours.

There is also an ATM located in the library and students with a Higher One card can still withdrawal money at no charge. Cards other than Higher One will be charged a fee at that location.

**Calaveras Outreach Site**
3670 Church Street, Vallecito, California 95251

- Hours: Call for hours of operation
- Phone: (209) 588-5132

Columbia College has established an outreach site to provide access to higher education in Calaveras County. The facility is located in Vallecito. The site offers four classrooms and an area for student services support. For more information on classes offered in Calaveras County, please contact Columbia College’s Student Services at (209) 588-5132.
Services may include child care assistance, books, academic supplies, meal vouchers, transportation assistance, academic/career workshops, seminars, and incentive grants as funds permit.

CARE PROGRAM SERVICES:

1. Currently enrolled EOPS student
2. Receiving county cash aid for self and/or child
3. Parent of a child under the age of 14
4. Single parent/head of household
5. New CARE students must be enrolled in a minimum of 12 units.

The Columbia College Child Care Center serves infants, toddlers and preschool children and is best described as a “family friendly environment that fosters positive relationships.” The facility serves as a learning laboratory for adult students enrolled in the Child Development Program. Families who are interested in child care can call (209) 588-5278 for more information and/or to be placed on our eligibility waiting list.

Counseling Services

Counseling Services at Columbia College are provided to the general student population and to special programs: EOPS/CARE, Disabled Students Programs and Services (DSPS), CalWORKs, Veterans and TRiO Student Support Services. (Education Code Section 72620, Title 5, Section 51018; Board Policy 5110)

The Columbia College General Counseling Office provides counseling services for new, continuing and returning students. Counselors assist students with: course selection, researching and setting educational and career goals, review of petition for certificate of achievement and graduation, education and transfer planning, coping with personal/social issues, and understanding college policies and procedures. In addition to these services, students are encouraged to sign up and complete college guidance courses designed to ensure their academic success and career planning. Guidance courses are taught by highly qualified faculty from the Counseling Department who are familiar with personal, social and educational assessment instruments which aid students in understanding their abilities and planning for their future.
DSPS (Disabled Students’ Programs & Services)
Manzanita Building, Upper Level, Room 216
Hours: M-Th: 8:00AM-5:30PM
F 9:00AM-4:30PM
Phone: (209) 588-5130
FAX: (209) 588-5058
Web: www.gocolumbia.edu/dsps

Disabled Students Programs & Services (DSPS) provides access to educational programs and activities for students with disabilities. The department provides accessibility through use of support services, special equipment, specially trained staff, and removal of architectural barriers. A variety of programs and services are provided for eligible students.

Physical Disabilities—Disabled parking (limited to those students with DMV placards or plates), tram service, mobility support, specialized tutoring, help in locating note takers and readers, and test-taking assistance is provided.

Learning Disabilities Program—Provides academic support for those with professionally verified learning disabilities, including review of individual assessment, individualized learning strategies to remediate or compensate for basic skill deficits, test facilitation, and other in-class accommodations as needed. Tutoring may be by specially trained staff and students for general education and vocational college coursework.

High Tech Center—The center gives students with a disability access to and training on adapted computer hardware and software, including the visually and mobility impaired. The software is intended to increase skill levels in reading, writing and math.

Additional Services—Vocational counseling, personal counseling related to academic concerns, academic advising, special equipment loan, liaison with campus and community resources and assistance with registration are among the additional services for students with disabilities.

Special Instruction—Special instruction in adaptive physical education, cardiac and pulmonary rehabilitation, and computer access are offered on a semester basis.

Alternate Format Media—Columbia College publications and institutional materials are in alternate formats and available through the DSPS Office. (Board Policy 5140)

Under YCCD Board Policy 5140, the Yosemite Community College District Board makes provisions for each College within the District to establish procedures whereby the substitution and/or waiver of certain college level courses is permitted for students with verified learning disabilities. Certain conditions must be satisfied before this option becomes possible for the student with a disability and guidelines must be followed. Please consult the Coordinator of the Disabled Student Program and Services department and/or the Special Programs Counselor for more information about both the conditions and guidelines that make such a request possible. (Education Code Sections 67310, 84850, Title 5, Sections 56000 et seq.; YCCD Board Policy 5140)

EOP&S (Extended Opportunity Programs & Services)
Manzanita Building, Upper Level, Room 216
Hours: M-Th: 8:00AM-4:30PM
F 9:00AM-4:30PM
Evening hours scheduled each semester.
Phone: (209) 588-5130
FAX: (209) 588-5058
Web: www.gocolumbia.edu/eops_care

The primary function of EOPS is to make community college accessible to financially and academically disadvantaged students and to provide supportive services so that they may achieve their educational and career goals. EOPS applications are available in the EOPS office and online.

Eligibility Criteria—Student must be a California resident and have earned less than 70 Associate level course units. New EOPS students must enroll in a minimum of 12 units. (Some exceptions may apply.) Students must meet economic and educational criteria:

Economic Need—Eligibility for the Board of Governors BOG Waiver A, B or C with zero Expected Family Contribution (EFC).

Educational Need—Must qualify in one of the following:
1. Does not meet eligibility for degree applicable math or English (Assessment results placing you into MATH 601, MATH 602, or ENGL 650)
2. First generation college student (neither parent earned a Bachelor’s Degree)
3. Did not graduate from high school or receive GED
4. High school grade point average below 2.5
5. Previously enrolled in high school or college remedial coursework
6. Primary language spoken at home is not English.
7. Underrepresented minority group as defined by district.

SERVICES AVAILABLE THROUGH EOP&S

Book Service—Assistance in funding the cost of required text books

Priority Registration—Special registration assistance

Counseling—Academic, career and personal intervention counseling: educational planning and advising

Direct Financial Assistance—EOPS issues semester EOPS grants for qualifying students as funds permit

Student Success Workshops—Offered each semester

University Transfer Assistance—Help in applying for admission to universities

Transportation Assistance—Parking permits or bus passes provided to qualifying students.

Textbook and Calculator Loan Program—for students enrolled in MATH 601, MATH 602, MATH 101, MATH 104, MATH 2, BIO 17, and GUIDE 1
(Brand Policy 5150; Education Code 69640-69656; Title 5 Sections 56200 et seq.)
Financial Aid

Manzanita Building, Upper Level, Financial Aid Office

Hours: M-Th: 8:00 AM-5:30 PM
F 9:00AM-4:30PM
Phone: (209) 588-5105; (209) 588-5272
FAX: (209) 588-5391
Web: www.gocolumbia.edu/financial_aid

Financial aid may be available for expenses that are directly related to attending college when these costs are more than students or their families can afford. The eligibility for most financial aid is based on financial need, which is determined by the Free Application for Federal Student Aid (FAFSA). Students are urged to complete applications by March 2 prior to each academic year in order to maximize the amount of financial aid they are eligible for. Applicants must also show satisfactory academic progress and be enrolled in or working toward a transfer, certificate, or degree objective and have not already earned a degree.

General information about grants is listed below but a more comprehensive list is available on the Financial Aid website. Various dollar amounts shown and regulations regarding financial aid are subject to change without notice due to governmental, state, and local requirement changes.

BOARD OF GOVERNORS FEE WAIVER (BOG)

Students may qualify to have enrollment fees waived if they or their parents are low income; are receiving TANF/CalWorks, SSI/SSP, or GA; or are a dependent of a deceased/disabled veteran. The BOG is only available to California residents and eligible AB 540 and AB 1899 students.

CALIFORNIA DREAM ACT

Students who do not hold a valid non-immigrant visa and who meet AB 540 requirements may complete the California Dream Act Application as opposed to the FAFSA which is for US citizens only. Awards available through the Dream Act are limited to state aid such as Cal Grants, Chafee Foster Youth Grant, and the Middle Class Scholarship and institutional aid such as the BOG.

FEDERAL PELL GRANTS

Pell Grants are federal grants to assist low and middle income students. The maximum Pell Grant is $5,815 for the 2016-2017 year for a full-time student; however, students with exceptional financial need will qualify for a prorated amount based on their enrollment.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

FSEOG is another form of Federal aid is given to the lowest income students on a first-come, first-served basis (from when they submitted the FAFSA) due to the limited supply of funds. The maximum award at Columbia College is $1,000 and is only available to students enrolled in 6 or more units.

GENERAL INFORMATION

CAL GRANTS

Cal Grants are awarded by the California Student Aid Commission (CSAC) and are categorized into types A, B, and C. Each type is awarded based on varying criteria, including financial need, GPA, and program of study, and award amounts vary by Cal Grant type. To apply, students must submit the FAFSA by March 2 prior to the year of enrollment and submit their verified GPA to CSAC.

CHAFEE GRANT

Awards $5,000 per year to former foster youth who are California residents. They must have remaining financial need and meet certain age and Independent Living Program (ILP) requirements.

LOANS

Columbia College does not participate in any Direct or Federal Family Loan Programs.

STANDARDS FOR SATISFACTORY ACADEMIC PROGRESS (SAP)

Students must meet Satisfactory Academic Progress (SAP) qualitative and quantitative standards in order to maintain eligibility for federal financial aid. SAP is assessed at the end of each semester after grades are posted. Students must maintain a cumulative grade point average of 2.0 and 67.7% completion rate for all attempted units. Failure to maintain either standard will result in the student being placed on financial aid warning. Two consecutive SAP assessments where students do not meet standards will result in disqualification from aid.

Students must also complete an eligible program within 150% of its published program length. For students pursuing an AA/AS or transfer program, the approved maximum time frame is 90 units (60 units for AA/AS x 150% = 90 units). For certificate programs, it is 150% of the approved program length required to complete the certificate. Students who exceed this maximum time frame are suspended from aid.

RETURN OF TITLE IV FUNDS (R2T4)

Per federal regulation (34 CFR Parts 668, 682, and 685), any student who receives financial aid funds and drops units or withdraws from all classes prior to completing more than 60% of the semester, will be required to pay back a portion of the grant funds to the federal government. Students who owe Return of Title IV funds are ineligible to receive additional federal financial assistance from any college or university until satisfactory repayment arrangements have been made.

If you receive financial aid, please contact the Financial Aid Office first before withdrawing from any course.

RETAINING BOG ELIGIBILITY (NEW - FALL 2016)

Remain eligible for the BOG fee waiver by maintaining at least at 2.0 GPA and complete at least 50% of all courses attempted. Don’t lose your BOG. See a counselor for assistance.
First Semester Experience
Manzanita Building, Upper Level, Counseling Services
Hours: M-F: 8:00 AM-4:30 PM
Phone: (209) 588-5109
Web: www.gocolumbia.edu/student_services/first_semester

Designed to boost success in pursuing college goals, the First Semester Experience Program is a unique learning community that provides a full course load of 12 units, consisting of Math 602 (Pre-Algebra), Guidance 100 (College Success) and English 151 (Preparation for College Composition), carefully scheduled within two days a week. The program connects students with essential student support services and provides a waiver of book costs for all courses. Eligibility requirements are assessment and placement into Math 602 and English 151 and willingness to work hard in a supportive environment. Enrollment is limited to 24 students. If you wish to be considered for this program, you will need to meet with a counselor for an interview and review of your assessment scores.

GED Testing Center
(General Educational Development)
Manzanita Building, Upper Level, Room 213
Hours: M-Th: 8:00 AM-5:30 PM
F 8:00 AM-4:30 PM
Phone: (209) 588-5231
FAX: (209) 588-5337
Web: www.gocolumbia.edu/student_services/ged

Columbia College is an official General Educational Development Testing Center and provides the opportunity to obtain a GED certificate. For information about the testing schedule or to obtain GED transcripts and study options, go to www.ged.com. For additional information, call the GED Office at (209) 588-5148 or visit us at: www.gocolumbia.edu/student_services/ged.aspx.

In addition, the college offers a non-credit, open enrollment course to assist in preparing individuals to take the GED test. Course times and dates are listed in the online class search (SKLDV 700). Call Admissions & Records for information about enrolling in the course.

Health Services
Juniper Building, Room 2 (Moving to Pinon, Spring, 2017)
Hours: M-Th: 9:00 AM-3:00 PM M closed for lunch 12:00-12:30 PM
Phone: (209) 588-5204
FAX: (209) 588-5240
Web: www.gocolumbia.edu/health_services

A registered nurse practitioner and a mental health counselor are available to provide health services to students. Students who are under age 18 must have a Health Services Consent for Treatment of Minors for medical and personal counseling services form signed by a parent or guardian filed in the health office in order to be treated on campus. These forms are part of the college admissions packages and are available on the college website, www.gocolumbia.edu. Click “Admissions,” then “Student Online Forms.”

Accidents and illnesses occurring on campus should be reported immediately to the college nurse, an instructor or administrator. Student health records are conditionally confidential following both HIPPA and FERPA guidelines. (Board Policy 5200)

A partial list of services covered by the health fee includes:
- First Aid for minor illness and injury
- Free over-the-counter medications
- Resting cot
- Mental health counseling
- Community referrals
- Drug and alcohol information and referrals
- Limited accident on campus insurance coverage

Job Placement
Manzanita Building, Upper Level Job Placement Office
Hours: M-Th: 8:00AM-5:30PM
F 8:00A-5:30PM
Phone: (209) 588-5312
FAX: (209) 588-5317
Web: www.gocolumbia.edu/student_services/job_placement

Columbia College’s Job Placement Office provides employment-related services to students and to employers needing assistance. Services include:
- Online resume writing software and tutorials
- Virtual Job Board with employment opportunities, on and off campus
- Job fair information
- Resume review
Library

Tamarack Hall
Hours: M-Th: 7:45 AM-7:45 PM
F: 7:45 AM-4:30 PM
Phone: (209) 588-5179
FAX: (209) 588-5121
Web: www.gocolumbia.edu/library

Located in Tamarack Hall, the Columbia College Library is a center for study, class research and leisure reading. It welcomes use by students, staff and community residents.

The library’s collections include more than 35,000 print books, 16,000 electronic books, 15,000 print and electronic periodicals, 2,000 DVDs, 1,400 audio recordings including a recently digitized local oral history collection, 600 children’s books, and 70 article and research databases. Eighty Windows and MAC computers with internet access are available for use during Library hours. Computers are loaded with accessibility hardware and software (including scanners), Computer Science and GIS programs (similar to those found in the Fir labs), and keyboarding programs. There is also a coin-operated photocopier and printer.

Through Interlibrary Loan, the Library can locate and borrow materials which are unavailable on campus. The Library staff are available for assistance in locating needed materials, whether from local, regional or national locations.

The Library is open when the College is in session: Mondays through Thursdays (7:45 a.m.-7:45 p.m.) and Fridays (7:45 a.m.-4:30 p.m.). It is closed on weekends and during school holidays. Changes to the Library’s schedule are posted at the front entrance to the Library, and on the Library’s web page: www.gocolumbia.edu/library

On-Ramp Program
Counseling Services, Manzanita Building, Upper Level
Hours: M-F: 8:00AM – 4:30PM
Phone: (209) 588-5167
FAX: (209) 588-5384
email: ccscholarship@yosemite.edu
Web: www.gocolumbia.edu/scholarship

The On-Ramp program is for new students or for students returning to school after a break attending school. The program includes CCTIS 210, Basic Computer Skills for College Success, GUIDE 107: Orientation to College, LIBR 101: Introduction to the Library, and SKDEV 690: Study Skills. These course sections are intentionally-connected so that the same students are enrolled in each section. This approach to enrollment has been shown to increase student success in the subjects and in college.

Scholarships & Awards
Financial Aid, Manzanita Building, Upper Level
Amy Nilson, Director of Development
Hours: M-Th: 8:00 AM-5:30PM
F: 9:00AM – 4:30PM
Phone: (209) 588-5105 Last Names Beginning With A-L
(209) 588-5272 Last Names Beginning with M-Z
FAX: (209) 588-5391
Email: cfscholarship@yosemite.edu
Web: www.gocolumbia.edu/scholarships

The Columbia College Foundation works with dozens of community donors to offer more than 150 scholarships and awards to Columbia College students each year. Students must apply through the online scholarship application system. With one online application, students can apply for more than 80 opportunities. Scholarships and awards are available for all Columbia College students in all fields of study. Selection criteria and application deadlines vary and can be viewed on the scholarship web page at www.gocolumbia.edu/scholarship. Students can also get assistance with their applications at the Career and Transfer Center, Manzanita Building, Upper Level. Room 290.

Most scholarship applications are due in early December, with recipients notified in March and April. Students are encouraged to check the website often for new scholarship listings and deadlines.

Outreach & Campus Tours
Ponderosa Building
Hours: M-F: 8:00AM – 4:30PM
Phone: (209) 588-5111
FAX: (209) 588-5330
email: folettid@yosemite.edu
Web: www.gocolumbia.edu/student_services/student_activities

Through outreach, Columbia College information is distributed to prospective students. To achieve this, contact is made with high school students and counselors, business and industry professionals, community members, and those seeking personal growth opportunities to improve job skills. Activities are coordinated throughout the Yosemite Community College District.

If you are interested in booking an on-campus tour, or a to request that a Columbia College representative visit a school or attend a community event, please call for scheduling and availability.

Parking
New purchasing process takes effect in Fall of 2016!
Daily permits: available at machines in parking lots 24 hours a day, 7 days a week
Semester permits: available online effective Fall 2016. See website for more information.
Phone: (209) 588-5167
FAX: (209) 588-5384
Web: www.gocolumbia.edu/graduation/maps_and_parking.php

As authorized by California Education Code, Sec. 76360(a); a parking permit is required by anyone parking on campus Monday 7AM though Friday 5PM. Semester parking permits are purchased online at the link above with a credit or debit card. Contact the Business Office if you need to purchase a permit with cash or check. Daily parking permits are available at permit vending machines in the student parking lots and at the College Information Booth. Students must park in the designated student parking lots, unless utilizing Disabled spaces or Visitor parking.
Staff parking is reserved for College Staff and guests of the College.
(For more information on campus parking please refer to the pamphlet, Columbia College Campus Parking Regulations). The conduct of drivers, vehicles, and pedestrians on campus is governed by the Parking and Traffic Ordinances of the Yosemite Community College District. Violations of these ordinances are strictly enforced and subject to citation and fines.

Security and Safety
Public Safety Center
Hours: 24 Hours
EMERGENCY: Dial 911
Campus Security: (209) 588-5167 or (209) 566-5476
FAX: (209) 588-5384
Web: www.gocolumbia.edu/safety

In compliance with the federal Clery Act, Columbia College publishes an annual security report. The report includes campus crime statistics and college security policies. The annual report is available each October at the campus security office or online at www.gocolumbia.edu.

Columbia College Security Officers are available 24 hours each day, seven days a week, providing assistance with security, emergencies, parking, escort services, lost and found property, and general information and assistance. Several emergency telephones are available to directly connect you with a security officer. In cases of an emergency or imminent danger, dial 911 or use any campus emergency call box and/or telephones (locations listed on the campus map on page 200).

Snack Bar
Manzanita Building, Lower Level (Foodservice truck during remodel for 2016-2017)
Hours: M-Th: 7:30 AM - 6:00 PM
F: 7:30 AM-3:00 PM
TEL: (209)-588-5321
FAX: (209)-588-5280

Food services are located on the lower level of the Manzanita Building for the convenience of Columbia College students, staff and community members.
Student Identification Cards

Student Center, Ponderosa Building

- Hours: M-Th: 8:00AM-4:00PM
- F: 8:00AM-2:00PM
- Phone: (209) 588-2174
- FAX: (209) 588-5330

There is no charge to students for the student identification card. The same identification card will be used for each semester attended. New cards and validation stickers for the current semester can be obtained at the beginning of every semester from the Student Center, Ponderosa Building. A picture ID and current class schedule is required when requesting services, adding/dropping classes, use of math and computer open labs, the Academic Achievement Center and Business Office.

Students should carry their card with them while on campus. Contact the Student Center for processing dates, times and location at 588-2174.

TRiO Student Support Service

Manzanita Building, Upper Level, Room 214

- Hours: M-F: 8:00AM-4:30PM
- Phone: (209) 588-5066 or (209) 588-5145
- FAX: (209) 588-5330
- Web: www.gocolumbia.edu/trio

TRiO Student Support Services (SSS) is a federally-funded grant that serves first-generation, low-income, and/or students with a disability who are seeking a certificate, degree, and to transfer to a 4-year university. Our academic support network is designed to help students reach their goals of graduating and transferring in a timely manner with the highest GPA possible, the maxium financial and and scholarship opportunities:

TRIO SSS provides a number of benefits to the student to help achieve these goals:

- Peer mentoring group and social networking
- Intensive academic counseling
- Structured assistance with career planning, scholarship applications, the financial aid process, and navigating transfer to 4-year universities
- Field trips to 4-year universities for campus tours
- Priority registration and much, much more

TRIO SSS applications are available in the upper level of the Manzanita Building, room 212, or on the website www.gocolumbia.edu/trio

Veterans Benefits

Manzanita Building, Upper Level, Admissions & Records

- Hours: M-Th: 8:00AM-5:30PM
- F: 9:00AM-4:30PM
- Phone: (209) 588-5231
- FAX: (209) 588-5391
- Web: www.gocolumbia.edu/financial_aid/veterans_service

Veterans Benefits at Columbia College is authorized by the United States Department of Veterans Affairs and the California Department of Veterans Affairs to assist eligible military veterans in accessing the Montgomery GI Bill funding for their college education.

Veteran Services are available for:

- Disabled veterans
- Post-Vietnam era veterans who participated in payroll deduction programs
- Members of reserve units
- Post 9-11 veterans
- Dependents of disabled, deceased or retired veterans

Services also include certification of educational benefits, personal, academic and career counseling, university transfer counseling, educational planning, and priority registration.

The first step in activating benefits is to meet with the Columbia College Veterans Certifying Official. Please call to make an appointment. This process should be completed 30-120 days prior to the beginning of the term. Information regarding other documents that may be required is also available in the Veterans Benefits Office located in the upper level of the Manzanita Building, Admissions & Records.

Veterans Center

Toyon Building, Room 1

- Office hours: M-Th: 8:00AM-6:30PM
- Drop-ins: W, Th 8:30AM-11:00AM
- Phone: (209) 588-2090 or (209) 588-5246

Columbia College Student Veterans Center provides services for student veterans and dependents that include: computers with Internet access and MS Office, printing services, and drop-in counseling with Dr. Brian Jensen (Toyon 5). A Veteran Student Ambassador staffs the center, and the Veterans Club regularly holds club meetings and other veteran outreach events.

All applicants must declare an educational goal of graduation from Columbia College and transfer to a university.
Activities & Student Life

Get involved in college life and activities to enrich your learning and expand your sense of community

Associated Students of Columbia College (ASCC)

Student Center, Ponderosa Building
Hours: M-Th: 8:00-4:00 PM
F: 8:00-2:00 PM
TEL: (209) 588-5270 or (209) 588-5111
Web: www.gocolumbia.edu/student_life/leadership.php

Do you want a voice in the policies and procedures affecting you and your fellow students at Columbia College? Are you interested in representing Columbia College students before administrators, faculty, and staff and participating in shared governance on campus and in the district? Then you need to contact the Associated Students of Columbia College (ASCC), Student Senate, located in the Student Center, Ponderosa Building on the main Columbia College campus in Sonora.

Joining the Student Senate provides many opportunities to get involved and participate in your educational career and affords you the ability to interact with the entire student body, administrators, faculty, staff, and local community members.

The ASCC Student Senate is a self-governing body created to direct and coordinate student representation, extra-curricular activities, and to create a robust student life for Columbia College students. The Senate strives to enhance shared governance participation through the democratic process, following parliamentary procedure guided by Robert's Rules of Order and adhering to the Ralph M. Brown Act. Students are assured that their concerns, issues, and needs are expressed to the college administration. (Education Code Section 76060: Board Policy 5400)

Athletics

Oak Pavilion
Nathan Rien, Athletic Director
(209) 588-5180

Columbia College is a member of the California Community College Athletic Association's Central Valley Conference. The college currently sponsors two intercollegiate sports: Women's Volleyball and Men's Basketball. Second year eligibility is based on completion of 24 units and a cumulative 2.0 grade point average.

Student Activities

Student Center, Ponderosa Building
Hours: M-Th: 8:00-4:00 PM
F: 8:00-2:00 PM
TEL: (209) 588-5270 or (209) 588-5111

Social events, club activities, community projects and cultural events are conducted through Student Activities. A $5 per semester fee helps support these activities on campus.
Students are encouraged to stop by the Student Senate Office for information on existing student clubs and organizations, and for instructions on how to form a new club. Existing clubs include the following:

**ART STUDENTS LEAGUE**
The students of the Art Students League meet with the intent to stimulate imagination, foster artistic vision and to create a world with art. The members fuel their artistic hunger through viewing galleries, museums, and exhibitions.

**AUTO TECH CLUB**
Join your fellow auto enthusiasts in one of Columbia College’s longest running clubs! The Auto Club brings together students interested in automotive technology in a friendly and social environment. Students involved with or currently participating in auto tech projects or courses are invited to join their fellow students for project discussions, fundraisers, and BBQs/social activities. Club meetings are generally held in the Automotive Technology area of the campus, located in the Madrone Building.

**CHESS CLUB**
To bring together chess players who would like to share their hobby and interest in chess with each other. The Chess Club is open to any person with an interest in chess, regardless of his/her experience or playing ability.

**CHILD DEVELOPMENT CLUB**
The Columbia College Child Development Club strives to generate

The purpose of the Columbia College Automotive Club is to raise funds for supplies and services. In addition to supplies and services, our funds also pay for the occasional social event, marketing, and advertisement.

**BIBLE CLUB**
The Bible Club welcomes anyone interested in the study of the Bible; to model good citizenship and fellowship and to grow in their faith and knowledge while sharing God’s word.

**CEO CLUB (COLLEGIATE ENTREPRENEURS’ ORGANIZATION)**
The Collegiate Entrepreneurs’ Organization Club is part of a premier global entrepreneurship network which will help to inform, support, and inspire Columbia College students to be entrepreneurial and seek opportunity through enterprise creation.

CEO Club’s mission is to inspire, inform, and support students to be entrepreneurial and to seek opportunities through enterprise creation.

**CHESS CLUB**
To bring together chess players who would like to share their hobby and interest in chess with each other. The Chess Club is open to any person with an interest in chess, regardless of his/her experience or playing ability.

**CHILD DEVELOPMENT CLUB**
The Columbia College Child Development Club strives to generate
more opportunities for fellow child development students and families throughout our community while contributing to the education, individuality and wellbeing of children.

DEBATE CLUB
The Debate Club provides an extracurricular on-campus space for individuals particularly interested in the activities encompassed by intercollegiate competitive forensics to fine-tune skills and prepare for competition with the support of classmates and advisors.

FORESTRY & NATURAL RESOURCES
The Forestry & Natural Resources Club enables students to meet, discuss, practice and share knowledge of forestry and natural resources. Members will serve Columbia College and Mother Lode communities, while giving real world practical experience to better prepare club members for future careers.

GAY STRAIGHT ALLIANCE
GSA strives to create a safe environment in schools for student to support each other and learn about homophobia, transphobia, and other forms of oppression. With a strong policy for acceptance, GSA is open to anyone who keeps a supportive attitude towards their peers.

POLITICAL SCIENCE CLUB
Political Science Club mission is to raise political awareness on campus of current political topics. To increase political discussion by expanding student's knowledge of politics at the local, state and national levels.

VETERANS CLUB
Veterans supporting veterans through unique shared experiences, mentoring each other and prospective servicemen and women with reliable and useful advice.

START YOUR OWN CLUB
To start your own student club or organization, all you need is an advisor, students interested in the same activity, and completion of a few simple forms (which any of your ASCC senators would be happy to assist with) to get your club up and running.

The following requirements apply to all student organizations at Columbia College:
- Only currently enrolled Columbia College students may participate as members of an officially recognized student organization.
- An advisor must be present at all meetings and activities.
- Each semester, organizations must request renewal of their official recognition status.
**Student Center**

**Student Center, Ponderosa Building**

Hours:  M-Th:  8:00-4:00 PM  
        F:  8:00-2:00 PM  
TEL:   (209)-588-5270 or (209) 588-5111  
Web:   www.gocolumbia.edu/student_life/leadership.php

Located in the Ponderosa Building, the Student Center is a place for all students to comfortably have discussions, workshops, clubs or Student Senate meetings. This can all be done in a relaxed environment that fosters academic exploration and thought. The Center provides students with access to college materials and computers.

This Center is funded by the Student Center Fee assessed per academic year. This fee is $1.00 per unit up to a maximum of $10.00 for the entire academic year.

**Student Housing**

**California Student Housing, LLC**

TEL:   (209)-533-3039  
Web:   californiastudenthousing.net/housing/

Columbia College and Yosemite Community College District do not own, operate, manage or maintain the student dormitories. Inquiries should be directed to Francis J. Pogacar, the Managing Member of California Student Housing, LLC, the owner of the dormitories.

**Campus Bulletin Boards**

**Counseling Center, Manzanita Building, Upper Level, Administration**

Hours:  M-F:  8:00-5:00 PM  
TEL:   (209)-588-5132  
FAX:   (209) 588-5090

Posting of materials on bulletin boards can be done by students, faculty, staff or community members and must be stamped for approval in advance by counseling center staff. Posters may be dropped off at the Counseling Center in the upper level of the Manzanita Building for approval.

- Posters that promote services or classes for profit (excluding those by other accredited institutions of higher education) cannot be posted.
- Persons posting material are responsible for its removal immediately after the event.
- All materials will be removed within two weeks of posting date unless noted otherwise.
- Materials should not be affixed to glass, wood or metal surfaces, and posted only on bulletin boards or easels that are designated for public use only.
- Individuals or organizations who do not follow correct posting will have their materials removed.
- Bulletin boards on buildings are not for public use.
Campus Security/ Crime Awareness

Campus Security Officers do not have law enforcement authority. Their role is to “observe and report” only. The Crime Awareness and Campus Security Act of 1990 requires institutions to publish an Annual Security Report. The report includes campus crime statistics and college security policies. The report is available at the Campus Security Office or online at www.gocolumbia.edu. The following are the campus crime statistics for January 1, 2012–December 31, 2014:

Nondiscrimination Policy and Complaint Procedures

Yosemite Community College District Board Policy 3410

It is the policy of Yosemite Community College District to provide an environment free of unlawful discrimination. Discrimination on the basis of ethnic group identification, religion, age, sex or gender, sexual orientation, color or physical or mental disability in the District’s programs, activities and work environment is unlawful and will not be tolerated by the District.

The District strongly forbids any form of discrimination and has enacted complaint resolution procedures to recognize and eliminate unlawful discrimination.

References: 15 Education Code Section 66250 et seq.; 72010 et seq.; and 87100 et seq.; Title 5 Sections 53000 et seq. 16 and 59300 et seq.; Penal Code Section 422.55; Government Code Section 12926.1 and 12940 et seq.; 17 Accreditation Standard II.B.2.c

DISCRIMINATION DEFINITIONS

Ethnic Group Identification means possessing the racial, cultural, or linguistic characteristics common to a racial, cultural, or ethnic group or the country or ethnic group from which a person or his or her forebears originated. (22 California Administrative Code Section 98210b)

Religion includes all aspects of religious observance, practice and belief, including duties of the clergy or elders. A belief is religious if sincerely held and, in the scheme of the believer, holds a place analogous to that filled by the deity of those people whose religion may be more orthodox or more widely accepted. (22 California Code Section 98220)

Age means how old a person is, or the number of elapsed years from the date of a person’s birth. (22 California Administrative Code Section 98230b)

Physical or Mental Disability means any physical or mental impairment which substantially limits one or more major life activities.

Disabled Person means any person who has a physical or mental impairment which substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment.

Sex Discrimination includes:

1. Any rule, policy, or practice concerning actual or potential parental, family, or marital status which differentiates on the basis of sex.
2. Any rule, policy, or practice concerning disability due to pregnancy, childbirth, recovery from childbirth or termination of pregnancy, or other psychological conditions related to the capacity to bear children not applied under the same terms and conditions and in the same manner as any other rule, policy,
GENERAL INFORMATION

or practice relating to any other temporary disability except as otherwise provided by the Fair Employment Practice Act.

3. Any rule, policy, or practice which treats men and women differently for purposes of any program or activity on the basis of aggregate statistical characteristics of men or women, whether founded in fact, belief, or statistical probability is a discriminatory practice.

4. Any rule, policy, or practice or incident which conditions the receipt of any benefit upon entering into, or maintaining, a sexual relationship or participation in sexual activity or subjects a person to sexual harassment or intimidation such as unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature. (22 California Administrative Code Section 98240, 98242, 98244)

SEXYAL HARASSMENT

It is the policy of the Yosemite Community College District to provide an environment free of unlawful discrimination in its programs, activities and work environment. As such, sexual harassment will not be tolerated.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- Submission to sexual conduct is an explicit or implicit term or condition of an individual's employment, academic status, or progress.
- Submission to or rejection of sexual conduct by an individual is the basis for a decision affecting that individual's employment, academic status, or progress. (Education Code Section 212.5)
- Sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature have the purpose or effect of unreasonably interfering with an individual's work or academic performance or create an intimidating, hostile, or offensive work or educational environment.

The District strongly forbids any form of sexual harassment, including acts of non-employees. Disciplinary action will be taken promptly against any student or employee, supervisory or otherwise, engaging in sexual harassment. (Board Policy 3430)

DISCRIMINATION INQUIRIES

In compliance with Title VI of the Civil Rights Act (1964), Title IX of the Educational Amendments (1972), Section 504 of the Rehabilitation Act (1973), Americans with Disabilities Act (1990) (ADA), and Age Discrimination Act (1975), Columbia College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its educational programs or employment. Inquiries concerning the application of these Federal laws to College programs and activities can be directed to the following persons at Columbia College, 11600 Columbia College Drive, Sonora, CA 95370-8580.

Title IX
Vice President of Student Services
(209) 588-5132

Section 504
Vice President of Instruction
(209) 588-5107

ADA
Associate Dean of Student Equity & Success
(209) 588-5079

It is the policy of the Yosemite Community College District that no student shall be denied access to any course, service or activity on the basis of race, creed, national origin, age, sex, or disability. Lack of English language skills will not be a barrier to enrollment.

Es la regla del Yosemite Community College District no negar al estudiante acceso a ningún servicio, curso o actividad en base de raza, credo, nacionalidad, edad, sexo o impedimento. La falta del idioma inglés tampoco será un obstáculo para la matriculación.

DISCRIMINATION COMPLAINT PROCEDURES

Yosemite Community College District Board Policy 5530

The purpose of the Student Complaint Procedure is to provide students with a prompt and equitable means of seeking an appropriate resolution for alleged violations of student rights which are protected under the Non-Discrimination Policy and the Sexual Harassment Policy. Columbia College uses the same procedure and forms for filing complaints based on unlawful discrimination and sexual harassment. Complaints based on unlawful discrimination, including sexual harassment, may be filed against an instructor, an administrator, a member of the classified staff, or another student.

The Yosemite Community College District Discrimination and Sexual Harassment Procedure requires a student to use the informal procedure for resolving an alleged discrimination or sexual harassment complaint before invoking the formal procedure. The rights protected under these procedures include, but are not limited to, the policies of the Yosemite Community College District, Title VII of the Civil Rights Act of 1964, the Education Code of California Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

STUDENT COMPLAINT PROCEDURE

In the pursuit of academic studies and other college sponsored activities that will promote intellectual growth and personal development, the student should be free of unlawful discrimination by any employed member of the academic community. Students disturbed by the actions of other students have recourse through the Student Code of Conduct procedures.

A complaint may be initiated by a student against another student, an instructor, an administrator, or a member of the classified staff.

See the following pages for complaint procedures. >>
INFORMAL COMPLAINT PROCEDURE REGARDING UNLAWFUL DISCRIMINATION

A student complaining of unlawful discrimination shall, within 120 days of occurrence, meet with the Vice President of Student Services or his/her designee.

Students are advised to obtain written instructions for the filing of a complaint from the Vice President of Student Services or his/her designee.

The District has established the following internal procedure to resolve charges of unlawful discrimination including sexual harassment.

A. The complainant shall use the informal procedure before using the formal complaint procedure.

B. The complaint must be invoked within one year of the date on which the complainant knew or should have known of the facts underlying the allegations of unlawful discrimination.

C. The process begins when the complainant meets with the Vice President of Student Services or his/her designee.

D. The Vice President of Student Services or designee will fill out an interview form at that meeting.

E. The Vice President of Student Services or his/her designee will notify the accused that the College has received a complaint naming the accused. The Vice President of Student Services or his/her designee shall also provide the accused with:
   1. the nature of the complaint(s);
   2. the opportunity of the accused to be interviewed and/or to provide a written response;
   3. the right of the accused to representation during the investigation.

F. The Vice President of Student Services or his/her designee shall investigate the complaint which may include meeting with the complainant, the accused, and witnesses, as appropriate.

G. After the Vice President of Student Services or his/her designee determines the appropriate resolution, the Vice President of Student Services shall meet with the complainant to discuss the complaint in an attempt to resolve the matter. The Vice President of Student Services or his/her designee shall inform the complainant of his or her right to invoke the formal complaint procedure, if the complainant feels the matter has not been properly resolved.

H. The interview form, and any other documentation, shall become part of the official complaint investigation file if a complainant invokes the formal complaint process. If the complainant does not invoke the formal process, the Vice President of Student Services or his/her designee will determine whether to place a copy of the interview form in the student or personnel file belonging to the accused in accordance with applicable procedures.

I. This informal procedure shall be completed within thirty (30) days of reporting of the original complaint. (See “To file a complaint” page 31.)

FORMAL COMPLAINT PROCEDURE REGARDING UNLAWFUL DISCRIMINATION

The District has established the following formal complaint procedure to resolve charges of unlawful discrimination, including sexual harassment. The goal of this procedure is to formally investigate and resolve alleged charges which have not been resolved informally and, if necessary, to serve as a basis for prompt corrective action.

A. The complaint shall be filed with the Vice President of Student Services or his/her designee.

B. The complaint shall be filed in a manner prescribed by the Yosemite Community College District and the State Chancellor’s Office.

C. The complaint shall be filed within one year of the date of the alleged unlawful discrimination, or within one year of the date on which the complainant knew or should have known of the facts underlying the allegations of unlawful discrimination. The complaint may be filed any time after the informal process has ended but not later than thirty (30) days from initiating the informal complaint procedure.

D. When the Vice President of Student Services or his/her designee receives a defective complaint, he/she shall notify the complainant of the defect.

E. Upon receiving a properly filed complaint, the Vice President of Student Services or his/her designee will begin an impartial fact-finding investigation of the complaint. The complainant will be notified that the investigation has been initiated.

F. The Vice President of Student Services or his/her designee shall notify the District Chancellor and the State Chancellor’s Office that the complaint has been initiated.

G. The Vice President of Student Services or his/her designee shall notify the accused of receipt of a formal complaint naming the accused and its general nature. In addition, the Vice President of Student Services or his/her designee will notify the accused that an assessment of the accuracy of the allegations has not yet been made, that the complaint will be investigated, that the accused will be provided an opportunity to present his/her side of the matter, and that any conduct that could be viewed as retaliatory against the complainant or any witnesses must be avoided.

H. When the investigation is complete, the College will attempt to resolve the complaint and will take such action as it deems necessary to correct the effects of the unlawful discrimination and to ensure that no unlawful discrimination will occur in the District.

I. At the conclusion of the investigation, the Vice President of Student Services or his/her designee shall prepare a written report that includes:
   1. a description of the circumstances giving rise to the complaint;
   2. a summary of the testimony from witnesses;
   3. an analysis of any relevant data collected during the investigation;
   4. a specific finding as to whether discrimination did or did not occur with respect to each allegation in the complaint; and
5. any other information deemed appropriate.

J. Within ninety (90) days, the Vice President of Student Services or his/her designee shall complete the investigation and forward to the complainant and the accused:

1. a copy of the written investigation report; and
2. a written notice setting forth:
   3. a determination of the District Chancellor or his/her designee as to whether discrimination did or did not occur;
   4. a description of actions taken, if any, to prevent similar problems from occurring in the future;
   5. the proposed resolution of the complaint; and
   6. the complainant's and the accused's right to appeal to the District Governing Board. (See the "To File a Complaint" overview on page 31.)

FINAL DISTRICT DECISION

The District has adopted the following appeal procedure to review the determination of the District Chancellor regarding complaints of alleged discrimination.

A. A complainant or an accused who is not satisfied with the determination made by the District Chancellor may appeal to the Governing Board by submitting a written appeal to the District Chancellor's Office within fifteen (15) days of the determination. The appeal must state the circumstances giving rise to the appeal, and the nature of the relief sought.

B. The Governing Board shall review the original complaint, the investigative report, the administrative determination, and the appeal.

C. Within forty-five (45) days of receipt of the appeal, the Governing Board will issue a final District decision. If a decision is not issued within forty-five (45) days, the District Chancellor's decision will become the final decision.

D. A copy of the final decision shall be forwarded to the complainant and the accused, along with:

   1. In a case not involving employment discrimination, the complainant has the right to appeal the District final decision by filing a written appeal with the State Chancellor within thirty (30) days after the District issues its final decision.
   2. In cases of employment discrimination, the complainant may file a complaint with the Department of Fair Employment and Housing within thirty (30) days of the final decision.

Within one hundred fifty (150) days of receiving a formal complaint, the District will forward the following to the State Chancellor:

1. A copy of the final District decision.

2. A copy of the notice of appeals rights sent to the complainant.

3. Any other information that the State Chancellor may require.

The District will keep copies of these documents on file for a period of three years.

DISCIPLINARY ACTION

Established District disciplinary procedures and policies for students and employees shall be used in the event disciplinary action is necessary under this procedure.

FORMAL COMPLAINT INQUIRIES

Inquiries regarding federal laws and regulations concerning non-discrimination in education or the District's compliance with those provisions may also be directed to:

Office of Civil Rights
U.S. Department of Education
50 Beale Street, Suite 7200
San Francisco, CA 94105
415.486.5555

Department of Fair Employment and Housing
2218 Kausen Drive, Suite 100
Elk Grove, CA 95758
916.478.7251

Chancellor, California Community Colleges
1102 Q Street
Sacramento, CA 95811
916.445.8752

GENERAL INFORMATION

1. The written complaint originally submitted shall be the only complaint considered during the proceedings. Additional charges constitute a separate complaint and must be filed accordingly.

2. A complaint may be withdrawn by the student at any time. However, the same complaint shall not be resubmitted.
To File a Complaint:

Student Code of Conduct
Yosemite Community College District Board Policy 5500

About the Code of Conduct
Columbia College under the Yosemite Community College District Board Policy (5500) has specified those standards of student behavior which it considers essential to its educational mission and its community life. These regulations are designed to represent reasonable standards of conduct. The Student Code of Conduct governs the behavior of students and guests on campus and at college-sponsored activities. Violations of the code may subject individuals to disciplinary action, which is consistent with the requirements of due process.

Causes for Discipline
The following conduct shall constitute good cause for discipline, including but not limited to the removal, suspension or expulsion of a student.

1. Causing, attempting to cause, or threatening to cause physical injury to another person.
2. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife or explosive is forbidden, unless, in the case of possession of any object of this type, the student has obtained written permission from a specified college representative and the college president to possess the item.
3. Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.
4. Committing or attempting to commit robbery or extortion.
5. Causing or attempting to cause damage to district property or to private property on campus.
6. Stealing or attempting to steal district property or private property on campus, or knowingly receiving stolen district property or private property on campus.
7. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the college or the district.
8. Committing sexual harassment as defined by law or by district policies and procedures.
9. Engaging in harassing or discriminatory behavior based on race, religion, creed, color, national origin, ancestry, disability, sex (i.e., gender), marital status or sexual orientation or any other status protected by law.
10. Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact; verbal assaults, such as teasing or name-calling; social isolation or manipulation; and cyberbullying.
11. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the district or on campus.
12. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, college personnel.
13. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty.
14. Dishonesty; forgery; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the district.
15. Unauthorized entry upon or use of college facilities.
16. Lewd, indecent or obscene conduct on district-owned or controlled property, or at district-sponsored or supervised functions.
17. Engaging in expression which is obscene; libelous or slanderous; or which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful district administrative procedures, or the substantial disruption of the orderly operation of the district.
18. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
19. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.
Penalties for Misconduct

DISCIPLINARY ACTION

Violators of the Student Code of Conduct are subject to the following types of disciplinary action which will be administered by appropriate College personnel.

1. **Reprimand** – A verbal or written warning to cease and desist from conduct that has been determined to violate the Standards of Conduct. A record of the fact that a reprimand has been given may be retained as part of the student’s discipline record for the period of one year. The reprimand is considered in the event of future violations during the period of retention. It is the student’s responsibility to request that the record be removed upon expiration of the period of retention.

2. **Removal of Student From Class or Facility** – For good cause, an Instructor may order a student removed from class and an Administrator may order a student removed from a facility. The student shall not be allowed to return to class or the facility without concurrence of the Instructor or Administrator.
   a. Removal from class – Removal shall be for a maximum period of two class sessions, which shall be the day of the removal and the next regular class meeting.
   b. Removal from Facility – Removal shall be for a maximum period of two days, which shall be the day of the removal and the next day.

3. **Discretionary Sanctions** – Work assignments, essays, service to the College, or other related discretionary assignments which may include:
   a. Loss of Privileges – Denial of specified privileges for a designated period of time.
   b. Restitution – Compensation for loss, damage, or injury. This may take the form of appropriate service or monetary or material replacement.

4. **Disciplinary Probation** – A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes:
   a. Conditions imposed that must be met within the designated timeframe
   b. The probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.

5. **Suspension** – Involuntary removal of a student, for good cause, from one or more classes or from the College by action of the Student Conduct Officer or Student Conduct Hearing Panel for a specified period of time, after which the student is eligible to return. Conditions for readmission may be specified. A student placed on suspension from all classes and activities of a College may not enter College premises nor be enrolled in any College or program in the District for the period of suspension and is subject to arrest if found to be on the premises. (Penal Code 28 §626.2)
   a. Short-Term Suspension: Removal from one or more classes for a period of up to 10 consecutive days.
   b. Long-Term Suspension:
      i. Removal from one or more classes for the remainder of the academic term;
      ii. Removal from one or more classes for one or more academic terms; or
      iii. Removal from all classes and activities of the College for one or more academic terms.

6. **Expulsion** – Permanent separation of the student from the District.
   a. A student may be expelled for good cause where other means of correction have failed to bring about proper conduct or when the presence of the student causes a continuing danger to the physical safety of students or others.
   b. Disciplinary action of expulsion may only be recommended by a Student Conduct Hearing Panel or the Chief Student Services Officer.
   c. The recommendation to expel a student shall be made to the College President.
   d. Only the Board of Trustees may expel a student.
Academic Integrity Policy

As defined by the Columbia College Academic Senate

Due Process
The student disciplinary procedure is an administrative process used to review alleged student conduct violations. Findings will be based upon a preponderance of the evidence.

The following due process procedures will be followed:
1. Student will be given written or oral notice of the alleged violation.
2. Student will be given an opportunity to respond to the allegations.
3. Vice President of Student Services or designee will investigate and notify the student of the findings and disposition of the case.
4. The investigation will be completed within 15 days.
5. All disciplined parties will have the right to appeal.

APPEALS
1. The student must notify, by phone or in writing, the Vice President of Instruction within 24 hours of the notification of findings and disposition if he/she plans to appeal the decision.
2. The student shall have five (5) days from the date he/she receives notice of the decision to file an appeal with the Vice President of Instruction. Appeal forms are available in the office of the Vice President of Instruction.
3. Using the appeal form, the student must submit a concise statement based on new evidence or procedural error in interpretation of the evidence to the President of the College or designee.
4. The student shall receive notice of the determination of the President of the College within 10 days. The decision of the President or designee shall be final.

The following CANNOT be appealed:
1. Short-term suspension of five school days or less, and lesser sanctions.
2. Short-term removal by a College instructor.
3. Disciplinary probation for a period of one year or less.
4. Written or verbal reprimand.

The Academic Senate at Columbia College has defined academic integrity as the following:
Academic integrity means honesty and responsibility in scholarship. Professors have to obey rules of honest scholarship, and so do students. Here are the basic assumptions about academic work at Columbia College:
1. Students attend Columbia College in order to learn and grow.
2. Academic assignments exist for the sake of this goal.
3. Grades exist to show how fully the goal is attained.
4. Thus, all work and all grades should result from the student’s own effort to learn and grow.

Academic integrity means understanding and respecting these basic truths, without which no college can exist. Academic misconduct—“cheating”—is not just “against the rules.” It violates the assumptions at the heart of all learning. It destroys the mutual trust and respect that should exist between student and professor. Finally, it is unfair to students who earn their grades honestly.

MAINTAINING ACADEMIC INTEGRITY
All faculty, administrators and some staff share the original jurisdiction for conduct violations in the areas of academic integrity.
1. Academic areas may develop a statement of the application of the Academic Integrity Policy in their courses; and
2. Each faculty member is encouraged to include in his/her introduction to a course:
   a. A statement of the application of the Academic Integrity Policy within his/her course
   b. The statement notifying students that violations of the Academic Integrity Policy will be reported.

VIOLATIONS
- Cheating—Intentionally using or attempting to use unauthorized materials, information or study aids in any academic exercise; misrepresenting or non-reporting of pertinent information in all forms of work submitted for credit or hours.
- Facilitating Academic Dishonesty—Intentionally or knowingly helping, or attempting to help, another to violate a provision of the institutional code of academic integrity.
- Plagiarism—The deliberate adoption or reproduction of ideas, words or statements of another person as one’s own, without acknowledgment. This includes all group work and written assignments.
CONSEQUENCES
Consequences for violation of the Academic Integrity Policy may range from partial credit to no credit on an examination or assignment.

DUE PROCESS PROCEDURAL SAFEGUARDS
Violations of this policy may also violate the Student Code of Conduct. If this occurs:
1. Student shall be given notice by the faculty member in charge of the class or the activity.
2. Student shall have an opportunity to respond to the allegation.
3. Student shall have the right to appeal to the appropriate Dean of Instructional Services.
4. Violations of the Student Code of Conduct will be handled in accordance with the Disciplinary Action described in the Student Code of Conduct. Discipline may range from reprimand to expulsion.

IMPORTANT THINGS TO KNOW
1. No fees paid by or for a student shall be refunded for the term in which he/she is suspended.
2. The student charged with a violation shall be regarded as innocent until the contrary is established by a preponderance of the evidence.
3. Records of disciplinary action shall be kept in a separate file from the academic or grade records for a period of time not to exceed five years.
4. If the student is a minor, the Vice President of Student Services or designee shall notify the student's parent or guardian of any disciplinary action and consequences. (Education Code 76032)
5. All references in this document to "days" shall refer to days when classes are in session, excluding weekends and Fridays during the summer term.
Other College Policies

Children in the Classroom
Children may not attend classes at any time.

Domestic Animal Policy
Columbia College is home to a variety of wildlife. All domestic animals are banned from the Columbia College campus. Exceptions are certified service animals for the disabled and Columbia College animals used for official purposes. In addition, no animals are to be left in vehicles on campus property.

Drug-Free Campus Policy
In compliance with the Drug Free Schools and Communities Act, Columbia College is committed to the success of all students. Drug and alcohol use can be a major hindrance to achieving a successful school career. In compliance with the Drug-Free Schools and Communities Act and The U.S./Drug-Free Workforce Act, Columbia College policy prohibits the illegal use, possession, manufacture or distribution of controlled substances on the College campus and any premises owned, leased, or rented by the College. Students violating this policy are subject to disciplinary action in accordance with the Columbia College Student Code of Conduct. Disciplinary action may include expulsion from College and/or punishment under local, State and Federal law. Columbia College Health Services and Wellness Programs offer education and information on drug and alcohol use and can provide referrals to community agencies or rehabilitation. Students are encouraged to seek assistance.

Open Class Policy
Unless specifically exempted from statute, every course, course section or class (for which attendance is reported for State aid) is open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established.

Exception to this policy will be made where health, safety, legal requirements, or the facility is a limiting factor in the delivery of the course. Students who are denied enrollment by this policy may appeal to the Vice President of Instruction. (Title 5, Section 51820, 51823 (F), 58106 et seq. Board Policy 4-8059)

Selective Service Registration
Every male citizen of the United States and male immigrant residing in the U.S., ages 18 through 25, must register for the Selective Service. AB 397, recently signed into law, as Chapter 1, Section 69500, Part 42 of the Education Code, requires that men who apply for state-funded post-secondary school financial aid must be in compliance with the federal Military Selective Service Act before they can receive such aid.

Informational flyers and mail-back registration cards are available on campus at the Financial Aid Office and Career/Transfer Center. Additionally, students can obtain further information or initiate a registration online by visiting the Selective Service home web page at www.sss.gov.

Smoking on Campus
Yosemite Community College District Board Policy 3570

Due to the high fire danger during much of the year, College policy restricts smoking activity to limited areas on campus. Smoking is only permitted in designated smoking areas which are available in the vicinity of all campus buildings. (Board Policy 3570)
## Academic Policies & Procedures

### Course Numbering System

A college's course numbering system establishes what types of courses are being taught by the institution. The course number range indicates the content of the course, and what sort of meaning it has when earning an associate degree, transferring to a four-year college or university associate degrees, as well as for career preparation or strengthening pre collegiate skills. Columbia has adopted the following course numbering system.

<table>
<thead>
<tr>
<th>NUMBER RANGE</th>
<th>TYPE OF COURSE</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-99</td>
<td>BACCALAUREATE DEGREE/TRANSFER LEVEL</td>
</tr>
<tr>
<td></td>
<td>Designated baccalaureate-level courses, transferable to four-year institutions and applicable to Associate Degree</td>
</tr>
<tr>
<td>70/170/270</td>
<td>SPECIAL TOPICS</td>
</tr>
<tr>
<td></td>
<td>Instruction on a special topic within a broader discipline area (such as child development). Lecture and/or laboratory hours, units of credit, repeatability, and transferability may vary by offering. Check with the school to which student is transferring.</td>
</tr>
<tr>
<td>94</td>
<td>HONORS COURSES</td>
</tr>
<tr>
<td>98/198</td>
<td>EXPERIMENTAL COURSES</td>
</tr>
<tr>
<td></td>
<td>Classes in which a particular topic in a discipline (such as history) is treated with in-depth study. The topic, the number of units and hours, and prerequisites (if any), will be posted on class search connectcolumbia. Experimental courses may be repeated for credit with different topics only. For UC campuses, these courses may transfer for elective or other credit and will not fulfill requirements unless pre-authorized. It is the student's responsibility to have the course pre-authorized by the appropriate UC department chair and admissions office.</td>
</tr>
<tr>
<td>99/199</td>
<td>INDEPENDENT STUDY COURSES (Not listed, but available)</td>
</tr>
<tr>
<td></td>
<td>Independent research and study of specialized areas/topics not currently offered as Columbia College courses. Limitations apply. See page 41 and a counselor for more information. For UC campuses, these courses may transfer as electives or other credit as pre-authorized by the transfer school. It is the student's responsibility to have the course pre-authorized by the appropriate UC department chair and admissions office.</td>
</tr>
<tr>
<td>100-199</td>
<td>ASSOCIATE-DEGREE APPLICABLE COURSES, NOT INTENDED FOR TRANSFER</td>
</tr>
<tr>
<td></td>
<td>Applicable to the Associate Degree, not intended for transfer, but may be accepted for transfer credit by agreement with specific four-year colleges and universities</td>
</tr>
<tr>
<td>200-299</td>
<td>OCCUPATIONAL SKILLS DEVELOPMENT COURSES</td>
</tr>
<tr>
<td></td>
<td>Not applicable to Associate Degree</td>
</tr>
<tr>
<td>300-399</td>
<td>NON-CREDIT, NON-GRADED, NON-BASIC-SKILLS COURSES</td>
</tr>
<tr>
<td>400-499</td>
<td>NON-CREDIT, NON-GRADED, SUPPLEMENTAL LABORATORY COURSES</td>
</tr>
<tr>
<td>500-599</td>
<td>VOCATIONAL COURSES NOT INTENDED FOR TRANSFER OR MAJOR</td>
</tr>
<tr>
<td></td>
<td>units may be used as elective credit to fulfill the 60-unit requirement for associate degree</td>
</tr>
<tr>
<td>600-699</td>
<td>CREDIT, BASIC SKILLS, NOT TRANSFERABLE, NOT ASSOCIATE DEGREE-APPLICABLE COURSES</td>
</tr>
<tr>
<td>700-799</td>
<td>NON-CREDIT, NON-GRADED, BASIC SKILLS COURSES</td>
</tr>
</tbody>
</table>
**Academic Freedom (Faculty)**

Recognizing that academic freedom is essential to the pursuit of truth in a democratic society, the District adheres to the following principles:

- To examine unpopular or controversial ideas to achieve course learning objectives, in discussion with students and in academic research or publication.
- To recommend the selection of instructional materials.
- To make available library books and materials presenting all points of view.

While faculty have the right to present ideas and conclusions which they believe to be in accord with available evidence, they also have the responsibility to acknowledge the existence of different opinions and to respect the right of others to hold those views. (Board Policy 6030, Title 5, Section 4030)

**Academic Freedom (Students)**

The Board of Trustees believes that students have the right to listen, the right to decide, the right to choose, the right to reject, the right to express and defend individual beliefs, and that the educational purpose of the District is best served by this freedom of expression. As members of an academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Institutional procedures for achieving these purposes may vary from campus to campus, but the minimal standards of academic freedom of students are essential to the purposes for which community colleges exist.

Students are free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled. Student performance will be evaluated on a broad academic basis, not on opinions or conduct in matters unrelated to academic standards. (Board Policy 5-8081, Education Code Section 76067, 76120)

**Catalog Rights**

A college curriculum—its courses and award requirements—changes over time. For this reason, students are given catalog rights to the catalog in place at the time the student completes the first course(s) at the college, so long as that student's conforms to the definition of continuous attendance. This means that:

- Associate degree, General Education breadth pattern, certificate of achievement, and skills attainment requirements published in this catalog are in effect for students completing courses for the first time in Summer term 2016, and are valid through the 2019-20 academic year.
- Students continuously enrolled may continue to follow their older catalog, but those taking more than four years of continuous attendance to graduate must use graduation requirements not older than four years.
- The student is only responsible for adhering to the policies and co-requisite requirements published in that designated catalog for the academic year in which the student completes the first credit course.
- Continuous attendance is defined as completion of at least one credit course per academic year at Columbia College. Attendance at other colleges is not included in determining catalog rights at Columbia College. (Exception: Attendance at another Yosemite Community College District college may be accepted.)
- A student has only four continuous academic years to complete the requirements for graduation with an Associate Degree, Certificate of Achievement or Skills Attainment Certificate as defined in the catalog.
- A student who has not met the educational goal at the end of the four years must select the subsequent catalog and is responsible for any changes in requirements.
- When a student petitions to graduate he or she may choose to use a more recent catalog than the one in place at initial date of enrollment at Columbia College for all associate degree requirements. However, once a catalog has been selected, that catalog is used for all degrees and certificates awarded during the academic year.

**Unit of Credit**

A unit of credit is earned on the basis of one hour of lecture-discussion per week or a minimum of three hours of laboratory per week during a semester. It is common to find courses composed of learning activities resulting in combinations of lecture-discussion, independent and tutorial study, or directed and individual laboratory experiences. In all cases, these are to be equated with the unit of credit. Columbia College operates on a semester system.

The following terms are synonymous in expressing a unit of credit: semester unit, semester hour, class hour, credit and credit hour.

**CONVERSION OF UNITS**

To convert quarter and semester units of credit, the following methods of computation are used:

- Quarter units of credit are converted to semester units of credit by multiplying the number of quarter units by two-thirds (# of quarter units x .667 = semester unit credits).
- Semester units of credit are converted to quarter units of credit by multiplying the number of semester units by one and one-half (# of semester unit credits x 1.5 = quarter unit credits).

**Prerequisites/Co-requisites/Recommended for Success**

Columbia College has a prerequisite policy that may be found in the Office of Instruction, located in the upper level of the Manzanita Building.

- **Prerequisite** is a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.
- **Co-requisite** is a condition of enrollment consisting of a course that a student is required to take simultaneously in order to enroll in another course.
- **Recommended for success** indicates preparation that a student is advised, but not required, to take before enrolling in a course or program.

The course description identifies the only means by which prerequisite and co-requisite requirements can be met. “Or equivalent” in the course description refers to the prerequisite and co-requisite challenge process (See following section). Students should carefully consider classes that have “prerequisites” or “co-requisites.” Students can enroll in these classes ONLY if they have satisfied the prerequisite with a final grade of C or higher or “P” (Pass). (Board Policy 4260)
**COURSE PREREQUISITE AND CO-REQUISITE CHALLENGE INFORMATION**

A student may challenge a prerequisite or co-requisite under one or more of the criteria listed below.

The prerequisite or co-requisite is:
- Not established in accordance with district processes
- In violation of Title 5 regulations
- Either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

**OR**
- The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or co-requisite
- The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or co-requisite has not been made reasonably available.

**PREREQUISITE CHALLENGE PROCEDURE**

A Petition for Prerequisite/Co-requisite Challenge can be found on the Admissions website under Student Online Forms. Submit the completed petition with documentation materials to the Admissions & Records Office. The College shall resolve any challenge within 10 working days from the time it is filed provided that the student initiates the challenge not less than two weeks prior to the beginning of the semester. Please note that a prerequisite waiver may not exclude that course from the major requirement.

**Course Articulation with Other Colleges**

Columbia College articulates many of its courses with other public two- and four-year colleges and universities. This means that courses taken at Columbia can transfer to other colleges for associate degree or bachelor’s degree credit. Please ask your counselor for information related to agreements which identify courses that will transfer and those that meet lower-division preparation for the major.

**Grading System**

Evaluation of student achievement is made in relation to the attainment of specific course objectives. At the beginning of a course, the instructor will explain the course objectives and basis upon which grades will be determined by one of the following symbols:

<table>
<thead>
<tr>
<th>Symbol</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>D</td>
<td>Passing, less than satisfactory</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
</tr>
<tr>
<td>W</td>
<td>Withdrawal from Course</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
<tr>
<td>P</td>
<td>Pass (at least satisfactory) NOTE: This grade cannot be changed to a letter grade</td>
</tr>
<tr>
<td>NP</td>
<td>No Pass (less than satisfactory). NOTE Cannot be changed to a letter grade</td>
</tr>
<tr>
<td>IP</td>
<td>In-Progress</td>
</tr>
</tbody>
</table>

**SATISFACTORY COURSE COMPLETION**

Satisfactory completion of a course requires a grade of C or better, or “P” (Pass).

**IP (IN PROGRESS)**

IP is a grade symbol for a class that is scheduled to extend beyond the end of the semester (a bridge class), e.g. course begins November 6 and ends February 1; semester ends December 18.

The student’s permanent record will reflect an IP for the semester in which the class began.

Final grade and units for a bridge class will be issued during the semester in which the class ends.

**Challenging Grades**

When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course, and the determination of the student’s grade by the instructor, in the absence of a mistake, fraud, bad faith, or incompetency, shall be final.

The following procedure will be followed when a student wishes to complain about a grade.

1. The student shall meet with the instructor to discuss the grade.
2. If the issue is not resolved, and the student believes that the grade is based on mistake, fraud, bad faith, or incompetency, he/she may complain in writing to the appropriate Dean for the discipline involved. Student complaint forms for written complaints are available in the Dean’s Offices in the Manzanita Building or on the college website.
3. The complaint will be reviewed by the appropriate Dean and the student will be notified in writing of the decision.
4. Appeals may be made to the Vice President of Instruction or his/her designee.
5. The decision of the Vice President of Instruction or his/her designee is final.
6. A student challenge to a final grade received in a class must occur within two academic years from the time the grade is received.

*(Education Code Section 76224)*

**Course Substitution or Waiver**

Request for waiver or substitution of any graduation requirement must be petitioned to the Academic Requirements Review Committee. This petition can be found on the Admissions and Records website [www.gocolumbia.edu/admissions](http://www.gocolumbia.edu/admissions).

**Adding a Course**

Prior to the start of the semester, students may add a class online at [www.gocolumbia.edu](http://www.gocolumbia.edu). Call the HelpDesk at 588-5385 for assistance. Identify yourself as a Columbia College student when getting assistance from the HelpDesk staff.

To add a full semester class during the first two weeks of the semester, obtain the access code from the instructor. Log in to your connectColumbia account and do the following: (1) Click on Current Students; (2) Under the registration heading, click on “Add class with Access Code;” (3) Using the section number of the class, the term and access code obtained from the instructor, you may add your class; (4) You must print your class schedule to ensure your registration has been completed. This printout will also contain all of the important deadline
dates for each of your classes.

To add a full semester class after the first two weeks of the semester you must have a signed and dated Add Slip from the instructor and division dean and bring it to the Admissions & Records Office with photo identification. The Add Slip must be submitted to the Admissions & Records Office within three (3) days of the instructor’s dated signature. Failure to complete this process within the three (3) day time frame may require additional approval from the instructor and/or the appropriate instructional dean.

If you have a financial hold on your record, you will receive an error message when attempting to register. Follow the red prompts at the top of the screen which should direct you to the Business Services Office. Any and all error messages will be written in red and should direct you to the appropriate department for assistance.

Students who are on a probationary or dismissal status must have a counselor’s signature on the Add Slip and must register at the Admissions & Records Office. Students attempting to register for over 18 units during a fall or spring semester, or 12 units during a summer session, must have a counselor’s signature on the Add Slip and must register for these units at the Admissions & Records Office. Distance education students may call for assistance (209) 588-5231.

Course Auditing

Course auditing is available to individuals who have completed the allowable number of enrollments in a specific course. Students enrolled in classes to receive credit for ten (10) or more semester credit units shall not be charged a fee to audit three (3) or fewer semester units per semester. Call the Business Office at 588-5114 for information on the cost to audit a course.

No student auditing a course shall be permitted to change his or her enrollment to receive credit or a grade for the course. Enrollment priority shall be given to students enrolled in the course for credit toward a degree, certificate, or transfer. Please contact the Admissions & Records Office for further information and to obtain the required form. (Board Policy 4070; Education Code Section 76370)

Dropping a Course

To drop a course, the student may go online to www.gocolumbia.edu or submit a Drop Slip to the Admissions & Records Office. All drops processed at the Admissions & Records Office require the student to present a picture ID. Students who are on a probationary or dismissal status must have a counselor's signature on the Drop Slip and must drop the course in person at the Admissions & Records office.

- Course Deadlines: See a copy of your Class Schedule for exact date.
- Prior to last day to drop without a “W,” no grade or course title will appear on the official transcript.
- From the first day of the third week to 75% of the semester a “W” symbol will appear indicating withdrawn.
- No student drops are allowed after 75% of the term.
- Dropping a class may affect your financial aid award and future eligibility, even if you do so prior to the drop deadline. Please contact your Financial Aid Technician prior to dropping a class.

FOR LESS THAN FULL SEMESTER CLASSES:

Copies of the student’s class schedule contain all important dates for each course in which the student is enrolled. Students may print copies of their schedule from connectColumbia.

It is the student’s responsibility to drop. Web transactions can be audited to determine the date and time and method used to drop a class. Registration, Add and Drop Slips submitted to the Admissions & Records Office are maintained for two years. For refund information, please see page 48.

Military Withdrawal

A student called for active duty may receive a military withdrawal at any time during the semester. Military withdrawals will not be factored into progress probation. To drop classes using a military withdrawal option, the student must submit a copy of military activation papers along with a drop form for each class to the Admissions & Records Office.

Repetition of Courses

- Only designated courses may be repeated for credit. See course descriptions for limitation on course repeatability. Registration will not be allowed when a student reaches the limit. Refer to course auditing information.
- Students who have successfully completed a course the allowable number of times for credit may take the course under the category of auditing. All credit students will be given first priority and auditors will be admitted based on available space only after the first class meeting.
- Auditors will be required to adhere to all course and college policies, procedures, requirements and regulations. For more information concerning the guidelines and fees, contact the college Admissions & Records Office.
- Special classes for disabled students and adaptive physical education classes for disabled students are subject to additional repetitions in accordance with Title 5, Section 56029.
- Courses may be repeated where substandard work has not been recorded if the course is needed to meet legally mandated training requirements. Students must petition to enroll, providing documentation verifying that the course is required or mandated for their job.
- If the course is repeated at another institution, the student must provide the Transcript Evaluator with an official transcript from the transfer institution. If the course is determined equivalent to the Columbia College course, the repetition notation will appear on the Columbia College transcript.
- Courses taken “Credit by Examination” may NOT be repeated.

Withdrawal Limits

Students are limited to receiving no more than two substandard grades from any course taken within the Yosemite Community College District. Since this state regulation includes courses taken at Columbia College and/or Modesto Junior College, substandard grades earned in courses that have been determined to be equivalent to each other (see “Columbia College/Modesto Junior College Equivalent Courses” on page 56) count toward the second attempt. A “W” counts as an enrollment attempt. Students who have been blocked from enrollment in a course because they have reached the limit of two substandard grades should discuss options with a counselor.
REPETITION OF COURSE FOR IMPROVEMENT OF GRADE

Per Title 5, Section 55042 and District Procedure on Repetitions, a student who has earned a grade of D, F, NP or W in a non-repeatable course taken in the Yosemite Community College District may repeat the course once for the purpose of grade improvement. This allows a student a maximum of two attempts to successfully complete the course. A “W” counts as the one attempt to improve the grade. The most recent completion (grade, grade points, and units) will replace the earlier course, even if the more recent completion results in a lower grade.

A student who earns a substandard grade in a non-repeatable course two times must discuss enrollment possibilities with a counselor. Should a student be approved to enroll a third time, the counselor may require that the student limit total units, participate in tutoring, or participate in other student success initiatives. The third completion will replace the second completion, even if the third completion results in a lower grade.

Students may be approved to repeat a class after three attempts only if a documentable extenuating circumstance exists relating to the third enrollment. Examples of extenuating circumstances are accidents, serious illness, death in the family, evidence of caretaking responsibilities, or a verified disability. Documentation is required to support circumstances that relate specifically to the dates of the last attempt. Students will be allowed to enroll in the class on a seats available basis only. The units, grade, and grade points that may result from this enrollment will not be used to replace the previous substandard completion.

(Title 5, Sections 58161, 55040, 55043, 55045)

Remedial Coursework Limit

Students may not receive credit for more than 30 units of remedial coursework, i.e., non-degree-applicable basic skills courses. However, this limit shall not apply to the following students:

1. Students identified by a college in the district as having a learning disability.
2. Students enrolled in an English as a Second Language course.

Waivers to this limitation may be granted when a student shows significant, measurable progress toward the development of skills appropriate to his/her enrollment in degree-applicable credit courses.

(Title 5, Section 55035)

Health and Human Performance
Enrollment Restriction

Enrollment by high school students in Health and Human Performance activity sections is restricted to a maximum of 10% of the total allowable enrollment. (For example: If a section will allow enrollment of 30 students, only 3 of the 30 can be high school special admit students.) When the 10% limit is reached all further high school students will be blocked from registration and directed to attempt to enroll in another section of the course or another activity course.

(Title 5, Section 76002)

Incomplete Grades

- An incomplete grade “I” may be given for an unforeseeable emergency and justifiable reason if a student does not complete all requirements of a course.
- An incomplete grade can be issued only when the student is lacking a small amount of work.
- Responsibility for removal of an incomplete grade within the time granted by the instructor rests with the student.
- An incomplete grade must be made up by the date designated by the instructor on the Incomplete Grade contract, but in no case later than one year from the term in which the “I” was issued. The student will receive a copy of the Incomplete Grade contract.
- At the end of the time designated by the instructor, or no longer than one year, if the student has not completed the conditions for removal, the “I” will be changed to the default grade indicated on the Incomplete Grade form.
- Instructors will submit to the Admissions & Records Office a written record of the conditions for removal of the “I” and the default grade to be assigned in lieu of its removal. A copy of this record and related instructions will be provided to the student.
- When the student has completed the coursework, the instructor will assign the appropriate grade and notify the Admissions & Records Office. The incomplete grade “I” will be replaced with the appropriate grade and the student will receive notification of the grade.
- Students are not eligible for a degree, Certificate of Achievement or Skills Attainment Certificate if one or more of the required classes has a notation of “incomplete.”
- For financial aid satisfactory academic progress purposes, units from a course for which a student has received an incomplete grade “I” are considered to be attempted but not completed until the grade is updated to a grade of A, B, C, D, F, NP, or W.

Academic Renewal

Subject to the following conditions, up to 24 semester or 36 quarter units of substandard grades (Ds, Fs and NPs), taken at any accredited college or university, may be alleviated from computation of the grade point average at Columbia College:

1. Since completion of the work to be alleviated, the student must have completed a minimum of 15 semester units with at least a 3.0 cumulative GPA, 30 semester units with at least a 2.5 cumulative GPA, or 45 semester units with at least a 2.0 cumulative GPA at any accredited college or university. These units do not have to be lower division units, AND
2. At least 2 calendar years must have elapsed since completion of the course to be alleviated.
3. A repeated course that has resulted in a satisfactory grade cannot be removed.
4. The work to be removed does not include courses previously used to establish eligibility for transfer, associate degrees, or certificates.
5. The student's permanent record will be annotated in such a way that all work remains legible ensuring a true and complete academic history. Columbia College will honor similar policies of accredited colleges and universities, but other transfer institutions may reject academic renewal action.
6. The student must submit a request for Academic Renewal Evaluation to the Admissions & Records Office. Forms are online at www.gocolumbia.edu. Click on “Admissions,” then “Student Online Forms.” (Title 5, Section 55044; Board Policy 4240)

99/199 Independent Study Courses

Independent Study courses are offered to give students an opportunity to independently research specialized areas not available as regular course offerings of the College.
Independent Study courses do not appear in the catalog since these courses are designed to meet specific student interests. Independent Study courses may be made available in any subject matter area. Consult the Admissions & Records Office for specific procedures.

**CONDITIONS**

To be admitted to Independent Study, a student must have:

- completed 12 units in residence and have a grade point average of 2.5 whether cumulative or for the previous semester as a full-time student.
- written approval of the instructor directing the student’s Independent Study, and written verification by an Admissions & Records staff member that the maximum credit limitation for Independent Study will not be exceeded and that the student qualifies. Maximum unit value for any Independent Study course for any one semester will be three units of credit.

**LIMITATIONS**

The following limitations apply to Independent Study courses:

- Registration is restricted to one Independent Study course per semester.
- An overall maximum of seven units of credit completed will be allowed for Independent Study.

Students who intend to transfer are advised that Independent Study credit will count for elective credit only at the CSU campuses. Independent Study credit may not fulfill either major or general education breadth requirements at UC/CSU campuses. UC campuses require pre-approval for an Independent Study for elective credit.

**Pass/No Pass Grading (P/NP)**

- Some transfer institutions will not accept Pass/No Pass (P/NP) grading symbols.
- A student may choose a Pass/No Pass (P/NP) option in courses for which letter grades are issued.
- A student has 30% of the length of the course to submit the Pass/No Pass grading option form. *(California Administrative Code, Title 5, Section 55752)*
- A student has 30% of the length of the course to rescind the written form.
- Student performance equivalent to A, B, or C work will equate to a Pass (P) grade.
- Student performance equivalent to D or F work will equate to a No-Pass (NP) grade.
- A P or NP grade will be recorded on a student’s transcript.
- A P or NP grade may not be converted to a letter grade.
- Pass (P) units may not be applied toward a student’s major for the Associate Degree nor toward completion of a certificate program or Skills Attainment Certificate unless the course is offered for P/NP grading only.
- Pass (P) units are accepted toward completion of the general education requirements for the Associate Degree.
- P/NP units are not computed in determining a student’s grade point average at Columbia College.
- Units attempted for which NP is recorded are counted in determining progress probation and progress dismissal.
- The maximum number of credit semester units, earned under the P/NP grading option, that may be counted toward the 60 unit requirement for an Associate Degree is 14.
- Courses offered for P/NP grading only are excluded from the maximum of fourteen units counted toward the Associate Degree.
- Students may only opt for P/NP grading in one class per semester.
- For courses designated as P/NP grading only, there is no limit to the number of courses in which enrollment is allowed each semester.
- A student can obtain the Pass/No Pass grading form on the web at [www.gocolumbia.edu](http://www.gocolumbia.edu). Click on “Admissions” then “Student Online Forms.” The form must be returned to the Admissions Office on or prior to the deadline. Mailed or faxed forms received after the deadline will not be accepted.
- Exception to the P/NP standards must be petitioned to the Academic Requirements Review Committee.

**Credit by Examination (Course Challenge)**

A student may challenge certain specifically designated courses by examination and obtain credit. Grades and grade points are entered on the student's transcript of record in the same manner as for regular courses of instruction. This course will be noted on the student's official transcripts with “CBE” to indicate credit by exam. The intent of this provision is to enable students to pursue courses of study at an accelerated rate. In addition, it recognizes training or experience for which credit or advanced standing was not previously granted. *(Title 5, Section 55050, Board Policy 4235)*

**CONDITIONS AND LIMITATIONS**

Only Columbia College courses may be challenged by examination. Credit granted by examination at accredited colleges will be accepted; such credit will be included in the maximum allowed by examination. The following are the conditions and limitations:

Course excluded from credit by examination:

- Pre-collegiate level courses
- Basic Skills courses
- Laboratory courses
- Activity courses

Credit by Examination courses must be awarded a letter grade (A, B, C, D, F) except for courses that have only Pass/No Pass grades (P/NP) only.

- A student may not repeat a course taken by examination.
- A student may not take a course for examination that has already been taken for a grade.
- A student may not take a course by examination if that student has already completed a more advanced course in the subject matter unless approved by the Academic Requirements Review Committee.
- Courses taken through Credit by Examination may not be counted as meeting the residence requirement for a degree. *(Title 5, Sec. 55753)*
- Courses taken through Credit by Examination may not be considered as part of the student's program for enrollment verification purposes.
- A student taking a course by examination will be charged the regularly established enrollment fee per unit.
- A student may not take more than one course by examination per semester.
- A student may not earn more than 12 units of academic credit through Credit by Examination.
ELIGIBILITY
Students must be registered in at least one other Columbia College credit course for a minimum of three units during the semester when another course is being taken by examination. Students must also have completed at least 12 units of previous coursework at Columbia College with a cumulative grade point average of 2.0.

PROCEDURE
Please contact the Admissions & Records Office for the form and procedural information.

Advanced Placement (AP) Examination Credit
1. Students must be enrolled at Columbia College to receive credit for AP exams
2. Official score reports from the College Board AP Program must be sent to the Admissions & Records Office at Columbia College. The College will not accept copies of the report. Students can obtain official score reports by calling (888) 225-5427 (toll free).
3. Students will be granted credit for AP scores of 3, 4, or 5 in the specific areas indicated on the chart on pages 64 of this catalog.
4. Units earned by AP exams can be used to meet IGETC and CSU GE Breadth requirements. See a college counselor for exceptions and restrictions.

College Level Examination Program (CLEP)
Columbia College accepts limited credits from the Credit for College Level examination (CLEP). See a counselor for more information.

College Credit from Other Institutions
Previously earned lower division degree applicable or transfer college or university units will be accepted if the institution is accredited by one of the following accrediting bodies: Middle States Association of Colleges and Schools (MSA), The Northwest Association of Schools and Colleges (NASC), North Central Association of Colleges and Schools (NCA), New England Association of Schools and Colleges, Inc./Commission on Institutions of Higher Education (NEASC-CIHE), Southern Association of Colleges and Schools/Commission on Colleges (SACS-CC), Western Association of Schools and Colleges/Accrediting Commission for Community and Junior Colleges (WASC-JR), Western Association of Schools and Colleges/Accrediting Commission for Senior Colleges and Universities (WASC-SR). A maximum of 15 semester units will be allowed for courses taken by correspondence from accredited institutions. No credit will be awarded for developmental or skills classes, upper division courses, or extension courses.

Columbia College does not evaluate international transcripts. Lower division courses will be accepted if recommended by the Credentials Evaluation Service, Inc., P.O. Box 66940, Los Angeles, CA 90066, or the Foreign Educational Document Services, P.O. Box 4091, Stockton, CA 95201. The cost of the evaluation is the responsibility of the student.

In accordance with District policy, official college transcripts received by Columbia College will be evaluated for college credit. Transcripts received become the property of Columbia College.

Course Substitution Policy
Previously earned lower division degree applicable or transfer college or university units will be accepted if the institution is accredited by one of the following accrediting bodies: Middle States Association of Colleges and Schools (MSA), The Northwest Association of Schools and Colleges (NASC), North Central Association of Colleges and Schools (NCA), New England Association of Schools and Colleges, Inc./Commission on Institutions of Higher Education (NEASC-CIHE), Southern Association of Colleges and Schools/Commission on Colleges (SACS-CC), Western Association of Schools and Colleges/Accrediting Commission for Community and Junior Colleges (WASC-JR), Western Association of Schools and Colleges/Accrediting Commission for Senior Colleges and Universities (WASC-SR). A maximum of 15 semester units will be allowed for courses taken by correspondence from accredited institutions. No credit will be awarded for developmental or skills classes, upper division courses, or extension courses.

Columbia College does not evaluate international transcripts. Lower division courses will be accepted if recommended by the Credentials Evaluation Service, Inc., P.O. Box 66940, Los Angeles, CA 90066, or the Foreign Educational Document Services, P.O. Box 4091, Stockton, CA 95201. The cost of the evaluation is the responsibility of the student.

In accordance with District policy, official college transcripts received by Columbia College will be evaluated for college credit. Transcripts received become the property of Columbia College.

Credit for Military Service
Armed forces personnel or veterans with a minimum of one year of satisfactory service may receive:

- Waiver of General Education, Area E requirement
- Two semester units of elective credit and waive institutional physical activity requirements for graduation.
- Credit for military service schools in accordance with credit recommendations published by the American Council on Education.
- Credit for certain USAFI lower division college level courses. Provisions for granting credit to armed forces personnel and veterans are subject to the following conditions:
  - At least 12 semester units of work must be completed at Columbia College before a student may receive credit.
  - Credit will not be granted for military service or military service schools where comparable units have been earned in courses previously taken.
  - A maximum of 20 units of military coursework including the 2 units awarded for the activity graduation requirement will be accepted as transfer credit.
  - Credit granted to armed forces personnel and veterans by another institution is subject to re-evaluation by Columbia College.

In accordance with District policy, official college transcripts received by Columbia College will be evaluated for college credit. Transcripts received become the property of Columbia College.
Earning Multiple Associate Degrees
More than one Associate Degree may be awarded to a student who completes all requirements for an associate degree plus 12 extra units (72 or more total semester units). A course may only be used to meet the requirements for two different majors when no other course selections are available and the course is required in both majors. The same catalog year must be used when applying for multiple degrees in the same semester.

Academic Requirements Review Committee
A petition process is available to students through the Academic Requirements Review Committee. Should there be a question regarding course waivers, course substitution, or exceptions to academic standards established by the College, students may petition for review to this committee. Contact the Admissions & Records Office for procedures.

Classification of Students
While the minimum full-time program that will qualify a student for graduation in two years is 15 units per semester, the following classifications have been established:

- **FULL-TIME**—Registered for 12 or more units per semester
- **FRESHMAN**—Fewer than 30 degree or transfer units completed
- **SOPHOMORE**—30 or more degree or transfer units completed
- **FINANCIAL AID**—Twelve (12) units is considered to be full-time status for students enrolled Summer, Fall or Spring.

Total units required for completion of an Associate in Arts, Associate in Science, is 60 units. Units earned in Skills Development classes (courses numbered 200 and above) are not counted as part of this 60 unit requirement.

Attendance Policy
Instructors establish attendance policies for their classes and inform students about attendance requirements in a course syllabus. Students are responsible for making arrangements with their instructors to complete all coursework missed.

An instructor has the prerogative to lower a student’s grade due to a student’s lack of participation in class.

Absence from the first class meeting may cancel registration in the course. An instructor may drop a student if the student is not in attendance on the first day of class.

Be sure to check the course syllabus (distributed at the beginning of each course), or contact your instructor. Remember, you’re in charge—it is your responsibility to prepare for and attend class.

Unit Load
A student who decides to carry more than 18 units during the fall or spring term, or more than 12 units during the summer session, must secure written approval from a counselor or the Vice President of Student Services. Students on progress or academic probation will be limited to a unit load established by the Vice President of Student Services.

Final Examinations
Students are responsible for taking final examinations at the time scheduled unless prior arrangements are made with the instructor. The final examination schedule can be viewed at [www.gocolumbia.edu/admissions/finalexaminationschedule](http://www.gocolumbia.edu/admissions/finalexaminationschedule). Final grades are considered permanent. The determination of instructor issued grades are final in the absence of mistake, fraud, bad faith, or incompetency.

Scholastic Honors
**For Graduation:** Graduating students who have earned a cumulative Grade Point Average of 3.75 or better in all degree applicable and transferable college work are awarded the Associate Degree with Distinction. Students whose cumulative Grade Point Average is between 3.50 and 3.74 are awarded the Associate Degree with Honors.

**By Term:** Students who complete a minimum of 12 degree applicable units in a semester with a GPA of 3.5 and no grade below a C are awarded “President's List” for that particular semester. This honor becomes a part of the official academic record as it appears on the official academic transcript below the semester the honor was achieved.

Satisfactory Progress
A student whose cumulative Grade Point Average is 2.0 (C average) or better is scholastically in good standing. All units and grade points earned at Columbia College are counted on a cumulative basis. The method of computing Grade Point Averages follows. Please note that Satisfactory Progress for academic purposes and Satisfactory Academic Progress for financial aid purposes are calculated differently. Students interested in their progress standing should consult both an academic counselor and their financial aid technician.
Grade Reports

Report cards are not issued by the college. Students obtain their final semester grades on the College website at www.gocolumbia.edu approximately 10 working days after the semester ends. Additionally, students may obtain an unofficial transcript containing all classes and grades completed at Columbia College since 1985 on connectColumbia. All outstanding obligations must be cleared to obtain transcripts, access grades and obtain placement test results.

Units which are assigned for grades of W, I, P, NP, or IP are not counted in computing the grade point average but may be used in determining Progress Probation and Dismissal.

Grades earned in non-degree-applicable courses will not be included in the calculation of a student’s units earned and grade point average when determining eligibility for a degree. (Title 5, Section 55021-23; Board Policy 4230)

Grade Point Average (GPA)

The grade point average (GPA) is determined by the following formula:

$$\text{GPA} = \frac{\text{Total Grade Points}}{\text{Total Units Attempted}}$$

Example: A student who earns five units of A, four units of B, three units of C, two units of D, and two units of F would compute GPA as follows:

5 units  A  x  4  =  20 grade points
4 units  B  x  3  =  12 grade points
3 units  C  x  2  =  6 grade points
2 units  D  x  1  =  2 grade points
2 units  F  x  0  =  0 grade points
16 units                      40 grade points

$$\text{GPA} = \frac{40 \text{ Grade Points}}{16 \text{ Units Attempted}} = 2.50$$

Academic Probation & Dismissal

Academic Deficiencies
The purpose of Academic Probation and Dismissal at Columbia College is to ensure that students who are deficient in scholastic achievement, on the basis of either cumulative or semester grade point average (GPA), will receive special counseling and advisement. Computation of the GPA is based on all units attempted at Columbia College excluding those taken on a Pass/No Pass basis. (Education Code Section 70902(B) (3), Title 5, Section 55030-55034; Board Policy 4250)

ACADEMIC PROBATION STATUS
After having attempted a minimum of 12 semester units at Columbia College, a student shall be placed on Academic Probation status for the semester following any term in which his/her GPA falls below 2.0.

ACADEMIC DISMISSAL STATUS
The third consecutive semester that a student fails to maintain a 2.0 cumulative GPA, the student is placed on academic dismissal status. A student will also be placed on Academic Dismissal if, while on academic probation, his/her cumulative GPA falls below 1.75.

Progress Deficiencies
The purpose of Progress Probation and Dismissal status at Columbia College is to ensure that students who fail to complete a majority of the courses they attempt will receive special counseling and advisement.

PROGRESS PROBATION STATUS
After having enrolled in a total of at least 12 semester units at Columbia College, a student shall be placed on Progress Probation status for the semester following any term in which grades of W, I and NP (No Pass) are recorded for 50% or more of all units enrolled.

PROGRESS DISMISSAL STATUS
A student will be placed on Progress Dismissal status if that student is on Progress Probation for two consecutive semesters.

Probation Contract Requirements
Students who are on Academic or Progress Probation/Dismissal are required to do the following:

1. Obtain written approval from a counselor prior to registration. Registration must be done at the Admissions & Records Office only.
2. Complete an Academic/Progress Probation/Dismissal Contract with a counselor prior to the start of the term, and no later than the first week of the term.
3. Comply with the following unit limitation:
   - **Probation Status:** Enrollment limit of 12 units maximum per term
   - **Dismissal Status:** Enrollment limit of 8 units maximum per term
4. Enroll in and successfully complete Guidance 100, College Success or, if applicable, another guidance course as per counselor recommendation. Note: These units are included in the unit limitation above.
5. Request that all current instructors complete a monthly Student Academic Performance Report form.
6. Take the completed form to counseling meetings with assigned counselor.

Academic Probation and Dismissal status will be noted on the student's permanent record. The College may disqualify a student on Academic Dismissal or Progress Dismissal from enrolling in courses for a period of one year if, in the judgment of the counselor and the Vice President of Student Services, the student is not making appropriate progress after being placed in either status. A disqualified student may be readmitted by special petition to the Vice President of Student Services. See Reinstatement After Disqualification.

Reinstatement after Disqualification
A disqualified student may not be reinstated under the admissions provision until one semester from the date of disqualification. If the GPA of a student readmitted after disqualification falls below 2.0 for the following semester, the student may be permanently disqualified. In the event of disqualification a student may petition for readmission on the basis of the following circumstances that might warrant an exception:

- Evidence of consistent improvement in the student's record.
- A change from one major to a field of study more appropriate to the student.
- Circumstance in the personal life of the student which the counselor of the student believes may have been of sufficient gravity to adversely affect the performance of the student.
- The recommendation of the student's physician that the continuance in college would be of sufficient therapeutic benefit to warrant the granting of an additional opportunity.

If a student has been disqualified and feels that there are extenuating circumstances worthy of consideration, a request in writing may be made to the Vice President of Student Services that the one semester period of dismissal be waived.

Withdrawal from College
A student wishing to withdraw from the College is responsible for dropping all classes on the College website or by completing the drop form at the Admissions & Records Office. Failure to do so may result in F grades recorded on the student's transcript. (Title 5, Section 55024)
College Fees & Expenses

Educational Expenses
The Financial Aid Office establishes (within Federal, State, and regional guidelines) modest budgets that reflect the average student's costs for a nine month period. Taken into consideration are a variety of conditions, such as living accommodations and special additional costs. Sample Expense Budgets for a full-time student are shown below:

<table>
<thead>

</tbody>
</table>

The above costs are only approximate and are subject to change.

* Based on enrollment fees of $46.00 per unit. Out-of-state students are charged an additional $229.00 per unit for tuition.

** Represents costs of meals and basic expenses which family continues to provide while student lives at home.

Reasonable documented dependent care expenses may be added to basic cost of attendance.

Students may qualify to have enrollment fees waived if their income falls below a specified level or if they or their parents are receiving TANF/CalWorks, SSI/SSP, or GA. Applications for Board of Governors Fee Waiver (BOG) are available online or in the Financial Aid Office and should be completed prior to registering for classes, but are accepted throughout the semester. You may also apply for a BOG by filling out a FAFSA (Free Application for Federal Student Aid).

Other Fees
Please refer to "College Fees and Refund Policies" on p. 48.

Paying Fees
Pay fees using any one of the following methods:

1. On the College website.
   - Credit Card – Discover, MasterCard, VISA
   - Board of Governors Fee Waiver and credit card

2. Mail*
   - Personal Check - Students will be charged $25 for returned checks.
   - Money Order
   - Financial Fee Waiver and one of the above

3. On-Campus at the Business Office
   - Cash
   - Credit Card – Discover, MasterCard, VISA
   - Money Order
   - Personal Check
   - Board of Governors Fee Waiver and one of the above

* Do not mail cash.
The following policies take effect with the Summer 2016 term. Fee amounts are established by the State of California and/or the Yosemite Community College District Board of Trustees and are subject to change. Students are not dropped for non-payment after the class starts. Students who are California residents and have an active BOG fee waiver before registering will not be dropped.

- **All fees must be paid within 10 days** (including the date you register) of registration.
- If fees are not paid within 10 days, you will be dropped for nonpayment.
- You are responsible for payment of all fees associated with your enrollment and registration in courses.
- If you do not officially drop classes, you will still be obligated to pay fees.
- If you never attend a class, but do not officially drop a class, you are still required to pay fees.
- If the college cancels classes in which the student is enrolled, students are not responsible for dropping courses or requesting refunds. Fees will be automatically refunded.

¹ Only refundable during the first two weeks of the class (refers to full semester classes only).
² Refunds available only prior to the first class session.
Procedure for Fee Refunds

1. Are you eligible?
   - Full‑semester classes dropped within the first 2 weeks of the term are eligible for a refund.
   - Short‑term classes, meeting more than 5 times and 20 hours, are eligible for a refund if the class is dropped prior to the first class meeting. Classes meeting fewer than 5 times and 20 hours are eligible for refunds if the class is dropped prior to the first class meeting.
   - Individual class refund dates are available online through connectColumbia by clicking on “My Class Schedule” and on the student’s class schedules printed at the Admissions & Records Office.

2. Credit Balances
   - Credit amounts from drops or class cancellations are automatically applied to any outstanding fees or new fees incurred prior to the issuance of a refund.
   - Credit balances can be left on the student account to apply to future fees.
   - Credit balances can be refunded during the current academic year.

3. Process
   - Students dropping classes must complete and return the necessary withdrawal forms to the Admissions Office or drop online before they can be eligible for a refund.
   - Refund requests are submitted electronically through connectColumbia. The Online Refund Request Form link is listed on the Student Menu under the Financial Information heading. It is also available through the Online Forms page. Students without internet access may request a hard copy form from the Business Office.
   - Students will not be responsible for requesting refunds for classes cancelled by the College.
   - A ten dollar ($10) administrative processing fee is charged once per term for enrollment fee refunds except in the case of a class cancelled by the College. (Title 5, Section 58508.)
   - Processing of refunds by the college Business Office may take up to 8 weeks.
   - If fees or tuition are paid by check, a refund will not be processed until the check has cleared the bank.
   - Payments by cash or check are refunded by check. Payments by credit card are refunded to the card used if possible.

Refunds are not automatic. Exception: Refunds of fees will automatically be made to students who were enrolled in classes which were cancelled by the College.

Enrollment Verification

The first two verifications are provided free. A fee of $5 per verification is charged after the first two, payable at the time of the request. A $15 fee is charged for 48‑hour service. No charge is made for loan deferment or financial aid GPA verifications. Contact Admissions & Records (209) 588‑2021.

Health Services Fee

A required health services fee of $18 for Fall and Spring and $15 for Summer is charged to each credit and non‑credit student. Health fees are used to provide on‑campus health services and Student Accident Insurance.

Students who depend exclusively upon prayer for healing may be exempt from payment. Contact the Business Office for waiver procedures (209) 588‑5114. Fees are subject to change based on State and Board mandates. (Education Code Section 76355; Yosemite Community College District Board Policy 5030)

Parking Fee

A parking permit is required by anyone parking on campus. A $30 fee is charged for a student semester permit. A $15.00 fee is charged for a summer session permit. Daily permits may be purchased for $2 at permit dispensers and the College Information Booth. Semester parking permits are not mailed and must be picked up at the Business Office. (Education Code Section 76360; Board Policy 5030)

PARKING FEE REFUND POLICY

Parking fees are only refundable prior to the first day of instruction. For a refund of the term parking permit, return the permit to the Columbia College Business Services Office and request a refund form. If the College cancels a class and a semester parking permit has been purchased, students must complete the online Request for Refund form and return the permit to the Business Office to receive a refund. Printed forms are available at the Business Office.

Student Activities Fee ($5)

The Student Activities Fee $5 (refundable) is used to support student events and activities on campus, such as Cram Night, free student BBQs, movie nights and other free student activities throughout the semester. This fund also pays for scholarships, clubs and sponsorships. Contact the Student Senate Office for further details at (209) 588‑5270. (Yosemite Community College District Board Policy 5030)

Student Center Fee (Approved)

A student center fee of $1 per unit, to a maximum of $10 per fiscal year, is assessed to be used for the renovation or new construction of a Student Center Building. During the Spring Semester of 1992, the Student Senate conducted an election and the student body voted to assess themselves a permanent, non‑revocable fee. These funds may only be used for the Student Center Building. The current Student Center is located in the Ponderosa Building. This is open to all students and provides an area to study, work on the computers or relax and get to know fellow students. (Education Code 76375; Yosemite Community College District Board Policy 5030)
Student Representation Fee (Approved)
Established by 2/3 vote of the student body, a $1 fee is charged per term. The fee is used by the Associated Student Body to represent student concerns at local, state, and federal government levels. A student may for religious, political, financial or moral reasons, request a waiver of the student representation fee. Contact the Business Office for waiver procedures. (Education Code 76060.5; Yosemite Community College District Board Policy 5030)

Board of Governors Fee Waiver (BOG)
Students who receive TANF/CalWorks, SSI/SSP, GA, are a dependent of a deceased/disabled veteran, or are considered low income may be eligible for the Board of Governors Fee Waiver (BOG) which waives the enrollment fee (per unit price). The BOG is effective for an entire academic year (Summer/Fall/Spring) and is available regardless of the number of units enrolled. The BOG is available to only California residents and eligible AB540 and AB1899 students. Students may apply either by completing the BOG application available in the Financial Aid Office on the college website, or by submitting the FAFSA online at www.fafsa.ed.gov. However, Columbia College encourages students to submit the FAFSA application as they may qualify for additional federal aid as well as the BOG.

Additionally, if you feel you are low income, but you do not qualify to have your fees waived using the above described method, you may complete the Free Application for Federal Student Aid (FAFSA), also available on the Financial Aid Website.

Students who do not hold a valid non-immigrant visa and who meet the AB540 requirements may complete the California Dream Act Application to apply for the BOG and grant funding as opposed to the FAFSA which is for U.S. citizens only.

Students who are placed on academic or progress probation for two consecutive terms will be ineligible for the BOG (Foster Youth are exempt from this policy). Students are encouraged to meet with a counselor regularly to mitigate potential loss of the fee waiver. Any student may appeal for the loss of the BOG by submitting a petition to the Financial Aid Office.

Financial Aid Withdrawal and Repayment Policy: 2016-2017

RETURN OF TITLE IV FUNDS (R2T4)
Per federal regulation, 34 CRF Parts 668, 682, and 685, any student who receives financial aid funds and drops units or withdraws from all classes prior to completing more than 60% of the semester, will be required to pay back a portion of the grant funds to the federal government. Students who owe Return of Title IV funds are ineligible to receive additional federal financial assistance from any college or university until satisfactory repayment arrangements have been made.

If you receive financial aid, please contact the Financial Aid Office first before withdrawing from any course.

Academic Awards at Columbia College
Columbia College offers several types of academic awards, formally recognizing academic achievement in a focused area of study. Various associate degrees and certificates are offered across the curriculum. Requirements and information pertaining to these awards are provided on the pages that follow.

ASSOCIATE DEGREES
To earn an associate degree from Columbia College, students are required to complete requirements in an academic major and General Education breadth requirements appropriate for the type of associate degree earned. All courses in the major must be completed with a grade of C or better. Pass (P) and No-Pass (NP) grades are not accepted, unless the course is only offered for P/NP grading.

Columbia College offers the following types of associate degrees:

- **AA-T/AS-T DEGREES**: California Community Colleges offer Associate Degrees for Transfer that facilitate transfer to California State University (CSU) and include Associate in Arts for Transfer (AA-T) and/or Associate in Science for Transfer (AS-T) degrees. These degrees provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission somewhere in the CSU system. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T at a community college are able, upon transfer into a similar major, to complete the remaining units required for a 120-unit baccalaureate degree within 60 semester or 90 quarter units.

- **AA/AS DEGREES**: An Associate in Arts Degree is earned in areas such as Fine Arts, Humanities, Social and Behavioral Science. The Associate in Science Degree is awarded in science and career technical education fields.

CERTIFICATES
Columbia College offers the following types of certificates:

- **CERTIFICATES OF ACHIEVEMENT** are designed to prepare vocational students for employment. Requirements of each certificate have been determined by faculty with the help of regional advisory committees. Certificates of Achievement are offered in State-approved programs requiring a minimum of 12 units, formally recognizing a student's competence in a career or technical field, and appear on the student's academic transcript. Please note that certain requirements may necessitate attending classes exclusively at night, or attending both day and evening classes.

- **SKILLS ATTAINMENT CERTIFICATES** are offered in locally-approved programs requiring fewer than 18 units and do not appear on official transcripts, but can prepare vocational students for employment. Please note that completion of certain requirements may necessitate attending classes exclusively at night, or attending both day and evening classes.

Catalog Rights
For students entering Columbia College for the first time in summer 2016, fall 2016 or spring 2017, associate degree, certificate of achievement, and skills attainment certificate requirements from the 2016-2017 catalog are valid through 2019-2020. Students taking more than four years of continuous enrollment to complete a degree must use graduation requirements not older than four years. Consult a counselor for assistance and see page 38 for more information.
Graduation from Columbia College

Who may participate
Students who successfully complete requirements for associate degrees and certificates of achievement may participate in commencement exercises. To be eligible to participate, a student must have all requirements completed by the end of the spring semester.

How to apply for associate degrees or certificates
The semester prior to completion of an Associate Degree, an Associate Degree for Transfer, a Certificate of Achievement, or a Skills Attainment Certificate, students must obtain an application for graduation, application for certificate of achievement and/or petition for skills attainment certificate available on the College website at www.gocolumbia.edu. Click on “Admissions” then “Online Forms for Students”.

The student must then schedule an appointment with a college counselor who will review the student’s academic history to determine if in fact they are potentially eligible for completion of the award during the following semester. If the counselor determines that the student will be eligible for the award, the counselor will sign the application/petition and the student must then submit it to the evaluator located in the Admissions & Records Office.

Earning multiple degrees and certificates
More than one Associate Degree may be awarded to a student who completes all applicable requirements as listed above plus 12 extra units (72 or more total semester units). For degrees, a course may only be used to meet the requirements for two different majors when no other course selections are available and the course is required in both majors. For certificates, courses can be used more than once to satisfy requirements for multiple certificates. The same catalog year must be used when applying for multiple awards.

Commencement–Graduation Ceremony
At the culmination of each academic year Columbia College holds a commencement ceremony to honor those students who have completed a degree, and/or Certificate of Achievement.

Certificate of Achievement & Skills Attainment Certificate

Requirements 2016-2017

Upon satisfactory completion of the following requirements, Columbia College will award a Certificate of Achievement or Skills Attainment Certificate to a student. Units earned for courses completed may also be applied toward the 60 units required for an Associate Degree.

To earn a Certificate of Achievement or Skills Attainment Certificate:

1. Select a Certificate of Achievement or Skills Attainment Certificate and meet with a counselor to develop a comprehensive educational plan for this goal.

2. Complete the requirements for the Certificate of Achievement or Skills Attainment Certificate with a grade of C or better in each course. Pass/No-Pass (P/NP) grades are not accepted, unless a course is only offered for P/NP grading. At least 70% of the courses required must be completed within Yosemite Community College District.

3. Print and complete an Application for Certificate of Achievement or Petition for Skills Attainment Certificate (available on the Admissions and Records website at www.gocolumbia.edu/admissions/) in the semester prior to anticipated completion.

4. Meet with a counselor to review and approve the application/petition. For example, if you plan to complete requirements in Spring 2018, meet with a counselor in Fall 2017.

5. Promptly submit the approved application/petition to Admissions and Records.
Columbia College 2016-2017

Associate Degree REQUIREMENTS

Upon completion of the following requirements, Columbia College will confer an Associate in Science (AS) or Associate in Arts degree*. Courses used to satisfy General Education Breadth Requirements may also be used to satisfy major requirements for the Associate Degree.

To earn an AA or AS degree:

1. Select a Columbia College associate degree major (pages 74-132). Interested in earning more than one degree? See "Earning Multiple Degrees and Certificates" on p. 52.

2. Meet with a counselor to develop a comprehensive Educational Plan for this goal.

3. Complete course requirements of the associate degree major from Step 1 with at least a C in each course. Pass (P) grades are not accepted unless a course in the major is offered for pass/no pass grading only.

4. Complete Column I of the Columbia College General Education (GE) Breadth Requirements (p. 60.)

5. Demonstrate competency in reading, composition, and mathematics by earning a grade of C or better in the following through course completion or via the Credit by Examination process (p. 42). These competencies are satisfied upon successful completion of the General Education breadth in Step 4.

   - READING/COMPOSITION: ENGL 1A
   - MATHEMATICS:
     - MATH 104 OR
     - Any higher level MATH course (see Math Course Sequence on p. 195) OR
     - Place in any course above MATH 104 through the college’s assessment process (see Assessment on p. 12)

6. Complete the Activity Requirement for Associate Degree* (p. 59).

7. Complete 60 degree-applicable semester units with an overall GPA (grade point average) of 2.0 (C average) or better (courses numbered 1-199). 12 of these units must be completed in-residence at Columbia College.

8. Meet with a counselor to complete an Application for Graduation the semester prior to the projected graduation date.

9. Promptly submit your approved application to Admissions and Records.

*These requirements do not apply to the AA-T & AS-T degrees. See p. 54 for more information.
Columbia College is currently offering fifteen Associate Degrees for Transfer. To find out which CSU campuses accept each degree, please go to www.sb1440.org/Counseling.aspx. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Upon completion of the following requirements, Columbia College will confer an Associate Degree for Transfer. Courses used to satisfy General Education Breadth Requirements may also be used to satisfy major requirements for the Associate Degree for Transfer.

To earn an AA-T or AS-T degree:

1. Select an Associate Degree for Transfer (AA-T or AS-T) from the list above.

2. Meet with a counselor to develop a comprehensive Educational Plan for this goal.

3. Satisfy General Education (GE) Breadth requirements by completing
   - The CSU-GE Breadth Requirements (COLUMN 2) (for a minimum of 39 units) OR
   - The IGETC requirements (IGETC) (for a minimum of 37 units)

4. Complete units required for the degree major, with a grade of C or better in each course.

5. Complete any CSU-transferable electives (Columbia College courses numbered 1-99) needed to bring the total units to 60.

6. Earn an overall GPA (grade point average) of 2.0 or better (C average).

7. Meet with a counselor to complete an Application for Graduation the semester prior to the projected graduation date.

8. Promptly submit your approved application to Admissions and Records.

**NOTE:** When completing your application for university transfer to the CSU, indicate that you are earning an Associate Degree for Transfer. This will trigger CSU to verify your AA-T or AS-T degree with the Columbia College Admissions office as part of the admission decision process.
Post-Secondary Studies DEGREE REQUIREMENTS

Associate degrees that prepare you to transfer to a university major that requires extensive lower-division coursework

The Post-Secondary Studies Degree pathway at Columbia College properly prepares students to transfer to a university major that, unlike other transfer majors, requires completion of extensive coursework during the lower-division years to ensure the student is prepared for the baccalaureate major at the university. Some students in this situation may find it advantageous to pursue an associate degree for transfer (AA-T or AS-T).

Meet with a counselor - it’s important.

Because transfer eligibility requirements for such majors vary from university to university, students who choose to earn Post Secondary Studies degrees must work closely with a Columbia College counselor to:

- Determine a transfer university and baccalaureate degree major
- Identify lower-division major requirements for the university using www.assist.org.
- Complete an Educational Plan to choose specific coursework within the degree to support transfer goals

To earn an AS Degree in Post Secondary Studies:

1. Select a Post Secondary Studies major or “emphasis” to earn from the list above.
2. Meet with a counselor to develop a comprehensive Educational Plan for this goal.
3. Complete course requirements of the associate degree major from Step 1 with at least a C in each course. Pass (P) grades are not accepted unless a course in the major is offered for P/NP grading only.
4. Satisfy General Education (GE) Breadth requirements appropriate for your transfer goal. Work with a counselor to identify which GE pattern will work best for your major and university requirements.
5. Demonstrate competency in reading, composition, and mathematics by earning a grade of C or better in the following through course completion or via the Credit by Examination process (p. 42). These competencies are satisfied upon successful completion of the General Education breadth in Step 4.
   - READING/COMPOSITION: ENGL 1A
   - MATHEMATICS: Transfer-level MATH course appropriate for the major
6. Complete the Activity Requirement for Associate Degree. See page 59 for more information.
7. Complete 60 degree-applicable semester units with an overall GPA (grade point average) of 2.0 (C average) or better (courses numbered 1-199). 12 of these units must be completed in-residence at Columbia College.
8. Meet with a counselor to complete an Application for Graduation the semester prior to the projected graduation date.
9. Promptly submit your approved application to Admissions and Records.

POST SECONDARY STUDIES DEGREES:

- Biological Sciences on p. 80
- Business Administration on p. 82
- Computer Science on p. 94
- Environmental Sciences on p. 103
- Physical Sciences on p. 130
- Pre-Engineering on p. 99

Admission as a Transfer Student

The California State University (CSU) and University of California (UC) considers you a transfer applicant if you graduated from high school and enrolled in a regular session at a college or university. Do not disregard your college record and apply as a freshman. Ideally, if you plan to attend Columbia College before applying for university transfer, you should take courses that are transferable, and fulfill admission, lower division general education and lower division preparation courses for your major. Course descriptions in the Columbia College catalog will tell you what courses transfer to which university systems.

ASSIST (Articulation System Stimulating Interinstitutional Student Transfer)

As a prospective transfer student, it is important to make sure community college courses are acceptable to the UC or CSU for transfer credit. ASSIST is California’s official statewide repository of transfer information, offering easy access to a single database. ASSIST can help determine how courses apply to general education (IGETC or CSU GE Breadth), lower division major preparation requirements and elective credit. Search ASSIST online at www.assist.org. Also, you can explore majors at the various UC and CSU campus locations using ASSIST. Columbia College counselors can help you select the most appropriate coursework to most efficiently meet your transfer goals.

General Education Breadth Certification

Students must request that the college certify completion of CSU General Education Breadth requirements or IGETC requirements when the student requests his/her transcript be sent to any CSU or UC campus. When completing the transcript request form for Columbia College to send to your universities, check the appropriate box (CSUGE or IGETC).

CSU General Education Breadth (Column 2) requirements or the IGETC requirements can be used to satisfy general education transfer requirements to the CSU (p. 60). IGETC will satisfy the UC General Education Requirements (p. 62). A counselor can help you determine which GE pattern will best serve your goals.

California State University System (CSU)

The California State University system (CSU) has established the following campuses:
- California State University, Bakersfield
- California State University, Channel Islands
- California State University, Chico
- California State University, Dominguez Hills
- California State University, East Bay
- California State University, Fresno
- California State University, Fullerton
- California State University, Long Beach
- California State University, Los Angeles
- California Maritime Academy
- California State University, Monterey Bay
- California State University, Northridge
- California State Polytechnic University, Pomona
- California State University, Sacramento
- California State University, San Bernardino
- California Polytechnic State University, San Luis Obispo
- California State University, San Marcos
- California State University, Stanislaus
- Humboldt State University
- San Diego State University
- San Francisco State University
- San Jose State University
- Sonoma State University

CSU Admission

Use CSUMentor at www.csumentor.edu to review CSU application dates, deadlines, fees, admission requirements, and cost of tuition, as well as to apply to the universities. CSUMentor is also a useful tool to explore and compare the different CSU campuses and to find answers to frequently asked questions.

Minimum Eligibility Requirements for Transfer to a CSU:

The minimum eligibility requirements for transfer to a CSU are listed below. However, it is highly recommended that students who plan to transfer to a CSU complete a full general education pattern as well as their major preparation coursework. This insures full junior status after transfer. By using minimum eligibility requirements, students run the risk of being deficient in required courses, thereby taking longer to complete their baccalaureate degree.
The University of California System (UC) has established the following campuses:

- University of California, Berkeley
- University of California, Davis
- University of California, Irvine
- University of California, Los Angeles
- University of California, Merced
- University of California, Riverside
- University of California, San Diego
- University of California, San Francisco (medical majors only)
- University of California, Santa Barbara
- University of California, Santa Cruz

Selecting Campuses and Programs of Study

The University of California (UC) encourages you to approach your selection of University campuses and programs carefully. You may be familiar with only one or two of the UC's ten general campuses, probably those nearest your home or those mentioned more frequently in the news. However, you should consider the many different educational alternatives and programs offered by all the campuses before you make your selections and complete your application. Each campus offers a full range of undergraduate programs. Search admission.universityofcalifornia.edu/ and/or www.assist.org to find out more about all the UC campuses and programs.

Minimum Eligibility Requirements for Transfer to a UC:

The minimum eligibility requirements for transfer to a UC are listed below. However, it is highly recommended that students plan to transfer by completing a full general education pattern and major preparation coursework. This insures full junior status after transfer. By using minimum eligibility standards students run the risk of being deficient in required courses, thereby taking longer to complete their baccalaureate degree.

The UC’s minimum requirements for transfer are:

1. Complete 60 semester (or 90 quarter) units of UC transferable college credit with a GPA of at least 2.4 (for residents) with no more than 14 semester (21 quarter) units taken P/NP.
2. Complete the following courses with a minimum grade of C:
   - Two transferable college courses (3 semester or 4-5 quarter units) in English composition. See IGETC areas 1A and 1B on page 62 for options.
   - One transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning. See IGETC area 2 on page 62 for options.
   - Four additional IGETC-approved courses chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, the physical and biological sciences. See IGETC requirements on page 62 for options.

NOTE: These are minimum eligibility requirements. If the number of applicants exceeds the spaces available for a particular campus or major, the campus uses criteria that exceed the minimum requirements to select students. Meeting the minimum requirements, therefore, is not enough to gain admission to many UC campuses and programs. Ideally, if you plan to attend Columbia College before applying to the
University, you should take courses that are UC transferable, and that fulfill admission, lower division general education and lower division preparation courses for your major. Lower division general education courses can be found on pages 52-53 where the Intersegmental General Education Transfer Curriculum (IGETC) is listed. Students must request that the college certify completion of IGETC requirements when the student requests his/her transcript be sent to any UC campus. Students can check the appropriate box (CSUGE or IGETC) on the transcript request form.

Columbia College counselors can help you with your planning and with selecting the correct lower division preparation courses for your major; www.assist.org is also useful to review lower division major preparation courses and for exploring majors and programs at the various UC campuses. The UC Transfer Admission Planner (TAP) is another helpful planning tool; access TAP at admission.universityofcalifornia.edu/transfer/transfer-admission-planner/. Work with a counselor to develop your Educational Plan for an accurate and efficient transfer.

All UC campuses are on the quarter calendar except Berkeley and Merced, which are on the semester system.

Nonresidents

The minimum admission requirements for nonresident transfer applicants are the same as those for residents except that nonresidents must have a grade point average of 2.8 or higher in all transferable college coursework.

Transfer Admission Guarantee (TAG)

Columbia College has available guaranteed admission agreements with the University of California campuses at Davis, Irvine, Merced, Riverside, Santa Barbara and Santa Cruz. The purpose of the TAG is to guarantee students admission to the university with which the TAG has been contracted. The TAG assures students that the courses to which they have committed will meet requirements for admission, general education and lower division major preparation. The TAG should be written at least one year prior (completion of 30 UC-transferable units) to enrollment in the UC to which the student is transferring and cannot be used for any term other than the one indicated in the signed agreement. If you plan to transfer to any one of these six campuses, you must see a counselor as soon as possible in order to initiate the TAG process. There are strict deadlines for UC Davis at this time and TAGs may not be available for all quarters/semesters of the academic year.

Transferable Course Agreement (TCA)

The Transferable Course Agreement is available at www.assist.org. Please contact a counselor for additional information.
Activities Requirement
FOR ASSOCIATE DEGREE 2016-2017

Students who plan to earn an Associate in Arts (AA) or Associate in Science (AS) degree at Columbia College must complete the Activities Requirement for Associate Degree. By completing the Activities Requirement, students will participate in courses that demonstrate creativity, collaboration teamwork, and/or self-expression.

The following students are exempt from Activities requirements:

- Students who complete an AA-T or AS-T degree at Columbia College.
- Veterans or reservists who submit proof of U.S. military Basic Training with a DD214

will receive two (2) units of activities and clear the physical activity requirement.

Complete two (2) units from the following courses. At least one unit must be completed in HHP courses:

</table>

*Activity courses above that are also listed in General Education breadth areas A, B, C, D, or E may only be used to satisfy one requirement or the other. No double-counting is allowed.

**Cross-listed course. Credit may be earned for completion of one course listing on the Activities list or the other, but not both.
General Education BREADTH REQUIREMENTS

General Education (GE) Breadth Requirements for Associate Degree from Columbia College and Transfer to CSU

Completion of one Column 1 on the following pattern will partially satisfy Associate Degree Requirements for Columbia College. Completion of Column 2 will satisfy CSU GE Breadth Requirements for transfer to a CSU. The courses that satisfy both patterns are listed in the center column. Transfer students are encouraged to satisfy both patterns at the same time by careful selection of courses, in order to graduate with an Associate Degree as well as transfer to a CSU campus. CSU/UC transfer students should see page 56 and 57 for an alternative method of completing transferable General Education Requirements. Where indicated, AP exam scores of 3, 4, or 5 may be used to satisfy specific GE breadth requirements. See page 64 for Columbia College’s policy on application of credit from Advanced Placement (AP) examinations.

Work with a counselor to determine which column and courses below will best serve your academic goals.

**COLUMN 1**

AA/AS Degree Pattern

Complete TWO COURSES with at least a C:
- one in A2
- one in A1 or A3

Area A: English Language Communication and Critical Thinking

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Courses</th>
</tr>
</thead>
<tbody>
<tr>
<td>A1. Oral Communication</td>
<td>SPCOM 1, SPCOM 4</td>
</tr>
<tr>
<td>A2. Written Communication</td>
<td>ENGL 1A, (or AP Score of 3, 4, or 5)</td>
</tr>
<tr>
<td>A3. Critical Thinking</td>
<td>ENGL 1B, ENGL 1C, HIST 5, PHILO 5, SPCOM 2</td>
</tr>
</tbody>
</table>

**COLUMN 2**

AA-T/AS-T Degree & CSU Transfer Pattern

Complete THREE COURSES (nine units minimum) with at least a C:
- one in A1
- one in A2
- one in A3

Area B: Scientific Inquiry and Quantitative Reasoning

Complete a minimum of THREE COURSES (nine units minimum):
- one in B1*
- one in B2*
- one in B3*
- one in B4 with at least a C

B1: Physical Sciences

<table>

</tbody>
</table>

* A B1 or B2 course followed by (L) will also satisfy the B3 requirement

REFERENCES

1. ENGL 1B, HIST 5, or PHILO 5 may satisfy Area A3 or Area C2, but not both.
2. CHILD 1, HHP 2, PSYCH 20 or PSYCH 35 may be used to satisfy Area B or Area E, but not both.
3. SOCIO 5 and ART 13 meet an Ethnic Studies Requirement
4. ANTHR 1 may be used to satisfy either Area B2 or Area D1, but not both.
AREA C: Arts and Humanities

**C1:** Arts (Art, Music, Theater):
- ART 11, ART 12, ART 13
- DRAMA 10, DRAMA 20, DRAMA 42, DRAMA 43
- MUSIC 2, MUSIC 10, MUSIC 11, MUSIC 12 (or AP Score of 3, 4, or 5)

**C2:** Humanities (Literature, Philosophy, Languages other than English):
- ENGL 18, ENGL 17, ENGL 18, ENGL 46, ENGL 47, ENGL 49, ENGL 50, ENGL 81
- HST 5
- HUMAN 1, HUMAN 2, HUMAN 3, HUMAN 4
- PHILO 1, PHILO 5, PHILO 25, PHILO 35,
- SIGN 40A, SIGN 40B, SIGN 40C,
- SPAN 1A, SPAN 1B, SPAN 2A, SPAN 2B,
- (or AP Score of 3, 4, or 5)

**Area D: Social and Behavioral Sciences**

**D0:** Sociology and Criminology
- ANTHR 8, HISP 63, SOCIO 1, SOCIO 2, SOCIO 5, SOCIO 8

**D1:** Anthropology, Archaeology
- ANTHR 7, ANTHR 2, ANTHR 3, ANTHR 10, ANTHR 15

**D2:** Economics
- ECON 10, ECON 11, (or AP Score of 3, 4, or 5)

**D3:** Ethnic Studies
- ANTHR 15, SOCIO 5, SPCOM 5

**D4:** Gender Studies
- ANTHR 7, HISP 2, HISP 21, SOCIO 7

**D5:** Geography
- GEOG 50, GEOG 20

**D6:** History
- HIST 11, HIST 13, HIST 14, HIST 16, HIST 17, HIST 21, (or AP Score of 3, 4, or 5)

**D7:** Interdisciplinary, Social or Behavioral Science
- CHILD 22, CHILD 36, FNR 1, SPCOM 12

**D8:** Political Science, Government and Legal Institutions
- POLSC 10, POLSC 12, POLSC 14, POLSC 16, (or AP Score of 3, 4, or 5)

**D9:** Psychology
- CHILD 1, PSYCH 1, PSYCH 15, PSYCH 20, PSYCH 24, PSYCH 35, (or AP Score of 3, 4, or 5)

**Area E: Lifelong Learning and Self-Development**

**Complete ONE COURSE:**
- one in E

**Activities Requirement**

See "Activities Requirement for Associate Degree" on page 59 for a list of courses that will satisfy the Activity requirement for AA or AS degree at Columbia College. Veterans who can present a DD Form 214 are exempt from this requirement.

(Activity Requirement does not apply to this pathway.)
IGETC Requirements 2016-2017

Intersegmental General Education Transfer Curriculum for Transfer to the UC and CSU Systems

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to satisfy specific campus lower-division general education requirements. IGETC may also be used to satisfy the requirements of the AA-T or AS-T degree. Completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of these systems prior to transfer. The IGETC is an alternative General Education Pattern for transfer to the CSU and UC systems. Depending upon the major and/or the campus of choice, some students may be better served by taking courses which fulfill the CSU General Education Breadth Requirements (Column II) on page 60, or those listed in the catalog of the CSU or UC campus of choice. Students pursuing majors that require extensive lower-division major preparation may not find the IGETC option to be advantageous. The IGETC will probably be most useful for students who want to keep their options open before making a final decision about transferring to a particular CSU or UC campus.

Educational planning to ensure transfer success

Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Failure to plan appropriately WILL adversely affect timely graduation and/or transfer. Students are encouraged to consult with a counselor in developing an individual education plan. (Counseling Office, Manzanita 15, 588-5109).

IGETC Certification

A student must request an IGETC Certification from the Admissions & Records Office. The course requirements for all areas must be fully completed with a grade of C or better before the IGETC can be certified. Certification will be sent after the last semester is completed at Columbia College. Courses taken from the IGETC list at another community college will be used in the final certification. Advanced Placement Examination credit may be used in some, but not all areas. See page 64 for Columbia College's policy on application of credit from Advanced Placement (AP) examinations.

Area 1: English Communication

Complete one course each from Group 1A and Group 1B. Students planning to transfer to CSU must also complete one course from Group 1C.

GROUP 1A: English Composition
Complete one course (three semester units.)
ENGL 1A (or AP Score of 3, 4, or 5)

GROUP 1B: Critical Thinking/English Composition
Complete one course (three semester units)
ENGL 1B
ENGL 1C
HIST 5*/PHILO 5*

GROUP 1C: Oral Communication (CSU students only)
Complete one course (three semester units)
SPCOM 1
SPCOM 4

* Courses designated with an asterisk (*) may be counted in one area only.
** Indicates that transfer credit may be limited by either UC or CSU or both.
(L) Designates a Laboratory course or a course that includes a Laboratory.

Area 2A: Mathematical Concepts and Quantitative Reasoning

Complete one course (three semester units.)
MATH 2, 6, 12, 16, 18A, 18B, 18C, 26 (or AP Score of 3, 4, or 5)

Area 3: Arts and Humanities

Complete at least three courses (nine semester units). One course must be in Group 3A and one in Group 3B. The third course can be completed in Group 3A or Group 3B.

Group 3A: Arts
ART 11, 12, 13; DRAMA 10
MUSIC 2, 10, 11, 12 (or AP Score of 3, 4, or 5)

Group 3B: Humanities
ENGL 11, 17, 18, 46, 47, 49, 50, 81
HIST 5*,
HUMAN 1, 2, 3, 4;
PHILO 1, 5*, 25, 35
SIGN 40B, 40C,
SPAN 1B, 2A, 2B
(or AP Score of 3, 4, or 5)
Area 4: Social and Behavioral Sciences

Complete at least three courses from at least two disciplines (minimum nine semester units).

**Group 4A: Anthropology and Archaeology**
- ANTHR 1*, 2, 10, 15*

**Group 4B: Economics**
- ECON 10, 11

**Group 4C: Ethnic Studies**
- ANTHR 15*, SOCIO 5*, SPCOM 5

**Group 4D: Gender Studies**
- ANTHR 7, HHP 2, HIST 21, SOCIO 7

**Group 4E: Geography**
- GEOGR 12, GEOGR 20

**Group 4F: History**
- HIST 11, 13, 14, 16, 17, 21

**Group 4G: Interdisciplinary, Social and Behavioral Sciences**
- CHILD 1, SPCOM 12

**Group 4H: Political Science, Government and Legal Institutions**
- POLSC 10, 12, 14

**Group 4I: Psychology**
- PSYCH 1, 5, 10, 24, 35

**Group 4J: Sociology and Criminology**
- HHP 63, SOCIO 1, 2, 5*, 8, 12, ANTHR 8  
  (or AP Score of 3, 4, or 5)

Area 5: Physical and Biological Sciences

Complete at least two courses totaling seven units or more, with one course in Group 5A, one in Group 5B, and one in Group 5C. One course must include a Laboratory (L). A Group 5A course followed by (L) will also satisfy the Group 5C requirement.

**Group 5A: Physical Sciences**
- ESC 1, 5 (L), 10, 22, 23(L), 30, 33(L), 40, 42, 50 (L), 62
- GEOGR 15,
- FNR 6,
- PHYS 1**, 2**, 4A (L), 1B (L), 5A (L), 5B (L), 30(L),  
  (or AP Score of 3, 4, or 5)

**Group 5B: Biological Sciences**
- ANTHR 1*, BIOL 2 (L)**, 4 (L), 6 (L), 10 (L), 17 (L)**, 24 (L),  
- 60 (L), 65 (L)  (or AP Score of 3, 4, or 5)

**Group 5C: Laboratory Activity**
- CHEM 5L, 14L, 16L, 20L, 2AL, 2BL, 4AL, 4BL  
  (Or another course from 5A or 5B with a lab as indicated by (L))

Area 6: Language Other than English (UC only)

UC transfer students must demonstrate competence (proficiency) in a language other than English equal to two years of high school study.

To demonstrate competence in a language other than English:
- Complete two years of high school level work in the same foreign language with a grade of “C-” or better, **OR**,
- Complete one of the Columbia College courses below with a grade of “C” or better, **OR**,
- SIGN 40B SPAN 1A SPAN 2A
- SIGN 40C SPAN 1B SPAN 2B

For other methods of completing Area 6, see a counselor.

Area 7: Requirement in U.S. History, Constitution and American Ideals (CSU only)

The CSU “U.S. History, Constitution, and American Ideals” (AI) graduation requirement is not part IGETC. Courses used to satisfy this requirement may also be listed in Area 4. However, CSU campuses have the discretion whether to allow courses used to satisfy the CSU AI graduation requirement to count in both Area 4 and to meet the AI graduation requirement. In the absence of specific knowledge of a CSU campus policy for double-counting, Columbia College will certify IGETC using the courses in Area 4 and the CSU AI graduation requirement.

Complete one course from Group 7A and one from Group 7B (six units)

**Group 7A:**
- POLSC 10

**Group 7B:**
- HIST 16  **OR**  HIST 17
College Credit for Advanced Placement (AP) Examinations

Students must have the College Board send AP exam results to the Admissions & Records Office (hand-carried copies will not be accepted) for use on the AA/AS or GE patterns. (Students are encouraged to see a counselor when interpreting AP scores.) Course credit and units granted at Columbia College may differ from course credit and units granted by a transfer institution. Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Exams with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and AA/AS general education (GE).

¹ Areas of GE Breadth (A1 through E) are defined in EO 1033. Areas of American Institutions (US-1 through US-3) are set forth in Sections IA and IB of EO 4405, and at [www.assist.org](http://www.assist.org).

² If a student passes more than one AP exam in calculus or computer science, only one examination may be applied to the baccalaureate.

³ If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to a certification in GE Breadth.

⁴ Does not fulfill AHI California Government requirement.

AA/AS: A student who receives AP credit and then takes the equivalent Columbia College course will have the unit credit for such duplication deducted prior to being awarded the Associate degree. Credit by Advanced Placement exam is noted and listed first on a student's transcript, with units assigned and no grade.

CSU GE: The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breadth requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.

IGETC: AP exams must be used in the area indicated regardless of where the certifying institution's discipline is located.

CLEP/IB: For information on College-Level Examination Program (CLEP) and International Baccalaureate (IB) credits, please see a counselor.
### C-ID Course Identification NUMBERING SYSTEM

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to [www.assist.org](http://www.assist.org) to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer. Students may consult the ASSIST database at [www.assist.org](http://www.assist.org) for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

Following is a list of Columbia College courses with approved C-ID designations as of April 2016.

The Yosemite Community College District is home to two community colleges, Columbia College (CC) and Modesto Junior College (MJC). That means that some of Columbia’s courses are considered “equivalent” to courses offered at Modesto Junior College. If you have taken courses at either school and wish to take courses at the other, see the course crosswalk below. This list is subject to change. See the Articulation Officer in the Counseling Office if you have questions about course equivalences between the two colleges.

Anthropology
PROGRAM

Arts and Sciences Division
Manzanita, Upper Level, Room 271
(209) 588-5087
www.gocolumbia.edu/arts_sciences

AA-T Degree: Anthropology

The Anthropology program provides students with a core curriculum covering introductory anthropology content, theory, and methodology. The curriculum is designed to help students understand the broad scope of anthropology as a comparative science. In addition, it covers the key theoretical approaches and insights that inform anthropology, as well as the role of anthropological theory and research methods in understanding the bio-cultural nature of our species. Further, the program seeks to foster critical thinking, develop an awareness of diverse perspectives and their implications, and encourage effective approaches to problem solving.

Students should consult with a counselor to determine if this degree is the best option for their transfer goals.

LEARNING OUTCOMES:

Successful students will demonstrate the following knowledge and skills:

- Compare and contrast the main sub-disciplines of anthropology: their origins, histories, associated theories, principles, and methodologies.
- Contributions of the sub-fields of anthropology to past and current human challenges (war, health and disease, and cultural contact and conflict).
- Contextualize contemporary social and cultural differences.
- Demonstrate the relationship between anthropology and the liberal arts and sciences.
- Articulate the legal, operational, and ethical dimensions of applied anthropological work.
- The relationship between anthropology and emerging sciences (e.g., epigenetics).
DEGREE REQUIREMENTS

- To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

  1. Either the California State University General Education Breadth Requirements (CSU-GE - minimum of 30 units) OR the Intersegmental General Education Transfer Curriculum (IGETC - minimum of 37 units); AND
  2. 19 to 21 semester units as specified below, with a grade of C or better in all courses; AND
  3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

Art
PROGRAM

Arts and Sciences Division
Manzanita, Upper Level, Room 271
(209) 588-5087
www.gocolumbia.edu/arts_sciences

AA-T Degree: Studio Arts

The Studio Arts program provides students with a core curriculum covering introductory art content, theory, history, and practice. The program is designed to provide students with a solid foundation in visual design elements and principles, common materials and techniques, and a historical and cultural context. The program also seeks to promote critical visual thinking and evaluation, nurture creative independence, and encourage productive experimental problem solving.

The goal of the Studio Arts Associate in Arts for Transfer (AA-T) program is to prepare students for transfer to a California State University to pursue a B.A. or B.S. in Studio Arts, Fine Arts, Art History, or something similar. The program is intended and designed to make the transfer of Columbia College students to the CSU as seamless as possible. It is the most efficient pathway for students desiring to transfer to CSU in a similar major in a timely manner.

The major requirements align with the Transfer Model Curriculum (TMC) for Studio Arts. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

LEARNING OUTCOMES:

- Student will demonstrate a foundation of art skills and a high level of craftsmanship by utilizing a variety of tools and technologies.
- Students will demonstrate an understanding of the art materials, methods and techniques, historical and contemporary, and the contexts in which they are employed.

DEGREE REQUIREMENTS

- To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

  1. Either the California State University General Education-Breadth Requirements (CSU-GE) (minimum of 39 units)
   OR the Intersegmental General Education Transfer Curriculum (IGETC) (minimum of 37 units); AND
  2. Semester units as specified below, with a grade of C or better in all courses; AND
  3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

UNITS REQUIRED IN MAJOR: 43½
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60

Optional Courses (recommended)

AT 185 Auto Body Collision Repair I (3)
WT 121 ARC/Gas Welding (3)
Certificate of Achievement:  
**Automotive Maintenance Technician**

**CERTIFICATE REQUIREMENTS**
To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Complete the following coursework:**
- AT 97 Work Experience in Automotive Technology  1
- AT 100 Introduction to Automotive Technology  4
- AT 102 Engine Repair  5
- AT 103 Practical Laboratory  ½
- AT 105 Automotive Braking Systems  4
- AT 112 Heating and Air Conditioning  3
- AT 113 Automotive Electrics (7) OR  7-8
- AT 106 Engine Performance (8)

**TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT:**  24½–25½

**Optional Course** (recommended)
- AT 185 Auto Body Collision Repair I (2)
- WT 100 Introduction to Welding (3)

---

Certificate of Achievement:  
**Automotive Service Technician**

This certificate covers the entire eight areas that encompass Automotive Service Excellence certifications. Students completing this certificate program have completed the complete set of training prescribed for entry-level automotive technicians.

**CERTIFICATE REQUIREMENTS**
To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Complete the following coursework:**
- AT 97 Work Experience in Automotive Technology  1
- AT 100 Introduction to Automotive Technology  4
- AT 102 Engine Repair  5
- AT 103 Practical Laboratory  ½
- AT 105 Automotive Braking Systems  4
- AT 106 Engine Performance  8
- AT 112 Heating and Air Conditioning  3
- AT 120 Suspension and Steering  4
- AT 122 Manual Power Trains and Axles  4
- AT 132 Automatic Transmissions and Transaxles (3) OR  3
- AT 140 B.A.R. Smog Check Training, Level II (3)

**TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT:**  43½

**Optional Courses** (recommended)
- AT 185 Auto Body Collision Repair I (2)
- WT 121 ARC/Gas Welding (3)

---

Certificate of Achievement:  
**Engine Performance**

**SKILLS ATTAINMENT REQUIREMENTS**
To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Complete the following coursework:**
- AT 97 Work Experience in Automotive Technology  1
- AT 103 Practical Laboratory  ½
- AT 105 Automotive Braking Systems  4
- AT 120 Suspension and Steering  4
- AT 122 Manual Power Trains and Axles  4

**TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT:**  13½

---

Certificate of Achievement:  
**Under Vehicle Service**

**CERTIFICATE REQUIREMENTS**
To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Complete the following coursework:**
- AT 97 Work Experience in Automotive Technology  1
- AT 103 Practical Laboratory  ½
- AT 105 Automotive Braking Systems  4
- AT 120 Suspension and Steering  4
- AT 122 Manual Power Trains and Axles  4

**TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT:**  13½
Skills Attainment Certificate:

Skills Attainment Certificate: *Autobody Repair*

Students earning this certificate have demonstrated prescribed competencies in basic auto body repair and painting.

**SKILLS ATTAINMENT REQUIREMENTS**

- To earn this Skills Attainment Certificate, complete the course requirements with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Complete the following coursework:**

AWARD REQUIREMENTS

Biology
PROGRAM

Arts and Sciences Division
Manzanita, Upper Level, Room 271
(209) 588-5087
www.gocolumbia.edu/arts_sciences

AS-T Degree: Biology
An Associate in Science for Transfer degree in Biology is currently in development. Consult with a counselor for more information.

AS Degree: Post-Secondary Studies: Emphasis in Biological Sciences

ABOUT POST-SECONDARY STUDIES DEGREES
The purpose of the Post-Secondary Studies Degree is to properly prepare students whose goal is to transfer from Columbia College to a university in a major that has extensive baccalaureate major preparation coursework. For more information, see p. 55.

ABOUT THIS EMPHASIS
The Post-Secondary Studies Biological Sciences emphasis is intended to help students prepare for possible majors within a biological science-related major. Common university majors in this field include Biochemistry, Biological Sciences, Cell Biology, and Microbiology. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a Columbia College counselor.

DEGREE REQUIREMENTS
To earn this associate degree, complete the requirements below with a C or better in each course, as part of completing the Post-Secondary Studies Pathway requirements on page 55. To ensure proper preparation for transfer, consult with a counselor before selecting a General Education breadth pattern to follow.

Complete 18 units.

Manzanita, Upper Level, Room 267
(209) 588-5142 or (209) 588-5198
www.gocolumbia.edu/career_technical/

Associate Degrees

AS-T Degree: Business Administration

The Business Administration program provides students with a core curriculum covering introductory business administration content, theory, and methodology. The curriculum is designed to help students understand the broad scope of business. In addition, it covers the key theoretical approaches and insights that inform business decisions, as well as the application of business processes. Further, the program seeks to foster critical thinking, develop an awareness of diverse perspectives and their implications, and encourage effective approaches to problem solving. Students should consult with a counselor to determine if this degree is the best option for their transfer goals.

LEARNING OUTCOMES

Successful students will demonstrate the following knowledge and skills:

- Demonstrate the fundamental knowledge and skills required for lower division course work.
- Analyze business problems, breaking them into their essential components.
- Apply critical thinking and business conventions in the business environment.
- Demonstrate the ability to recognize and analyze ethical issues as they apply to the business environment.

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education Breadth Requirements (CSU-GE - minimum of 39 units) OR the Intersegmental General Education Transfer Curriculum (IGETC - minimum of 37 units); AND
2. 28 to 29 semester units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

UNITS REQUIRED IN MAJOR:       26–29
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:   60

Complete the following courses:

- BUSAD 2A Financial Accounting       4
- BUSAD 2B Managerial Accounting      4
- BUSAD 18 Business Law              3
- ECON 10 Principles of Economics – Macro 3
- ECON 11 Principles of Economics – Micro 3

Select 1 of the following courses: 3–4

- MATH 2 Statistics (4)
- MATH 12 Finite Math (3)

Select 2 of the following courses: 6–8

- BUSAD 20 Principles of Business (3)
- CCTIS 10 Computer Concepts and Information Systems (4)
- Any MATH course not used above (3–4)

AS Degree: Business Administration: Professional

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses:

- BUSAD 2A Financial Accounting       4
- BUSAD 2B Managerial Accounting      4
- BUSAD 18 Business Law              3
- BUSAD 20 Principles of Business     3
- BUSAD 24 Human Relations in Organizations 3
- CCTPG 9 Operating Systems - Windows Unix/Linux 4
- CCTIS 30 Financial Worksheets on Computers 3
- ECON 10 Principles of Economics - Macro 3
- ECON 11 Principles of Economics - Micro 3

UNITS REQUIRED IN MAJOR:   30
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:   60

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.
AWARD REQUIREMENTS

AS Degree: Post-Secondary Studies:
Emphasis in Business Administration

ABOUT POST-SECONDARY STUDIES DEGREES

The purpose of the Post-Secondary Studies Degree is to properly prepare students whose goal is to transfer from Columbia College to a university in a major that has extensive baccalaureate major preparation coursework. For more information, see p. 55.

ABOUT POST SECONDARY STUDIES IN BUSINESS ADMINISTRATION

The Post-Secondary Studies Business Administration emphasis is intended to help students prepare for possible majors within a business-related major. Common university majors in this field include Business Administration, Business Economics, Economics, Economics and Mathematics, and Management Science. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a Columbia College counselor.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, as part of completing the Post-Secondary Studies Pathway requirements on page 55. To ensure proper preparation for transfer, consult with a counselor before selecting a General Education breadth pattern to follow.

Complete 18 units:

- BUSAD 2A  Financial Accounting (4)
- BUSAD 2B  Managerial Accounting (4)
- BUSAD 18  Business Law (3)
- BUSAD 20  Principles of Business (3)
- CCTIS 10  Computer Concepts and Information Systems (4)

- MATH 2  Statistics (4)
- MATH 12  Finite Mathematics (3)
- MATH 18A  Calculus I (5)

UNITS REQUIRED IN MAJOR:   18
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:  60

AS Degree: Business Administration: Accounting

- Previously offered as an ASOE degree

This degree prepares students for an entry-level position in accounting or full-charge bookkeeper. Learn the accounting cycle, how to prepare financial statements, federal payroll laws, how to account for payroll, how the income tax system works, and business laws.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses:

- BUSAD 2A  Financial Accounting (4) AND 8
- BUSAD 2B  Managerial Accounting (4)
- OR
- BUSAD 161A  Small Business Accounting I (4) AND
- BUSAD 161B  Small Business Accounting II (4)
- BUSAD 18  Business Law 3
- BUSAD 29/  Project Management 3
- CCTIS 29
- BUSAD 155  Computerized Accounting for Business 4
- BUSAD 158  Payroll Accounting 3
AS Degree: **Business Management**

The Associate in Science Degree is awarded in Science and Technical fields. It is specifically designed for students who intend to go straight into a management position or transfer.

**DEGREE REQUIREMENTS**

- To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 58.

- MGMT 118 Decision Making in the Workplace ½
- MGMT 119 Managing Organizational Change ½
- MGMT 120 General Diversity: Managing Cross-Generational Teams ½

**TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE:** 5½

AS-T Degree: Chemistry

An Associate in Science for Transfer degree in Chemistry is currently in development. Consult with a counselor for more information.
Child Development
PROGRAM

Career and Technical Education Division
Manzanita, Upper Level, Room 267
(209) 588-5142 or (209) 588-5198
www.gocolumbia.edu/career_technical/

AS-T Degree: Early Childhood Education

Students who choose the Early Child Education Associate in Science for Transfer program will be prepared to transfer to a CSU to pursue a BA or BS in Early Childhood Education or Child Development. This degree provides a solid foundation in nationally recognized child development principles, observation and assessment techniques that lead to planning developmentally appropriate, inclusive curriculum, and awareness of diversity as it relates to children and families. This is the most efficient pathway for students desiring to transfer to a CSU in a timely manner. The major requirements align with the Transfer Model Curriculum (TMC) for Early Childhood Education. The Associate in Science for Transfer (AS-T) complies with the Student Transfer Achievement Reform Act (SB 1440, now codified in California Education Code sections 66746-66749, effective Fall 2011). The law states that students will have guaranteed admission to a California State University (CSU) campus upon successful completion of the specified program requirements. This option is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

LEARNING OUTCOMES
Successful students will complete a portfolio showcasing expertise in the areas of:
- Child growth and development theories and practice
- Observation and assessment techniques that lead to planning developmentally appropriate, inclusive curriculum
- Reflective practice that understands and appreciates the diversity of families and children and the ethical responsibilities of working with children and families

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education-Breadth Requirements (CSU-GE) (minimum of 39 units) or the Intersegmental General Education Transfer Curriculum (IGETC) (minimum of 37 units); AND

2. 24 semester units as specified below, with a grade of C or better in all courses; AND

3. Any CSU-transferable electives needed to bring the total units to 60.

AS Degree: Child Development

ABOUT THIS AWARD
The Child Development Associate in Science Degree prepares students with up to date skills and knowledge needed to enter careers in the field of Child Development. Students learn core concepts about how children learn best, engage in hands on experiences with children, and explore workplace success skills.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Communication Studies
PROGRAM
Arts and Sciences Division
Manzanita, Upper Level, Room 271
(209) 588-5087
www.gocolumbia.edu/arts_sciences

AA-T Degree: Communication Studies
The Communication Studies program at Columbia College focuses on the areas of public speaking, argumentation and debate, small group communication, oral expression and interpretation, and intercultural communication. It is designed to increase student skills in verbal communication and public speaking, analysis and listening, interpersonal relationships, teamwork, leadership, motivation, initiative, and an appreciation for diversity.

The major requirements align with the Transfer Model Curriculum (TMC) for Communication Studies. The Associate in Arts for Transfer (AA-T) complies with the Student Transfer Achievement Reform Act (SB 1440, now codified in California Education Code sections 66746-66749, effective Fall 2011). The law states that students will have guaranteed admission to a California State University (CSU) campus upon successful completion of the specified program requirements. This option is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

LEARNING OUTCOMES
Students who successfully complete the program will be expected to:
- Demonstrate effective communication skills orally, in writing, and expressively.
- Be able to analyze and synthesize key concepts from texts within the discipline.
- Be able to apply strategies that reflect an understanding of reading, writing, and other communication processes that demonstrates critical thinking and an awareness of different cultural perspectives.

DEGREE REQUIREMENTS
- To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:
  1. Either the California State University General Education-Breadth Requirements (CSU-GE) (minimum of 39 units) or the Intersegmental General Education Transfer Curriculum (IGETC) (minimum of 37 units); AND
  2. 18 semester units as specified below, with a grade of C or better in all courses; AND
  3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

**AS Degree: Multimedia Technology**

**ABOUT THIS DEGREE**

The Multimedia Technology degree prepares people for entry-level jobs in Multimedia. Students learn to produce digital content combining components such as video, audio, graphics and text for application in areas such as entertainment, marketing and advertising or education and training. In this program, students develop professional and creativity skills while gaining hands-on experience with the latest technology as they work on projects and build a portfolio of multimedia content.

AWARD REQUIREMENTS

Associate Degrees

AS Degree:  
Geographic Information Systems

- Previously offered as an ASOE degree

ABOUT THIS DEGREE

The Associate in Science Degree (AS) in Geographic Information Systems (GIS) prepares recipients for entry level jobs. Students learn to collect geospatial data, design and maintain geodatabases, produce digital and hard copy map products, and perform geospatial analyses for decision-making purposes. Recipients of the A.S in GIS will gain hands-on project-based experience and may end up working in natural resources, forestry, geology, watershed, business, social sciences, health, fire and emergency services, and other related disciplines.

Maps exist in almost every field and GIS is the technology used for making and analyzing maps.

DEGREE REQUIREMENTS

- To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Complete the following coursework:  

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>

AS Degree: Business/Web Development

- Previously offered as an ASOE degree

This degree includes a core group of required courses and then offers the student the opportunity to choose either a Business Emphasis path or a Web Development path. This Associate in Science Degree will provide students with skills and training for immediate entry into the workforce. This program is not designed for students planning to transfer to a four-year institution, although some courses in the AS degree may meet transfer requirements.

DEGREE REQUIREMENTS

- To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Units</th>

**Units Required in Major:** 29–34

**Total Units Required for Associate Degree:** 60

### Certificates of Achievement

#### Certificate of Achievement:

**Geographic Information Systems**

**Certificate Requirements**

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**

- CCTIS 10  
  Computer Concepts & Information Systems  
  4 units
- CCTIS 60/  
  Introduction to GIS - ArcView  
  3 units
- CCTIS 65/  
  GIS Applications  
  ½–3 units
- CCTIS 70/  
  Introduction to Raster-Based GIS  
  3 units
- CCTIS 75/  
  GIS Applications in Resource Management  
  ½–3 units
- DRAFT 50A  
  Computer Assisted Drafting I  
  3 units
- ENGL 1A  
  Reading & Comp: Beginning (3)  
  OR  
  3–5 units
- ENGL 151  
  Preparation for College Composition (5)
- FNR 53  
  Forest Surveying  
  3 units
- MATH 101  
  Algebra I (5)  
  OR  
  3–5 units
- Higher-level MATH course (see Math Course Sequence on p. 194)  
  (3–5)
- FNR 1  
  Environmental Conservation  
  3 units
- FNR 60  
  Introduction to Maps and Remote Sensing  
  2 units

**3–4 units required from this section:**

- ESC 5  
  Physical Geology (4)
- ESC 33  
  Introduction to the Earth (4)
- ESC 42  
  Natural Hazards (3)
- GEOGR 15  
  Physical Geography (3)

**Total Units Required for Certificate of Achievement:** 31–41

### Optional Courses (recommended)

- BUSAD 97  
  Work Experience (AutoCAD or GIS) (minimum 4)
- CCTIS 29/  
  Project Management (3)
- BUSAD 29
- CCTPG 9  
  Operating Systems - Windows - Unix/Linux (4)
- CCTPG 51  
  Database Management (3)
- CCTIS 58/  
  GIS-ArcView (1)
- GEOGR 58
- CCTIS 59/  
  Geographic Info & Global Positioning
- GEOGR 59  
  Systems (1-3)
- MATH 2  
  Statistics (4)
- MATH 8  
  Trigonometry (3)
- SPCOM 1  
  Introduction to Public Speaking (3)
Certificate of Achievement:

**Applied Computer Studies: Business Emphasis**

**CERTIFICATE REQUIREMENTS**

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**

**Skills Attainment Certificates**

**Skills Attainment Certificate:**

**GIS Geodatabase Micro-Credential**

The purpose of this micro-credential is to certify skills attainment in the geodatabase areas of GIS, including data acquisition and management, as well as cartographic design and visualization. Courses in the micro-credential can also lead to the GIS certificate and AS degree. The micro-credential will help students meet industry needs in geospatial technology.

**SKILLS ATTAINMENT REQUIREMENTS**

- To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required Courses:**

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>CCTIS 57</td>
<td>GIS Data Management – Introduction to Geodatabase</td>
<td>1‑3</td>

<td>GIS Geocoding</td>
<td>1</td>
</tr>
<tr>
<td>GEOGR 67</td>
<td></td>
<td></td>
</tr>
<tr>
<td>FIRE 110</td>
<td>ICS 200 - Basic Incident Command System</td>
<td>1</td>
</tr>
</tbody>
</table>

**TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE:** 7½–11½

**Skills Attainment Certificate:**

**GIS in Emergency Response Micro-Credential**

The purpose of this micro-credential is to certify skills attainment in emergency response in GIS, including search and rescue (SAR) as well as fire incident mapping. Courses in the micro-credential can also lead to the GIS certificate and AS degree. The micro-credential will help students meet industry needs in geospatial technology.

**SKILLS ATTAINMENT REQUIREMENTS**

- To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required Courses:**

<table>

**TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE:** 7½–11½

*Skills Attainment Certificates do not appear on student transcripts.*
AS Degree: Programming

Prepared students for entry-level positions that require computer programming skills such as Quality Assurance Engineer, Junior Java Developer, and many more. Students refine their programming skills through practice in popular programming languages such as Java, C/C++ and Visual Studio .NET. Students also learn technologies related to programming including database management and networking and gain skills in project management. Many of the required courses are transferrable, but completion of this degree does not make a student "transfer ready" for CSU or UC.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses:

- CTPG 22 Programming Concepts and Methodology I 4
- CTPG 24 Programming Concepts and Methodology II 4
- CTPG 47 C/C++ Programming 3
- CTPG 48 Visual Studio.NET Programming 3
- CCTIS 29/ Project Management 3
- BUSAD 29
- CTPG 51 Database Management 3
- MATH 2 Statistics (4) OR
- MATH 8 Trigonometry (3) OR
- MATH 12 Finite Mathematics (3) OR
- MATH 16 Precalculus (5)

Complete 12 units from this section:

- CTPG 5 Introduction to Programming (3)
- CTPG 9 Operating Systems - Windows-Unix/Linux (4)
- CTPG 45 Applied Java Programming (3)
- CTDAM 10 Introduction to HTML and CSS (3)
- CTDAM 14 Advanced Topics in Website Development (3)
- CTSS 11 Networking Essentials (3)

UNITS REQUIRED IN MAJOR: 35–37
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60
Certificate of Achievement:
Computer Support Technician

ABOUT THIS CERTIFICATE

Prepares students to pass the current CompTIA A+ certification exams, and qualify for an entry level position in the field of computer support.

CERTIFICATE REQUIREMENTS

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

Required courses:

- CCTPG 5 Introduction to Programming 3
- CCTSS 11 Networking Essentials 3
- CCTSS 121 PC Assembly, Upgrade and Support (A+) 3
- CCTSS 122 PC Operating System Installation and Support (A+) 3
- OFTEC 132 Business Communication 3

Complete 2 units from this section:

- CCTPG 9 Operating Systems - Windows - Unix/Linux (4)
- CCTIS 137 Presentations Using Computers and Multimedia (1½)
- CCTDM 10 Introduction to HTML and CSS (3)
- CCTPG 45 Applied Java Programming (3)
- CCTSS 112 Networking - CCNA2: Routing and Switching Essentials (3)

TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT: 17

Optional Courses (recommended)

- BUSAD 25/ GUIDE 25 Job Search & Interviewing Strategies (1)
- BUSAD 163 Business Mathematics (4)
- CCTPG 51 Database Management (3)
- SPCOM 1 Introduction to Public Speaking (3)

Certificate of Achievement:
Network Support Technician

CERTIFICATE REQUIREMENTS

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

Required courses:

- CCTSS 11 Networking Essentials 3
- CCTSS 112 Networking - CCNA2: Routing and Switching Essentials 3
- CCTSS 113 Networking - CCNA3: Scaling Networks 3
- CCTSS 114 Networking - CCNA4: Connecting Networks 3
- OFTEC 132 Business Communication 3

Complete 2 units from this section:

- CCTPG 5 Introduction to Programming (3)
- CCTPG 9 Operating Systems - Windows - Unix/Linux (4)
- CCTIS 137 Presentations Using Computers and Multimedia (1½)
- CCTDM 10 Introduction to HTML and CSS (3)
- CCTSS 121 PC Assembly, Upgrade and Support (A+) (3)

TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT: 17

Optional Courses (recommended)

- BUSAD 25/ GUIDE 25 Job Search & Interviewing Strategies (1)
- BUSAD 163 Business Mathematics (4)
- CCTPG 51 Database Management (3)
- SPCOM 1 Introduction to Public Speaking (3)

Earth Science

See "Geology/Earth Science"
AA–T Degree: Elementary Teacher Education

ABOUT THIS DEGREE

The Associate of Arts Transfer Degree in Elementary Teacher Education provides students with a core curriculum in the concepts and issues related to teaching diverse learners in today’s contemporary schools, K–12. Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues. California’s content standards and frameworks, and teacher performance standards. In addition to class time, the course requires 45 hours of structured fieldwork on a public school elementary classroom(s) that represent California’s diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher.

The goal of the Associate in Arts in Elementary Teacher Education for Transfer program is to prepare students for transfer to a California State University to pursue a Bachelor’s Degree in Liberal Studies, K–8 Teacher Preparation Program. The program is intended and designed to make the transfer of Columbia College students to CSU as seamless as possible. The major requirements of this degree align with the Transfer Model Curriculum. It is the most efficient pathway for students wishing to transfer to CSU in a similar major in a timely manner. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

LEARNING OUTCOMES

Successful students will demonstrate the following knowledge and skills:

- Develop a personal philosophy of education, including reflection on motivation for pursuing a teaching career.
- Identify cultural perspectives in the language of learning and describe how educators can structure positive learning situations for diverse learners.
- Demonstrate ability to observe and work with teachers and students in the classroom.
- Develop expertise in the introductory content area subject matter required for teaching at the elementary school level.

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education-Breadth Requirements (CSU-GE) OR the Intersegmental General Education Transfer Curriculum (IGETC); AND
2. Semester units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

UNITS REQUIRED IN MAJOR: 48
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60
AA Degree:  
Liberal Studies:  
Elementary Teaching Preparation

ABOUT THIS DEGREE

This area of emphasis is intended to provide partial fulfillment of Freshman/Sophomore major preparation requirements towards transferring to a university in a Bachelor's Degree in Liberal Studies, K-8 Teacher Preparation Program. Students planning to transfer in this major should consult with a counselor to create an Educational Plan, as requirements vary among transfer universities.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Complete at least one course in at least six of the following areas: 18

Oral Communication Area
- SPCOM 1 Introduction to Public Speaking (3)
- SPCOM 4 Introduction to Human Communication (3)

Composition Area
- ENGL 1A Reading and Composition: Beginning (3)
- ENGL 1B Advanced Composition and Introduction to Literature (3)

Critical Thinking Area
- ENGL 1C Advanced Composition and Critical Thinking (3)
- HIST 5/ Introduction to the History and Philosophy of Science (3)
- SPCOM 2 Argumentation and Debate (3)

Chemistry
- CHEM 2A General Chemistry I (3)
- CHEM 2AL General Chemistry I Laboratory (2)
- CHEM 5 Introductory Chemistry: Environmental Emphasis (3)
- CHEM 5L Introductory Chemistry Laboratory (1)
- CHEM 14 Fundamental Chemistry for Allied Health (3)
- CHEM 14L Fundamental Chemistry for Allied Health Laboratory (1)
- CHEM 20 The Chemistry of Everything (3)
- CHEM 20L The Chemistry of Everything Laboratory (1)

Introduction to Earth Science Area
- ESC 33 Introduction to the Earth (4)
- GEOGR 15 Physical Geography (3)

Mathematics Area
- MATH 4 Mathematics for Elementary Teachers (3)

Physics
- PHYCS 1 Conceptual Physics (3)
- PHYCS 2 Conceptual Physical Science: A Starship Voyage (3)
- PHYCS 4A Introductory Physics I: Trigonometry Level (4)
- PHYCS 4B Introductory Physics II: Trigonometry Level (4)
- PHYCS 5A Introductory Physics I: Calculus Level (4)
- PHYCS 5B Introductory Physics II: Calculus Level (4)

Biological Sciences Area
- BIOL 2 Cell and Molecular Biology (4)
- BIOL 10 Human Anatomy (4)
- BIOL 17 Fundamentals of Biology (4)

Music Area
- MUSIC 2 Introduction to Music (3)
- MUSIC 10 Survey of Music History and Literature: Ancient to 1750 (3)
- MUSIC 11 Survey of Music History and Literature: 1750 to Present (3)
- MUSIC 12 American Popular Music: Blues and Jazz to Rock ‘n’ Roll (3)

Art Area
- ART 11 History of Art: Ancient and Medieval (3)
- ART 12 History of Art: Renaissance, Baroque and Modern (3)
- ART 13 Art of Africa, Asia, Australia and the Americas (3)

Philosophy or Humanities Area
- HIST 5/ Introduction to the History and Philosophy of Science (3)
- HUMAN 1 Old World Culture (3)
- HUMAN 2 Modern Culture (3)
- HUMAN 3 World Culture (3)
- HUMAN 4 World Religions and Spirituality (3)
- PHILO 1 Introduction to Philosophy (3)
- PHILO 25 Twentieth Century Philosophy (3)

Early U.S. History Area
- HIST 16 United States: to 1877 (3)

American Government Area
- POLSC 10 Constitutional Government (3)

Ancient World History Area
- HIST 13 World Civilizations: to 1650 (3)

California History Area
- HIST 11 History of California (3)

Geography Area
- GEOGR 12 Cultural Geography (3)

Liberal Studies Teaching Prerequisite Area
- CHILD 1 Child Growth and Development (3)
- EDUC 11 Introduction to Elementary Classroom Teaching (3)
- PSYCH 10 Lifespan Human Development (3)

Computer Science Area
- CCTIS 10 Computer Concepts and Information Systems (4)

TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60

UNITS REQUIRED IN MAJOR: 18
Skills Attainment Certificate:*

**Learning Design & Technology**

The coursework in this Skills Attainment Certificate is designed to prepare students for online course development, emerging technologies and universal design techniques. The certificate serves as required training and advanced online development training for faculty and students who are interested in course design and development, online education and teaching careers. This is a broad based award that would also appeal to corporate trainers and Instructional Technologists.

**SKILLS ATTAINMENT REQUIREMENTS**

- To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**

- EDUC 50 Online Course Development 3
- EDUC 51 Emerging Technologies for Online Course Development 3
- EDUC 52 Universal Design for Online Course Development 3

**TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE:** 9

*Skills Attainment Certificates do not appear on student transcripts.

**AS Degree: Post-Secondary Studies: Emphasis in Pre-Engineering**

**ABOUT POST-SECONDARY STUDIES DEGREES**

The purpose of the Post-Secondary Studies Degree is to properly prepare students whose goal is to transfer from Columbia College to a university in a major that has extensive baccalaureate major preparation coursework. For more information on Post Secondary Studies degree requirements, see p. 55.

**ABOUT THIS EMPHASIS**

The Post-Secondary Studies Pre-Engineering emphasis is intended to help students prepare for possible majors within an engineering-related major. Common university majors in this field include Mechanical Engineering, Civil Engineering, Aeronautical Engineering, Electrical Engineering, Construction Management, Chemical Engineering, and Environmental Engineering. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a Columbia College counselor.

**DEGREE REQUIREMENTS**

- To earn this associate degree, complete the requirements below with a C or better in each course, as part of completing the Post-Secondary Studies Pathway requirements on page 55. To ensure proper preparation for transfer, consult with a counselor before selecting a General Education breadth pattern to follow.

English

AA-T Degree: English

ABOUT THIS DEGREE

The English program provides students with a core curriculum in composition, literature, and critical thinking. The curriculum is designed in a sequential pattern to provide students with college-level writing and reading skills. The program is further designed to foster critical thinking and to apply analytical skills to upper-division course work and to everyday problem solving. The requirements of this degree satisfy the Transfer Model Curriculum (TMC) for English. The Associate in Arts for Transfer (AA-T) complies with the Student Transfer Achievement Reform Act (SB 1440, now codified in California Education Code section 66746-66749, effective Fall 2011). This law states that students will have guaranteed admission to a California State University (CSU) campus upon successful completion of the specified program requirements. This degree is for students who plan to complete a bachelor's degree in English at a CSU campus. Students should consult with a counselor to determine if this degree is the best option or plan for their transfer goals.

LEARNING OUTCOMES

Upon completion of the degree, students will be able to demonstrate the following:

- An ability to write college-level compositions that are cohesive, persuasive, and mechanically correct
- An ability to write using a wide range of rhetorical forms, including the documented research paper
- An ability to identify the literary devices at work in a broad selection of literature, and to apply that knowledge to constructing meaningful interpretations of literature

DEGREE REQUIREMENTS

To earn this degree, student must complete 60 CSU transferable units with a grade point average of 2.0 or better, including the completion of:

1. Either the California State University General Education-Breadth Requirements (CSU-GE – minimum of 39 units) or the Intersegmental General Education Transfer Curriculum (minimum of 37 units); AND
2. Eighteen to twenty units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

Required courses:

- ENGL 1B Advanced Composition and Introduction to Literature 3
- Complete two of the following courses (LIST A):
  - ENGL 17 American Literature (3)
  - ENGL 18 American Literature (3)
  - ENGL 46 Survey of English Literature (3)
  - ENGL 47 Survey of English Literature (3) 6
- Complete one of the following courses (LIST B):
  - ENGL 10 Creative Writing (3)
  - ENGL 50 Introduction to Shakespeare (3)
  - Any course from LIST A not used above (3) 3

UNITS REQUIRED IN MAJOR: 18

www.gocolumbia.edu/career_technical/

AS Degree: Entrepreneurship

The Entrepreneurship degree focuses on many aspects of business. Students who enroll in the entrepreneurship major should expect a strong emphasis on business management, communication, and business development. They must also be ready for constant change and be adaptable. The field of entrepreneurship is one that relies heavily on the ability to change and exploit new markets and opportunities.

DEGREE REQUIREMENTS

- To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses:
- BUSAD 24 Human Relations in Organizations 3
- BUSAD 41 Small Business Management 3
- BUSAD 121 Adobe Acrobat Essentials 2
- BUSAD 163 Business Mathematics 3
- CCTIS 8 Advanced Internet Research 1½
- CCTIS 30 Financial Worksheets on Computers 3
- ENTRE 101 Introduction to Entrepreneurship 2
- ENTRE 102 Entrepreneurial Marketing 2
- ENTRE 103 Financial Management for Entrepreneurs 2
- ENTRE 104 Preparing Effective Business Plans 2
- ENTRE 105 Social Media Marketing 2
- ENTRE 106 Patents, Copyrights, and Trademarks 2

UNITS REQUIRED IN MAJOR: 27½
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60
Certificate of Achievement: 
Entrepreneurship

The Entrepreneurship Certificate can be valuable for any student on campus. It is designed for the student who seeks to be an entrepreneur in start-up ventures, operate a family business, or work as an entrepreneurial change agent within a corporate setting. Companies want to hire graduates with initiative and who show entrepreneurial characteristics. Students who display entrepreneurial attributes will add more value to their companies, eventually start their own business, and can make a big contribution to the overall economy.

CERTIFICATE REQUIREMENTS

To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

Complete 8 units from this section: 8

AS Degree: Fire Science

 Formerly listed as AS: Fire Technology

DEGREE REQUIREMENTS

■ To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses:

FIRE 1  Fire Protection Organization  3
FIRE 2  Fire Prevention Technology  3
FIRE 3  Fire Protection Equipment/Systems  3
FIRE 4  Building Construction for Fire Protection  3
FIRE 5  Fire Behavior and Combustion  3
EMS 4  Emergency Medical Technician Training  7
EMS 157  Emergency Medical Responder and CPR  3

Complete 3-4 units from this section: 3-4

EMS 97*  Work Experience (1‑4)
FIRE 7  Wildland Fire Control (3)
FIRE 29A  Driver/Operator Training 1A (1)
FIRE 29B  Driver/Operator Training 1B (1)
FIRE 50/  Low Angle Rope Rescue (1½)
SAR 50
FIRE 51  High Angle Rope (1½)
FIRE 97*  Work Experience (1‑4)

*Credit may be earned for EMS 97 or FIRE 97, but not for both.

UNITS REQUIRED IN MAJOR:  28-29
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:  60

AS Degree: Fire Technology

 Previously offered as an ASOE degree

This associate degree is designed for students who desire to enter the firefighting field. Courses provide students with applicable, hands on experiences that meet requirements to be hired and start a career as a firefighter in California.

DEGREE REQUIREMENTS

■ To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses:

EMS 4  Emergency Medical Technician Training  7
EMS 157  Emergency Medical Responder and CPR  3
FIRE 29A  Driver/Operator Training 1A  1½
FIRE 29B  Driver/Operator Training 1B  1½
FIRE 101  Firefighter I Academy  16

UNITS REQUIRED IN MAJOR:  30
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:  60

Certificate of Achievement: Fire Technology

This certificate is designed for students who desire to enter the firefighting field and meets requirements, units A-X, for the California State Firefighter 1 certification. Upon successful completion of FIRE 101 and EMS 157, it is then the student’s responsibility to complete the required field experience with Fire Department verification (either six months full-time or one year part-time or volunteer) before submitting an application to the State. This certificate also introduces students entering the field to the Candidate Physical Ability Test (CPAT) which is a requirement to be hired as a firefighter in California.

CERTIFICATE REQUIREMENTS

■ To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

Forestry

AS Degree: Forestry

- Previously offered as an ASOE degree

This Associate in Science (AS) Degree equips students with the applied skills, training, and experience for immediate entry into the workforce, and if desired can be optimized to prepare students for transfer to Forestry programs at four-year colleges and universities. To earn this degree, a student must complete the requirements listed in Column 1 of the G.E. Breadth Requirements for Columbia College, as well as courses specific to the degree including, forestry, soil resources, dendrology, forest surveying, maps, forest inventory, and related electives.

Transfer-oriented students should see a guidance counselor for additional required coursework in ANTHR, BIOL, Calculus, CHEM, Computer Science, ESC, ECON, GEOGR, PHYCS, and Statistics.

The incense cedar (Calocedrus decurrens) branch above plays a role in the college’s greenscape as well as within dynamic ecological and social systems. Forestry & Natural Resources students explore the intricate and sometimes unexpected relationships between human, animal, and plant life in an effort to both utilize and conserve natural resources.
FNR 12 Tallest, Oldest, Largest (3)
FNR 50 Natural History and Ecology (2)
FNR 172 Nature Photography (1½)
FNR 173 Drawing Nature (3)
FNR 182 Techniques of Surveying Sierra Nevada Wildlife (2)
FNR 183 Ecological Restoration (1)

Complete one course: 3-4
BIOL 24 General Ecology (4)
ESC 5 Physical Geology (4)
FNR 30 Introduction to Watershed Management (3)
FNR 81 California Wildlife (3)

Complete one course: 1-3
FNR 1 Environmental Conservation (3)
FNR 3 Natural Resources Law and Policy (3)
FNR 9 Parks and Forests Law Enforcement (2)
FNR 185 Introduction to the National Wilderness Preservation System (1)

TOTAL REQUIRED UNITS 24–32
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60

Certificate of Achievement: Forestry

The Certificate of Achievement in Forestry helps prepare recipients for immediate employment in entry-level positions in the field of forestry. To earn the Certificate of Achievement, a student must complete the requirements including courses in forestry, soil resources, maps and remote sensing, natural history, and ecology. The courses that make up the Forestry Certificate are also applicable to the Forestry AS degree, which has additional General Education requirements.

CERTIFICATE REQUIREMENTS

To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

Required courses:
FNR 2 Introduction to Forestry 3
FNR 6 Soil Resources 3
FNR 10 Dendrology 3
FNR 53 Forest Surveying 3
FNR 60 Introduction to Maps and Remote Sensing 2
FNR 62 Applied Forest Inventory and Management 2

Complete one course: 2-3
FNR 22 Ecology and Use of Fire in Forest Ecosystems 2
FNR 24 Fire-Fuels Management 3

Complete one course: 1-3
CCTIS 59/ GEOGR 59 Geographic Information and Global Positioning Systems (1-3)
CCTIS 60/ GEOGR 60 Introduction to ArcGIS (3)

Complete one course: 1-3
BIOL 39 Field Biology (1-2)
BIOL 40 Field Biology: Ecosystems (1)
BIOL 158 Birds of Central California (1)
BIOL 159 Wildflowers (1½)
BIOL 160 Mushrooms and Other Fungi (1½)

BIOL 179 Fishing and Fishery Biology of the Sierra Nevada (1)
ESC 35 Field Geology (1-2)
FNR 11 Natural Resources Field Camp (3)
FNR 12 Tallest, Oldest, Largest (3)
FNR 50 Natural History and Ecology (2)
FNR 172 Nature Photography (1½)
FNR 173 Drawing Nature (3)
FNR 182 Techniques of Surveying Sierra Nevada Wildlife (2)
FNR 183 Ecological Restoration (1)

Complete one course: 3-4
BIOL 24 General Ecology (4)
ESC 5 Physical Geology (4)
FNR 30 Introduction to Watershed Management (3)
FNR 81 California Wildlife (3)

Complete one course: 1-3
FNR 1 Environmental Conservation (3)
FNR 3 Natural Resources Law and Policy (3)
FNR 9 Parks and Forests Law Enforcement (2)
FNR 185 Introduction to the National Wilderness Preservation System (1)

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT 24–32

Natural Resources

AS Degree: Natural Resources

This Associate in Science (AS) Degree equips students with the applied skills, training, and experience for immediate entry into the workforce, and if desired can be optimized to prepare students for transfer to Natural Resources programs at four-year colleges and universities. To earn this degree, a student must complete the requirements listed in Column 1 of the G.E. Breadth Requirements for Columbia College, as well as courses specific to the degree including, environmental conservation, maps, natural resources law and policy, and related electives.

Transfer-oriented students should see a guidance counselor for additional required coursework in ANTHR, BIOL, Calculus, CHEM, Computer Science, ESC, ECON, GEOGR, PHYCS, and Statistics.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Required courses: 8 Units
FNR 1 Environmental Conservation 3
FNR 3 Natural Resources Law and Policy 3
FNR 60 Introduction to Maps and Remote Sensing 2

Complete one course: 3 units
FNR 30 Introduction to Watershed Management (3)
FNR 61 Introduction to Water Resources Management (3)
FNR 63 Water for Consumption (3)
FNR 64 Water Infrastructure in California (3)
FNR 65 Rural Wastewater Strategies (3)
FNR 66 Decentralized Wastewater Management (3)
FNR 67 Operation of Wastewater Treatment Plants (3)

www.gocolumbia.edu/arts_sciences

AS-T Degree: Geology

The Geology Associate in Science for Transfer degree includes lower division coursework that is required for transfer and which focuses on mastery of the identification of earth materials and the use of geologic maps, stratigraphic sections, remote sensing imagery, and plate tectonic concepts, using these techniques and theory to model real-world applications. The major requirements align with the Transfer Model Curriculum (TMC) for Geology. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

The goal of the Associate in Science in Geology for Transfer program is to prepare students for transfer to a California State University to pursue a B.A. or B.S. in Geology. The program is intended and designed to make the transfer of Columbia College students to CSU as seamless as possible. The requirements of this degree align with the Transfer Model Curriculum. It is the most efficient pathway for students desiring to transfer to CSU in a similar major in a timely manner.

LEARNING OUTCOMES:

- Learn how to plan a program of data collection and analysis that employs modern scientific procedures and the use of modern technology
- Use acquired knowledge of geology to make informed decisions about problems in society and public policy
- Develop social and professional skills needed to be successful in the modern workplace (e.g. communications, working in collaborative teams, working with technology)

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education-Breadth Requirements (CSU-GE) (minimum of 39 units) OR the Intersegmental General Education Transfer Curriculum (IGETC) (minimum of 37 units); AND
2. Semester units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.
Required courses:

- ESC 5  Physical Geology  4
- ESC 23  Historical Geology  4
- CHEM 2A  General Chemistry I  3
- CHEM 2AL  General Chemistry I Laboratory  2
- CHEM 2B  General Chemistry II  3
- CHEM 2BL  General Chemistry II Laboratory  2
- MATH 18A  Calculus I  5
- MATH 18B  Calculus II  5

UNITS REQUIRED IN MAJOR:  28
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:  60

Additional Recommended Preparation:

One year of Calculus-based physics

- PHYCS 5A  Introductory Physics I: Calculus Level  4
- PHYCS 5B  Introductory Physics II: Calculus Level  4

One semester of General Biology

- BIOL 17  Fundamentals of Biology  4

One semester of Geographic Information Systems (GIS)

- CCTIS 59  Geographic Information and Global Positioning Systems  1-3

AS Degree:

Science: Emphasis in Earth Science

The Associate in Science Degree is awarded in Science and Technical fields. It is specifically designed for students who intend to transfer to a four-year institution.

DEGREE REQUIREMENTS

- To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60. NOTE: Students planning to become Earth Science majors upon transfer to a four-year school should take CHEM 2A, CHEM 2AL, CHEM 2B, MATH 18A, PHYCS 5A and PHYCS 5B while at Columbia College.

Complete 10 units from this section:  10

- ESC 1  Energy: Uses and Alternatives (3)
- ESC 5  Physical Geology (4)
- ESC 10  Environmental Geology (3)
- ESC 23  Historical Geology (4)
- ESC 30  Global Tectonic Geology (3)
- ESC 33  Introduction to the Earth (4)
- ESC 40  Descriptive Astronomy (3)
- ESC 42  Natural Hazards (3)
- ESC 35  Field Geology (½-3) OR

Up to 3 units from the following:

- ESC35CC  Geology and Gold Mining of Calaveras County (1-3)
- ESC35DV  Geology of Death Valley (1-3)
- ESC35LS  Geology of Lassen, Shasta, Lava Beds (1-3)
- ESC35LT  Geology of the Lake Tahoe Region (1-3)
- ESC35LV  Geology of the Long Valley Caldera (1-3)
- ESC35ML  Geology of the Mother Lode (1-3)
- ESC35SA  Geology of the San Andreas Fault (1-3)
- ESC35SN  Geology of the Sierra Nevada (1-3)
- ESC35SP  Geology of the Sonora Pass Area (1-3)
- ESC35TR  Geology of the Tuolumne River (1-3)

Complete 4 units from this section:  4

- BIOL 2  Cell and Molecular Biology (4)
- BIOL 17  Fundamentals of Biology (4)
- BIOL 24  General Ecology (4)

Complete 4 units from this section:  4

- CHEM 2A  General Chemistry I (3) AND
- CHEM 2AL  General Chemistry I Laboratory (2)
- OR
- CHEM 5  Introductory Chemistry; Environmental Emphasis (3) AND
- CHEM 5L  Introductory Chemistry; Laboratory (1)

Complete 3 units from this section:  3

AA-T Degree: Kinesiology

ABOUT THIS DEGREE

The Associate of Arts degree in Kinesiology is for students who intend to transfer into the California State University (CSU) system with a major in Kinesiology or related field. This degree may allow students to pursue studies in fields such as exercise science, kinesiology/physical education credential programs, athletic training/sports medicine, sports administration, and other health-related areas. Students should consult with a counselor to determine if this degree is the best option for their transfer goals.

LEARNING OUTCOMES

Successful students will demonstrate the following knowledge and skills:

- Define kinesiology and explain its sub-disciplines and career pathways.
- Apply the fundamental concepts and principles of movement.
- Demonstrate personal responsibility, cooperative relationships and social interaction within diverse and dynamic environments when applying knowledge of kinesiology.

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education Breadth Requirements (CSU-GE - minimum of 39 units) OR the Intersegmental General Education Transfer Curriculum (IGETC - minimum of 37 units); AND
2. 21-23 semester units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

AA Degree: **Sport Science**

**ABOUT THIS DEGREE**

The purpose of the Sport Science major is to provide a general program of study that focuses on the principles of physical education, fitness and sport. This program will also develop the student’s understanding of the sociological impact of recreation, leisure and sport, as well as provide an introduction to sport psychology, basic athletic injury prevention and treatment, and organization of fitness and sport management programs.

**DEGREE REQUIREMENTS**

- To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

**AA-T Degree: History**

**ABOUT THIS DEGREE**

The History program provides students with a core curriculum covering introductory history content, theory, and methodology. The curriculum is designed to help students understand the broad scope of history as a comparative science. In addition, it covers the key theoretical approaches and insights that inform history, as well as the role of historical theory and research methods. Further, the program seeks to foster critical thinking, develop an awareness of diverse perspectives and their implications, and encourage effective approaches to problem solving. Students should consult with a counselor to determine if this degree is the best option for their transfer goals.

**LEARNING OUTCOMES**

Successful students will demonstrate the following knowledge and skills:

- Demonstrate the place of history in the broad scope of the liberal arts, social sciences, and humanities.
- Interpret the principles of historiographical analysis.
- Demonstrate the contributions and experiences of significant ethnic and national heritage groups.
- Contextualize the contributions of women.
- Critical analysis of historical research methods and theory.
- Appreciate diverse perspectives and their implications.

**DEGREE REQUIREMENTS**

- To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:
  1. Either the California State University General Education Breadth Requirements (CSU-GE - minimum of 39 units) OR the Intersegmental General Education Transfer Curriculum (IGETC - minimum of 37 units); AND
  2. 18 to 20 semester units as specified below, with a grade of C or better in all courses; AND
  3. Any CSU-transferable electives needed to bring the total units to 60.

*Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.*
Award Requirements

Required courses:

- **HIST 13** World Civilizations: to 1650 3
- **HIST 14** World Civilizations: 1650 to Present 3
- **HIST 16** United States: to 1877 3
- **HIST 17** United States: 1877 to Present 3

Complete one of the following courses 3-5

- **HIST 5** Introduction to the History and Philosophy of Science (3)
- **HIST 21** Women in American History (3)
- **SOCIO 5** Ethnicity and Ethnic Relations in America (3)
- **SPAN 1A** Spanish: Beginning (5)
- **SPAN 1B** Spanish: Beginning (5)

**AA Degree:**  
**Liberal Arts: Emphasis in Arts and Humanities**

**ABOUT LIBERAL ARTS ASSOCIATE DEGREES**

The Associate in Arts Degree in Liberal Arts is designed for students who wish to have a broad knowledge of liberal arts and sciences plus additional coursework in an "Area of Emphasis." The curriculum in liberal arts allows students to develop an appreciation of the beauty and values that have shaped and enriched our culture, and may also be used to meet transfer requirements.

**ABOUT THE EMPHASIS IN ARTS AND HUMANITIES**

This area of emphasis can be used either to enhance employability in a broad range of career fields or as preparation for transfer to a university in a related discipline such as Art, Drama/Theatre, English, Humanities, Languages, Music or Philosophy.

**DEGREE REQUIREMENTS**

- To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

**Complete 6 units of Activity: Creative and Fine Arts**

AA Degree:

Liberal Arts: Emphasis in Behavioral and Social Sciences

ABOUT LIBERAL ARTS ASSOCIATE DEGREES

The Associate in Arts Degree in Liberal Arts is designed for students who wish to have a broad knowledge of liberal arts and sciences plus additional coursework in an "Area of Emphasis." The curriculum in liberal arts allows students to develop an appreciation of the beauty and values that have shaped and enriched our culture, and may also be used to meet transfer requirements.

ABOUT THE EMPHASIS IN BEHAVIORAL & SOCIAL SCIENCES DEGREE

This area of emphasis is intended for those students interested in developing an introductory knowledge base and content understanding in the behavioral and social sciences, or as preparation for transfer to a university in a related discipline such as Anthropology, Child Development, Economics, Geography, Psychology or Sociology.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

**UNITS REQUIRED IN MAJOR:** 18

**TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:** 60

*Transfer credit limited. See a counselor.
AS-T Degree: Mathematics

ABOUT THIS DEGREE

The Associate of Science Transfer Degree in Mathematics provides students with a core curriculum of mathematics content, theory, and methodology, building an understanding of the broader scope of mathematics and its relationship to other disciplines. Students will develop proficiency in quantitative reasoning using words, graphs, mathematical symbols and other appropriate means. The program integrates key theoretical approaches with insights that inform mathematical reasoning in addition to fostering critical thinking, persistence in problem solving and abstract reasoning.

The goal of the Associate in Science in Mathematics for Transfer program is to prepare students for transfer to a California State University to pursue a B.A. or B.S. in Mathematics. The program is intended and designed to make the transfer of Columbia College students to CSU as seamless as possible. The major requirements of this degree align with the Transfer Model Curriculum. It is the most efficient pathway for students wishing to transfer to CSU in a similar major in a timely manner. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

LEARNING OUTCOMES

Successful students will:
- Master the mathematical knowledge and techniques necessary to pursue upper division mathematics.
- Master the techniques of differentiation and integration to solve problems in real world applications.
- Utilize the theory and application of linear systems, matrix algebra and general vector spaces.
- Apply mathematical concepts across disciplines.

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education-Breadth Requirements (CSU-GE) (minimum of 39 units) OR the Intersegmental General Education Transfer Curriculum (IGETC) (minimum of 37 units); AND
2. Semester units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

(209) 588-5087
www.gocolumbia.edu/arts_sciences

AA-T Degree: Music

The Associate of Arts Transfer Degree in Music provides students with a core curriculum of music theory, musicianship, private study and performance. Students will develop proficiency in music reading, fundamentals, advanced harmony, sight-singing and performance literature and practices. The program integrates music study, aural skills, writing and performance in order to foster artistic and critical thinking and a broad foundation of musical skill.

The goal of the Associate in Arts in Music for Transfer program is to prepare students for transfer to a California State University to pursue a B.A. in Music. The program is intended and designed to make the transfer of Columbia College students to CSU as seamless as possible. The requirements of this degree align with the Transfer Model Curriculum. It is the most efficient pathway for students desiring to transfer to CSU in a similar major in a timely manner. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

LEARNING OUTCOMES

Successful students will demonstrate the following knowledge and skills:

- Competence in music reading
- Competence in performance of music fundamentals, scales and chords in all keys
- Solo performance of at least 5 representative music pieces or etudes
- Competence in music theory terms and definitions
- Musicianship skills in sightreading and ear training

DEGREE REQUIREMENTS

- To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:
  1. The Intersegmental General Education Transfer Curriculum (IGETC) (minimum of 37 units); AND
  2. Semester units as specified below, with a grade of C or better in all courses; AND
  3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

* It is suggested students take private instruction every semester at Columbia College although only 2 units are required for transfer.

2016-2017 • COLUMBIA COLLEGE CATALOG
AWARD REQUIREMENTS

Complete 4 units over 4 semesters of Ensemble courses

- MUSIC 60 College Choir (1)
- MUSIC 64 Jazz Choir (1)
- MUSIC 66 Columbia College Community Chorus (1)
- MUSIC 72 Jazz Ensemble (1)
- MUSIC 76 Community Orchestra (1)

Demonstrate proficiency in:

**VOICE:** Voice proficiency (for non-voice majors; may be achieved independently through credit by examination or through the following course): MUSIC 36 Elementary Voice (1)

**PIANO:** Piano proficiency (for non-piano majors; may be achieved independently through credit by examination or through the following course): MUSIC 41B Intermediate Piano (1)

**UNITS REQUIRED IN MAJOR:** 22
**TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE:** 60

**Optional Courses** (recommended)

- MUSIC 10 Survey of Music History/Literature: Ancient to 1750 (3)
- MUSIC 11 Survey of Music History/Literature: 1750 to Present (3)

Music majors need to be enrolled in an ensemble appropriate to their major instrument each semester at Columbia. Four units are required for transfer.

Natural Resources:

*see "Forestry and Natural Resources"

Columbia College does not offer a Nursing program. However, within the Yosemite Community College District, Modesto Junior College offers an Associate Degree for Nursing satellite program that operates on the Columbia College campus. See a Columbia College counselor (209) 588-5109 for more information.

Certificate of Achievement:

Administrative Office Professional

- Formerly listed as Office Professional

This program is designed to prepare the student for employment in the modern office. Communication and office skills are emphasized. The student will be able to choose two additional courses, beyond the basic requirements, for specialization in an office technology area.

**CERTIFICATE REQUIREMENTS**

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required. In addition, you will need to demonstrate a 45-word-per-minute keyboarding speed and accuracy competency as demonstrated by a five (5) minute timed writing.

Certificate of Achievement:

Virtual Office Professional

The Virtual Office Professional Program prepares students as entrepreneurs or independent contractors who will be able to provide professional, administrative, creative, and technical assistance to clients in a virtual office environment using advanced communication technologies. The courses assist the student in developing skills which will work in virtual environments, and identify the student's niche in the industry. Preparation includes topics related to creating a virtual office such as time management, customizing the workplace, evaluating software and hardware, and communicating effectively and efficiently with and through technology.

**CERTIFICATE REQUIREMENTS**

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

Skills Attainment Certificate:

Office Technician

This Skills attainment certificate is designed to be a brief skills update program. Students wishing to return to the workforce after a hiatus need to learn the latest in technology. This program will give them the opportunity learn the latest in word processing suites and refresh English and other office skills. This program contains the building blocks for a Certificate of Achievement or an AS degree.

**SKILLS ATTAINMENT REQUIREMENTS**

- To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required. In addition, you will need to demonstrate a 45-word-per-minute keyboarding speed and accuracy competency as demonstrated by a five (5) minute timed writing.

AWARD REQUIREMENTS

2 courses required from this section: 3-4

- BUSAD 135 Computerized Accounting (QuickBooks) (2)
- CCTIS 137 Presentations Using Computers and Multimedia (1½)
- CCTIS 8 Advanced Internet Research (1½)
- CCTIS 139 Access (1½)
- CCTIS 142 Desktop Publishing Essentials (2)
- OFTEC 142

TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE: 16 - 17

Optional Courses (recommended)

- CCTIS 10 Computer Concepts and Information Systems 4

*Skills Attainment Certificates do not appear on student transcripts.

Skills Attainment Certificate:*

Virtual Entrepreneur Technician

Students completing this certificate will have the business skills to complete the startup requirements of a virtual office. In addition, students will have the skills to manage, market, and grow a virtual business.

SKILLS ATTAINMENT REQUIREMENTS

- To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

Required courses:

- ENTRE 101 Introduction to Entrepreneurship 2
- ENTRE 102 Entrepreneurial Marketing 2
- ENTRE 104 Preparing Effective Business Plans 2
- ENTRE 105 Social Media Marketing 2
- OFTEC 168 Creating a Virtual Office 3

Complete 6 units from this section: 6

- BUSAD 41 Small Business Management (3)
- CCTIS 29/ Project Management (3)
- BUSAD 29
- OFTEC 130 Business English (3)
- OFTEC 132 Business Communications (3)

TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE: 17

*Skills Attainment Certificates do not appear on student transcripts.

Office Technology: Medical

AS Degree: Medical Office Specialist

- Previously offered as an ASOE degree

This Associate in Science Degree is earned in an occupational program that provides students with skills and training for immediate entry into the workforce. To earn this degree, a student must complete the requirements listed in Column I of the General Education Breadth Requirements.

DEGREE REQUIREMENTS

- To earn this AS degree, complete the requirements below with a C or better in each course, in addition to completing Column I of the General Education breadth requirements in the catalog.

Required courses:

- CCTIS 138 Excel Spreadsheets 2
- OFTEC 50 Medical Terminology 3
- OFTEC 125 Records Management and Filing Applications 3
- OFTEC 130 Business English 3
- OFTEC 132 Business Communication 3
- OFTEC 141 Intermediate Word Processing 3
- OFTEC 149 Electronic Health Records 2
- OFTEC 150 Medical Law and Ethics 2
- OFTEC 151 Medical Office Management 3
- OFTEC 152A Medical Billing and Coding 3

UNIT REQUIREMENTS IN MAJOR: 27
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60

Optional Courses (recommended)

- BIOL 150 Elementary Anatomy and Physiology (3)
- BUSAD 25/ Job Search and Interviewing Strategies (1)
- GUIDE 25
- OFTEC 152B Medical Coding II (3)
- OFTEC 210 Typing Speed and Accuracy Building (1)

Note: A requirement for this degree is a 50-word-per-minute speed and accuracy competency as demonstrated by a five (5) minute timed writing.
Certificate of Achievement: 
**Medical Office Specialist**

The Certificate of Achievement is earned in occupational programs that provide students with skills and training for immediate entry into the workforce. The student will have the skills necessary for entry level medical positions where knowledge of word processing, billing and coding, and communication skills are needed.

**CERTIFICATE REQUIREMENTS**

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**
- CCTIS 138 Excel Spreadsheets 2
- OFTEC 50 Medical Terminology 3
- OFTEC 125 Records Management and Filing Applications 3
- OFTEC 130 Business English 3
- OFTEC 132 Business Communications 3
- OFTEC 140 Beginning Word Processing 2
- OFTEC 149 Electronic Health Records 2
- OFTEC 150 Medical Law and Ethics 2
- OFTEC 151 Medical Office Management 3
- OFTEC 152A Medical Billing and Coding 3
- OFTEC 210 Typing Speed and Accuracy Building 1

**TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT:** 27

**Optional Courses (recommended)**
- BIOL 150 Elementary Anatomy and Physiology (3)
- BUSAD 25/ Job Search and Interviewing Strategies (1)
- GUIDE 25
- BUSAD 135 Computerized Accounting (Quickbooks) (2)
- CCTIS 10 Computer Concepts and Information Systems (4)
- OFTEC 152B Medical Coding II (3)

**Skills Attainment Certificate: *Medical Coding**

The Medical Coding Certificate program prepares individuals to perform the duties and functions of a medical billing and coding specialist. Upon completion of the program, the student will have the ability to: input patient information for coding and billing using medical software, use and understand medical terminology as it relates to coding and billing, organize information relating to patient medical records, and use codes from the CPT, ICD (International Classification of Diseases), and HCPCS for medical billing, coding, and completion of insurance forms.

**SKILLS ATTAINMENT REQUIREMENTS**

- To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**
- OFTEC 50 Medical Terminology 3
- OFTEC 149 Electronic Health Records 2
- OFTEC 150 Medical Law and Ethics 2
- OFTEC 152A Medical Billing and Coding 3
- OFTEC 152B Medical Coding II 3
- OFTEC 152C Advanced Medical Coding 3

**TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE:** 16

(209) 588-5087
www.gocolumbia.edu/arts_sciences

AA-T Degree: Political Science

The Political Science program provides students with a core curriculum covering introductory political science content, theory, and methodology. The curriculum is designed to help students understand the broad scope of political science as a comparative science. In addition, it covers the key theoretical approaches and insights that inform political science, as well as the role of political theory and research methods. Further, the program seeks to foster critical thinking, develop an awareness of diverse perspectives and their implications, and encourage effective approaches to problem solving. Students should consult with a counselor to determine if this degree is the best option for their transfer goals.

There may be additional course options for this degree during the 2016-2017 academic year. Consult with a counselor for more information.

LEARNING OUTCOMES

Successful students will demonstrate the following knowledge and skills:

- Understanding of the main sub-disciplines of political science: their origins, histories, associated theories, principles, and methodologies
- Contributions of political science to past and current human challenges in public policy and national decision-making
- Understanding of the problem solving dimensions of political science as it affects public opinion, political participation, voting and office holding
- Understanding of the comparative potential of political science analysis
- Contextualization of the agents of political socialization and the consequences of socialization

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education Breadth Requirements (CSU-GE - minimum of 39 units) OR the Intersegmental General Education Transfer Curriculum (IGETC - minimum of 37 units); AND
2. 19 semester units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two units of activity courses.

AA-T Degree: Psychology

The Psychology program provides students with the basic core of curriculum in Psychology, including content, theories and methodology. The curriculum is designed to allow students to discover the fundamentals of Psychology, as well as provide them with a basic background in statistics, biology and other related fields of study. The program is further designed to foster critical thinking, the application of psychological concepts and the scientific method to one's life and an understanding of diversity.

The requirements of this degree satisfy the Transfer Model Curriculum (TMC) for Psychology. The Associate in Arts for Transfer (AA-T) complies with the Student Transfer Achievement Reform Act (SB 1440, now codified in California Education Code section 66746-66749, effective Fall 2011). This law states that students will have guaranteed admission to a California State University (CSU) campus upon successful completion of the specified program requirements. This degree is for students who plan to complete a bachelor's degree in Psychology at a CSU campus. Students with a similar major should consult with a counselor to determine if this degree is the best option or plan for their transfer goals.

There may be additional course options for this degree during the 2016-2017 academic year. Consult with a counselor for more information.

LEARNING OUTCOMES

Students who successfully complete this degree should be able to:

- Describe and demonstrate knowledge of the basic theories of Psychology.
- Demonstrate knowledge of the scientific method and research methodology.
- Demonstrate the ability to critically analyze, evaluate and articulate theories and research in Psychology.
- Apply psychological and scientific knowledge to their ongoing studies, research, future occupations and personal life.
- Demonstrate an awareness and understanding of diverse perspectives and social diversity in Psychology.
- Demonstrate the ability to critically think and maintain effective approaches to problem solving.

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU transferable units with a grade point average of 2.0 or better, including the completion of:

1. Either the California State University General Education-Breadth Requirements (CSU-GE – minimum of 39 units) or the Intersegmental General Education Transfer Curriculum – minimum of 37 units; AND

2. Twenty units as specified below, with a grade of C or better in all courses; AND

3. Any CSU-transferable electives needed to bring the total units to 60.

NOTE: Students earning this degree are exempt from the Institutional Requirement of completing two physical activity courses.

AS Degree: Post-Secondary Studies:
Emphasis in Physical Sciences

ABOUT POST-SECONDARY STUDIES DEGREES

The purpose of the Post-Secondary Studies Degree is to properly prepare students whose goal is to transfer from Columbia College to a university in a major that has extensive baccalaureate major preparation coursework. For more information, see p. 55.

ABOUT THIS EMPHASIS

The Post-Secondary Studies Physical Sciences emphasis is intended to help students prepare for possible majors within a physical science-related major. Common university majors in this field include Chemistry, Earth Sciences, Geology, Hydrology, Oceanography, and Physics. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a Columbia College counselor.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, as part of completing the Post-Secondary Studies Pathway requirements on page 55. To ensure proper preparation for transfer, consult with a counselor before selecting a General Education breadth pattern to follow.

**Sociology PROGRAM**

**About This Degree**

The Sociology program provides students with a core curriculum covering introductory sociology content, theory, and methodology. The curriculum is designed to help students understand the structure, processes, and functions of society. In addition, it covers the key theoretical approaches and insights that inform sociology, as well as the role of social theory and research methods in understanding society. Further, the program seeks to foster critical thinking, develop an awareness of diverse perspectives and their implications, and encourage effective approaches to problem solving.

The major requirements align with the Transfer Model Curriculum (TMC) for Sociology. The Associate in Arts for Transfer (AA-T) complies with the Student Transfer Achievement Reform Act (SB 1440, now codified in California Education Code sections 66746–66749, effective Fall 2011). The law states that students will have guaranteed admission to a California State University (CSU) campus upon successful completion of the specified program requirements. This option is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals.

There may be additional course options for this degree during the 2016-2017 academic year. Consult with a counselor for more information.

**Learning Outcomes**

Successful students will demonstrate the following knowledge and skills:

- Contributions of social, political, and philosophical antecedents to the founding of sociology
- Contributions of selected social thinkers to the development and expansion of sociology
- Describe and demonstrate the most significant sociological research methods.
- Demonstrate the relationship between sociology and the liberal arts and sciences.
• Articulate the legal, operational, and ethical dimensions of sociological work.
• Describe and demonstrate the relationship between sociology and the development of public policy.
• Describe and demonstrate the relationship between sociology, social change, and emerging sciences (cognitive economics, cliodynamics, epigenetics).

DEGREE REQUIREMENTS

To earn this degree, students must complete 60 CSU-transferable semester units with a grade point average of 2.0 or better, including completion of:

1. Either the California State University General Education Breadth Requirements (CSU-GE) (minimum of 39 units) or the Intersegmental General Education Transfer Curriculum (IGETC) (minimum of 37 units); AND
2. 19 to 20 semester units as specified below, with a grade of C or better in all courses; AND
3. Any CSU-transferable electives needed to bring the total units to 60.

Note: Students earning this degree are exempt from the Institutional Requirement of completing two physical activity courses.

Required courses:

AS Degree: Water Resources Management

Previously offered as an ASOE degree

The Associate in Science Degree (AS) in Water Resources Management prepares recipients for immediate employment in the fields of Watershed Management, Wastewater Treatment, and/or Drinking Water Treatment.

DEGREE REQUIREMENTS

To earn this associate degree, complete the requirements below with a C or better in each course, in addition to completing the AA/AS Degree Pathway (Column I) of the Columbia College General Education Breadth Requirements on page 60.

Complete the following courses: 8
FNR 30 Introduction to Watershed Management (3)
FNR 63 Water for Consumption (3)
FNR 64 Water Infrastructure in California (3)
FNR 65 Rural Wastewater Strategies (3)
FNR 66 Decentralized Wastewater Management (3)
FNR 67 Operation of Wastewater Treatment Plants (3)
FNR 69 Operation of Wastewater Treatment Plants 2 (3)
FNR 71 Water Use Efficiency (3)

Complete three courses: 7-9
BIOL 24 General Ecology (4)
BIOL 65 Microbiology (4)
BIOL 179 Fishing and Fishery Biology of the Sierra Nevada (1)
ESC 5 Physical Geology (4)
ESC 35TR Geology of the Tuolumne River (1-3)
ESC 50 Oceanography (4)
ESC 62 Meteorology (3)
FNR 3 Natural Resources Law and Policy (3)
FNR 6 Soil Resources (3)
FNR 11 Natural Resources Field Camp (3)
FNR 53 Forest Surveying (3)
FNR 183 Ecological Restoration (1)

Complete one course: 1-3
CCTIS 59/ Geographic Information and
GEOGR 59 Global Positioning Systems (1-3)
CCTIS 60/ Introduction to ArcGIS (3)
GEOGR 60

Complete two courses: 2-8
Biol 24 General Ecology (4)
Biol 65 Microbiology (4)
Biol 179 Fishing and Fishery Biology of the Sierra Nevada (1)
ESC 5 Physical Geology (4)
ESC 35TR Geology of the Tuolumne River (1-3)
ESC 50 Oceanography (4)
ESC 62 Meteorology (3)
FNR 3 Natural Resources Law and Policy (3)
FNR 6 Soil Resources (3)
FNR 11 Natural Resources Field Camp (3)
FNR 53 Forest Surveying (3)
FNR 183 Ecological Restoration (1)

UNITS REQUIRED IN MAJOR 18-28
TOTAL UNITS REQUIRED FOR ASSOCIATE DEGREE: 60
Certificate of Achievement:

**Water Resources Management**

The Certificate of Achievement in Water Resources Management helps prepare recipients for immediate employment in entry level positions in the field of Watershed Management, Wastewater Treatment, and/or Drinking Water Treatment.

The courses that make up the Water Resources Management Certificate are also applicable to the Water Resources Management AS degree, which has additional General Education requirements.

**CERTIFICATE REQUIREMENTS**

To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**

- FNR 1 Environmental Conservation 3
- FNR 60 Introduction to Maps and Remote Sensing 2
- FNR 61 Introduction to Water Resources Management 3

**Three courses required:**

- FNR 30 Introduction to Watershed Management (3)
- FNR 63 Water for Consumption (3)
- FNR 64 Water Infrastructure in California (3)
- FNR 65 Rural Wastewater Strategies (3)
- FNR 66 Decentralized Wastewater Management (3)
- FNR 67 Operation of Wastewater Treatment Plants (3)
- FNR 69 Operation of Wastewater Treatment Plants 2 (3)
- FNR 71 Water Use Efficiency (1)

**One course required from this section**

- CCTIS 59 Geographic Information and Global Positioning Systems (1-3)
- CCTIS 60/ Introduction to ArcGIS (3)

**Two courses required from this section:**

- BIOL 24 General Ecology (4)
- BIOL 65 Microbiology (4)
- BIOL 179 Fishing and Fishery Biology of the Sierra Nevada (1)
- ESC 5 Physical Geology (4)
- ESC 35TR Geology of the Tuolumne River (1-3)
- ESC 50 Oceanography (4)
- ESC 62 Meteorology (3)
- FNR 3 Natural Resources Law and Policy (3)
- FNR 6 Soil Resources (3)
- FNR 11 Natural Resources Field Camp (3)
- FNR 53 Forest Surveying (3)
- FNR 183 Ecological Restoration (1)

**TOTAL UNITS REQUIRED FOR CERTIFICATE OF ACHIEVEMENT:** 18-28

Skills Attainment Certificate:

**Wastewater Treatment Plant Operation**

This 3-course, 9-unit certificate provides students with the educational units and information necessary to take the Grade I and II Wastewater Treatment Plant Operator Certification exams in California (other requirements exist, including Operator in Training wastewater treatment plant experience). The courses that make up the Water Treatment Plant Operation Skills Attainment are also applicable to the Water Resources Management certificate and AS degree, which have additional course requirements.

**SKILLS ATTAINMENT REQUIREMENTS**

To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Complete the following courses:**

- FNR 61 Introduction to Water Resources 3
- FNR 67 Operation of Wastewater Treatment Plants 3
- FNR 69 Operation of Wastewater Treatment Plants 2 3

**TOTAL UNITS REQUIRED FOR SKILLS ATTAINMENT CERTIFICATE:** 9

*Skills Attainment Certificates do not appear on student transcripts.

**Web Design/Development:**

see "Computer and Communications Technology: Digital Media"
Certificate of Achievement: Welding Technology

Previously offered as “C: Welding Levels I, II, and III”

The Welding Technology Certificate of Achievement is aligned with the American Welding Society (AWS) course patterns. Students earning this award will have met AWS skills standards in welding.

**CERTIFICATE REQUIREMENTS**

- To earn this Certificate of Achievement, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**

---

Skills Attainment Certificate:

**Metal Sculpture for Entrepreneurs**

The coursework in this Skills Attainment Certificate is designed to prepare students who plan to own their business in the metal sculpture industry.

**SKILLS ATTAINMENT REQUIREMENTS**

- To earn this Skills Attainment Certificate, complete the course requirements below with at least a C, unless the course can only be completed for P/NP. In those instances, a grade of P is required.

**Required courses:**

Institutional

STUDENT LEARNING OUTCOMES

The Institutional Student Learning Outcomes (ISLOs) for Columbia College also serve as the college’s general education learning outcomes and represent the knowledge, skills, and abilities that students will accomplish after completing the general education requirements for an associate/transfer degree. Students completing a certificate or skill attainment program will accomplish some of the ISLOs. It is expected that all students who attend Columbia College will accomplish one or more ISLOs as a result of their overall experience which includes both instructional and non-instructional areas.

Effective Communication

Students will demonstrate:

- **WRITING**: Write clearly and persuasively (e.g. academic essays, research papers, journal entries, etc.)
- **READING**: Evaluate and analyze texts critically
- **SPEAKING**: Articulate clearly (e.g. formal presentations, persuasive speeches, debate, peer-to-peer teaching, etc.)
- **COLLABORATING**: Participate (e.g. work effectively, teamwork, groups, etc.)

Critical/Creative Thinking

Students will demonstrate:

- **PROBLEM SOLVING**: Solve problems using available techniques and tools
- **REASONING**: Articulate unstated assumptions and draw reasonable conclusions (based on reliable data)
- **INFORMATION COMPETENCY**: Locate, analyze, and communicate information appropriately and accurately
- **INNOVATION**: Use cognitive and technical skills to create new ideas and approaches.

Awareness and Personal Responsibility

Students will demonstrate awareness of:

- **GLOBAL FACTORS**: Articulate factors that influence global issues (biodiversity, politics, economics, sustainable practices, human activity on the physical environment, social justice, etc.)
- **CULTURAL FACTORS**: Describe how multiple perspectives and values contribute to a diverse society
- **AESTHETIC FACTORS**: Describe and interpret a variety of visual arts, dance, music, and/or literature
- **SELF**: Set and monitor goals (e.g. health, education, careers, relationships, etc.)

Breadth of Subject Area Knowledge

Students will demonstrate knowledge of:

- **NATURAL SCIENCES AND MATHEMATICS**: Describe and define the scope, key principles and methods of scientific inquiry and quantitative reasoning
- **ARTS AND HUMANITIES**: Describe and define the scope and key principles of the arts and/or humanities
- **SOCIAL AND BEHAVIORAL SCIENCES**: Describe and define the scope and key principles related to the complexities of social interaction and human experiences
- **PROFESSIONAL GROWTH**: Demonstrate technical skills, abilities, and/or knowledge applicable to the workplace environment
Academic Program
STUDENT LEARNING OUTCOMES

Allied Health
Students successfully completing the Allied Health Associate in Science Degree have a solid foundation for pursuing further education in a variety of health care fields.

MEASURABLE OUTCOMES
Successful students will likely:
• Demonstrate foundational knowledge in science necessary to enroll in a variety of health care programs

ASSESSMENT
The extent of science foundational knowledge will be assessed based on students’ performance on a variety of contextualized assessments (i.e., written and oral performance-based exams, lab practicals, and research papers).

Automotive Technology
The successful student will gain entry level skills for the automotive technology industry based on Automotive Service Excellence (ASE) standards. A variety of coursework, certificates and degrees include engine, electronics, drive train, smog check, suspension and steering, brake repair theory and hands-on training.

MEASURABLE OUTCOMES
Successful students will complete National Automotive Technician Education Foundation (NATEF) skills to industry standards:
• Braking systems theory, service, and repair
• Engine theories, service, and repair
• Air conditioning theory, service and repair
• Engine performance theories, service, and repair
• Electrics theories, service, and repair
• Suspension and steering theories, service, and repair
• Manual and automatic drive trains theories, service, and Repairs
• Smog Check Technician training, prescribed by the Bureau of Automotive Repair

ASSESSMENT
Students will be assessed after completing assigned tasks prescribed by ASE and NATEF; (i.e., Quizzes, (NATEF) lab worksheets, and a notebook provide students with practice for the NATEF certification.

Behavioral and Social Sciences
Behavioral and Social Sciences courses at Columbia College include Anthropology, Geography, History, Humanities, Philosophy, Political Science, Psychology, Sociology, and Speech. Students pursuing coursework in these subjects will benefit from a rich and in-depth experience that can lead to successful transfer to a four-year institution as well as meeting general education requirements for an AA/AS degree.

MEASURABLE OUTCOMES
Students successfully completing courses in these areas will likely be able to:
• Demonstrate basic knowledge of the most significant theories, methods, structures, processes, and institutions associated with Behavioral and Social Sciences
• Critically analyze, evaluate, and articulate established ways of knowing in the Behavioral and Social Sciences
• Demonstrate critical thinking competencies in analyzing competing hypotheses
• Demonstrate competencies associated with 21st century citizenship and adulthood—these competencies include basic awareness of diverse perspectives and their implications—culturally, socially, psychologically, philosophically, historically, and geographically
• Demonstrate ability to engage in and maintain effective approaches to problem solving

ASSESSMENT
A broad range of diverse assessments such as comprehensive essays, graphic presentations, oral presentations, short answers, research papers, and utilization of course resources will be used to assess mastery in the Behavioral and Social Sciences.
Biological and Physical Sciences

Biological and Physical Sciences courses at Columbia College include Biological Sciences, Chemistry, Earth Sciences and Physics. Students pursuing coursework in these subjects will benefit from a rich and in-depth science experience that can lead to successful transfer to a four-year institution as well as meeting general education requirements for an AS degree.

MEASURABLE OUTCOMES

Students will likely:

- Learn how to plan a program of data gathering and analysis that employs modern scientific procedures and the use of modern technology
- Use acquired knowledge of biology and physical science to make informed decisions about problems in society and public policy
- Develop social and professional skills needed to be successful in the modern workplace, e.g., communications, working in groups, working with technology

ASSESSMENT

Students will perform assessments aligned with the measurable outcomes in a variety of science courses including written exams, lab experimentation and analysis, oral presentations, and research papers. Assessments include both individual and group work.

Business Administration

Business Administration students will gain experience in Management, Marketing, Human Resource Development, Production, Economics, and Finance, Accounting, and Computer Science applications relevant to each area. The value to students who successfully complete the program(s) will be found in the variety of courses and the all-important connective theme of the subjects. A broadly based working knowledge of the principles required in operating a business should enhance the opportunity and careers of those who acquire a balanced understanding of the process. The Associate in Science degree with the “Professional” designation is comprised of transfer courses articulated with upper-division colleges and accommodates those students who wish to advance and earn a Bachelor’s degree.

MEASURABLE OUTCOMES

As students successfully complete the courses they will:

- Acquire the knowledge of the lower-division course content
- Be qualified for acceptance as juniors entering a four-year college upper-division schedule

ASSESSMENT

Students will engage in contextualized assessments aligned with industry standards (i.e., written and oral performance based exams, demonstrations and projects.)
Child Development

Students who choose the Child Development Associate Degree Program will have the ability to work successfully with young children and provide education and care based on sound, nationally recognized child development principles, State requirements for the field, a well-rounded general education that meets basic skills in writing, speaking, mathematics, and workplace skills. This program provides a solid foundation for students transferring to complete a higher degree.

MEASURABLE OUTCOMES

Successful students will complete a portfolio showcasing expertise in the areas of:

- Child growth and development theories and practice
- Observation and assessment techniques that lead to planning developmentally appropriate, inclusive curriculum
- Reflective practice that understands and appreciates the diversity of families and children and the ethical responsibilities of working with children and families

ASSESSMENT

Portfolio and completion of coursework with a C or better prepares successful students to work in the field, transfer and/or apply for a Child Development Permit.

Emergency Medical Services

Students enrolling in an Emergency Medical Services program will have the opportunity to earn a certificate, degree, and/or prerequisites for advanced courses in a broad area of emergency medical healthcare. Many of these courses prepare students for industry certifications. Faculty with industry experience, and community partnerships for practical work experience, provide a solid foundation in numerous careers.

MEASURABLE OUTCOMES

Students who successfully complete an Emergency Medical Services degree or certificate will:

- Demonstrate understanding of theories and practice within their scope of training
- Demonstrate skills according to the current national standard
- Be qualified to take the exam for Emergency Medical Technicians and receive a national certification

ASSESSMENT

Successful students will demonstrate mastery of outcomes validated through written and manipulative exams that are aligned with current national standards.

Fine Arts

If science or mathematics is a desired outcome, start by studying and practicing art and music. A foundation in the arts will nourish your inner scientist, sharpen your observation skills and perform in your specific communities. A foundation in the arts will nourish your inner scientist, sharpen your observation skills and help develop critical thinking. Music helps develop mathematical reasoning. Creating art, studying music, and performing drama have a positive impact on one’s cognitive life. Cultural literacy is an essential skill in the global economy. The pursuit of Fine Arts allows for much needed reflective time that is essential to a well-rounded education.

MEASURABLE OUTCOMES

- Visual art students will demonstrate a foundation of art skills and a high level of craftsmanship by utilizing a variety of tools and technologies
- Visual art students will demonstrate an understanding of the art materials, methods and techniques, historical and contemporary, and the contexts in which they are employed
- Students taking classes in music will have the practical skills to perform in their specific communities
- Music students will demonstrate the ability to read music at a rudimentary and intermediate level
- Students taking classes in music will be able to attend concerts and listen to recorded performances appreciating the skills of the performers, the style of the music compared to other styles of music, and be able to identify the various elements of music including melody, harmony, and rhythm
- Drama students will demonstrate the ability to act, portraying a wide range of emotion. Drama students will demonstrate a wide variety of interpretive methods

ASSESSMENT

Successful fine arts students will be assessed on technical competencies, techniques and mastery through a variety of written exams, performances, and production of visual and multi-dimensional art.
Fire Technology, Wildfire/Urban Interface Fire Management

Students choosing a Fire Technology and/or Wildfire/Urban Interface Fire Management program will have an opportunity to earn a certificate and/or degree from a variety of specializations in the field of Fire Science, as well as gaining a solid foundation of the necessary skills and competencies for work in the field. Classroom and field experience prepare students for careers in many areas of Fire Science. Students successfully pursuing a degree will graduate with a well-rounded general education in addition to desirable workplace skills in the field of Fire Science.

MEASURABLE OUTCOMES

Successful students will likely demonstrate mastery of outcomes validated through written and manipulative exams that are aligned with California State Fire Marshal and/or National Wildfire Coordinating Group requirements:

- Understand requirements and successfully apply them to a variety of jobs in the field
- Demonstrate the correct use of technical equipment used in the field, including ropes, ladders, chain saws, safety equipment, etc.
- Identify procedures used during various incidents, such as a Hazardous Materials incident

ASSESSMENT

Successful students will demonstrate mastery of outcomes validated through written and manipulative exams that are aligned with California State Fire Marshal and/or National Wildfire Coordinating Group requirements.

Forestry and Natural Resources

Columbia College Forestry and Natural Resources programs include a variety of degrees and certificates that prepare students for careers and further education in this growing field. Columbia College works closely with partners in industry and uses current technologies so that students will have the opportunity to develop the latest skills, knowledge and experience necessary to succeed in the field.

MEASURABLE OUTCOMES

A successful student will likely demonstrate necessary skills, knowledge and experience by:

- Completion of course requirements specific to each degree or certificate

Students graduating with a degree or certificate in Forestry or Natural Resources will be able to apply acquired knowledge and skills to making informed decisions about their personal lives, career choices, and the communities in which they live.

ASSESSMENT

Students will perform contextualized assessments aligned with a wide variety of natural resource standards (i.e., written and oral performance based exams, essays and field assessments).

Health and Human Performance

Students pursuing coursework in Health and Human Performance will benefit from a rich and in-depth experience that can lead to successful transfer to a four-year institution as well as meeting general education requirements for an Associate's degree.

MEASURABLE OUTCOMES

Students will likely:

- Demonstrate appropriate social behavior with at least an 80% work ethic (active participation)
- Improve and/or maintain fitness or skill levels from the beginning to the end of the semester
- Perform skills and strategies at a safe and proficient level of technique
- Apply knowledge to health and physical well-being

ASSESSMENT

Students will perform all course SLO assessments at an average of 75% or better.

Hospitality Management

Students who choose Hospitality Management will have the ability to work successfully in a variety of fields including Culinary Arts, Hotel Management, Restaurant Management and Tourism. Columbia College Hospitality Management graduates are trained for entry-level positions through concentrated, highly structured programs of study that reflect the needs of a changing job market.

MEASURABLE OUTCOMES

Successful students will likely:

- Demonstrate applicable technical skills through hands-on demonstration in areas such as cooking, budgets or planning
- Demonstrate applicable safety procedures
- Demonstrate applicable competencies to provide high-quality customer service

ASSESSMENT

Students will perform contextualized assessments aligned with industry standards (i.e., written and oral performance based exams and demonstrations.)
Literature and Language

In addition to Associate in Arts Degrees in English, coursework is available in American Sign Language, Spanish, and English as a Second Language. Students pursuing coursework in these areas are able to apply their work to associate degrees as well as transfer to a four-year institution. Students will have the opportunity to perfect academic and vocational writing, reading and communication skills, and to develop their critical thinking skills through exploration of a wide variety of literature and texts.

**MEASURABLE OUTCOMES**

Students will likely:

- Demonstrate effective communication skills orally, in writing, and expressively, as relevant to the discipline
- Be able to analyze and synthesize key concepts from texts within the disciplines
- Be able to apply strategies from the discipline that reflect an understanding of reading, writing, and other communication processes that demonstrates critical thinking and an awareness of different cultural perspectives

**ASSESSMENT**

Students will engage in contextualized assessments related to a variety of literature and language arts standards. Such assessments include but are not limited to reading actively, writing expository essays, and demonstrating various critical thinking skills in tests and exams.

Mathematics

Columbia College offers mathematics courses at the basic skills, associate degree and transfer level. Students pursuing coursework in mathematics will develop appropriate procedural skills, problem-solving skills and attitudes, critical reasoning skills and quantitative literacy.

**MEASURABLE OUTCOMES**

Students will likely:

- Be effective problem solvers at a level appropriate to the classes taken
- Develop increased mathematical sophistication and technical skills
- Have the confidence and willingness to engage in unfamiliar problems and solve them in their daily or professional lives
- Be able to organize information, reason mathematically and communicate their reasoning to others
- Become more independent learners in mathematics

**ASSESSMENT**

Problem solving and technical skills are assessed by examinations in the individual courses. Organizational and affective outcomes and growth are assessed by instructor observation and communication among instructors during the student's math enrollments.

Office Technology

The Office Technology Department's goal is to prepare students for employment with essential office skills. In addition to technological training, emphasis is placed on oral and written communication skills, and supervisory strategies for time management, problem solving, decision making, values and ethics, and conflict resolution. Graduates of Office Technology programs may be employed in a variety of office settings, including educational and medical institutions, federal, State, and local government offices, and small and large businesses. Alternately, graduates may become entrepreneurs by setting up virtual businesses.

**MEASURABLE OUTCOMES**

Successful students will likely:

- Develop entry-level job skill sets as an administrative office professional or an office assistant
- Demonstrate effective written business communication skills
- Demonstrate competence using business office technology (copy machine, fax machine, 10-key calculator)
- Demonstrate proficiency in keyboarding and document formatting
- Demonstrate ability to file and manage records

**ASSESSMENT**

Successful students will perform conceptualized assessments aligned with industry standards (i.e., office skills, communication, technology use).

Welding Technology

Students enrolled in the Welding Technology certificate of achievement program will experience a comprehensive range of welding processes including M.I.G., T.I.G., arc, and oxygen-acetylene welding, as well as metallurgy. Additionally, students will learn how to interpret blueprints in preparation for welding. Students will prepare for and can choose to take the examination for certification by the American Welding Society (AWS).

**MEASURABLE OUTCOMES**

Successful students will complete skills to industry standards:

- Metal Inert Gas welding
- Tungsten Inert Gas welding

### Course Descriptions

Course descriptions provide a summary of the content of the course, enrollment restrictions, as well as grading policies, field trips, course-specific fees, allocation of class hours over the term for lecture, or other required learning activities.

### Articulation of Courses with Other Colleges

Columbia College articulates many of its courses with other public and private two- and four-year colleges and universities, which can allow units earned at Columbia College to apply satisfy academic requirements at other schools. Please ask your counselor for information related to agreements establishing what courses will transfer and those that meet lower-division preparation for a baccalaureate major at a four-year university.

### Transferability of Courses

Courses that transfer to the California State University System (CSU) and/or the University of California System (UC) are designated at the end of the course description:

- **CSU**—Transfer to CSU System
- **UC**—Transfer to UC System
- **UC/CSU**—Transfer to both systems
- **UC or CSU**—(Transfer credit limited. See a counselor.)

Some courses designated as baccalaureate level may not meet certain requirements at the transferring institution; however, they may be used for elective credit at the discretion of the transfer school. Check with the Articulation Officer in the Counseling Office if you have questions about the transfer status of a course.

### Prerequisites/Co-Requisites/Recommended for Success

In accordance with the Title 5 of the California Educational Code, Columbia College can restrict who can enroll in college courses through prerequisites, corequisites, advisories ("Recommended for Success"), and limitations on enrollment. Refer to p. 4 for more information.

### Non-Credit Courses

To meet the needs of various populations served by the College, non-credit courses are often offered (see p. 141 of the catalog.) Continuing Education or Community Services also offers non-credit courses in sponsorship. Non-credit courses do not satisfy graduation, transfer, or vocational requirements.

### Credit Value

The number after the course indicates the unit credit value of the course. Courses listed in this catalog are described in “semester” units. Some other colleges function on what is known as the “quarter” system. One unit of coursework completed in the quarter system equals .667 semester system units.

### Course Repetition

Courses may be repeated for credit only if:

1. the student has received a substandard grade (D, F, NC or NP) or
2. the course is approved as repeatable by the College Curriculum Committee and is so identified in this catalog. See “Academic Schedule” on page 4 for more information.

### Field Trips

Field trips may be required in a number of courses where such a statement is not currently a part of the course description.
ANTHR (ANTHROPOLOGY)

ANTHR 1—Biological Anthropology, 3 units
Hours per term: 54 lecture
This course introduces the concepts, methods of inquiry, and scientific explanations for biological evolution and their application to the human species. Issues and topics will include, but are not limited to, genetics, evolutionary theory, human variation and biocultural adaptations, comparative primate anatomy and behavior, and the fossil evidence for human evolution. The scientific method serves as foundation of the course. Not repeatable. MJC equivalent: (ANTHR 101) Transfer: (CSU/UC) (CSU-GE: B2, D1) (IGETC: 4A, 5B) C-ID: (ANTHR 110)

ANTHR 2—Cultural Anthropology, 3 units
Hours per term: 54 lecture
The scientific study of human societies including preliterate societies along with the concept of culture basic to Anthropology. Emphasis is on methods of fieldwork, cultural ecology, language, social and political structure, applied anthropology, the psychological perspective, religion, cultural change, and the cultural future of humanity. Not repeatable. MJC equivalent: (ANTHR 102) Transfer: (CSU/UC) (CSU-GE: D1) (IGETC: 4A) C-ID: (ANTHR 120)

ANTHR 3—Current Issues in Anthropology, 3 units
Recommended for Success: ENGL 151
Hours per term: 54 lecture
Intra-specific aggression, territoriality, population control, primate social organization, intra- and inter-species communication, and the present and future trends in social organization, war, religion, and cultural change. Not repeatable. Transfer: (CSU) (CSU-GE: D1)

ANTHR 7/SOCIO 7—Gender, Culture and Society, 3 units
Hours per term: 54 lecture
The course takes an inclusive bio-cultural evolutionary perspective on gender, focusing on non-human primate societies as well as primitive (small scale) and modern (large scale) human societies. Factors such as culture, ecological conditions and historical circumstances, forces of stratification (e.g. age, social class), socialization (e.g. rites of passage, conformity and deviance) as well as the science (e.g. concepts, theories and methods) of studying these topics will be addressed. Though course readings will represent many disciplines, the foundation readings reflect the perspectives of bio-cultural anthropology as well as sociology. This emphasis addresses the fundamental assumption that while sex differences are biological, gender encompasses the traits that culture assigns and inculcates (with varying degrees of success) in males and females. Credit may be earned for only one of the following: ANTHR 7 or SOCIO 7. Not repeatable. Transfer: (CSU/UC) (CSU-GE: D1, D3) (IGETC: 4A, 4C)

ANTHR 8/SOCIO 8—Research Methods in the Social and Behavioral Sciences, 3 units
Prerequisite: Completion of SOCIO 1 with at least a C or P
Hours per term: 54 lecture
Surveys research traditions and processes in the social and behavioral sciences. The course addresses: epistemological traditions, research conceptualization, research design, research process, measures, sampling, data collection and analysis, reporting traditions, ethics, as well as implications for theory and public policy. While the primary focus is on Anthropology, Psychology, and Sociology, there will be a secondary focus on the disciplines of Biology, Demography, History, Political Science, and Public Health. Credit may be earned once for ANTHR 8 or SOCIO 8. Not repeatable. Transfer: (CSU/UC) (CSU-GE: D0) (IGETC: 4J) C-ID: (SOCI 120)

ANTHR 10—Archaeology and Cultural Prehistory, 3 units
Hours per term: 54 lecture
This course is an introduction to anthropological archaeology including concepts, theories, and methods employed by archaeologists in reconstructing past life ways of humans. Topics include history and interdisciplinary nature of archaeological research; data acquisition, analysis and interpretation with discussion of applicable data and models; cultural resource management; professional ethics; and selected cultural sequences. Not repeatable. MJC equivalent: (ANTHR 102) Transfer: (CSU/UC) (CSU-GE: D1) (IGETC: 4A) C-ID: (ANTHR 120)

ANTHR 15—Native People of North America, 3 units
Hours per term: 54 lecture
A survey of the origins, cultures, and customs of peoples indigenous to the North American continent with primary emphasis upon folkways dominant prior to interference by foreign cultures, and a secondary emphasis upon the status of Native Americans in the USA today. This course is designed to meet an ethnic studies requirement. Not repeatable. MJC equivalent: (ANTHR 150) Transfer: (CSU/UC) (CSU-GE: D1, D3) (IGETC: 4A, 4C)
**ART (ART)**

**ART 1—Basic Freehand Drawing, 3 units**
*Hours per term: 36 lecture and 54 laboratory*

Introduction to principles, elements, and practices of drawing, employing a wide range of subject matter and drawing media. Focus on perceptually based drawing, observational skills, technical abilities, and creative responses to materials and subject matter. Not repeatable. MJC equivalent: (ART 120) Transfer: (CSU/UC) C-ID: (ARTS 110)

**ART 2—Basic Color and Design, 3 units**
*Hours per term: 36 lecture and 54 laboratory*

Introduction to elements and principles of visual design and color theory as applied in a studio setting. Class will encompass organizing principles of two-dimensional art, including balance, proportion, repetition, contrast, harmony, unity, point of emphasis and visual movement. Focus will be on problem solving to develop two-dimensional awareness and development of skills in a variety of media. The translation of ideas and visual experience are an important consideration in creating finished class work/images. Course will include examination of historical and contemporary trends, materials and approaches in two-dimensional art. Development of a visual vocabulary for creative expression through lecture presentations, studio projects, problem solving, and written assignments. Not repeatable. MJC equivalent: (ART 124) Transfer: (CSU/UC) C-ID: (ARTS 100)

**ART 3—3-D Art and Design, 3 units**
*Hours per term: 36 lecture, 54 laboratory*

Introduction to the concepts, applications, and historical references related to three-dimensional design and spatial composition, including the study of the elements and organizing principles of design as they apply to three-dimensional space and form. Development of a visual vocabulary for creative expression through lecture, presentations and use of appropriate materials for three-dimensional studio projects. Not repeatable. MJC equivalent: (ART 125) Transfer: (CSU/UC) C-ID: (ARTS 101)

**ART 9A—Figure Drawing: Beginning, 3 units**
*Hours per term: 36 lecture and 54 laboratory*

Introduction to observational drawing of the human figure by using various techniques and media. Students will learn both descriptive and expressive approaches to drawing the human figure. Topics include an introduction to human anatomy and the historical and contemporary roles of figure drawing in the visual arts. Not repeatable. MJC equivalent: (ART 123) Transfer: (CSU/UC) C-ID: (ARTS 200)

**ART 9B—Figure Drawing: Intermediate, 3 units**
*Prerequisite: Completion of Art 9A with at least a C or P*
*Hours per term: 36 lecture and 54 laboratory*

An extension of ART 9A emphasizing various media and compositional problems. Not repeatable. Transfer: (CSU/UC)
ART 11 — History of Art: Ancient and Medieval, 3 units
Recommended for Success: ENGL 151
Hours per term: 36 lecture and 54 laboratory
Survey of art history from the Paleolithic Age through the Late Gothic Era. Not repeatable. MJC equivalent: (ART 164) Transfer: (CSU/UC)
(CSU-GE: C1) (IGETC: 3A) C-ID: (ARTH 110)

ART 12 — History of Art: Renaissance, Baroque, and Modern, 3 units
Recommended for Success: ENGL 1A
Hours per term: 54 lecture
Survey of art history from the 14th through the 20th century. Not repeatable. MJC equivalent: (ART 165) Transfer: (CSU/UC)
(CSU-GE: C1) (IGETC: 3A) C-ID: (ARTH 120)

ART 13 — Art of Africa, Asia, Australia, and the Americas, 3 units
Recommended for Success: ENGL 151
Hours per term: 54 lecture
Survey of the art of Africa, Asia, Australia, and Islamic art from prehistoric to modern periods. This course is designed to meet an ethnic studies requirement. Not repeatable. MJC equivalent: (ART 169) Transfer: (CSU/UC)
(CSU-GE: C1) (IGETC: 3A)

ART 21A — Painting: Beginning, 3 units
Hours per term: 36 lecture and 54 laboratory
Introduction to principles, elements, and practices of painting. Focus on exploration of oil and/or acrylic painting materials, perceptual skills and color theory, paint mixing and technique, as well as creative responses to materials and subject matter. Not repeatable. MJC equivalent: (ART 147) or (ART 148) Transfer: (CSU/UC)
(CSU-GE: C1) (IGETC: 3A)

ART 21A — Photography: Beginning, 4 units
Hours per term: 54 lecture and 54 laboratory
Introduction to black-and-white photography. Emphasis will be on the choice, types, and use of various cameras and lenses (special emphasis on the 35mm camera), camera work and handling, composition, and black-and-white darkroom procedures. Adjustable 35mm film camera (or equivalent) will be utilized. Not repeatable. MJC equivalent: (ART 170) Transfer: (CSU/UC)

ART 25 — Mixed Media Painting, 3 units
Hours per term: 36 lecture and 54 laboratory
A beginning studio class which introduces students to the elements and principles of mixed media painting. The course will involve the use of oil or acrylic paints and will emphasize technique, special illusion and basic composition skills using different mixed media. Not repeatable. Transfer: (CSU/UC)

ART 31 — Ceramics: Introductory, 3 units
Hours per term: 36 lecture and 54 laboratory
Introduction to basic ceramic methods including hand-building and wheel-thrown forms, and introduction to glazes and decoration. Not repeatable. MJC equivalent: (ART 108) Transfer: (CSU/UC)

ART 32 — Ceramics: Intermediate, 3 units
Hours per term: 36 lecture and 54 laboratory
Course emphasis is on glazes, formulation and application with increased opportunity for personal expression and experimentation. Not repeatable. Transfer: (CSU/UC)

ART 33 — Ceramics: Advanced, 3 units
Hours per term: 36 lecture and 54 laboratory
Course emphasis is on personal growth and independence. Not repeatable. Transfer: (CSU/UC)

ART 35 — Raku and Alternative Firing Methods, 2-4 units
Hours per term: 27-54 lecture and 27-54 laboratory
Introduction to the raku process, pit firing, fuming, barrel smoked, historic origins and contemporary uses. Practical experience in clay bodies, glazes, raku and other firing. Not repeatable. Transfer: (CSU/UC)

ART 40 — Photography: Beginning, 4 units
Hours per term: 54 lecture and 54 laboratory
Introduction to the history, art, craft, and scope of black-and-white photography. Emphasis will be on the choice, types, and use of various cameras and lenses (special emphasis on the 35mm camera), camera work and handling, composition, and black-and-white darkroom procedures. Adjustable 35mm film camera (or equivalent) will be utilized. Not repeatable. MJC equivalent: (ART 170) Transfer: (CSU/UC)

ART 41 — Photography: Intermediate, 3 units
Recommended for Success: ART 40
Hours per term: 36 lecture and 54 laboratory
Emphasis will be on refining camera and darkroom work, composition, visual concepts; exposure and development of the negative, and printing skills in black and white. Adjustable 35mm film camera (or equivalent) will be utilized. Field trips may be required. Not repeatable. Transfer: (CSU/UC)
ART 44—Advanced Photography Laboratory, 1 unit
  Recommended for Success: ART 40
  Hours per term: 54 laboratory
Supervised black and white darkroom work in the production of negatives and prints to improve photographic skills. Not repeatable.  
Transfer: (CSU)

ART 45—Field Photography, 3 units
  Hours per term: 36 lecture and 54 laboratory
An introduction to producing professional quality nature photographs. Field instruction in locations of natural beauty followed by lectures, demonstrations, and critiques. The student will utilize an adjustable film or digital camera. Field trips required. Not repeatable.  
Transfer: (CSU)

ART 46—Field Photography: Composition and Design, 2-4 units
  Hours per term: 27-54 lecture and 27-54 laboratory
An introduction to elements of design and composition as they relate to field photography. Field instruction in locations of natural beauty and historical significance followed by lectures, demonstrations, and critiques. Requires adjustable 35mm camera or larger format, or adjustable SLR type digital. Field trips required. Not repeatable.  
Transfer: (CSU)

ART 49—Intermediate Field Photography, 3 units
  Recommended for Success: ART 45 or equivalent
  Hours per term: 36 lecture and 54 laboratory
Various field- and studio-oriented topics related to nature photography which may include but are not limited to learning to tell a story photographically, and editing and creating mockup book layouts. Students will also learn to identify and work on their own personal vision as it relates to photography. Students will do a series of assignments, learn picture editing, create and critique picture layouts and learn how to plan detailed photographic coverage. Not repeatable.  
Transfer: (CSU)

ART 51/CCTDM 51/OFTEC 42—Publication Design I, 3 units
  Recommended for Success: OFTEC 141
  Hours per term: 36 lecture and 54 laboratory
  Materials fee required
An introduction to general publication design theory with emphasis on typography, page layout, graphics, and design. Students will create media for print and digital publishing. Exercises and projects will include the creation of a multi-page booklet, poster, newsletter, brochures and an interactive document formatted for digital publishing. Credit may be earned once for ART 51 or CCTDM 51 or OFTEC 42. Not repeatable.  
Transfer: (CSU)

ART 52/CCTDM 52/OFTEC 43—Publication Design II, 3 units
  Prerequisite: Completion of CCTDM 51/ART 51/OFTEC 42 with at least a C or P
  Hours per term: 36 lecture and 54 laboratory
  Materials fee required
A continuation of study in problems of Publication Design. Areas of focused study will be in advanced problems of page layout, typography, print, and interactive documents for digital publication. Credit may be earned once for ART 52 or CCTDM 52 or OFTEC 43. Not repeatable.  
Transfer: (CSU)

ART 53/CCTDM 53—Computer Graphics I, 3 units
  Hours per term: 36 lecture and 54 laboratory
  Materials fee required
This course introduces the student to the fundamentals of computer graphics. Topics include the elements and principles of design, concept development, characteristics of vector and raster digital files, color modes, digital drawing and painting, and formatting for print and the Web. Students will acquire basic skills in current digital illustration software and create original design pieces. Credit may be earned for only one of the following: CCTDM 53 or ART 53. Not repeatable.  
Transfer: (CSU/UC)

ART 54/CCTDM 54—Computer Graphics II, 3 units
  Prerequisite(s): Completion of CCTDM 53 or ART 54 with at least a C or P
  Hours per term: 36 lecture and 54 laboratory
  Materials fee required
Computer Graphics topics covered will include concept development, analog drawing, scanning, advanced techniques of painting and drawing software, critiquing, and publishing. Credit may be earned for only one of the following: CCTDM 54 or ART 54. Not repeatable.  
Transfer: (CSU/UC)

ART 56/CCTDM 56—Typography, 3 units
  Prerequisite(s): Completion of ART 53/CCTDM 53 with at least a C or P
  Hours per term: 54 lecture
  Materials fee required
Designed to focus study of the elements of typography as related to print and to the World Wide Web. This is an interactive course where students practice and apply skills of typography for visual communication. Emphasis will focus on identifying type as a dynamic visual element; typographical forms and nuance; and the development of successful typographic solutions to convey concepts. Through collaborative discussions of assigned exercises and projects, students will acquire skills of analysis and critique. The course outcome will be the creation of a student portfolio of completed projects. Credit may be earned for only one of the following: CCTDM 56 or ART 56. Not repeatable.  
Transfer: (CSU/UC)
ART 71—Ceramic Sculpture: Introductory, 3 units  
Hours per term: 36 lecture and 54 laboratory  
Basic principles, techniques and problems in sculpture. Not repeatable.  
Transfer: (CSU/UC)

ART 72—Ceramic Sculpture: Advanced, 3 units  
Hours per term: 36 lecture, 54 laboratory/activity  
Course emphasis is on advanced principles, techniques, and problems in hand-built sculpture. Not repeatable.  
Transfer: (CSU/UC)

ART 103/WT 103—Practical Laboratory, Metal Sculpture, 1 unit  
Prerequisite: Completion of ART 166/WT 166 with at least a C or P  
Hours per term: 54 laboratory  
The student shall gain practical experience by working on individual projects in metal sculpture design and fabrication. Emphasis is on quality, appearance and function. Credit may be earned once for ART 103 or WT 103. Not repeatable.

ART 165/WT 165—Metal Sculpture, 1½ units  
Hours per term: 9 lecture and 54 laboratory  
An introduction to various metal working techniques with an emphasis on aesthetic design and quality of metal joining. An introduction to M.I.G. welding will be offered, time being available. Field trips may be required. Credit may be earned once for ART 165 or WT 165. Not repeatable.

ART 166/WT 166—Metal Sculpture Projects, 1 unit  
Prerequisite: Completion of ART 165/WT 165 with at least a C or P  
Hours per term: 54 laboratory  
This course is designed to allow students to expand upon their skills in metal sculpture techniques and to provide for the student a more individualized pursuit in metal sculpturing. Students will work progressively more independently from instructor direction. Field trips may be required. Not repeatable.

AT (AUTOMOTIVE TECHNOLOGY)

AT 97—Work Experience in Auto Technology, 1 to 4 units  
Hours per term: 75 hours paid employment equals 1 unit of credit, or 60 hours unpaid employment equals 1 unit of credit  
Provides students an opportunity to experience supervised employment in Automotive Technology. The student's employment must be related to educational or occupational goals. May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. For students interested in working full time one semester and attending classes one semester on an alternate basis. Not repeatable.  
Grading: (P/NP Only).  
Transfer: (CSU)

AT 100—Introduction to Automotive Technology, 4 units  
Hours per term: 72 lecture  
Introduction to theory, operation and maintenance of automotive systems. Includes fundamentals of math, measuring devices, fasteners, shop safety, careers and certifications, tools/equipment common to the automotive industry, environmental issues, classifications/applications of lubricants, and resume writing. Environmental issues will be discussed. This course is designed to comply with the National Automotive Technicians Education Foundation (NATEF) objectives, enabling students to prepare for Automotive Service Excellence (ASE) certification. Not repeatable. Field trips may be required. Grading: (P/NP only)

AT 102—Engine Repair, 5 units  
Hours per term: 54 lecture and 108 laboratory  
Techniques involved in gasoline engine diagnosing and repair. Diagnosis of the engine’s systems will be emphasized. This course is designed to comply with the National Automotive Technicians Education Foundation (NATEF) objectives, enabling students to prepare for Automotive Service Excellence (ASE) certification. Field trips may be required. Not repeatable.

AT 102A1—ASE Certification Preparation (A1), 5 units  
Hours per term: 54 lecture and 108 laboratory  
This course is designed for students who have completed the Engine Repair course, but are seeking ASE certification. Students’ competencies in ASE A1 will be surveyed and an individual preparation plan will be developed. The focus on topics for study will be driven by the student’s individual assessment. Not repeatable.

AT 103—Practical Laboratory, ½-2 units  
Recommended for Success: Six units of AT coursework with a C or better, or concurrent enrollment in six units of AT courses  
Hours per term: 27 to 108 laboratory  
This course includes special automotive repair projects that are assigned to students, with emphasis on speed, accuracy, and quality work habits. Not repeatable.
AT 104—Practical Laboratory (Auto Body), ½-2 units

Hours per term: 27 to 108 laboratory
This course includes special auto body collision repair projects that are assigned to advanced students, with emphasis on speed, accuracy, and quality work habits. Completion of, or concurrent enrollment in three Automotive Technology units required. Exceptions to the units requirement will be considered on an individual basis. Field trips may be required. Not repeatable.

AT 105—Automotive Braking Systems, 4 units

Hours per term: 36 hours, 108 laboratory
This course covers the principles of operation and repair of automotive drum and disc brake systems. Also covered are anti-lock braking and traction control systems. The subjects covered allow for compliance with the National Automotive Technicians Education Foundation (NATEF) objectives, thus enabling students to prepare for automotive Service Excellence (ASE) certification. Field trips may be required. Not repeatable.

AT 105A5—ASE Certification Preparation (A5), 4 units

Hours per term: 36 lecture and 108 laboratory
Designed for students who need additional preparation for the Automotive Service Excellence (ASE) A5 exam. Not repeatable.

AT 106—Engine Performance, 8 units

Hours per term: 9 lecture and 162 laboratory
Materials fee required.
Theory and operation of ignition systems, fuel systems, and on board computers. Use of hand-held meters, oscilloscopes, late model computerized analyzers, and four gas infrared analyzers will be covered. Advanced diagnostic techniques will be included. This course is designed to comply with the National Technicians Education Foundation (NATEF) objectives enabling students to prepare for Automotive Service Excellence (ASE) exams. Field trips may be required. Not repeatable.

AT 106A8—ASE Certification Preparation (A8), 8 units

Hours per term: 90 lecture and 162 laboratory
Designed for students who need additional preparation for the Automotive Service Excellence (ASE) A8 exam. Not repeatable.

AT 112—Heating and Air Conditioning, 3 units

Hours per term: 36 lecture and 54 laboratory
Materials fee required.
Fundamentals and theory of air conditioning (R12 and R134a), as well as techniques of service and diagnosis. Recycling refrigerant and handling of hazardous materials are also covered. This course is designed to comply with the National Automotive Technicians Education Foundation (NATEF) objectives, enabling students to prepare for Automotive Service Excellence (ASE) certification. Field trips may be required. Not repeatable.

AT 112A7—ASE Certification Preparation (A7), 3 units

Hours per term: 36 lecture and 54 laboratory
Designed for students and technicians in need of further Automotive Service Excellence (ASE) A7 test preparation. Not repeatable.

AT 113—Automotive Electrics, 7 units

Hours per term: 90 lecture and 108 laboratory
Fundamentals of electricity and electronics that apply to all automotive electrical and electronic systems. Electrical theory, lighting systems, and chassis electrical and electronic circuits, and charging and starting systems are included. Methods of diagnosis will be emphasized. This course is designed to comply with the National Automotive Technicians Education Foundation (NATEF) objectives, thus enabling students to prepare for Automotive Service Excellence (ASE) certification.

AT 113A6—ASE Certification Preparation (A6), 7 units

Hours per term: 90 lecture and 108 laboratory
Designed for students and technicians who need additional preparation for Automotive Service Excellence (ASE) certification exams. Not repeatable.

AT 120—Suspension and Steering, 4 Units

Hours per term: 54 lecture and 54 laboratory
Materials fee required.
Operations of automotive suspension and steering systems. Inspection, diagnosis, part replacement, and alignment procedures, wheel alignment and computerized alignment equipment. Emphasis will be placed on analyzing inspection results. This course is designed to comply with the National Automotive Technicians education Foundation (NATEF) objectives, enabling students to prepare for Automotive Service Excellence (ASE) certification. Field trips may be required. Not repeatable except for grade improvement. Transfer: (CSU)

AT 120A4—ASE Certification Preparation (A4), 4 units

Hours per term: 54 lecture and 54 laboratory
This course is designed for students who need additional preparation for the Automotive Service Excellence (ASE) A4 exam. Not repeatable.

AT 122—Manual Power Trains and Axles, 4 units

Recommended for Success: AT 100
Hours per term: 36 lecture and 108 laboratory
Principles and operation of automotive power trains including diagnosis and overhaul of clutches, manual transmissions, and transfer cases. This course is designed to comply with the National Automotive Technicians Education Foundation (NATEF) objectives enabling students to achieve Automotive Service Excellence (ASE) certification. Field trips may be required. Not repeatable.

AT 122A2—ASE Certification Preparation (A2), 3 units

Hours per term: 18 lecture and 108 laboratory
This course is designed for students who need additional preparation for the Automotive Service Excellence (ASE) A2 exam. Not repeatable.

AT 125—Team-Managed Projects, 3 units

Hours per term: 27 lecture and 81 laboratory
Using a team-based format, students will solve problems using various principles and fundamentals in automotive technology and by following a Total Quality Management (TQM) process. Grading: (P/NP only) Field trips may be required. Not repeatable.
AT 132—Automotive Transmissions and Transaxles, 3 units  
*Hours per term: 18 lecture and 108 laboratory  
Materials fee required.*  
Principles and theories involved with the diagnosis, repair, and rebuilding of automatic transmissions and transaxles. This course is designed to comply with the National Automotive Technicians Education Foundation (NATEF) requirements, enabling students to prepare for certification. Field trips may be required. Not repeatable.

AT 132A3—ASE Certification Preparation (A3), 4 units  
*Hours per term: 36 lecture and 108 laboratory*  
For students or technicians in need of additional preparation for the Automotive Service Excellence (ASE) A3 exam. Not repeatable.

AT 140—B.A.R. Smog Check Training, Level II, 3 units  
*Hours per term: 45 lecture and 27 laboratory*  
Students successfully completing this course will have met the training requirement for the Smog Check Inspector License. Note: Students are encouraged to contact Automotive Technology staff (on campus) or the Bureau of Automotive Repair for all licensing requirements. This course also serves as the Level III citation training. Not repeatable.

AT 150—Soft Skills for the Industrial Trades, 2 units  
*Hours per term: 36 lecture*  
This course covers the "soft skills" needed to succeed in a career that involves a shop environment. Topics include workplace communications, ethics, safety, customer service, pay models, self awareness of employee/employer expectations, and other attributes of a prosperous employee. Field trips may be required. Not repeatable.

AT 155—Automotive Spray Refinishing I, 2 units  
*Prerequisite: Completion of AT 156 with at least a C or P  
Hours per term: 18 lecture and 54 laboratory*  
Introduction to automobile spray painting. Study of materials, supplies and equipment. Experience in feather edging and application of base coats; spray techniques in spot blending and panel refinishing with a base coat and clear coat. Field trips required. Not repeatable.

AT 156—Automotive Spray Refinishing II, 3 units  
*Prerequisite: Completion of AT 155 with at least a C or P  
Hours per term: 18 lecture and 108 laboratory*  
Advanced techniques in automotive refinishing with single stage, base/clear coat urethane paints, and estimate writing. Field trips may be required. Not repeatable.

AT 160/WT 160—Exploring Technical Trades, 6 units  
*Hours per term: 18 lecture and 162 laboratory*  
Students will experience topics and engage in projects from the auto body/collision repair, automotive technology, and welding technology programs. Career and educational pathways will be emphasized. Field trips may be required. Credit may be earned once for ART 160 or WT 160. Not repeatable.

AT 185—Auto Body Collision Repair I, 2 units  
*Hours per term: 27 lecture and 27 laboratory*  
For beginning students in auto body collision repair work. Theory and study of the body sheet metal and structure. Theory and manipulative skills in oxy-acetylene welding, metal straightening, plastic filling and shrinking. Time allowing, students will learn basic proper removal and replacement of braking, engine, steering and suspension, and axle housing components as necessary to complete the auto body repair. Curriculum is aligned with the National Automotive Technicians Education Foundation (NATEF). Field trips may be required. Not repeatable.

AT 186—Auto Body Collision Repair II, 2 units  
*Recommended for Success: AT 185  
Hours per term: 27 lecture and 81 laboratory*  
Advanced theory and study of body sheet metal and structure and manipulative skills in M.I.G. welding, sheet metal straightening, body alignment, making adjustments and refinishing equipment. Time allowing, students will learn basic removal and replacement of braking, engine, steering and suspension, and axle housing components as necessary to complete the auto body repair. Curriculum is aligned with the National Automotive Technicians Education Foundation (NATEF). Field trips may be required. Not repeatable.

AT 187—Automotive Detailing, 1 unit  
*Hours per term: 9 lecture and 27 laboratory*  
This course is for beginning students in auto detailing work. Topics covered include the theory and study of the proper maintenance and restoring of the automobile exterior finish by use of proper cleaning materials and methods approved by the industry. Not repeatable.

AT 200—Exploring Automotive Technology, 3 units  
*Hours per term: 27 lecture and 81 laboratory*  
This course allows students to perform routine maintenance and services in a supervised environment. Emphasis will be placed on safety and information competency. This course is also an exploratory course for those who are interested in learning proper usage of automotive repair facilities, equipment and tools, and in pursuing an automotive technology career. Field trips may be required. Materials fee required. Not repeatable. Grading: (P/NP Only).

AT 201—Team-Managed Projects, 3 units  
*Hours per term: 36 lecture and 54 laboratory*  
Using a team-based format, students will solve problems (projects) using various principles and fundamentals in automotive technology. Project outcomes will be dependent on teamwork and research. Not repeatable. Grading: (P/NP only)

AT 220—Industry Update Training, 1 unit  
*Hours per term: 18 lecture*  
This course will cover updates relevant to the eight ASE areas in automotive technology. Topics presented are intended for technicians currently employed in the field. Not repeatable. Grading: (P/NP only)
**BIOL (BIOLOGY)**

**BIOL 2—Cell and Molecular Biology, 4 units**
Prerequisite(s): Completion of MATH 104 and CHEM 2A with at least a C or P
Recommended for Success: ENGL 151
Hours per term: 54 lecture, 54 laboratory
Covers principles and applications of the structure and function of biological molecules, prokaryotic and eukaryotic cell structure and function, homeostasis, cell reproduction and its controls, molecular biology, molecular genetics, transmission genetics, cell metabolism, including photosynthesis, respiration, and viruses. Science as an ongoing process of inquiry is a theme that runs throughout this course. BIOL 2 is a laboratory course. Not repeatable. MJC equivalent: (BIO 101)
Transfer: (CSU/UC) (CSU-GE: B2, B3) (IGETC: 5B, 5C) C-ID: (BIOL 190) (BIOL 2+BIOL 4+BIOL 6=C-ID BIOL 135S)

**BIOL 4—Principles of Evolution and Zoology, 4 units**
Prerequisite: Completion of MATH 104 with at least a C or P
Recommended for Success: Completion of ENGL 151 or eligibility for ENGL 1A
Hours per term: 54 lecture and 54 laboratory
As part of the Biology Majors sequence, students explore the diversity of the animal kingdom and non-photosynthetic single celled eukaryotic taxa. Core concepts of the course include mechanisms of evolution, comparative anatomy physiology and behavior among animal phyla, and life cycles. Students will also deepen their understanding of the nature of science and practice scientific reasoning skills. Field trips may be required. Not repeatable. MJC equivalent: (ZOO 101) Transfer: (CSU/UC) (CSU-GE: B2, B3) (IGETC: 5B, 5C) C-ID: (BIOL 150) (BIOL 4+BIOL 6=C-ID BIOL 140) (BIOL 2+BIOL 4+BIOL 6=C-ID BIOL 135S)

**BIOL 6—Plant Biology And Ecology, 4 units**
Prerequisite(s): Completion of MATH 104 with at least a C or P
Hours per term: 54 lecture and 54 laboratory
Covers photosynthesis, algae, protists, fungi, comparative plant structures and function, homeostasis, development, evolution, phylogeny, and taxonomy of plants. Principles of population and community ecology and ecosystem interactions are emphasized. Field trips may be required. Not repeatable. MJC equivalent: (BOT 101) Transfer: (CSU/UC) (CSU-GE: B2, B3) (IGETC: 5B, 5C) C-ID: (BIOL 155) (BIOL 4+BIOL 6=C-ID BIOL 140) (BIOL 2+BIOL 4+BIOL 6=C-ID BIOL 135S)

**BIOL 10—Human Anatomy, 4 units**
Prerequisites: Completion of ENGL 151 and MATH 104 with at least a C or P, or placement through the assessment process
Recommended for Success: BIOL 17 or BIOL 150
Hours per term: 54 lecture and 54 laboratory
An introduction to the study of the gross and microscopic structure of the human body using an organ systems approach including the integumentary, skeletal, muscular, nervous, sensory, endocrine, cardiovascular, lymphatic, respiratory, digestive, urinary, and reproductive systems. This course is primarily intended for nursing, allied health, kinesiology, and other health-related majors. Not repeatable. MJC equivalent: (ANAT 125) Transfer: (CSU/UC) (CSU-GE: B2, B3) (IGETC: 5B, 5C) C-ID: (BIOL 110B)

**BIOL 17—Fundamentals of Biology, 4 units**
Hours per term: 54 lecture and 54 laboratory
An integrated lecture and laboratory course of study emphasizing the fundamental principles common to all forms of life. The course is a core general education biology class for transfer students and for AA and AS students at Columbia College. The laboratory makes extensive use of computer simulations as experimentation in traditional laboratory. Not repeatable. MJC equivalent: (BIOL 111) Transfer: (CSU/UC) (CSU-GE: B2, B3) (IGETC: 5B, 5C)
BIOL 24 — General Ecology, 4 units
Recommended for Success: Completion of MATH 101 and ENGL 1A with at least a C or P
Hours per term: 54 lecture and 54 laboratory
Students will be introduced to environmental biology, which focuses on physiological, behavioral, and population ecology, and on linking ecological processes to evolution. Principles of evolution at the molecular, organismal, and population levels will be related to conservation issues affecting ecosystem management. The ecology component will cover basic principles and experimental approaches to solving ecological problems. Case studies in pollution issues, resource use, global warming, and ozone depletion will also be covered. Field trips may be required. Not repeatable. MJC equivalent: (BIO 114) Transfer: (CSU/UC) (CSU-GE: B2, B3) (IGETC:5B, 5C)

BIOL 39 — Field Biology, 1 - 2 units
Hours per term: 18 to 36 lecture
A lecture field course in biology to be held in natural surroundings. The study site will vary with the seasons. Natural history, ecology, and biology of the locale will be studied. Field trips required. Not repeatable. Transfer: (CSU)

BIOL 40 — Field Biology: Ecosystems, 1 unit
Hours per term: 18 lecture
A lecture field course in biology to be held in natural surroundings. The course will emphasize ecosystem level processes. Included will be the effects of climate change, and other regional human disturbances on ecosystem processes. Field trips required. Not repeatable. Transfer: (CSU)

BIOL 50 — Nutrition, 3 units
Hours per term: 54 lecture
Introductory study of energy and nutrient requirements of the body in relation to growth, maintenance, and reproduction; factors influencing normal metabolism, construction of the adequate diet. Emphasis is placed upon the chemical aspects of nutrition. Not repeatable. MJC equivalent: (FNTR 219) Transfer: (CSU/UC) (CSU-GE: E) C-ID: (NUTR 110)

BIOL 65 — Microbiology, 4 units
Recommended for Success: CHEM 14, CHEM 14L, BIOL 17
Hours per term: 54 lecture and 54 laboratory
Morphology, physiology, genetics, cultivation and control of microorganisms, particularly bacteria and viruses. Principles of immunology and the relationship of microbes to disease will be included. Not repeatable. MJC equivalent: (MICRO 101) Transfer: (CSU/UC) (CSU-GE: B2, B3) (IGETC:5B, 5C)

BIOL 100 — A Natural History of California, 3 units
Hours per term: 54 lecture
This course is an introduction to plants and animals of California with emphasis on the plant communities and wildlife of the Central Valley, the coastal ranges, and the Sierra Nevada. Ecologically oriented, the course probes ways in which plants and animals are adapted to their environment. Present and historical human environmental relationships will be investigated. Field trip required. Not repeatable.

BIOL 150 — Elementary Anatomy and Physiology, 3 units
Hours per term: 54 lecture
Introduction to human structure and function. Designed as a foundation course for the allied health student, but open to all interested students. Not repeatable. MJC equivalent: (AP 50.)

BIOL 158 — Birds of Central California, 1 unit
Hours per term: 9 and 27 laboratory
A survey of the birds of Central California through field observations and lectures. Students will learn how to identify birds by sight and sound, then use identification skills as a tool for understanding other aspects of avian biology and ecology. Discussion topics will include anatomy, physiology, behavior, and ecology of birds. Field trips may be required. Not repeatable. Grading: (P/NP Only)

BIOL 159 — Wildflowers, 1½ units
Hours per term: 27 lecture

BIOL 160 — Mushrooms and Other Fungi, 1½ units
Hours per term: 27 lecture
Survey of mushrooms with emphasis on mushroom taxonomy, identification, and differentiation of common edibles from poisonous fungi, the ecology of fungi, including their habitat and role in various ecosystems, as well as their impact on civilizations. Field trips may be required. Not repeatable. Grading: (P/NP Only).

BIOL 179 — Fishing and Fishery Biology of the Sierra Nevada, 1 unit
Hours per term: 18 lecture
An overview of the identification, ecology, and management of fish species inhabiting the foothill, forest and alpine communities of the Sierra Nevada. Not repeatable. Field trips required. Grading: (P/NP only)
BUSAD
(BUSINESS ADMINISTRATION)

BUSAD 2A—Financial Accounting, 4 units
  Recommended for Success: BUSAD 161A, BUSAD 161B, CCTIS 30
  Hours per term: 72 lecture
Provides Business Administration and Accounting majors an opportunity to develop a working knowledge of accounting information systems used in recording and reporting business transactions for service and merchandising businesses under corporation entities. Special focus is on the accounting cycle, financial statements, analysis and generally accepted accounting principles, including internal control and ethical issues. Students will work with asset, liability and equity valuation, revenue and expenditure recognition, cash flow calculations and appropriate computer applications. Not repeatable. MJC equivalent: (BUSAD 201) Transfer: (CSU/UC) C-ID: (ACCT 110)

BUSAD 2B—Managerial Accounting, 4 units
  Prerequisite: Completion of BUSAD 2A with at least a C or P
  Recommended for Success: BUSAD 163, CCTIS 30
  Hours per term: 72 lecture
Provides Business Administration and Accounting majors an opportunity to develop a working knowledge of techniques used for decision making, planning, directing, and controlling manufacturing operations. Particular focus is on costing methods, cost-volume-profit issues, incremental analysis and pricing. Students will work with standard cost, budgets, and control responsibility, including capital investments and cash flow analysis. Not repeatable. MJC equivalent: (BUSAD 202) Transfer: (CSU/UC) C-ID: (ACCT 120)

BUSAD 9/SPCOM 9—Introduction to Small Group and Team Communication, 3 units
  Hours per term: 54 lecture
This course focuses on the intersection between communication and the ability of small groups or teams to effectively achieve objectives. Course includes the study of, and practice in, discussion methodology, types of discussion groups, information gathering, problem solving, decision making, and leadership roles. Credit may be earned once for BUSAD 9 or SPCM 9. Not repeatable. MJC equivalent: (COMM 106) Transfer: (CSU) C-ID: (COMM 140)

BUSAD 18—Business Law, 3 units
  Hours per term: 36 lecture and 54 laboratory
Laws and regulations affecting managerial decisions; legal concepts and case analyses in the areas of ethics, employment, agency, consumer transactions, business torts and crimes, business organizations, and with special emphasis on contracts. Not repeatable. MJC equivalent: (BUSAD 218) Transfer: (CSU/UC) C-ID: (BUS 125)

BUSAD 20—Principles of Business, 3 units
  Hours per term: 54 lecture
Survey of business principles, problems and procedures; ownership; recruitment and training of personnel; labor-management relations; production and distribution of goods; competition; profit; transportation; finance; managerial controls; government and business relations. Not repeatable. MJC equivalent: (BUSAD 248) Transfer: (CSU/UC) C-ID: (BUS 110)

BUSAD 24—Human Relations in Organizations, 3 units
  Hours per term: 54 lecture
People and their roles in organizations. The nature of organizational relationships; working in groups, recognizing and solving human relations problems. Creating the win-win situation of satisfying individual and organizational objectives. Not repeatable. Transfer: (CSU)

BUSAD 25/GUIDE 25—Job Search and Interviewing Strategies, 1 unit
  Hours per term: 18 lecture
Understanding the employment process and development of written and oral presentation skills necessary to conduct an efficient and effective job search. Topics include: the hiring process, employer perspectives, the hidden job market, networking, research, job search planning, making employer contacts and interviewing. Development of a master application, resume and letter of application. Credit may be earned once for Busad 25 or Guide 25. Not repeatable. Grading: (P/NP only) MJC equivalent: (GUIDE 112) Transfer: (CSU)

BUSAD 29/CCTIS 29—Project Management, 3 units
  Recommended for Success: CCTIS 10
  Hours per term: 54 lecture
This course is designed to familiarize individuals with current and emerging project management technologies using the Internet, project management software and other application software packages as needed for project completion. Project management knowledge topics will include project integration, scope, time, cost, quality, human resource, communications, and risk and procurement management. Credit may be earned for only one of the following: CCTIS 29 or BUSAD 29. Not repeatable. Transfer: (CSU)

BUSAD 30—Principles of Marketing, 3 units
  Hours per term: 54 lecture
Marketing principles, policies, and functions, price policies and controls, trade channels, merchandising, market research, advertising, and competitive practices. Not repeatable. MJC equivalent: (BUSAD 245) Transfer: (CSU)

BUSAD 40—Principles of Management, 3 units
  Hours per term: 54 lecture
The functions of management, techniques of decision making and problem solving, methods used by the manager to achieve organizational goals, various theories of management, lines of authority, functions of departments, and the importance of policies, procedures and controls. Not repeatable. MJC equivalent: (BUSAD 240) Transfer: (CSU)
BUSAD 41—Small Business Management, 3 units

Formerly listed as: BUSAD 150

Hours per term: 54 lecture

Small business operation with proper balance between business functions of purchasing, production, sales and finance, and the management functions of planning, organizing, actuating, and controlling. Not repeatable. Transfer: (CSU)

BUSAD 97—Work Experience in Business and Commerce, 1-4 units

Co-requisite: Must be enrolled in at least seven (7) units including Work Experience where 75 hours paid employment equals 1 unit of credit and 60 hours unpaid employment equals 1 unit of credit.

Provides students an opportunity to experience supervised employment in a variety of occupational settings within Business and Commerce (e.g., Business Administration, Hospitality Management, Computer Science). The student’s employment must be related to educational or occupational goal. May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Grading: (P/NP only) Transfer: (CSU-Transfer credit limited. See a counselor.)

BUSAD 121—Adobe Acrobat Essentials, 2 units

Hours per term: 18 lecture, 54 Laboratory

Designed for those who need to convert various file formats to the universally accepted PDF file format and work with Acrobat Standard or Professional in the creation, editing, packaging and management processes of PDF files. Students will also learn creation of Adobe forms and working with their interactive features. Not repeatable.

BUSAD 135—Computerized Accounting (QuickBooks), 2 units

Recommended for Success: BUSAD 161A

Hours per term: 36 lecture

Provides the student opportunities to set up and maintain a computerized accounting system using QuickBooks application software. Review of financial accounting in working with payables, receivables, banking transactions, company transactions and the financial statements. Not repeatable.

BUSAD 151—Finance and Investments, 3 units

Hours per term: 54 lecture

A study of financial systems and functions including markets, which funds are traded, institutions which participate in fund flows, and principles and concepts of management for making sound financial and investment decisions. Not repeatable.

BUSAD 155—Computerized Accounting for Business, 4 units

Recommended for Success: BUSAD 2A or BUSAD 161A

Hours per term: 54 lecture and 54 laboratory

Provides students with an opportunity to set up and maintain an accounting system utilizing QuickBooks and Peachtree accounting programs to focus on concepts and best practices. Hands-on experience in the software will help students learn the computerized methods of financial accounting, including sales, accounts receivable, accounts payable, inventory, adjusting entries, closing entries, financial statements, sales tax and budget analysis. Not repeatable.

BUSAD 158—Payroll Accounting, 3 units

Hours per term: 54 lecture

Introduction and practice in all payroll operations, the preparation of payroll registers, recording of payroll transactions, understanding of payroll laws, and preparation of required tax returns and reports. Not repeatable.

BUSAD 161A—Small Business Accounting I, 4 units

Hours per term: 72 lecture

Accounting procedures and analysis for most small businesses. Includes complete double entry accounting system with journals, ledgers, work‑sheets, and financial statements, with adjusting and closing entries for service or merchandising businesses; payroll for employees and employers, a voucher system, and use of manual simulations. Not repeatable.

BUSAD 161B—Small Business Accounting II, 4 units

Prerequisite: Completion of BUSAD 161A with at least a C or P

Hours per term: 72 lecture

Extension of the techniques learned in BUSAD 161A with more in‑depth treatment of receivables, notes, inventory and depreciation, and with the introduction of partnership and corporation accounting, statements of cash flow and financial analysis; also an introduction to managerial accounting for decision making, departmentalized cost and manufacturing systems, planning and budgeting used in both financial and managerial phases. Not repeatable.

BUSAD 163—Business Mathematics, 3 units

Hours per term: 54 lecture

After review of mathematical processes, students will apply math skills in business situations that include banking, credit cards, discounts, retailing, payroll, interest, compounding, present value, annuities, sinking funds, revolving credit, home mortgages, financial analysis and ratio interpretation, depreciation, inventory, taxes, insurance, stocks, bonds, business statistics. Not repeatable.

BUSAD 164—Income Tax, 2 units

Hours per term: 27 lecture and 27 laboratory

Instruction on income tax preparation and reporting based on the current requirements of the U.S. Internal Revenue Code and the California State Tax Code for individuals and Small Business filers. Successful completion of the course leads to VITA (Volunteer Income Tax Assistance) Certification. Not repeatable.
COURSES: CCTDM

CCTDM (Computer and Communications Technology: Digital Media)

CCTDM 5—Introduction to Digital Multimedia, 3 units
Formerly listed as: CMPSC 36
Hours per term: 54 lecture
An introduction to the various elements that comprise the multimedia development environment. This includes hardware and software tools for text, sound, images, animation, video, multimedia authoring, and multimedia tools for the Web. Not repeatable. Transfer: (CSU)

CCTDM 6—Writing for Multimedia, 3 units
Formerly listed as: CMPSC 37
Hours per term: 54 lecture
This course will present an overview of multimedia writing including techniques for effective communication in web page copy, digital storytelling, scripts, critique writing, storyboarding, and other current industry modes of delivery. Not repeatable. Transfer: (CSU)

CCTDM 10—Introduction to HTML and CSS, 3 units
Formerly listed as: CMPSC 13
Recommended for Success: CCTIS 4
Hours per term: 54 lecture
Use HTML and CSS software authoring tools to prepare multimedia presentations to use with an Internet browser. Combine text, graphics, video, and sound. Enhance computer displays for an audience and prepare home page links for access over the Internet. Not repeatable. Transfer: (CSU)

CCTDM 12—Website Development Applications, 3 units
Formerly listed as: CMPSC 12
Recommended for Success: CCTIS 4
Hours per term: 54 lecture
Students will be able to use website/webpage development application software to prepare multimedia presentations for use with an Internet browser. They will also be able to combine text, graphics, video, and sound, enhance computer displays for an audience, and prepare home page links for access over the Internet. Not repeatable. MJC equivalent: (CSCI 250) Transfer: (CSU)

Effective with the 2015-2016 academic year, the Columbia College Computer Science (CMPSC) department has renamed the department and renumbered course IDs to more accurately reflect sub-disciplines in the field. The following crosswalk shows how CMPSC course IDs map to Computer and Communications Technology (CCT) sub-discipline course IDs. The CCT sub-discipline suffixes are as follows:

<table>
<thead>
<tr>
<th>CMPSC Course ID</th>
<th>CCT Course ID</th>
</tr>
</thead>
<tbody>
<tr>
<td>CMPSC 1</td>
<td>CCTIS 10</td>
</tr>

</table>
CCTDM 14—Advanced Topics in Website Development, 3 units
Formerly listed as: CMPSC 14
Recommended for Success: CCTDM 10
Hours per term: 36 lecture
This course guides students through the process of exploring advanced tools for website design, which may include, but are not limited to Javascript, ASP, PHP, HTML and CSS. Students will also attain skills in techniques for publicizing websites and best practices for site maintenance. Not repeatable. Transfer: (CSU)

CCTDM 28—Video Production I, 2 units
Formerly listed as: CMPSC 29A
Hours per term: 18 lecture and 54 laboratory
Introduces the student to the basic computer video production stages. Students will learn the process of creating digital video productions. This course is a project-based course. Students will be required to work in groups on approved class-related and school event projects. Not repeatable. Transfer: (CSU)

CCTDM 29—Video Production II, 2 units
Formerly listed as: CMPSC 29B
Prerequisite(s): Completion of CCTDM 28 with at least a C or P
Hours per term: 18 lecture and 54 laboratory
This course is a continuation of CCTDM 28. Includes video production using the three-stage process. Students will learn the process of creating digital video productions using expanded techniques in video shooting, lighting, audio, editing, and authoring. This course is a project-based course. Students may be required to work in groups on approved class-related and/or school event projects. Not repeatable. Transfer: (CSU)

CCTDM 40—Computer Graphics and Animation, 3 units
Formerly listed as: CMPSC 19
Recommended for Success: CCTDM 12, CCTDM 14, CCTDM 53
Hours per term: 36 lecture and 54 laboratory
Computer Graphics and Animation introduces the student to an interactive media application for creating vector graphics, animation, and interactive multimedia for web pages and other digital media. The course will also cover basic action scripting integration. Not repeatable. MJC equivalent: (CMPGR 268) Transfer: (CSU/UC)

CCTDM 41—Compositing for Motion Graphics, 3 units
Recommended for Success: CCTDM 28 or CCTDM 40 or CCTDM 53 or CCTDM 50
Hours per term: 36 lecture and 54 laboratory
This course introduces software and techniques designed to provide a comprehensive set of 2D and 3D tools for compositing, animation, and effects for motion-graphics, visual effects, web design, film and video. Not repeatable. Transfer: (CSU/UC)

CCTDM 45—Digital 3D Modeling and Animation, 3 units
Formerly listed as: CMPSC 35
Recommended for Success: CCTDM 40
Hours per term: 36 lecture and 54 laboratory
This course introduces digital 3D modeling and animation. Students will explore 3D modeling software, digital modeling techniques, and animation. CMPSC 35 is intended to train students who are pursuing 3D computer-driven animation in preparation for additional study in digital animation, game design and Multimedia. The course uses industry standard, state-of-the-art, high-end computer-driven animation software which is upgraded as industry changes. Not repeatable. Transfer: (CSU)

CCTDM 50—Photo Editing for Digital and Print Publication, 3 units
Formerly listed as: CMPSC 39
Hours per term: 36 lecture and 54 laboratory
Materials fee required
This course focuses on the principles and practices of photo editing, artistic expression, and development of problem-solving skills, using an industry standard photo editing software program. Included is a survey of the tools and techniques used to create effective and sophisticated digital imagery for websites, multimedia and print publications. Additionally, the course will integrate the use of tablets and cloud technology as they pertain to photo editing. Not repeatable. Transfer: (CSU)

CCTDM 51/AFT 51/OFTEC 42—Publication Design I, 3 units
Formerly listed as: CMPSC 31
Recommended for Success: OFTEC 141
Hours per term: 36 lecture and 54 laboratory
Materials fee required
An introduction to general publication design theory with emphasis on typography, page layout, graphics, and design. Students will create media for print and digital publishing. Exercises and projects will include the creation of a multi-page booklet, poster, newsletter, brochures and an interactive document formatted for digital publishing. Credit may be earned once for ART 51 or CCTDM 51 or OFTEC 42. Not repeatable. Transfer: (CSU)

CCTDM 52/AFT 52/OFTEC 43—Publication Design II, 3 units
Prerequisite: Completion of CCTDM 51/AFT 51/OFTEC 42 with at least a C or P
Formerly listed as: CMPSC 32
Hours per term: 36 lecture and 54 laboratory
Materials fee required
A continuation of study in problems of Publication Design. Areas of focused study will be in advanced problems of page layout, typography, print, and interactive documents for digital publication. Credit may be earned once for ART 52 or CCTDM 52 or OFTEC 43. Not repeatable. Transfer: (CSU)
COURSES:  CCTDM - CCTIS

CCTDM 53/ART 53—Computer Graphics I, 3 units
Formerly listed as: CMPSC 33
Hours per term: 36 lecture and 54 laboratory
Materials fee required
This course introduces the student to the fundamentals of computer graphics. Topics include the elements and principles of design, concept development, characteristics of vector and raster digital files, color modes, digital drawing and painting, and formatting for print and the Web. Students will acquire basic skills in current digital illustration software and create original design pieces. Credit may be earned for only one of the following: CCTDM 53 or ART 53. Not repeatable. Transfer: (CSU/UC)

CCTDM 54/ART 54—Computer Graphics II, 3 units
Formerly listed as: CMPSC 34
Prerequisite(s): Completion of CCTDM 53/ART 53 or with at least a C or P
Hours per term: 36 lecture and 54 laboratory
Materials fee required
Computer Graphics topics covered will include concept development, analog drawing, scanning, advanced techniques of painting and drawing software, critiquing, and publishing. Credit may be earned for only one of the following: CCTDM 54 or ART 54. Not repeatable. Transfer: (CSU/UC)

CCTDM 56/ART 56—Typography, 3 units
Formerly listed as: CMPSC 56
Prerequisite(s): Completion of CCTDM 53/ART 53 with at least a C or P
Hours per term: 54 lecture
Materials fee required
Designed to focus study of the elements of typography as related to print and to the World Wide Web. This is an interactive course where students practice and apply skills of typography for visual communication. Emphasis will focus on identifying type as a dynamic visual element; typographical forms and nuance; and the development of successful typographic solutions to convey concepts. Through collaborative discussions of assigned exercises and projects, students will acquire skills of analysis and critique. The course outcome will be the creation of a student portfolio of completed projects. Credit may be earned for only one of the following: CCTDM 56 or ART 56. Not repeatable. Transfer: (CSU/UC)

CCTDM 105—Image Managing and Editing for Digital Photographers, 2-3 units
Recommended for Success: CCTDM 50
Formerly listed as: CMPSC 150
Hours per term: 36 or 54 lecture
Using image management software created for professional photographers and designers, students will process, organize and edit large numbers of digital images. This course will teach a comprehensive workflow from importing, reviewing, organizing and enhancing digital images to publishing photos, creating web galleries and producing client presentations. Not repeatable.

COURSES:  CCTIS

CCTIS 4—Windows Operating Systems Essentials, 1½ units
Formerly listed as: CMPSC 4
Hours per term: 27 lecture
This course provides instruction in Operating Systems. Topics include management of window elements, desktop arrangement, folders and files, and file management. Students will use multitasking, cut and paste, linking, and printing operations within elected Windows applications. Not repeatable. Transfer: (CSU)

CCTIS 6—Internet Essentials, 2 units
Formerly listed as: CMPSC 10
Hours per term: 36 lecture
Access the Internet with web browsers on personal computers. Topics include navigating, browser features, email, search techniques, personal privacy, downloading, and communicating on the World Wide Web. Not repeatable. Grading: (P/NP only) Transfer: (CSU)

CCTIS 8—Advanced Internet Research, 1½ units
Formerly listed as: CMPSC 17
Recommended for Success: CCTIS 6
Hours per term: 27 lecture
Designed to focus on advanced search and research techniques and tools available via the World Wide Web. The course reviews basic components of Internet search engines and includes advanced subject matter research techniques, database resources and advanced Internet technology skills. Topics include E-Commerce, Internet Resources, Digital Content, and Internet Publications. Not repeatable. Transfer: (CSU)

CCTIS 10—Computer Concepts and Information Systems, 4 units
Formerly listed as: CMPSC 1
Hours per term: 54 lecture and 54 laboratory
This course includes concepts of computer information systems in business, industry and other institutions. Study of computers, applications and network communications will also be covered. Actual practice is on personal computers in Windows environment on a network. Lab applications include graphical user interface, spreadsheets, word processing, database management, multimedia presentations and access to the Internet and World Wide Web. Not repeatable. MJ C equivalent: (CSCI 220) Transfer: (CSU/UC) C-ID: (ITTIS 120)
CITIS 29/BUSAD 29—Project Management, 3 units  
Recommended for Success: Completion of CCTIS 10 with at least a C or P  
Hours per term: 36 lecture  
This course is designed to familiarize individuals with current and  
emerging project management technologies using the Internet, project  
management software and other application software packages as  
needed for project completion. Project management knowledge top-  
ics will include project integration, scope, time, cost, quality, human  
resource, communications, and risk and procurement management.  
Credit may be earned for only one of the following: CCTIS 29 or  
BUSAD 29. Not repeatable. Transfer: (CSU)

CCTIS 30—Financial Worksheets on Computers, 3 units  
Formerly listed as: CMPSC 30  
Hours per term: 36 lecture and 54 laboratory  
Electronic spreadsheets will be used to develop a basic understand-  
ing of business operations, managerial decision making, and strategic  
advantage. Students will develop spreadsheets for financial statements,  
what-if analysis, databases, and other ledger-type applications. Other  
topics include use of formulas, charts, tables, and macros to custom-  
ize data entry for business applications and combining data between  
workbooks and link files. Lab projects will focus on the use of spread-  
sheet design, development, and use for managerial decision making.  
Not repeatable. MJC equivalent: (CSCI 223) Transfer: (CSU)

CCTIS 57/GEOGR 57—GIS Data Management, Introduction to  
Geodatabase, 1-3 units  
Formerly listed as: CMPSC 57  
Hours per term: 18 or 54 lecture  
Students who take this course will learn to use the ArcGIS Geodata-  
base format for management of spatial data. Students will be intro-  
duced to the concepts of database design and system architecture  
using ArcGIS software. Concepts covered include: introduction to the  
geodatabase; metadata; geodatabase vs. shapefile formats; overview of  
ArcGIS data models; feature datasets and feature classes; editing a geo-  
database; personal geodatabase vs. multi-user geodatabase; domains  
and validation rules; and relationships and subtypes. Credit may be  
earned once for CCTIS 57 or GEOGR 57. Not repeatable. Transfer:  
(CSU)

CCTIS 58/GEOGR 58—GIS, ArcView, 1 unit  
Formerly listed as: CMPSC 58  
Hours per term: 18 lecture  
Introduction to practical application of ArcView software; importation  
of GIS data, display, visualization, exploration, query, analysis, and  
production of hard-copy maps and reports. Students will be guided  
through a complete sequence of application fundamentals similar to  
what would normally be used in displaying, analyzing, and plotting  
a standard ArcView GIS application. Credit may be earned once  
for CCTIS 58 or GEOGR 58. Not repeatable. Grading: (P/  
NP only) Transfer: (CSU)
COURSES:  

**CCTIS 62/GEOGR 62/SAR 62—GIS Mapping**
**Introduction to SAR GIS, 1 unit**  
Formerly listed as: CMPSC 62  
Hours per term: 18 lecture  
Students who take this course will learn how to apply their GIS skills in Search and Rescue (SAR) Mapping. Students will learn SAR incident symbology, data standards and organization, establishing incident locations, search segments, SAR incident map products, and responsibilities of a GIS specialist on SARs and other critical incidents. The course will use a workflow and data model developed by SAR personnel that integrates with ArcGIS 10. Additionally, students will utilize GPS data that they have collected from GPS devices, convert them to shapefiles, and create team and briefing incident maps. During a full-day exercise, students will also live-track SAR teams using satellite tracking devices. This course includes hands-on experience in SAR incident mapping and data organization. Not repeatable. Credit may be earned once for CCTIS 62 or GEOGR 62. Grading: (P/NP only) Transfer: (CSU)

**CCTIS 63/GEOGR 63—GIS and Making Maps:**  
**The Essential Skills, 1 unit**  
Formerly listed as: CMPSC 63  
Hours per term: 18 lecture  
This course is intended as a resource for emergency responders, outdoor enthusiasts and anyone interested in acquiring basic skills in understanding maps and using geospatial information and devices. Emphasis will be on developing a working knowledge of coordinate systems, establishing a location when given coordinates, finding coordinates from a location, and converting among coordinate systems to create a basic map using this information. Not repeatable. Grading: (P/NP only) Credit may be earned once for CCTIS 63 or GEOGR 63. Transfer: (CSU)

**CCTIS 64/GEOGR 64—ArcGIS: Creating a Basic Map, ½ units**  
Formerly listed as: CMPSC 64  
Hours per term: 9 lecture  
This course will teach the skills and tools to use ArcGIS 10 mapping software to create maps. It will be useful to anyone wanting a quick “how to” for using the industry standard ArcGIS to make and edit a map. Not repeatable. Credit may be earned once for CCTIS 64 or GEOGR 64. Grading: (P/NP only) Transfer: (CSU)

**CCTIS 65/GEOGR 65—GIS Applications ½ to 3 units**  
Recommended for Success: Completion of CCTIS 60/GEOGR 60 with at least a C or P  
Hours per term: 9 or 18 or 36 or 54 lecture  
Uses the ArcGIS ArcView software to explore intermediate topics in GIS applications. Topics include geodatabase creation and editing, geoprocessing models, geocoding, and working with annotation. The course consists of a combination of lectures, demonstrations, hands-on exercises, and a student project. Not repeatable. Credit may be earned once for CCTIS 65 or GEOGR 65. Transfer: (CSU)

**CCTIS 66/GEOGR 66—Web Mapping, 1 unit**  
Hours per term: 18 lecture  
This course focuses on the fundamental principles of web mapping and creating web mapping applications. Students will learn the basics of Web GIS system architecture, geospatial web services, and web service based geoprocessing. In addition, students will also learn about mobile GIS solutions by collecting data and creating a web map. Not repeatable. Grading: (P/NP Only). Transfer: (CSU)

**CCTIS 67/GEOGR 67—GIS Geocoding, 1 unit**  
Formerly listed as: CMPSC 67  
Hours per term: 18 lecture  
Students who take this course will learn to use GIS software for geocoding purposes. Geocoding is the process of using common data to quickly and easily create location maps and is used by most government agencies and many businesses. GIS software will be used to produce maps useful in such things as routing emergency vehicles, providing effective customer service delivery, understanding crime incident patterns, or locating restaurants, schools, and fire stations. Students will also learn to create and refine address data to develop the reference data necessary to build address or geocoding indexes. Strategies will be exercised to clean input addresses, achieve better address-matching results, and fine-tune software parameters. Not repeatable. Credit may be earned once for CCTIS 67 or GEOGR 67. Grading: (P/NP only) Transfer: (CSU)

**CCTIS 70/GEOGR 70—Introduction to Raster-Based GIS, 3 units**  
Formerly listed as: CMPSC 70  
Recommended for Success: Completion of CCTIS 59/GEOGR 59 and CCTIS 60/GEOGR 60  
Hours per term: 54 lecture  
This course uses the ArcGIS ArcView software along with the Spatial Analyst and 3D extensions to explore the use of raster GIS data in analysis and visualization. Topics include terrain analysis, hydrologic analysis, suitability analysis, and 3D modeling. The course consists of a combination of lectures, demonstrations, hands-on exercises, and a student project. Not repeatable. Credit may be earned once for CCTIS 70 or GEOGR 70. Transfer: (CSU)

**CCTIS 75/GEOGR 75—GIS Applications in Resource Management, ½-3 units**  
Formerly listed as: CMPSC 75  
Recommended for Success: CCTIS 70/GEOGR 70  
Hours per term: Hours per term: 9, 18, 36, or 54 lecture  
Uses ArcGIS ArcView software and the Image Analyst extension to explore the use of GIS in natural resource analysis and management. Emphasis is on the use of satellite imagery and aerial photography to derive information for GIS analysis. The course consists of a combination of lectures, demonstrations, hands-on exercises, and a student project. Not repeatable. Credit may be earned once for CCTIS 75 or GEOGR 75. Transfer: (CSU)
CCTIS 137—Presentations Using Computers and Multimedia, 1½ units
Formerly listed as: CMPSC 11
Hours per term: 27 lecture
Use presentation software to prepare multimedia presentations. Combine text, graphics, video, and sound. Use the computer and multimedia projector to present information to an audience or to individuals. Not repeatable. MJC equivalent: (CMPGR 215)

CCTIS 138—Excel Spreadsheets, 2 units
Formerly listed as: CMPSC 138
Hours per term: 36 lecture
Instruction in spreadsheet applications on computers, using Microsoft Excel. Develop, plan, and build spreadsheets for business decisions. Use formatting, charting, and lists to customize desired output. Not repeatable. Grading: (P/NP only)

CCTIS 139—Database Essentials, 1½ units
Formerly listed as: CMPSC 155
Hours per term: 27 lecture
Develop database applications using Database Management System (DBMS) software. Create databases, enter and edit data, query the database, using QBE; create and use forms, create and print reports, customize fields and tables, manage data and files, use as database for a mail merge. Not repeatable.

CCTIS 142/OFTEC 142—Desktop Publishing Essentials, 2 units
Formerly listed as: CMPSC 142
Recommended for Success: Basic word processing skills such as editing and formatting text, copy/paste, file saving, Spell Check, etc.
Hours per term: 36 lecture
An introduction to general desktop publishing theory with emphasis on design elements of formatted text, frames, photographs, clipart, lines, and pictures. Students will create sample projects such as newsletters, brochures, flyers, business cards, etc. Not repeatable. Credit may be earned once for CCTIS 142 or OFTEC 142. Grading: (P/NP only)

CCTIS 210—Basic Computer Skills for College Success, ½-1½ units
Provides students with the opportunity to build a foundation of basic computer skills vital to success in the college environment including navigating the college website, file management, word processing, course management systems for hybrid and online courses, Internet and email. The material is developed to ensure that students will see the importance of learning how to use the applications for future coursework. Grading: (P/NP only)

CCTIS 137—Presentations Using Computers and Multimedia, 1½ units
Formerly listed as: CMPSC 11
Hours per term: 27 lecture
Use presentation software to prepare multimedia presentations. Combine text, graphics, video, and sound. Use the computer and multimedia projector to present information to an audience or to individuals. Not repeatable. MJC equivalent: (CMPGR 215)

CCTIS 138—Excel Spreadsheets, 2 units
Formerly listed as: CMPSC 138
Hours per term: 36 lecture
Instruction in spreadsheet applications on computers, using Microsoft Excel. Develop, plan, and build spreadsheets for business decisions. Use formatting, charting, and lists to customize desired output. Not repeatable. Grading: (P/NP only)

CCTIS 139—Database Essentials, 1½ units
Formerly listed as: CMPSC 155
Hours per term: 27 lecture
Develop database applications using Database Management System (DBMS) software. Create databases, enter and edit data, query the database, using QBE; create and use forms, create and print reports, customize fields and tables, manage data and files, use as database for a mail merge. Not repeatable.

CCTIS 142/OFTEC 142—Desktop Publishing Essentials, 2 units
Formerly listed as: CMPSC 142
Recommended for Success: Basic word processing skills such as editing and formatting text, copy/paste, file saving, Spell Check, etc.
Hours per term: 36 lecture
An introduction to general desktop publishing theory with emphasis on design elements of formatted text, frames, photographs, clipart, lines, and pictures. Students will create sample projects such as newsletters, brochures, flyers, business cards, etc. Not repeatable. Credit may be earned once for CCTIS 142 or OFTEC 142. Grading: (P/NP only)

CCTIS 210—Basic Computer Skills for College Success, ½-1½ units
Provides students with the opportunity to build a foundation of basic computer skills vital to success in the college environment including navigating the college website, file management, word processing, course management systems for hybrid and online courses, Internet and email. The material is developed to ensure that students will see the importance of learning how to use the applications for future coursework. Grading: (P/NP only)
COURSES:  CCTPG - CCTSS

CCTPG 24—Programming Concepts and Methodology II, 4 units

Formerly listed as: CMPSC 24
Prerequisite: Completion of CCTPG 22 with at least a C or P
Recommended for Success: MATH 104
Hours per term: 54 lecture and 54 laboratory

A continuation of CCTPG 22 for computer science majors. Problem-solving techniques using an object-oriented design approach. Programming language will be the currently preferred object-oriented language used by equivalent UC/CSU courses. Topics include asymptotic notation, dynamic data structures (linked lists, stacks, queues, binary trees), directed graphs, generics, and searching/sorting algorithms. Also introduces programming in an event-driven GUI environment. Not repeatable. MJC equivalent: (CSCI 272) Transfer: (CSU/UC)

CCTPG 45—Applied Java Programming, 3 units

Formerly listed as: CMPSC 45
Prerequisite: Completion of CCTPG 22 with at least a C or P

Use Java, a platform-independent, object-oriented programming language to develop applications for emerging environments including Android, Java Server Pages (JSP) and multi-media applications. Topics include classes, objects, arrays, inheritance, interfaces, control flow, file and network input/output, and access to relational databases using the current Java SDK API and other emerging APIs. Not repeatable. Transfer: (CSU/UC)

CCTPG 47—C/C++ Programming, 3 units

Formerly listed as: CMPSC 27
Prerequisite: Completion of CCTPG 22 or CCTPG 5 with at least a C or P

Computer programming and program design using the C Language. Topics include language syntax, pre-processors, data types, conditionals, logic, recursion, array and string processing, functions, structures, bit operations, pointers, interactive programming, file input/output and object-oriented features of C++. Not repeatable. Transfer: (CSU/UC)

CCTPG 48—Visual Studio.NET Programming, 3 units

Formerly listed as: CMPSC 28
Recommended for Success: CCTPG 5 Introduction to Programming

Hours per term: 36 lecture and 54 laboratory

Covers programming with current Microsoft Visual Studio tools (.NET environment). Emphasis is on structured design, object orientation, Graphical User Interface design, and event-driven applications. Includes programming projects using screen development, control constructs, array processing, file input/output and database access. Not repeatable. MJC equivalent: (CSCI 221) Transfer: (CSU/UC)

CCTPG 51—Database Management, 3 units

Formerly listed as: CMPSC 55
Recommended for Success: CCTIS 10

Hours per term: 36 lecture and 54 laboratory

Fundamentals of database design and administration. Covers basic terminology, types of database systems, and how to design a database appropriate to an application. Topics include linking of tables in a relational database, SQL commands, Query By Example, and design of input forms and reports. Hands-on component uses a current commercial database management system in a Windows environment. Not repeatable. MJC equivalent: (CCTPG 230) Transfer: (CSU/UC)

COURSES:  CCTSS - (COMPUTER AND COMMUNICATIONS TECHNOLOGY: Support Services)

CCTSS 11—Networking Essentials, 3 units

Formerly listed as: CMPSC 41
Recommended for Success: CCTIS 10

Hours per term: 36 lecture and 54 laboratory

An introduction to computer networking and data communications. The focus is on concepts, terminology, and technologies in current networking environments. It is based on, and covers the Open System Interconnect (OSI) model including discussions of Local and Wide Area Networks (LAN & WAN). A laboratory component provides hands-on experience in network setup and computer configuration. Includes the first semester of Cisco Networking Academy Program which prepares students for Cisco Certified Network Association (CCNA) certification. The topics covered are also applicable to Microsoft Certified Systems Engineer (MCSE) and other industry networking certifications. Not repeatable. Transfer: (CSU)

CCTSS 112—Networking, CCNA 2: Routing and Switching Essentials, 3 units

Formerly listed as: CMPSC 163
Prerequisite: Completion of CCTSS 11 with at least a C or P

Cisco Networking Academy Semester 2. Describes the architecture, components, and operations of routers and switches in a small network. Students learn how to configure a router and a switch for basic functionality. By the end of this course, students will be able to configure and troubleshoot routers and switches and resolve common issues with RIPv1, RIPv2, single-area and multi-area OSPF, virtual LANs, and inter-VLAN routing in both IPv4 and IPv6 networks. A laboratory component provides hands-on experience in the configuration of routers. Not repeatable.

CCTSS 113—Networking, CCNA 3: Scaling Networks, 3 units

Formerly listed as: CMPSC 162
Prerequisite: Completion of CCTSS 112 with at least a C or P

Cisco Networking Academy Semester 3. Describes the architecture, components, and operations of routers and switches in a larger and more complex network. Students learn how to configure routers and switches for advanced functionality. By the end of this course, students will be able to configure and troubleshoot routers and switches and resolve common issues with OSPF, EIGRP, STP, and VTP in both IPv4 and IPv6 networks. Students will also develop the knowledge and skills needed to implement DHCP and DNS operations in a network. Not repeatable.
COURSES:

CCTSS - CHEM

COURSES:

CHEM (CHEMISTRY)

CHEM 2A—General Chemistry I, 3 units
Prerequisite(s): Completion of MATH 104 and CHEM 5 or CHEM 14 or CHEM 20 or CHEM 30/PHYS 30 with at least a C or P
Hours per term: 54 lecture
The first half of a two-semester course designed to give an in-depth survey of chemical principles and theories. The application of the scientific method to observable chemical phenomena is an overarching theme of this course. Subjects covered in-depth include measurement theory and practice, data acquisition and analysis, modern atomic theory, ionic and covalent bonding, reaction classifications, stoichiometry, gas and solution chemistry, thermochemistry, intermolecular forces, and colligative properties. Further introductions to molecular orbital theory, quantum chemistry, materials science, and environmental analysis ensure practical use of general chemical principles. Not repeatable. MJC equivalent: (CHEM 2A+CHEM 2AL=CHEM 101) Transfer: (CSU/UC) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 2A+CHEM 2AL=C-ID CHEM 110) (CHEM 2A+CHEM 2AL+CHEM 2B+CHEM2BL = C-ID CHEM 120S)

CHEM 2AL—General Chemistry I Laboratory, 2 units
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 2A with at least a C or P
Hours per term: 18 lecture and 54 laboratory
The first laboratory course in a series designed so students gain multiple experiences in a chemistry lab. The investigation of compounds and elements using gravimetric, colorimetric, calorimetric, titrative, and qualitative means will be explored. The analysis of the validity of quantitative data will be included throughout the course. Standard laboratory safety (SLS) and good laboratory practice (GLP) will be emphasized. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B3) (IGETC: SC) C-ID: (CHEM 2A+CHEM 2AL = C-ID CHEM 110) (CHEM 2A+CHEM 2AL+CHEM 2B+CHEM2BL = C-ID CHEM 120S)

CHEM 2B—General Chemistry II, 3 units
Prerequisite: Completion of CHEM 2A with at least a C or P
Hours per term: 54 lecture
The second half of an in-depth survey of chemical principles and theories. Subjects studied include chemical equilibria, acids and bases, solubility, thermodynamics, kinetics, electrochemistry, nuclear chemistry. Further introductions to inorganic chemistry, environmental chemistry, organic chemistry and biochemistry are used to create well rounded chemical education. Not repeatable. Equivalent sequence for MJC equivalent: (CC CHEM 2B + CHEM 2BL = MJC CHEM 102) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A) (CHEM 2A+CHEM 2AL+CHEM 2B+CHEM 2BL = C-ID: CHEM 120S)

COURSES:

CCTSS - CHEM

CCTSS 114—Networking, CCNA 4: Connecting Networks, 3 units
Formerly listed as: CMPSC 164
Prerequisite: Completion of CCTSS 113 with at least a C or P
Hours per term: 36 lecture and 54 laboratory
Cisco Networking Academy Semester 4. Discusses the WAN technologies and network services required by converged applications in a complex network. The course enables students to understand the selection criteria of network devices and WAN technologies to meet network requirements. Students learn how to configure and troubleshoot network devices and resolve common issues with data link protocols. Students will also develop the knowledge and skills needed to implement IPsec and virtual private network (VPN) operations in a complex network. Not repeatable.

CCTSS 121—PC Assembly, Upgrade and Support (A+), 3 units
Formerly listed as: CMPSC 167
Prerequisite: Completion of CCTSS 121 with at least a C or P. Hours per term: 36 lecture and 54 laboratory
The first of two courses designed to prepare students to pass the current CompTIA A+ exams. Includes theory and hands-on activities for installing and maintaining current desktop computer installations. Also covers upgrading and adding I/O devices to desktop PCs. Not Repeatable.

CCTSS 122—PC Operating System Installation and Support (A+), 3 units
Formerly listed as: CMPSC 168
Prerequisite: Completion of CCTSS 121 with at least a C or P. Hours per term: 36 lecture and 54 laboratory
The second of two courses designed to prepare students to pass the current CompTIA A+ exams. Includes theory and hands-on activities for installing and maintaining current Windows desktop installations. Also covers diagnosing and correcting operating system issues, and introduces connecting desktop PCs to LAN networks and the Internet. Not Repeatable.

CCTIS 210—Basic Computer Skills for College Success, ½-1½ units
Formerly listed as: CMPSC 210
Hours per term: 9, 18, or 27 lecture
Provides students with the opportunity to build a foundation of basic computer skills vital to success in the college environment including navigating the college website, file management, word processing, course management systems for hybrid and online courses, Internet and email. The material is developed to ensure that students will see the importance of learning how to use the applications for future coursework. Not Repeatable. Grading: (P/NP only)
CHEM 2BL—General Chemistry II Laboratory, 2 units
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 2B with at least a C or P
Hours per term: 18 lecture and 54 laboratory
The laboratory for the second semester of general chemistry covering kinetics, equilibrium, thermodynamics, electrochemistry, analytical chemistry, environmental chemistry, and organic chemistry. Emphasis will be on quantitative measurements, instrumentation, data analysis, and theory development. Not repeatable. MJC equivalent: (CC CHEM 2B + CHEM 2BL = MJC CHEM 102) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 2A+CHEM 2AL+CHEM 2B+CHEM 2BL = C-ID CHEM 120S)

CHEM 4A—Organic Chemistry I, 3 units
Prerequisite: Completion of CHEM 2B with at least a C or P
Hours per term: 54 lecture
A mechanism-based investigation of the reactions of carbon and the analysis of the compounds produced. The nomenclature, structure, bonding, stereochemistry, and physical properties of alkanes, alkyl halides, alkenes, alkynes, alcohols, ethers will be emphasized. Multi-step synthesis is also introduced. This is the first term in a two-semester series in organic chemistry designed for students majoring in chemistry or life sciences. Not repeatable. MJC equivalent: (CHEM 4A & CHEM 4AL = MJC CHEM 112) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 4A+CHEM 4AL = C-ID CHEM 150) (CHEM 4A+CHEM 4AL+CHEM 4BL = C-ID CHEM 160S)

CHEM 4AL—Organic Chemistry I Laboratory, 1 unit
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 4A with at least a C or P
Hours per term: 54 laboratory
The practice of laboratory skills involved in the synthesis, purification, and identification of organic molecules. The specific functional groups addressed will include alkanes, alkenes, alcohols, aromatics, and ethers. Not repeatable. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B3) (IGETC: 5C) C-ID: (CHEM 4A+CHEM 4AL = C-ID CHEM 150) (CHEM 4A+CHEM 4AL+CHEM 4BL = C-ID CHEM 160S)

CHEM 4B—Organic Chemistry II, 3 units
Prerequisite: Completion of CHEM 4A with at least a C or P
Hours per term: 54 lecture
A mechanism-based investigation of the reactions of carbon and the analysis of the compounds produced. The chemistry of dienes, aromatics, amines, carbanions, carboxylic acids, carboxylic acid derivatives, aldehydes, ketones and biochemically important compounds will be examined. Multi-step synthesis is further extended from CHEM 4A to biomimetic natural product synthesis. Not repeatable. Equivalent sequence for MJC: (CHEM 4B & CHEM 4BL = MJC CHEM 113) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 4A+CHEM 4AL+CHEM 4B+CHEM 4BL = C-ID CHEM 160S)

CHEM 4BL—Organic Chemistry II Laboratory, 1 unit
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 4B with at least a C or P
Hours per term: 54 laboratory
Further practice of chemical synthesis of organic compounds, the use of the tools used to purify products and the ways chemists characterize new products formed. Attention to detail while performing multi-step synthesis, chromatographic separations, and spectroscopy analysis will be required. Not repeatable. MJC: (CHEM 4B & CHEM 4BL = MJC CHEM 113) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5C) C-ID: (CHEM 4A+CHEM 4AL+CHEM 4B+CHEM 4BL = C-ID CHEM 160S)

CHEM 5—Introductory Chemistry: Environmental Emphasis, 3 units
Prerequisite: Completion of MATH 101 with at least a C or P
Hours per term: 54 lecture
Introductory chemical principles and theories applied to the study of the environment. Intended as a preparation course for general chemistry and other physical sciences, subjects include problem solving, measurement theory, data analysis, water solubility, spectral analysis, atomic structure, nuclear chemistry, ionic compounds, crystallography, stoichiometry, molecular compounds, gas laws, solutions, acids, bases, toxicity, equilibrium, kinetics, and the environmental analysis of water, soils and air. Science majors looking for an excellent foundation of chemistry before taking degree applicable practical science courses will benefit the most from this course offering. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 5+CHEM 5L = C-ID CHEM 106B)

CHEM 5L—Introductory Chemistry Laboratory, 1 unit
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 5 with at least a C or P
Hours per term: 54 laboratory
Chemical laboratory practices related to environmental analysis including laboratory safety, measurement theory, data analysis, water sampling and analysis, soil sampling and analysis, atomic absorption spectroscopy, ionic and molecular compounds, environmental sampling, sample preparation, solution preparation, and use of standard solutions. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B3) (IGETC: 5C) C-ID: (CHEM 5+CHEM 5L = C-ID CHEM 106B)

CHEM 14—Fundamental Chemistry for Allied Health, 3 units
Prerequisite: Completion of MATH 101 with at least a C or P
Hours per term: 54 lecture
Fundamental theories and principles of chemistry related to biological systems; scientific method, measurements and units, atomic and molecular structure, common biological ions, Lewis structures, nuclear medicine, gas laws, chemical reactions, solutions, acids, bases, buffers, oxidation reduction reactions, and biologically important organic compounds. Not repeatable. Not repeatable. Equivalent sequence for MJC: (CC CHEM 14 & CHEM 14L = MJC CHEM 143) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 14+CHEM 14L = C-ID CHEM 101)
CHEM 14L—Fundamental Chemistry for Allied Health Laboratory, 1 unit
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 14 with at least a C or P
Hours per term: 54 laboratory
Fundamental laboratory practices related to chemistry and biology; measurements and units, physical separations, solution preparation, observing chemical reactions, computer added molecular modeling, spectrophotometer analysis, organic synthesis, enzyme kinetics, qualitative analysis. Not repeatable. Equivalent sequence for MJC: (CC CHEM 14 & CHEM 14L = MJC CHEM 143) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B3) (IGETC: 5C) C-ID: (CHEM 14 + 14L = CHEM 101)

CHEM 16—Fundamental Organic and Biochemistry, 3 units
Prerequisite: Completion of CHEM 14 or CHEM 5 or CHEM 2A with at least a C or P
Hours per term: 54 lecture
The chemistry needed to pursue advanced allied health fields including the structure, nomenclature, physical properties, preparation, and reactions of organic compounds containing functional groups related to biological systems and the biochemistry of carbohydrates, lipids, amino acids, and nucleic acids. Special topics may include neurotransmitters, hormones, steroids, and other related biological molecules. Not repeatable. Equivalent sequence: (CC CHEM 16 & CHEM 16L = MJC CHEM 144) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 16+CHEM 16L = C-ID CHEM 102)

CHEM 16L—Fundamental Organic and Biochemistry Laboratory, 1 unit
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 16 with at least a C or P
Hours per term: 54 laboratory
Experiments and laboratory practices in organic and biochemistry will be explored in a wet lab setting. Organic purification techniques, compound analysis, and synthesis will be emphasized in the first half while reactions of biological molecules such as sugars, fats and oils, amino acids, and nucleic acids will be accomplished in the second half of the course. Not repeatable. MJC equivalent: (CC CHEM 16 & CHEM 16L = MJC CHEM 144) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B3) (IGETC: 5C) C-ID: (CHEM 16+CHEM 16L = C-ID CHEM 102)

CHEM 20—The Chemistry of Everything, 3 units
Prerequisite: Completion of MATH 101 with at least a C or P
Hours per term: 54 lecture
An introduction to the way chemists look at the world. Designed for non-science majors, topics ranging from dirt and sunshine to water and explosives will be explored. A blend of chemistry content and real-life applications will be used to illustrate scientific thought processes. Not repeatable. MJC equivalent: (CHEM 150) Transfer: (CSU/UC-Transfer credit limited. See a counselor) (CSU-GE: B1) (IGETC: 5A) C-ID: (CHEM 100)
CHEM 20L—The Chemistry of Everything Laboratory, 1 unit  
Prerequisite/Co-requisite: Completion of or concurrent enrollment in CHEM 20 with at least a C or P  
Hours per term: 54 laboratory  
An introduction to how chemists work in the laboratory. Experiments will be performed in a wet lab environment allowing for a more in-depth understanding of how chemistry principles shape our world. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B3) (IGETC: 5C)

CHEM 30/PHYCS 30—Survey of Chemistry and Physics, 4 units  
Prerequisite: Completion of MATH 101  
Hours per term: 54 lecture and 54 laboratory  
An investigation of basic principles of physics and chemistry including matter, physical and chemical properties, energy, motion, light, atomic structure, bonding, solutions and chemical reactions. The inter-dependence of chemistry and physics will be emphasized. The inquiry-based learning experience is designed to assist students and future science educators in learning how to guide learning by self-discovery. Credit may be earned once for CHEM 30 or PHYCS 30. Not repeatable. MJC equivalent: (PHSCI 180) Transfer: (CSU/UC) (CSU-GE: B1, B3) (IGETC: 5A, 5C) C-ID: (CHEM 30 or PHYCS 30 = C-ID CHEM 140)

CHILD 1—Child Growth and Development, 3 units  
Recommended for Success: ENGL 1A or ENGL 151  
Hours per term: 54 lecture  
Growth and development of children, both typical and atypical, from conception through adolescence. Basic concepts related to physical, social, intellectual, and emotional development, including the effects of culture, will be explored. Emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages. Not repeatable. MJC equivalent: (CLDDV 103) Transfer: (CSU/UC) (CSU-GE: D9, E) (IGETC: 4G) C-ID: (CLDDV 103)

CHILD 3—Principles and Practices of Teaching Young Children, 3 units  
Hours per term: 54 lecture  
An examination of the underlying theoretical principles of developmentally appropriate practice applied to programs, environments; emphasizing the key role of relationships, constructive adult-child relationships, and teaching strategies in supporting physical, social, creative and intellectual development for all children. This course includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics and professional identity. Not repeatable. MJC equivalent: (CLDDV 101) Transfer: (CSU) C-ID: (ECE 120)

CHILD 4—Observation and Assessment, 3 units  
Hours per term: 54 lecture  
This course focuses on the appropriate use of a variety of assessment and observation strategies to document development and behavior. Child observations will be conducted and analyzed. Not repeatable. MJC equivalent: (CLDDV 167) Transfer: (CSU) C-ID: (ECE 200)

CHILD 8—Early Literacy Development, 3 units  
Hours per term: 54 lecture  
This course will improve early childhood educators’ and care providers’ knowledge of early literacy development and the skills in teaching early literacy to children from birth through age eight. It includes research-based principles for providing children with a strong foundation in early reading and writing within a developmentally appropriate approach. Not repeatable. Transfer: (CSU)
CHILD 16—Practicum, 3 units
Prerequisite: Completion of Child 1 and CHILD 22 with at least a C or P
Corequisite: Concurrent enrollment in CHILD 3
Hours per term: 18 lecture and 108 laboratory
In this course students will practice and demonstrate developmentally appropriate early childhood program planning and teaching competencies at an approved placement site. Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, and assessment, and knowledge of curriculum content areas will be emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning for all young children. Not repeatable. MJC equivalent: (CLDDV 127 or CLDDV 128) Transfer: (CSU) C-ID: (ECE 210)

CHILD 17—Adult Supervision Practicum, 2 units
Hours per term: 18 lecture and 54 laboratory
Child development students will gain the skills and techniques needed to supervise adults in developmentally appropriate early childhood education programs. The curriculum is designed for advanced students who are seeking to fulfill the adult supervision requirement for the Child Development Permit and/or supervise others. Not repeatable. MJC equivalent: (CLDDV 154) Transfer: (CSU)

CHILD 19—Introduction to Children with Special Needs, 3 units
Hours per term: 54 lecture
Introduces the variations in development of children with special needs ages birth through eight and the resulting impact on families. Includes an overview of historical and societal influences, laws relating to children with special needs, and the identification and referral process. Not repeatable. MJC equivalent: (CLDDV 109) Transfer: (CSU)

CHILD 20—Child, Family, Community, 3 units
Hours per term: 54 lecture
An examination of the developing child in a societal context which focuses on the interrelationships of family, school, and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted. Not repeatable. MJC equivalent: (CLDDV 106) Transfer: (CSU) (CSU-GE: D7) C-ID: (CDEV 110)

CHILD 21—Guiding Children’s Social Development, 3 units
Hours per term: 54 lecture
This course is designed to provide early childhood educators and parents with the skills necessary to promote the emotional support and guidance young children need for healthy social development. Topics include: the developmental aspects of social/emotional development, supporting children in stressful situations, fostering self-discipline, supporting children’s friendships, promoting pro-social behavior, handling children’s aggressive behavior, and diversity issues. This course covers children birth through school-age. Not repeatable. MJC equivalent: (CLDDV 121) Transfer: (CSU)

CHILD 22—Child, Family, Community, 3 units
Hours per term: 54 lecture
An examination of the developing child in a societal context which focuses on the interrelationships of family, school, and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted. Not repeatable. MJC equivalent: (CLDDV 106) Transfer: (CSU) (CSU-GE: D7) C-ID: (CDEV 110)

CHILD 26—Health, Safety and Nutrition, 3 units
Hours per term: 54 lecture
Introduction to the laws, regulations, standards, policies and procedures and early childhood curriculum related to child health, safety and nutrition. The key components that ensure physical health, mental health and safety for both children and staff will be identified along with the importance of collaboration with families and health professionals. Focus on integrating the concepts into everyday planning and program development for all children. Not repeatable. MJC equivalent: (CLDDV 111) Transfer: (CSU) C-ID: (ECE 220)

CHILD 28—Books for Young Children, 3 units
Hours per term: 54 lecture
An introductory course on books for young children. Topics will include how to evaluate content and illustration; choosing books that relate to children's developmental needs and interest; the art of reading aloud. Field work involving reading aloud to children under six years of age is required. Not repeatable. Transfer: (CSU)

CHILD 30—Administration I: Programs in Early Childhood Education, 3 units
Recommended for Success: Completion of ENGL 151 with at least a C or P
Hours per term: 54 lecture
Introduction to the administration of early childhood programs. Covers program types, budget, management, regulations, laws, development and implementation of policies and procedures. Examines administrative tools, philosophies, and techniques needed to organize, open, and operate an early care and education program. Not repeatable. MJC equivalent: (CLDDV 150) Transfer: (CSU)

CHILD 31—Advanced Child Care Administration, 3 units
Prerequisite: Completion of CHILD 30 with at least a C or P
Hours per term: 54 lecture
An advanced course for directors and lead teachers in child care. Students will learn staff development and leadership techniques. Fiscal, advocacy and current issues will be explored. Not repeatable. MJC equivalent: (CLDDV 151) Transfer: (CSU)

CHILD 35—Introduction to Curriculum, 3 units
Hours per term: 54 lecture
An overview of knowledge and skills related to providing appropriate curriculum and environments for young children from birth to age 6. Students will examine teacher's role in supporting development and fostering the joy of learning for all young children using observation and assessment strategies emphasizing the essential role of play. An overview of content areas will include but not be limited to: language and literacy, social and emotional learning, sensory learning, art and creativity, math and science. Not repeatable. MJC equivalent: (CLDDV 107) Transfer: (CSU) C-ID: (ECE 130)
COURSES:  CHILD

CHILD 36—Teaching in a Diverse Society, 3 units
Hours per term: 54 lecture
Examination of the development of social identities in diverse societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms and teaching. Various classroom strategies will be explored, emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. Course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. Not repeatable. MJC equivalent: (CLDDV 262) Transfer: (CSU) (CSU-GE: D7) C-ID: (ECE 230)

CHILD 41—Implementing Curriculum for Young Children, 4 units
Hours per term: 72 lecture
A hands on survey of educational activities suitable for young children birth to age 8 in the areas of math, science, art, and movement. Students will examine the connection between observation and assessment and planning curriculum. Developmentally appropriate practice and elements of high quality care will be emphasized. Transfer: (CSU)

CHILD 42—Infant/Toddler Development, 3 units
Hours per term: 54 lecture
A study of infants and toddlers from pre-conception to age three including physical, cognitive, language, social, and emotional growth and development. Applies theoretical frameworks to interpret behavior and interactions between heredity and environment. Emphasizes the role of family and relationships in development. Not repeatable. MJC equivalent: (CHILD 125) Transfer: (CSU)

CHILD 43—Infant/Toddler Care and Education, 3 units
Hours per term: 54 lecture
Applies current theory and research to the care and education of infants and toddlers in group settings. Examines essential policies, principles and practices that lead to quality care and developmentally appropriate curriculum for children birth to 36 months. Not repeatable. MJC equivalent: (CHILD 122) Transfer: (CSU)

CHILD 44—Infant/Toddler Practicum, 3 units
Formerly listed as: CHILD 116
Prerequisite(s): Completion of CHILD 1 and CHILD 22 with at least a C or P Corequisite(s): Concurrent enrollment in or prior completion of CHILD 3 with at least a C or P
Hours per term: 18 lecture and 108 laboratory
In this course the student will practice and demonstrate developmentally appropriate early childhood program planning and teaching competencies in an approved infant or toddler field site. Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child-centered, play-oriented approaches to teaching, learning and assessment, and knowledge of curriculum content areas will be emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning for all young children. This class can be used by students as a specialization class toward their Child Development Permit (issued by the California Teacher Credentialing Office). Not repeatable except for grade improvement. MJC equivalent: (CHILD 127) Transfer: (CSU)

CHILD 45—School-Age Child Care, 3 units
Formerly listed as: CHILD 126
Hours per term: 54 lecture
This course will include the study of child development for children ages 6 to 12 and an overview of skills necessary to provide appropriate care for this age group. This class can be applied by students as a specialization class toward their Child Development Permit (issued by the California Teacher Credentialing Office). Not repeatable. Transfer: (CSU)

CHILD 97—Work Experience in Child Development, 1-4 units
Co-requisite: Must be enrolled in at least seven (7) units, including Work Experience, where 75 employed hours with pay equals 1 unit, or 60 employed hours without pay equals 1 unit
Provides students an opportunity to experience supervised employment in Child Development. The student's employment must be related to educational or occupational goals. May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Grading: (P/NP only) Transfer: (CSU-Transfer credit limited. See a counselor.)
DRAFT (DRAFTING)

DRAFT 50A—Computer Assisted Drafting I, 3 units
Hours per term: 36 lecture and 54 laboratory
Introduction to the use of the computer as a tool for accomplishing basic drafting tasks consistent with mechanical and architectural drafting conventions. Included topics: polar and rectangular coordinates, lines, polygons, layers, blocks, editing, hatches, dimensioning, orthographic projections, isometric drawing, layout view, plotting, and an introduction to 3-D. Not repeatable. Transfer: (CSU)

DRAFT 50B—Computer Assisted Drafting II, 3 units
Prerequisite: Completion of DRAFT 50A with at least a C or P
Hours per term: 36 lecture and 54 laboratory
Intermediate to advanced features of AutoCAD through creation of 3-D drawings. Included topics: customizing the AutoCAD environment, use of digitizer tablet, 3-D surfaces, solids modeling, elevated plane, extrusions, revolution, shading, rendering, scenes, lighting, textures, user coordinate system, views and ports, exporting of drawing, external databases. Not repeatable. Transfer: (CSU)

DRAMA (DRAMATIC ARTS)

DRAMA 10—Introduction to the Theatre, 3 units
Hours per term: 54 lecture
Provides an introduction to the art of theater, surveying the roles of the playwright, the director, the actor, the designers, the producer, the critics and the audience. Investigates the variety of theatrical styles observed in contemporary theater and its historical and cultural precedents. Compares live theatre with the electronic forms. Designed to promote the student’s greater understanding and enjoyment of theatre as an art form. Field trips may be required. MJC equivalent: (THETR 100) Transfer: (CSU/UC) (CSU-GE: C1) (IGETC: 3A) C-ID: (THTR 111 or THTR 112)

DRAMA 19/SPCOM 19—Exploring Radio Drama, 1½-3 units
Hours per term: 27-54 lecture
An intensive course focused on audio theatre production featuring the expressive use of the voice and sound effects. Students will create, rehearse, perform and provide sound effects for audio plays to be recorded. Credit may be earned once for DRAMA 19 or SPCOM 19. Not repeatable. Transfer: (CSU)

DRAMA 20—Oral Expression and Interpretation, 3 units
Recommended for Success: ENGL 1A
Hours per term: 54 lecture
Techniques in reading literature aloud; vocal development, production, articulation, and variety; understanding and interpreting prose, poetry, and dramatic literature; processes in the oral performance of principal literary genre. MJC equivalent: (COMM 120 & THETR 120) Not repeatable. Transfer: (CSU/UC) (CSU-GE: C1) C-ID: (COMM 170)

DRAMA 22—Introduction to Readers’ Theatre, 3 units
Hours per term: 36 lecture and 54 laboratory
Theory and practice of Readers’ Theatre as an art form. Directed experiences in selecting, cutting, arranging and performing the Readers’ Theatre script. Not repeatable. MJC equivalent: (THETR 122) Transfer: (CSU/UC)

DRAMA 42—Acting Fundamentals, 3 units
Hours per term: 36 lecture and 54 laboratory
Investigation of techniques and theories prerequisite to theatrical performances; psychological, philosophical, and practical preparation for the actor’s art. Not repeatable. MJC equivalent: (THETR 160) Transfer: (CSU/UC) (CSU-GE: C1)

DRAMA 43—Acting-Directing, 3 units
Recommended for Success: DRAMA 42
Hours per term: 36 lecture and 54 laboratory
A workshop in techniques of both acting and directing with specific focus upon the production of short scenes from a variety of theatrical genres. Not repeatable. Transfer: (CSU/UC) (CSU-GE: C1)

Columbia College’s unique, forested setting is home to an array of beautiful flora and fauna. In spring, the campus lights up with blooms of lupine, redbud, coyote bush and more like the dogwood blossoms above.
ECON 10—Principles of Economics, Macro, 3 units
Prerequisite: Completion of MATH 101 or a higher-level math with at least a C or P, or placement through the assessment process
Recommended for Success: MATH 104
Hours per term: 54 lecture
Focus on the ongoing concerns of a market economy, particularly the United States and its dealings with growth, unemployment, inflation, and gross domestic product. Students will explore macroeconomic models, national income accounting, aggregate demand, aggregate supply, fiscal, and monetary policy. International implications are introduced throughout the course to explain the impact of globalization on our economy. Further understanding of these concepts and topics will be aided by the use of current events both foreign and domestic, and enhanced instruction by the use of electronic communication and interactive material. Not repeatable. MJC equivalent: (ECON 101) Transfer: (CSU/UC) (CSU-GE: D2) (IGETC: 4B) C-ID: (ECON 202)

ECON 11—Principles of Economics, Micro, 3 units
Prerequisite: Completion of MATH 101 or a higher-level math with at least a C or P, or placement through the assessment process
Recommended for Success: MATH 104
Hours per term: 54 lecture
Microeconomics emphasizes the study of individual units. The consumer: consumer behavior theory, demand and elasticity. The corporation: analysis of costs, theory of production, pricing factor inputs including wages, rent, and interest; the social implications of various market structures; and special economic problems. Further understanding of these concepts and topics will be aided by the use of current events, both foreign and domestic, and enhanced instruction by the use of electronic communication and interactive material. Not repeatable. MJC equivalent: (ECON 102) Transfer: (CSU/UC) (CSU-GE: D2) (IGETC: 4B) C-ID: (ECON 201)

EDUC 11—Introduction to Elementary Classroom Teaching, 3 units
Recommended for Success: ENGL 1A
Hours per term: 36 lecture, 54 laboratory
This course introduces students to the concepts and issues related to teaching diverse learners in today’s contemporary schools, Transition Kindergarten through grade 12 (TK-12). Course requires a minimum of 45 hours of structured fieldwork in public school elementary classrooms. Not repeatable. MJC equivalent: (SOCSC 110) Transfer: (CSU/UC) C-ID: (EDUC 200)

EDUC 50—Online Course Development, 3 units
Hours per term: 54 lecture
This course will emphasize techniques for developing universally designed online learning modules, effective pedagogy for teaching online, including effective teaching practices while demonstrating how to use the course management learning system. Synchronous and Asynchronous communication will be covered to encourage regular and effective communication. Not repeatable. Transfer: (CSU)

EDUC 51—Emerging Technologies for Online Course Development, 3 units
Hours per term: 54 lecture
The course will emphasize enhancing the online course environment with accessible, open source and/or low-cost emerging technology tools and objects. Ideas and hands-on practice will be introduced for integrating emerging technologies, e.g., digital and social media to enhance the online learning experience. Not repeatable. Transfer (CSU).

EDUC 52—Universal Design for Online Course Development, 3 units
Hours per term: 54 lecture
The course will focus on the implementation of universal design for course content, materials and activities to benefit all learners. Not repeatable. Transfer: (CSU)
EMS
(EMERGENCY MEDICAL SERVICES)

EMS 4—Emergency Medical Technician Training, 7 units
Prerequisite(s): Completion of EMS 157 and OFTEC 50 with at least a C or P
Recommended for Success: ENGL 151
Hours per term: 108 lecture and 72 laboratory
An intensive course to assist the student in developing didactic and manipulative skills to recognize and treat illness and injuries in the pre-hospital environment. The course meets or exceeds both State of California and United States Department of Transportation’s EMT-Basic National Standard Curriculum (DOT HS 808 149) training guidelines. This course prepares students for National Registry certification as an Emergency Medical Technician. At the first class session students will be required to show verification of current CPR certification equivalent to current American Heart Association’s Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care at the Healthcare Provider level as specified by State of California regulations. Not repeatable except for grade improvement. MJC Equivalent: (EMS 390) Transfer: (CSU)

EMS 10—Outdoor Emergency Care Training, 6 units
Hours per term: 108 lecture and 18 laboratory
This is an intensive course to assist the student in developing didactic and manipulative skills to recognize and treat illness and injuries in the non-urban, pre-hospital environment. The course shall meet or exceed the training guidelines and requirements as specified by the National Ski Patrol and the American Academy of Orthopedic Surgeons. Those students wishing to become National Ski Patrol Basic Patrollers must have approval from sponsoring agency and may be required to pass a skiing proficiency test on the first day of the class or prior to certification. Field trips may be required. Not repeatable. Transfer: (CSU)

EMS 12—Pre-Paramedic Training, 8 units
Hours per term: 144 lecture
Provides prerequisites needed for entry into a Paramedic Training Program. An intensive course dealing with anatomy, physiology, pharmacology, and EKG interpretation, and their relationship in the pre-hospital environment. Current EMT certification is required. Two or more years of pre-hospital work experience is strongly recommended. A class entrance exam will be administered on the first evening of class. Not repeatable. Transfer: (CSU)

EMS 20—Basic Cardiology and Cardiac Dysrhythmias, 3 units
Hours per term: 54 lecture
An intensive course that details basic cardiac anatomy and physiology, normal vs. abnormal cardiac function, electrocardiogram recognition of cardiac dysrhythmias, and the interventions, including pharmacologic therapy, pertaining to specific dysrhythmias. Designed for both the health care professional and the pre-hospital care professional. Serves as an excellent ACLS review and/or prepares students for a paramedic training program. Meets requirements for “Monitor Technician” at many health care facilities. Current EMT certification and/or LVN or higher nursing certification is required for class eligibility. Not repeatable. Transfer: (CSU)

EMS 97—Work Experience in Emergency Medical Service, 1-4 units
Co-requisite: Must be enrolled in at least seven (7) units, including Work Experience, where 75 employed hours with pay equals 1 unit, or 60 employed hours without pay equals 1 unit
Provides students an opportunity to experience supervised employment in EMS. The student’s employment must be related to educational or occupational goals. Grading: (P/NP only) May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Transfer: (CSU) Transfer credit limited. See a counselor.

EMS 107—Skills Refresher for Emergency Medical Technicians and First Responders, ½ units
Prerequisite: Completion of EMS 4 or EMS 157 with at least a C or P, or equivalent medical certification level
Hours per term: 27 lecture
This instructor-based course meets or exceeds the Skills Competency and Continuing Education requirements required for EMT recertification. Students will reacquaint themselves with the equipment and skills used by both Emergency Medical Technicians and/or First Responders in emergency medical situations. The course is designed to update existing EMT and First Responder certifications as well as provide continuing education (CE) for EMT and First Responder certificated personnel. Note: Students who do NOT require skills competency verification and require ONLY instructor-based Continuing Education credits should consider EMS 109 (Online Emergency Medical Technician Refresher). Grading: (P/NP only)

EMS 109—Online Emergency Medical Technician Refresher, 1½ units
Prerequisite: Completion of EMS 4 or EMS 157 with at least a C or P, or equivalent medical certification level
Hours per term: 27 lecture
This online course meets or exceeds local requirements for instructor-based EMT Continuing Education and Recertification. Students will re-acquaint themselves with the treatment protocols and knowledge required by Emergency Medical Technicians. The course is designed to update existing EMT and/or First Responder certifications as well as provide continuing education credit (CE) for EMT and First Responder certificated personnel. Note: This course only provides instructor-based Continuing Education credits. Students should consider EMS 107 (Skills Refresher for Emergency Medical Technicians and First Responders) if skills competency verification and/or CPR/AED certification is desired. Not repeatable. Grading: (P/NP only)

EMS 153—CPR and Basic First Aid, ½ unit
Hours per term: 9 lecture
A basic course designed for the citizen who wishes to maintain or acquire Cardio-Pulmonary Resuscitation (CPR) and Basic First Aid certification, or who wishes to learn basic CPR and basic first aid techniques. Successful course completion results in Adult, Child and Infant CPR certification and Basic First Aid certification. Not repeatable. Grading: (P/NP only)
EMS 157—Emergency Medical Responder and CPR, 3 units
Hours per term: 54 lecture
A basic course for emergency service workers (volunteer or professional) who may, in the performance of their duties, be responding to medical emergencies. Particular emphasis will be placed on situations unique in the rural setting. Stresses continuity of care through the approach to the patients and prioritization of their injuries/illnesses where advanced life support response is delayed or unavailable. Meets or exceeds United States Department of Transportation National Standard Curriculum, and State and local government requirements. Not repeatable. MJC equivalent: (EMS 350)

EMS 165—Conversational Medical Spanish for Emergency Health Care Providers, 3 units
Hours per term: 54 lecture
This course is intended to develop fundamental conversational skills primarily for Emergency Health Care Providers and other health care providers. This course is not intended to replace or substitute for a course of study in a foreign language and is specific in its design and content. Basic dialogue and pattern practice will be the instructional method, emphasizing a medical question and answer format. The course will cover basic non-technical vocabulary, some specialized functional terms, idiomatic expressions and situational phrases used in medical Spanish. Also included will be cultural characteristics of the local population of Spanish speakers. Not repeatable.

EMS 175—EMS Skills Development, 2 units
Hours per term: 27 lecture and 27 laboratory
This course focuses on the development of basic skills needed for the operation of a variety of emergency medical equipment according to commonly accepted protocols. Sessions are designed to develop speed and accuracy in the application of equipment and enhance assessment and treatment techniques. Not repeatable. Grading: (P/NP only)
ENGL (ENGLISH)

ENGL 1A—Reading and Composition: Beginning, 3 units
Prerequisite: Completion of ENGL 151 with at least a C or P, or placement through the assessment process
Hours per term: 54 lecture
Development of college-level reading and composition skills. Emphasis will be on applying techniques of critical analysis to reading, interpreting, writing, and conducting research. Writing emphasis will be on the expository essay, including the longer documented essay. Note: Students will complete writing assignments with a total minimum of 8,000 words by the end of the semester. Not repeatable. MJC equivalent: (ENGL 101)
Transfer: (CSU/UC) (CSU-GE: A3, C2) (IGETC: 1B) C-ID: (ENGL 100)

ENGL 1B—Advanced Composition and Introduction to Literature, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Hours per term: 54 lecture
This transfer-level course introduces students to major literature genres: poetry, drama, short story, and long works of fiction, from diverse cultural sources and perspectives. Students write approximately 8,000-10,000 words in critical essays, employing methods of literary analysis and research, demonstrating further development of reading, critical reasoning, and writing skills. Not repeatable. MJC equivalent: (ENGL 102) Transfer: (CSU/UC) (CSU-GE: A3, C2) (IGETC: 1B) C-ID: (ENGL 120)

ENGL 1C—Advanced Composition and Critical Thinking, 3 units
Formerly listed as: "Critical Reasoning and Writing"
Prerequisite(s): Completion of ENGL 1A with at least a C or P
Hours per term: 54 lecture
Designed to develop critical thinking, reading, and writing beyond the level taught in ENGL 1A. Will focus on the development of logical reasoning, analysis, and argumentation in composition. Note: Students will complete writing assignments with a total minimum of 8,000 words by the end of the semester. Not repeatable. MJC equivalent: (ENGL 103) Transfer: (CSU) (CSU-GE: A3) (IGETC: 1B) C-ID: (ENGL 105)

ENGL 10—Creative Writing, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Hours per term: 54 lecture
Instruction and practice in writing poetry, fiction, drama, and non-fiction prose, including autobiography, essays, and articles. Analysis of contemporary works with respect to literary techniques. The class employs a workshop format. Not repeatable. Transfer: (CSU/UC) C-ID: (ENGL 200)

ENGL 11—Film Appreciation, 3 units
Prerequisite(s): Completion of ENGL 1A with at least a C or P
Hours per term: 36 lecture and 54 laboratory
This course introduces students to many aspects of film: to its infancy and development, to its historical figures, to its technical elements like editing and cinematography, and to the many countries around the world where cinema is a thriving art form. Along the way, students will analyze films through discussions and essays, plus create their own original short movies. Not repeatable. MJC equivalent: (ENGL 161)
Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

ENGL 17—American Literature, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Recommended for Success: ENGL 1B
Hours per term: 54 lecture
A study of American literature from its beginning to the late nineteenth century. Reading, analysis, and discussion of the major literary trends and authors of the time, including Emerson, Thoreau, Poe, Hawthorne, Melville, Whitman, and Dickinson. Not repeatable. MJC equivalent: (ENGL 135) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B) C-ID: (ENGL 130)

ENGL 18—American Literature, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Recommended for Success: ENGL 1B
Hours per term: 54 lecture
A study of American literature from the late nineteenth century to the present. Reading, analysis, and discussion of the major literary trends and authors of the time, including Twain, James, Crane, Frost, Eliot, and Faulkner as well as a diverse group of contemporary writers. Not repeatable. MJC equivalent: (ENGL 136) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B) C-ID: (ENGL 135)

ENGL 46—Survey of English Literature, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Recommended for Success: ENGL 1B
Hours per term: 54 lecture
English literature from the Anglo-Saxons through the 18th Century. MJC equivalent: (ENGL 137) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B) C-ID: (ENGL 160)

ENGL 47—Survey of English Literature, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Recommended for Success: ENGL 1B
Hours per term: 54 lecture
English literature of the 19th and 20th Centuries. MJC equivalent: (ENGL 138) Not repeatable. Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B) C-ID: (ENGL 165)
ENGL 49—California Literature, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Recommended for Success: ENGL 1B
Hours per term: 54 lecture
An overview of the literary heritage of California, from its early origins to Harte, Bierce, and Twain through the realism of Norris and London, the regionalism of Steinbeck, Saroyan, Jeffers to the naturalism of Muir. Also will include writings from the Carmel cadre, the San Francisco Beat writers, to contemporary writers including Stegner, Yamamoto, Soto, Haslam, Tan, Didion, Rose, Miles, and Valdez. The approach will emphasize the rich ethnic diversity that has contributed to our literary heritage. Field trips may be required. Not repeatable. Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

ENGL 50—Introduction to Shakespeare, 3 units
Prerequisite(s): Completion of ENGL 1A with at least a C or P
Recommended for Success: Completion of ENGL 1B with at least a C or P
Hours per term: 54 lecture
An introduction to the representative works by Shakespeare, including the characteristics of the different genres—comedy, history, tragedy—and a study of a number of the sonnets. In addition, students will study the literary, social, and historical backgrounds of Shakespeare's time as they affect the meaning of the works studied. Not repeatable. MJC equivalent: (ENGL 163) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

ENGL 81—Introduction to World Literature: 1500 to present, 3 units
Prerequisite: Completion of ENGL 151 with at least a C or P or eligibility for ENGL 1A
Recommended for Success: ENGL 1A
Hours per term: 54 lecture
Literature, including historical backgrounds, from the Renaissance to contemporary literatures of Asian, Middle Eastern, European, African, American, and Latin American cultures. Field trips may be required. Not repeatable. Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B) C-ID: (ENGL 145)

ENGL 125—Shakespeare Live: A Week of Theater in Ashland, Oregon, 3 units
Hours per term: 54 lecture
Ashland is the home of the Oregon Shakespeare Festival, one of America's premier theater companies. Students will travel to Ashland to experience a variety of plays, plus receive instruction on acting and design from the company's actors. At least one of the plays will be written by Shakespeare (more in the autumn), so much of the course will focus on Shakespeare and his times. Prior to the week in Ashland, students will attend classes at Columbia College to prepare for the plays. Field trips required. Not repeatable.

ENGL 132—Writing Short Fiction, 2 units
Hours per term: 36 lecture
Instruction and practice in writing shorter forms of fiction. Field trips may be required. Not repeatable.

ENGL 133—Writing It Real: Creative Nonfiction, 1-2 units
Recommended for Success: ENGL 151
Hours per term: 18 or 36 lecture
Development of skills in creative nonfiction writing. Study the principles involved in writing creative nonfiction, such as memoirs, personal essays, reviews, profiles, nature writing, and reportage. Participants create writings as well as analyze and respond to peer and professional work. Field trips may be required. Not repeatable.

ENGL 151—Preparation for College Composition, 5 units
Prerequisite: Completion of ENGL 650 with at least a C or P or eligibility for English 151
Recommended for Success: Concurrent enrollment in ENGL 649
Hours per term: 90 lecture
Developing writing skills. Students will implement writing process strategies in the production of 500-750 word essays. Course will emphasize techniques for developing descriptive, narrative, and expository essays, including essays requiring research and the inclusion of source materials, while demonstrating control over structural components of writing. Students will also develop critical reading skills and information-gathering competency. Completion of this course will prepare students for ENGL 1A. Note: Concurrent enrollment in ENGL 649 will complement studies in ENGL 151. Not repeatable. MJC equivalent: (ENGL 50)

ENGL 606—English as a Second Language: Advanced, 3 units
Prerequisite: Completion of ENGL 705A, ENGL 705B and/or ENGL 705C with at least a C or P
Hours per term: 54 lecture
This course will prepare the non-native speaker of English for regular college courses. It will involve reading, writing, listening and speaking with emphasis on reading various college-level materials and writing essays with additional preparation for success on the TOEFL. Not repeatable.

ENGL 637—Writing for Personal Enrichment, ½ unit
Hours per term: 9 lecture
Writing is an instinctive art form that can nourish and sustain; it is an art that is accessible to everyone. Personal writing is a means to access and develop that art. Participants will examine different writings and analyze their effective elements. Then students will focus on putting pen to paper, taking time to pause, reflect, discover their creative source, and ultimately work to create prose and/or poetry that contains specific qualities. Activities will involve analyzing literary selections and exploring the writing process in the context of journal writing and guided exercises. Not repeatable. Grading: (P/NP only)

ENGL 649—Writing Skills Workshop, 1 unit
Corequisite(s): ENGL 151 Preparation for College Composition or ENGL 650
English Fundamentals
Hours per term: 18 lecture
Individual assistance for students enrolled in ENGL 151 or ENGL 650. Students will receive assistance with prewriting, revision and proofreading strategies. The focus will be on encouraging students to identify their specific problems when completing writing assignments for ENGL 151/650. Grading: (P/NP Only). Not repeatable.
ENGL 650—English Fundamentals, 3 units
Recommended for Success: Completion of ENGL 649 with at least a C or P.
Hours per term: 54 lecture
Fundamentals of the writing process. Students will engage in the various stages of the writing process. Emphasis will be on improving writing fluency and grammatical skills, developing sentence structure, and proofreading strategies within the context of brief 250-500 word essays. Not repeatable. MJC equivalent: (ENGL 49)

ENTRE (ENTREPRENEURSHIP)

ENTRE 101—Introduction to Entrepreneurship, 2 units
Hours per term: 36 lecture
The student will evaluate the business skills and commitment necessary to successfully operate an entrepreneurial venture and review the challenges and rewards of entrepreneurship. The student will understand the role of entrepreneurial businesses in the United States and the impact on our national and global economy. Not repeatable.

ENTRE 102—Entrepreneurial Marketing, 2 units
Hours per term: 36 lecture
The student will gain insights essential for marketing an entrepreneurial venture utilizing innovative and financially responsible marketing strategies. The student will analyze marketing philosophies implemented by key successful entrepreneurs. Additionally, the student will prepare a marketing plan to launch the entrepreneurial venture and a marketing plan to implement during the first two years of business operation. Not repeatable.

ENTRE 103—Financial Management for Entrepreneurs, 2 units
Hours per term: 36 lecture
The importance and impact of funding sources for an entrepreneurial venture. This will be accomplished by reviewing the impact of venture capital in every phase of the business venture from idea to exit, including planning, team building, protecting intellectual capital, identifying funding sources, raising money, writing funding agreements, and managing through to an initial public offering (IPO) or merger and acquisition. Additionally, the student will develop and present a funding proposal. Not repeatable.

ENTRE 104—Preparing Effective Business Plans, 2 units
Hours per term: 36 lecture
Designed to help students develop an effective written implementation plan for a new business venture, including the critical decisions and action steps that entrepreneurs must take in both planning and executing a new venture. The course focuses on "doing" rather than on mere facts about business development and business plan writing. Not repeatable.

ENTRE 105—Social Media Marketing, 2 units
Hours per term: 36 lecture
Learn to use social media as a marketing tool, and develop competitive strategies to make your business or product stand out from the crowd. Whether it's a blog, Facebook, LinkedIn, Twitter, or any other social media tool, social platforms are driving purchasing decisions in both the online and offline worlds. Not repeatable.

ENTRE 106—Patents, Copyrights, and Trademarks, 2 units
Hours per term: 36 lecture
A study of the requirements and procedures for obtaining and maintaining patent, trademark, copyright protection, and trade secrets. The basics behind intellectual property, and how they relate to the launch of a potential venture. Not repeatable.

ESC (EARTH SCIENCE)

ESC 1—Energy: Uses and Alternatives, 3 units
Hours per term: 54 lecture
The physical concepts of energy, work, and energy conversion techniques, including the first and second laws of thermodynamics, embedded energy, energy conservation and carbon footprint. Other concepts include the biogeochemical cycles (Carbon and Nitrogen cycles and anthropogenic impacts from energy consumption), historical and conventional uses (America and worldwide), environmental impacts generated by energy conversion, population growth and its potential impact upon energy consumption, alternative and renewable sources of energy, how we arrived at our current state of energy production/consumption, global impacts of energy production/consumption, and alternatives for future energy production/consumption. Sustainability and intergenerational equity are also explored. Apply critical thinking processes through analysis of present-day energy issues and formulation of alternative future solutions. Satisfies general education requirements for non-majors. Field trips required. Not repeatable. Transfer: (CSU/UC) (CSU-GE: B1) (IGETC: 5A)

ESC 5—Physical Geology, 4 units
Recommended for Success: ENGL 1A
Hours per term: 54 lecture and 54 laboratory
The study of the earth, its materials, structures, and processes. Erosion and deposition by streams, wind, waves and glaciers; mountain building and volcanoes at subduction zones, and rifting of the earth’s plates at mid-ocean ridges; tracing the energy from the sun and from the earth’s interior as it drives all of the processes of change on earth; the study of life on earth, past and present; the search for valuable minerals and building materials from the earth. Field trips may be required. MJC equivalent: (GEOL 161) Transfer: (CSU/UC) (CSU-GE: B1, B3) (IGETC: 5A, 5C) C-ID: (GEOL 101)
COURSES:

**ESC 10—Environmental Geology, 3 units**

Recommended for Success: Eligibility for ENGL 1A

Hours per term: 54 lecture

Students will be introduced to environmental geology, which includes the study of hazards associated with seismicity, mass wasting, flooding, coastal processes, and volcanism. Resource and pollution issues will be discussed in the context of population pressures. Global climate change and ozone depletion/hole are also covered. Students will learn to conduct geologic research and will work collaboratively with peers inquiring about geo-environmental issues. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: B1) (IGETC: 5A) C-ID: (GEOL 130)

**ESC 22—Historical Geology, 3 units**

Hours per term: 54 lecture

This course will provide an introduction to the origin, development, and evolution of the earth and its inhabitants. The course covers the 4.5 billion year history of life on earth, as interpreted from the geologic and fossil record. The course will emphasize the diversity of life through geological time, including the origin, evolution, and extinction of the major groups of animals and plants. Additionally, impacts of changing landscapes and geologic environments on the history of life will be assessed. Through the course, students will learn to critically think as geologists and paleontologists do in order to solve geologic, paleontologic, and evolutionary problems. Topics include the study of fossils and rocks, evolution, continents and ocean basins, geologic time, plate tectonics, climate change, and mass extinctions. Intended audience: This course is both a general science class, intended to satisfy general education requirements for non-majors as well as one of the requirements for geology majors. Field trips required. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: B1) (IGETC: 5A) C-ID: (GEOL 110)

**ESC 23—Historical Geology, 4 units**

Hours per term: 54 lecture and 54 laboratory

This course will provide an introduction to the origin, development, and evolution of the earth and its inhabitants. The course covers the 4.5 billion year history of life on earth, as interpreted from the geologic and fossil record. The course will emphasize the diversity of life through geological time, including the origin, evolution, and extinction of the major groups of animals and plants. Additionally, impacts of changing landscapes and geologic environments on the history of life will be assessed. Through the course, students will learn to critically think as geologists and paleontologists do in order to solve geologic, paleontologic, and evolutionary problems. Topics include the study of fossils and rocks, evolution, continents and ocean basins, geologic time, plate tectonics, climate change, and mass extinctions. Intended audience: This course is both a general science class, intended to satisfy general education requirements for non-majors as well as one of the requirements for geology majors. Field trips required. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: B1, B3) (IGETC: 5A, 5C) C-ID: (GEOL 111)

**ESC 25—Geology of the National Parks, 3 units**

Recommended for Success: Eligibility for ENGL 1A

Hours per term: 54 lecture

The study of the earth’s surface in relation to the formation of our National Parks. What part glaciation, erosion, volcanism, and other mountain-building processes play in the formation of the National Parks. Field trips may be required. Not repeatable. **Transfer:** (CSU)

**ESC 30—Global Tectonic Geology, 3 units**

Recommended for Success: ENGL 1A

Hours per term: 54 lecture

An introduction to global geology and how it has revolutionized man’s understanding of the way the earth works. For all who wish to learn about the earth’s wandering continents and spreading sea floors; what causes rising mountain ranges, volcanoes, and earthquakes; and the role that magnetism has played in the revelation of geology. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: B1) (IGETC: 5A)

**ESC 33—Introduction to the Earth, 4 units**

Hours per term: 54 lecture and 54 laboratory

This course is intended to provide an introduction to physical earth processes as studied through the disciplines of geology, oceanography, astronomy, and meteorology. Through the course, students will learn to critically think as geologists, oceanographers, meteorologists, and astronomers do in order to solve earth science problems. Topics include the study of rocks and minerals, mountain building, earthquakes and volcanoes, sea floor spreading, ocean and shoreline features, planets and stars, weather, and climate. Intended audience: This course is a general science class, intended to satisfy general education requirements for non-majors. Field trips may be required. **Transfer:** (EASCI 161)

**ESC 35—Field Geology, ½-3 units**

Hours per term: 9-54 lecture

A field study of selected geologic features and related Earth Science topics. A one- to seven-day field trip will be taken with pre- and post- classroom sessions. Field trips required. **Transfer:** (GEOL 171A & B)

**ESC 35CC—Geology and Gold Mining of Calaveras County, 1-3 units**

Hours per term: 18, 27, 36, 45, or 54 lecture

A field study of Calaveras County’s selected geologic features, gold mining, and other related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. **Transfer:** (CSU)

**ESC 35DV—Geology of Death Valley, 1-3 units**

Hours per term: 18, 27, 36, 45, or 54 lecture

A field study of Death Valley’s selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Not repeatable. **Transfer:** (CSU)

**ESC 35LS—Geology of Lassen, Shasta, Lava Beds, 1-3 units**

Hours per term: 18, 27, 36, 45, or 54 lecture

A field study of Mt. Shasta, Lava Beds National Monument, and Lassen Peak volcanic areas. We will learn about selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. **Transfer:** (CSU)
ESC 35LT—Geology of the Lake Tahoe Region, 1-3 units  
*Hours per term: 18, 27, 36, 45, or 54 lecture*
A field study of the Lake Tahoe region’s selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. Transfer: (CSU)

ESC 35LV—Geology of the Long Valley Caldera, 1-3 units  
*Hours per term: 18, 27, 36, 45, or 54 lecture*
A field study of the Long Valley Caldera and surrounding area’s selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. Transfer: (CSU)

ESC 35ML—Geology of the Mother Lode, 1-3 units  
*Hours per term: 18, 27, 36, 45, or 54 lecture*
A field study of the Mother Lode’s selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. Transfer: (CSU)

ESC 35SA—Geology of the San Andreas Fault, 1-3 units  
*Hours per term: 18, 27, 36, 45, or 54 lecture*
A field study of the San Andreas Fault, Pinnacles National Monument, selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. Transfer: (CSU)

ESC 35SN—Geology of the Sierra Nevada, 1-3 units  
*Hours per term: 18, 27, 36, 45, or 54 lecture*
A field study of the Sierra Nevada’s selected geologic features and related Earth Science topics, including Yosemite, King’s Canyon, and Sequoia National Parks. Also included will be coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. Transfer: (CSU)

ESC 35SP—Geology of the Sonora Pass Area, 1-3 units  
*Hours per term: 18, 27, 36, 45, or 54 lecture*
A field study of the Sonora Pass region’s selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. Transfer: (CSU)

Columbia College’s proximity to the Sierra Nevada range allows students to participate in contextual learning experiences in disciplines such as geology, earth science, fire technology, forestry, natural resources, water resources management, and geographic information systems.
ESC 35TR—Geology of the Tuolumne River, 1-3 units

*Hours per term: 18, 27, 36, 45, or 54 lecture*

A field study of the Tuolumne River’s selected geologic features and related Earth Science topics, including coverage of the California State Earth Science Standards. A one- to seven-day field trip will be taken with possible pre- and post-classroom sessions. Field trips required. Not repeatable. **Transfer:** (CSU)

ESC 40—Descriptive Astronomy, 3 units

*Recommended for Success: Eligibility for ENGL 1A

*Hours per term: 54 lecture*

A survey course in astronomy. Topics include history of astronomy, telescopes, solar system, stars, galaxies, origin of universe, and extraterrestrial life. Field trips may be required. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: B1) (IGETC: 5A)

ESC 42—Natural Hazards, 3 units

*Hours per term: 54 lecture*

This course is intended to provide an introduction to natural hazards as studied through the disciplines of geology, oceanography, astronomy, and meteorology. Through the course, students will learn to critically think as geologists, oceanographers, meteorologists, and astronomers do in order to solve earth science problems. Topics include the study of subsidence, flooding, mass wasting, wildfires, comet/asteroid impacts and extinctions, climate change, severe weather, coastal hazards, earthquakes, and volcanoes. Intended audience: This course is a general science class, intended to satisfy general education requirements for non-majors. Field trips may be required. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: B1) (IGETC: 5A)

ESC 50—Oceanography, 4 units

*Hours per term: 54 lecture and 54 laboratory*

This course will provide students with insights into the field of Oceanography. Students will be exposed to various subtopics including plate tectonics, the ocean floor, air-sea interactions, ocean circulation, waves and water dynamics, tides, earth resources, the coast and coastal processes, the marine habitat and its animal and plant life, etc. This course will spend time teaching you to critically think as an oceanographer does in order to solve oceanographic problems. You will be able to transfer these thinking skills to other areas of your life. This course is a general science class, intended to satisfy general education requirements for non-majors as well as one of the first courses expected of oceanography and marine geology majors. Not repeatable. MJC equivalent: (EASCI I62) **Transfer:** (CSU/UC) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

ESC 62—Meteorology, 3 units

*Hours per term: 54 lecture*

An introduction to the field of Meteorology. Topics include air pollution, clouds, precipitation, fog, storms, weather forecasting, the greenhouse effect, ozone depletion, and global warming. You will be asked to critically think as a meteorologist in order to solve meteorological problems. Field trips may be required. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: B1) (IGETC: 5A) C-1D: (GEOG 130)

**FIRE** (FIRE TECHNOLOGY)

FIRE 1—Fire Protection Organization, 3 units

*Hours per term: 54 lecture*

Introduction to fire protection; career opportunities in fire protection and related fields; philosophy and history of fire protection; fire loss analysis; fire department as part of local government; laws and regulations affecting the fire service; fire service nomenclature; specific fire protection functions; basic fire chemistry and physics; introduction to fire protection systems; introduction to fire strategy and tactics. Not repeatable. MJC equivalent: (FSCI 301) **Transfer:** (CSU)

FIRE 2—Fire Prevention Technology, 3 units

*Prerequisite: Completion of FIRE 1 with at least a C or P

*Hours per term: 54 lecture*

Fundamental information regarding the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards, and the relationship of fire prevention with fire safety education and detection and suppression systems. Not repeatable. MJC equivalent: (FSCI 302) **Transfer:** (CSU)

FIRE 3—Fire Protection Equipment and Systems, 3 units

*Prerequisite: Completion of FIRE 1 with at least a C or P

*Hours per term: 54 lecture*

Provides information relating to the features of design and operation of fire detection and alarm systems, heat and smoke control systems, special protection and sprinkler systems, water supply for fire protection and portable fire extinguishers. Field trips may be required. Not repeatable. MJC equivalent: (FSCI 303) **Transfer:** (CSU)

FIRE 4—Building Construction for Fire Protection, 3 units

*Prerequisite: Completion of FIRE 1 with at least a C or P

*Hours per term: 54 lecture*

The study of the components of building construction that relate to fire safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, pre-planning fire operations, and operating at fires. The development and evolution of building and fire codes will be studied in relation to past fires in residential, commercial, and industrial occupancies. Not repeatable. MJC equivalent: (FSCI 304) **Transfer:** (CSU)

FIRE 5—Fire Behavior and Combustion, 3 units

*Prerequisite: Completion of FIRE 1 with at least a C or P

*Hours per term: 54 lecture*

Theory and fundamentals of how and why fires start, spread, and are controlled; an in-depth study of fire chemistry and physics, fire characteristics of materials, extinguishing agents, and fire control techniques. Not repeatable. MJC equivalent: (FSCI 305) **Transfer:** (CSU)
FIRE 7—Wildland Fire Control, 3 units
Prerequisite: Completion of FIRE 1 with at least a C or P
Hours per term: 54 lecture
Provides practical knowledge and an overview of the fundamental principles of wildland fire control and management. Topics include firefighter safety, wildland fire behavior, strategy and tactics, wildland-urban intermix fires and the role of prescribed fire activities. Not repeatable. MJC equivalent: (FSCI 337) MJC equivalent: (CC FIRE 7, FIRE 50, FIRE 101, FIRE 106, FIRE 108 & FIRE 100 = MJC FSCI 362 & FSCI 363) Transfer: (CSU)

FIRE 29A—Driver/Operator Training 1A, 1 unit
Prerequisite: Completion of FIRE 101 with at least a C or P, or Firefighter I certificate, or Volunteer Firefighter certification, or equivalent
Hours per term: 10.8 lecture and 28.8 laboratory activity
Designed to provide the student with information on driver techniques for emergency vehicles and techniques of basic inspection and maintenance for emergency vehicles, including actual driving exercises under simulated emergency conditions. Not repeatable. MJC equivalent: (FIRE 29A+29B = MJC FSCI 364) Transfer: (CSU)

FIRE 29B—Driver/Operator Training 1B, 1 unit
Prerequisite: Completion of FIRE 29A with at least a C or P, or Firefighter I Certificate, or Volunteer Firefighter certification or equivalent
Hours per term: 10.8 lecture and 86.5 laboratory activity
Designed to provide the student with information and skills on Pump Techniques and Operations including basic inspection and maintenance. Not repeatable. Grading: (P/NP only)Equivalent sequence: (CC FIRE 29A & FIRE 29B = MJC FSCI 364) Transfer: (CSU)

FIRE 50/SAR 50—Low Angle Rope Rescue, 1½ units
Hours per term: 27 lecture
This course is designed to take the student to the basic skill and knowledge levels of Low Angle (non-vertical) Rope Rescue. Topics will include, but are not limited to: basic rappelling, rescue of ambulatory and non-ambulatory persons with an emphasis on safety and teamwork. Topics reflect current Urban Search and Rescue and California State Fire Training standards and equipment. Successful students will be certified in Low Angle Rope Rescue by the California State Fire Marshal's Office. Credit may be earned once for FIRE 50 or SAR 50. Not repeatable. Grading: (P/NP) Equivalent sequence: (CC FIRE 7, FIRE 50, FIRE 101, FIRE 106 & FIRE 107 = MJC FSCI 362 & FSCI 363) Transfer: (CSU)

FIRE 51—High Angle Rope Rescue, 1½ units
Prerequisite: Completion of FIRE 50 with at least a C or P
Hours per term: 27 lecture
This course is designed to take the student from the basic skill levels of Low Angle (non-vertical) Rope Rescue Certification to the more complex rappelling and rope rescue skills found in High Angle (vertical) Rope Rescue situations. This course will reflect current Urban Search and Rescue and California State Fire Training standards. Not repeatable. Grading: (P/NP only) Field trips required. Transfer: (CSU)
COURSES: **FIRE**

**FIRE 97—Work Experience in Fire Technology**, 1-4 units

Co-requisite: Must be enrolled in at least seven (7) units, including Work Experience, where 75 employed hours with pay equals 1 unit, or 60 employed hours without pay equals 1 unit

Provides students an opportunity to experience supervised employment in Fire Technology. The student's employment must be related to educational or occupational goals. Grading: (P/NP only) May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Not repeatable. Transfer: (CSU-Transfer credit limited. See a counselor.)

**FIRE 101—Firefighter I Academy**, 16 units

Prerequisites: Completion of EMS 157 and HHP 55A with at least a C or P, or concurrent enrollment in EMS 157 and HHP 55A

Hours per term: 144 lecture and 432 laboratory

This course is designed for students who desire to enter the firefighting field and meet requirements, units A-X, for the California State Firefighter 1 certification. Upon successful completion of the course, the student is then responsible for completing the required field experience with Fire Department verification (either six months full-time or one year part-time or volunteer) before submitting an application to the State. Curriculum for the fire academy includes firefighting skills, safety, incident management systems, operations, manipulative skills, tools and equipment, emergency scene operations, fire prevention, and investigation. Additional certifications include I-100, I-200, 1-700.a, S-130, S-133, S-134, S-190, L-180, Seasonal Wildland Firefighter, Basic Land Navigation, Auto Extrication, Low Angle Rope Rescue, Hazardous Materials Full FRO, Firefighter Safety and Survival, Confined Space Awareness, and Basic Power Saw Safety. Note: Students must have a medical release for the course to engage in strenuous physical lifting, carrying, and related activities. Field trips required. Not repeatable. MJC equivalent: (CC FIRE 7, FIRE 50, FIRE 101, FIRE 106 & FIRE 107 = MJC FSCI 362 & FSCI 363)

**FIRE 106—Hazardous Materials First Responder Operational**, 1 unit

Hours per term: 18 lecture

Meets requirements of CAL-OSHA for training of emergency responders to hazardous materials incidents, per CFR 1910.120(q) (6) (ii) and Title 8 California Code of Regulations 5192(q) (6) (B). Includes awareness and recognition of potential hazards, and procedures to insure safety of emergency personnel, the public and the environment. Not repeatable. Grading: (P/NP only) MJC equivalent: (CC FIRE 7, FIRE 50, FIRE 101, FIRE 106, FIRE 108 & FIRE 110 = MJC FSCI 362 & FSCI 363)

**FIRE 108—Confined Space Awareness**, ½ unit

Hours per term: 9 lecture

Prepares students to identify and safely consider operations in and around defined “confined spaces.” Meets the requirements of CAL-OSHA Title 8 for “Confined Space Awareness Level” training. Not repeatable. Grading: (P/NP only) MJC equivalent: (CC FIRE 7, FIRE 50, FIRE 101, FIRE 106, FIRE 108 & FIRE 110 = MJC FSCI 362 & FSCI 363)

**FIRE 110—ICS 200, Basic Incident Command System**, 1 unit

Hours per term: 18 lecture

Introduces students to the principles and features associated with the Incident Command System. Not repeatable. Grading: (P/NP only) (CC FIRE 7, FIRE 50, FIRE 101, FIRE 106, FIRE 108 & FIRE 110 = MJC FSCI 362 & FSCI 363)

**FIRE 111—Basic Power Saw Safety**, 1 unit

Hours per term: 16 lecture

Basic Power Saw Safety is aligned with State Fire Marshal S-212 to provide instruction on the function, maintenance and use of internal-combustion-engine-powered chain saws, and their tactical fire application. Instruction will support entry-level training for firefighters with little or no previous experience in operating a chain saw, providing hands-on experience in maintaining power saws. Not repeatable.

**FIRE 120—Fire Operations in the Urban Interface**, 1½ units

Hours per term: 27 lecture

This course addresses content in initial attack incident command and control of wild land fire that threatens life, property and improvements. Not repeatable.

**FIRE 131—Introduction to ICS and Dispatch Recorder**, 1 unit

Hours per term: 20 lecture

This course is designed to provide the student with the training, skills and knowledge necessary to work in the position of Dispatch Recorder, working in an emergency dispatch center in support of a wildland fire incident or other event. Instruction will include how to complete Resource Order Cards, how to document a pertinent request, resource or incident information and how to use the Virtual Resource Order and Status System (ROSS). This course will also teach the student how to identify positions in the Incident Command System, how to identify the proper chain of command, when to implement the Incident Command System and how to shrink and expand the Incident Command System to meet the needs of the incident. Not repeatable.

---

**Foreign Language**

See **SPAN** (Spanish)

**FORES & FORTC**

See **FNR** (Forestry and Natural Resources)
FNR
(FORESTRY AND NATURAL RESOURCES)

FNR 1—Environmental Conservation, 3 units
Formerly listed as: NATRE 1
Hours per term: 54 lecture
Conservation of the biological and physical environment. History of the conservation movement. A case-study approach to land use practices of environmental conservation with current topics on endangered species, environmental pollution, wilderness management, energy, population, and the uniqueness of California and Alaska natural resources. Not repeatable. Field trips may be required. Transfer: (CSU/UC) (CSU-GE: D7)

FNR 2—Introduction to Forestry, 3 units
Formerly listed as: FORES 1
Hours per term: 36 lecture and 54 laboratory
Overview of the objectives and methods of sustainable forest management, including significant forest history events, U.S. forest regions, forest ecology, forest products, forestry practices, forestry education pathways, career opportunities, certifications, and ethics. Field trips required. Not repeatable. Transfer: (CSU)

FNR 3—Natural Resources Law and Policy, 3 units
Formerly listed as: NATRE 3
Hours per term: 54 lecture
Introduction to principles and practice of natural resource policy and law in the United States. Topics include overview of major environmental policies and laws, environmental ethics, historical role of activists in legislative change and enforcement, development and limits of legislative and judicial approaches to solving environmental problems, and local and regional issues related to natural resources law and policy. Not repeatable. Field trips may be required. Transfer: (CSU/UC)

FNR 6—Soil Resources, 3 units
Formerly listed as: NATRE 6
Recommended for Success: CHEM 5
Hours per term: 36 lecture and 54 laboratory
Introduction to physical, chemical, and biological properties of soils. Soil development, type, and analysis. Implications and applications for natural resources management. Transfer: (CSU/UC) (CSU-GE: B1) (IGETC: 5A)

FNR 9—Parks and Forests Law Enforcement, 2 units
Formerly listed as: NATRE 9
Hours per term: 36 lecture
Constitutional, criminal, and civil law as related to law enforcement activities conducted by resource agencies. Field trips may be required. Not repeatable. Transfer: (CSU)

Crosswalk: FNR Course ID Conversion
Effective as of the 2015-2016 academic year, the Columbia College departments of Forestry (FORES), Forestry Technology (FORTC), Natural Resources (NATRE), and Natural Resources Technology (NATRE) have renamed the department and renumbered course IDs into one department, Forestry and Natural Resources (FNR). The following crosswalk shows how FORES, FORTC, NATRE, and NARTC course IDs map to FNR course IDs.
FNR 10—Dendrology, 3 units  
Formerly listed as: FORES 10  
Hours per term: 36 lecture and 54 laboratory  
Evolution, systematics, identification, terminology, morphology, anatomy, life cycle, ecology, growth requirements, distribution and ethnobotany of trees and shrubs. Emphasis is on trees and shrubs of the Sierra Nevada, California and the western United States. Field trips required. Not repeatable. Transfer: (CSU/UC)

FNR 11—Natural Resources Field Camp, 3 units  
Formerly listed as: NATRE 110  
Hours per term: 54 lecture  
An extended field course that can serve as both an introduction and a capstone to Forestry and Natural Resource majors, or as a refresher during any point in a forestry or natural resources career. Provides instruction and hands-on, real-world experiences, in a field setting. Integrates topics including safety and first aid, maps and aerial photos, compass and GPS, geology and soils, hydrology and watershed, plants and wildlife, ecology and ecosystem management, natural resource inventory and utilization, and wildland recreation management. Field trips required. Not repeatable. Transfer: (CSU)

FNR 12—Tallest, Oldest, Largest, 3 units  
Formerly listed as: FNR 12—Tallest, Oldest, Largest  
Hours per term: 54 lecture  
California is home to the tallest (Coast Redwood), the oldest (Bristlecone Pine), and the largest (Giant Sequoia) trees in the entire world. This field course takes students to all three. The botany, natural history, management, and cultural history of these trees are explored. Field trips required. Not repeatable. Transfer: (CSU)

FNR 22—Ecology and Use of Fire in Forest Ecosystems, 2 units  
Formerly listed as: NATRE 22  
Hours per term: 27 lecture and 72 laboratory  
Introduction to the ecology and management of fire in California landscapes. Selected topics include the effects of fire on vegetation, soils, hydrology, wildlife, air quality, and aesthetics; forest fire behavior and the role of fire suppression; the history and current issues of prescribed burning; the planning and implementation of fuels reduction and prescribed burning programs in selected locations. Field trips required. Not repeatable. Transfer: (CSU)

FNR 24—Fire-Fuels Management, 3 units  
Hours per term: 54 lecture  
Fundamentals of fire-fuels management, including: objectives of fuels reduction, preliminary surveys and reports, prescriptions for fuels reduction, and techniques for carrying out fuels reduction. Field trips may be required. Not repeatable. Transfer: CSU

FNR 30—Introduction to Watershed Management, 3 units  
Formerly listed as: NATRE 30  
Hours per term: 36 lecture and 54 laboratory  
Fundamentals of watershed management, monitoring and stewardship, with an emphasis on California and the Sierra Nevada. Concepts and applications of climatology, meteorology, geology, soils, hydrology, biology, chemistry, physics and engineering as they pertain to management of watersheds. Field and laboratory techniques of sampling and monitoring soil, water, air, vegetation, and other biota. Application of integrated ecosystem approaches to natural resource protection and management of watersheds. Field trips may be required. Not repeatable. Transfer: (CSU)

FNR 50—Natural History and Ecology, 2 units  
Formerly listed as: NATRE 50  
Hours per term: 36 lecture  
Introduction to concepts and examples of natural history and ecology with emphasis on the interrelationships among the biota, geology, and climate of California. Selected topics may include plant succession, ecosystem processes, adaptation and diversity, evolution, California's physical and biological environment, and biomes. Field trips may be required. Not repeatable. Transfer: (CSU)

FNR 53—Forest Surveying, 3 units  
Formerly listed as: FORTC 163  
Hours per term: 34 lecture and 54 laboratory  
Objectives and methods of forest surveying. Use of basic forest surveying instruments. Application of hand and staff compass, engineer's tape, clinometer, abney, dumpy and hand levels, engineer's transit, and total station. Field recording techniques, laboratory computations and map drafting. Not repeatable. Field trips may be required. Transfer: (CSU)

FNR 60—Introduction to Maps and Remote Sensing, 2 units  
Formerly listed as: NARTC 160  
Hours per term: 18 lecture and 54 laboratory  
Application and interpretation of map and remote sensing information including aerial photography, multispectral and thermal scanning, and digital imaging. Emphasis on map features, coordinate systems, topography, land cover, resource management and navigation. Field trips required. Transfer: (CSU)

FNR 61—Introduction to Water Resources Management, 3 units  
Formerly listed as: NARTC 161  
Hours per term: 54 lecture  
An introduction to the Water Resources Management Program. This course provides an overview of the educational tracks offered in the program including: Watershed Management, Water for Consumption and Distribution, Wastewater Collection and Treatment Plant Operations, and the emerging field of Decentralized Wastewater Management. Not repeatable. Transfer: (CSU)
FNR 62—Applied Forest Inventory and Management, 2 units
Formerly listed as: FORTC 162
Hours per term: 18 lecture and 54 laboratory
Techniques of forest inventory and management including forest surveys, timber cruising, and scaling; data collection and analysis; location and delineation of forest properties and resources; and survey and management of other natural resources. Field trips required. MJC equivalent: (NR 376) Not repeatable. Transfer: (CSU)

FNR 63—Water for Consumption, 3 units
Formerly listed as: NARTC 166
Hours per term: 54 lecture
Study of present and future sources of community water supply with special attention to state standards for potable water; analysis, processing, treatment, quality control, storage, and distribution of community water. Meets Water Treatment Plant Operator state certification prerequisite for examination at Grade 2 level. Field trips may be required. Not repeatable. Transfer: (CSU)

FNR 64—Water Infrastructure in California, 3 units
Hours per term: 54 lecture
Water infrastructure in California. Water sources, diversions, conveyances, reservoirs, pump stations, Central Valley Project, State Water Project, PG&E. Not repeatable. Transfer: (CSU)

FNR 65—Rural Wastewater Strategies, 3 units
Formerly listed as: NARTC 165
Hours per term: 54 lecture
History of human waste management. Past practices and the known impact on human health and the environment. Understanding the evolution of wastewater treatment from cesspools to municipal sewers and the current focus on decentralized wastewater and recycling strategies. Field trips required. Not repeatable. Transfer: (CSU)

FNR 66—Decentralized Wastewater Management, 3 units
Formerly listed as: NARTC 166
Hours per term: 54 lecture
Inspection, operations, maintenance and monitoring of Onsite Wastewater Treatment Systems (OWTS), from simple standard gravity septic to high tech advanced treatment technologies. Operation, maintenance and monitoring of all types of engineered systems including aerobic treatment units, media filters, constructed wetlands, disinfection technologies and soil treatment applications. Prepares students for national certification testing and entrance into the onsite wastewater management field. Field trips may be required. Not repeatable. Transfer: (CSU)

FNR 67—Operation of Wastewater Treatment Plants, 3 units
Formerly listed as: NARTC 167
Hours per term: 54 lecture
Designed to train students in the practical aspects of operating and maintaining wastewater treatment plants, emphasizing the use of safe practices and procedures. Information presented includes the role and responsibilities of a treatment plant operator, an explanation of why wastes must be treated, and descriptions of the equipment and processes used in a wastewater treatment plant. Field trips may be required. Not repeatable. Transfer: (CSU)

FNR 68—Work Experience in Forestry and Natural Resources, 1 to 4 units
Formerly listed as: NATRE 97
Co-requisite: Must be enrolled in at least seven (7) units including Work Experience. 75 hours paid employment equals 1 unit of credit and 60 hours unpaid employment equals 1 unit of credit
Provides students an opportunity to experience supervised employment in Forestry and Natural Resources. The student's employment must be related to educational or occupational goals. May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Offered for Pass/No Pass grading only. May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience Course. Grading: (P/NP Only). Not repeatable. Transfer: CSU (Transfer credit limited. See a counselor.)

FNR 69—Operation of Wastewater Treatment Plants 2, 3 units
Formerly listed as: NARTC 169
Recommended for Success: FNR 67
Hours per term: 54 lecture
An advanced course designed to train wastewater treatment plant operators in the practical aspects of operating and maintaining wastewater treatment plants. Topics covered include conventional activated sludge processes, sludge digestion and solids handling, effluent disposal, plant safety and good housekeeping, plant and equipment maintenance, laboratory procedures and chemistry, use of computers for plant operation and maintenance, analysis and presentation of data, records and report writing, analyzing and solving operational problems, and performing mathematical calculations relating to wastewater treatment process control. This course is worth 9 CEUs. Field trips may be required. Not repeatable. Transfer: (CSU)

FNR 71—Water Use Efficiency, 1 unit
Hours per term: 18 lecture
Covers the general knowledge requirements expected for Level 1 American Water Works Association California/Nevada Section Water Use Efficiency Practitioner Certification, focusing on water end uses and conservation measures and on regional water issues and resources. Not repeatable. Transfer: (CSU)

FNR 81—California Wildlife, 3 units
Formerly listed as: NARTC 181
Hours per term: 36 lecture and 54 laboratory
Study of the characteristics, evolution, population biology, ecology, behavior, life history, and management of California animals. Introduction to methods of studying and managing wildlife to improve populations, habitat, and ecosystem function. Practice of specific field and laboratory techniques of species identification, population biology, and wildlife management. Field trips may be required. Not repeatable. Transfer: (CSU)

FNR 86—California Naturalist Certification, 1½ units
Hours per term: 27 lecture and 18 laboratory
This course satisfies the course requirements to become a California Certified Naturalist. Classroom and field experience in California natural history, communication training, and community service. Field trips required. Not repeatable. Transfer: (CSU)

FNR 97—Work Experience in Forestry and Natural Resources, 1 to 4 units
Formerly listed as: NATRE 97
Co-requisite: Must be enrolled in at least seven (7) units including Work Experience. 75 hours paid employment equals 1 unit of credit and 60 hours unpaid employment equals 1 unit of credit
Provides students an opportunity to experience supervised employment in Forestry and Natural Resources. The student's employment must be related to educational or occupational goals. May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Offered for Pass/No Pass grading only. May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience Course. Grading: (P/NP Only). Not repeatable. Transfer: CSU (Transfer credit limited. See a counselor.)
FNR 172—Nature Photography, 1½ units
Formerly listed as: NARTC 172
Hours per term: 27 lecture
An introduction to nature and wildlife photography including field craft, maintaining records, conveying scale, performing basic photographic techniques, equipment specific to nature and wildlife photography, and advantages and disadvantages of digital photography. Instruction is in the field. Digital cameras and tripods required. Macro lenses and telephoto lenses recommended. Field trips may be required. Not repeatable. Grading: (P/NP only)

FNR 173—Drawing Nature, 3 units
Hours per term: 36 lecture
An introduction to drawing nature, including basic concepts and terminology used to organize, name, and describe the diversity of living and non-living natural features, as well as basic techniques of observing and drawing natural features. Not repeatable.

FNR 182—Techniques of Surveying Sierra Nevada Wildlife, 2 units
Formerly listed as: NARTC 182
Hours per term: 36 lecture
A technical, applied, field course on the methods of surveying and monitoring Sierra Nevada mammals, raptors, songbirds, reptiles, and amphibians. Topics include field identification of pelage, tracks, plumage, life cycle, geographic ranges, habitat, ecological niche, field signs, behavioral patterns, and State and Federal listed status, as well as use of track plates, hair snare systems, and wildlife cameras. Not repeatable.

FNR 183—Ecological Restoration, 1 unit
Formerly listed as: NARTC 183
Hours per term: 18 lecture
A field lecture course on ecological restoration. Topics covered include the importance of ecological restoration to society and the environment, identification, and prioritization of natural community types in jeopardy, assessment of resource damage and causative factors, as well as, restoration techniques, implementation, and monitoring. Not repeatable. Grading: (P/NP only)

FNR 185—Introduction to the National Wilderness Preservation System, 1 unit
Formerly listed as: NARTC 185
Hours per term: 18 lecture
A field course that informs and trains land management employees, volunteers, and others in the historical and philosophical antecedents to the Wilderness Act of 1964 and the provisions and administration of the National Wilderness Preservation System. Field trips required. Not repeatable. Grading: (P/NP only)

GEOGR 12—Cultural Geography, 3 units
Hours per term: 54 lecture
Examines humankind’s relationship with the environment using multidisciplinary perspectives and techniques. Historical and contemporary patterns of cultural-enviro adaptations, the landscape of cultural diversity, demography and mobility, political organization, the process of urbanization, and economic organization will be emphasized. Not repeatable. MJC equivalent: (GEOG 101) Transfer: (CSU/UC) (CSU-GE: D5) (IGETC: 5A) C-ID: (GEOG 125)

GEOGR 15—Physical Geography, 3 units
Hours per term: 54 lecture
An introduction to selected aspects of the earth’s physical environment (landforms, weather, climate, soils, and vegetation) and the processes and conditions giving rise to their worldwide distribution, using the tools of cartography, specifically all forms of mapping, GIS, GPS, and graphic presentations. Emphasis on the interrelationships between physical and human processes. The study of the earth as the home of man. Not repeatable. MJC equivalent: (GEOG 102) Transfer: (CSU/UC) (CSU-GE: D5) (IGETC: 4E) C-ID: (GEOG 120)

GEOGR 20—World Regional Geography, 3 units
Hours per term: 54 lecture
Survey of the world’s culture regions and nations as interpreted by geographers, including physical, cultural, and economic features. Emphasis on spatial and historical influences on population growth, transportation networks, and natural environments. Identification and importance of the significant features of regions. Not repeatable. Transfer: (CSU/UC) (CSU-GE: B1) (IGETC: 5A) C-ID: (GEOG 110)

GEOGR 57/CCTIS 57—GIS Data Management, Introduction to Geodatabase, 1-3 units
Formerly listed as: GEOGR 57/CMPSC 57
Hours per term: 18 or 54 lecture
Students who take this course will learn to use the ArcGIS Geodatabase format for management of spatial data. Students will be introduced to the concepts of database design and system architecture using ArcGIS software. Concepts covered include: introduction to the geodatabase; metadata; geodatabase vs. shapefile formats; overview of ArcGIS data models; feature datasets and feature classes; editing a geodatabase; personal geodatabase vs. multi-user geodatabase; domains and validation rules; and relationships and subtypes. Not repeatable. Transfer: (CSU)
COURSES:  GEOGR

GEOGR 58/CCTIS 58—GIS, ArcView, 1 unit
Formerly listed as: GEOGR 58/CMPSC 58
Hours per term: 18 lecture
Introduction to practical application of ArcView software; importation of GIS data, display, visualization, exploration, query, analysis, and production of hard-copy maps and reports. Students will be guided through a complete sequence of application fundamentals similar to what would normally be used in displaying, analyzing, and plotting a standard ArcView GIS application. Credit may be earned once for CCTIS 58 or GEOGR 58. Not repeatable. Grading: (P/NP only) Transfer: (CSU)

GEOGR 59/CCTIS 59—Geographic Information and Global Positioning Systems, 1-3 units
Formerly listed as: GEOGR 59/CMPSC 59
Hours per term: 18, 36, or 54 lecture
Introduction to basic GIS and GPS concepts and applications in the field of natural resources, earth sciences, and environmental systems. Students will learn to use Global Positioning System units, combined with Geographic Information System software to collect field data and produce maps for spatial analysis and decision-making purposes. Six weeks will be spent learning ArcView software; another six weeks will be spent learning to use GPS units; and another six weeks will be spent learning to design and carry out a research project merging GPS and GIS technologies. Credit may be earned once for CCTIS 59 or GEOGR 59. Not repeatable. Transfer: (CSU)

GEOGR 60/CCTIS 60—Introduction to ArcGIS, 3 units
Formerly listed as: GEOGR 60/CMPSC 60
Hours per term: 54 lecture
An introduction to fundamental Geographic Information Systems (GIS) concepts. Students will be introduced to the ArcGIS software package as the main vehicle for learning GIS. GIS geodatabases and maps will be produced from several different data sources. Emphasis will be placed on planning the design of GIS geodatabases which will permit specific types of queries. Not repeatable. MJC equivalent: (GEOG 109) Transfer: (CSU)

GEOGR 61/CCTIS 61—GIS Mapping, Introduction to Fire Incident Mapping, 1 unit
Formerly listed as: GEOGR 61/CMPSC 61
Recommended for Success: CCTIS 6
Hours per term: 18 lecture
Students who take this course will learn how to apply their GIS skills in Fire Incident Mapping. Students will learn fire incident symbology, data standards and organization, fire incident map products, and responsibilities of a Fire GIS Specialist. Additionally, students will utilize GPS data that they have collected, convert them to shapefiles, and create a fire incident map. This course includes hands-on experience in fire incident mapping and data organization. Students will also be encouraged to present their final project in public at GIS Day events. Not repeatable. Grading: Pass/No Pass Only Transfer: (CSU)

GEOGR 62/CCTIS 62/SAR 62—GIS Mapping—Introduction to SAR GIS, 1 unit
Formerly listed as: GEOGR 62/CMPSC 62
Hours per term: 18 lecture
Students who take this course will learn how to apply their GIS skills in Search and Rescue (SAR) Mapping. Students will learn SAR incident symbology, data standards and organization, establishing incident locations, search segments, SAR incident map products, and responsibilities of a GIS specialist on SARs and other critical incidents. The course will use a workflow and data model developed by SAR personnel that integrates with ArcGIS 10. Additionally, students will utilize GPS data that they have collected from GPS devices, convert them to shapefiles, and create team and briefing incident maps. During a full-day exercise, students will also live-track SAR teams using satellite tracking devices. This course includes hands-on experience in SAR incident mapping and data organization. Not repeatable. Grading: (P/NP only) Transfer: (CSU)

GEOGR 63/CCTIS 63—GIS and Making Maps: The Essential Skills, 1 unit
Formerly listed as: GEOGR 63/CMPSC 63
Hours per term: 18 lecture
This course is intended as a resource for emergency responders, outdoor enthusiasts and anyone interested in acquiring basic skills in understanding maps and using geospatial information and devices. Emphasis will be on developing a working knowledge of coordinate systems, establishing a location when given coordinates, finding coordinates from a location, and converting among coordinate systems to create a basic map using this information. Not repeatable. Grading: (P/NP only) Transfer: (CSU)

GEOGR 64/CCTIS 64—ArcGIS: Creating a Basic Map, ½ unit
Formerly listed as: CMPSC 64
Hours per term: 9 lecture
This course will teach the skills and tools to use ArcGIS 10 mapping software to create maps. It will be useful to anyone wanting a quick “how to” for using the industry standard ArcGIS to make and edit a map. Not repeatable. Grading: (P/NP only) Transfer: (CSU)

GEOGR 65/CCTIS 65—GIS Applications ½ to 3 units
Recommended for Success: Completion of CCTIS 60/GEOGR 60 with at least a C or P
Hours per term: 9 or 18 or 36 or 54 lecture
Uses the ArcGIS ArcView software to explore intermediate topics in GIS applications. Topics include geodatabase creation and editing, geoprocessing models, geocoding, and working with annotation. The course consists of a combination of lectures, demonstrations, hands-on exercises, and a student project. Not repeatable. Transfer: (CSU)
GEOGR 66/CCTIS 66—Web Mapping, 1 unit

Hours per term: 18 lecture
This course focuses on the fundamental principles of web mapping and creating web mapping applications. Students will learn the basics of Web GIS system architecture, geospatial web services, and web service based geoprocessing. In addition, students will also learn about mobile GIS solutions by collecting data and creating a web map. Not repeatable. Grading: (P/NP only). Transfer: (CSU)

GEOGR 67/CCTIS 67—GIS Geocoding, 1 unit

Formerly listed as: GEOGR 67/CMPS 67
Hours per term: 18 lecture
Students who take this course will learn to use GIS software for geocoding purposes. Geocoding is the process of using common data to quickly and easily create location maps and is used by most government agencies and many businesses. GIS software will be used to produce maps useful in such things as routing emergency vehicles, providing effective customer service delivery, understanding crime incident patterns, or locating restaurants, schools, and fire stations. Students will also learn to create and refine address data to develop the reference data necessary to build address or geocoding indexes. Strategies will be exercised to clean input addresses, achieve better address-matching results, and fine-tune software parameters. Not repeatable. Grading: (P/NP only). Transfer: (CSU)

GEOGR 70/CCTIS 70—Introduction to Raster-Based GIS, 3 units

Formerly listed as: GEOGR/CMPS 70
Recommended for Success: Completion of CCTIS 59 /GEOGR 59 and CCTIS 60/GEOGR 60
Hours per term: 54 lecture
This course uses the ArcGIS ArcView software along with the Spatial Analyst and 3D extensions to explore the use of raster GIS data in analysis and visualization. Topics include terrain analysis, hydrologic analysis, suitability analysis, and 3D modeling. The course consists of a combination of lectures, demonstrations, hands-on exercises, and a student project. Not repeatable. Transfer: (CSU)

GEOGR 75/CCTIS 75—GIS Applications in Resource Management, ½-3 units

Formerly listed as: GEOGR 75/CMPS 75
Recommended for Success: CCTIS 70/GEOGR 70
Hours per term: 9, 18, 36, or 54 lecture
Uses ArcGIS ArcView software and the Image Analyst extension to explore the use of GIS in natural resource analysis and management. Emphasis is on the use of satellite imagery and aerial photography to derive information for GIS analysis. The course consists of a combination of lectures, demonstrations, hands-on exercises, and a student project. Not repeatable. Transfer: (CSU)

GUIDE (GUIDANCE)

GUIDE 1—Career/Life Planning, 3 units

Recommended for Success: ENGL 151
Hours per term: 54 lecture
Designed to help students formulate and experience an organized and realistic approach to career planning. Development of awareness and objectivity in the areas of interests, skills, values, aptitudes, etc. Introduction to sources of occupational information, and occupational trends. Introduction to decision-making, career information, career trends and social influences on career-life planning. May include administration of standardized interest and personality inventories. MJC: (Satisfies Guidance requirement for AA/AS) Not repeatable. Transfer: (CSU) (CSU-GE: E)

GUIDE 10A—Introduction to Helping Skills, 1½ units

Hours per term: 27 lecture
An introduction to the skills basic to a helping relationship. Includes instruction in the concepts and principles, as well as experience in the use of specific skills. Designed for non-professional and paraprofessional helpers such as peer tutors, peer counselors, advisors, managers, supervisors etc. Not repeatable. Grading: (P/NP only). Transfer: (CSU)

GUIDE 10B—Intermediate Helping and Basic Conflict Management Skills, 1½ units

Prerequisite: Completion of GUIDE 10A with at least a C or P
Hours per term: 27 lecture
Continued instruction in concepts, principles and skills basic to a helping relationship. Experience in the specific use of each skill. Includes an emphasis on both helping skills and introduction to the skills unique to the process of conflict management. Designed for non-professional and paraprofessional helpers, especially in informal settings, including, but not limited to: friend-friend, parent-child, teacher-student, supervisor-employee, worker-client, and peer counseling situations. Not repeatable. Grading: (P/NP only). Transfer: (CSU)

GUIDE 11—Occupational Exploration, 1 unit

Hours per term: 18 lecture
An introduction to occupational exploration and career choice. Emphasis will be on linking personal information (interests, values and abilities) obtained through career assessment, with information about occupations, researched by using Career Center and online resources. Career choices will be clarified and corresponding and appropriate educational goals will be selected. Students will receive instruction in goal setting, decision making, and problem solving as they relate to the development and fulfillment of educational and career plans. Not repeatable. MJC equivalent: (GUIDE 111) Transfer: (CSU)
GUIDE 18—Life Skills for Higher Education, 3 units
Recommended for Success: ENGL 151
Hours per term: 54 lecture
This course presents strategies for first-year students to thrive in the culture of higher education. By taking a holistic approach to college success, educational planning, and lifelong learning, students will develop self-understanding as they examine topics such as: motivation and attitudes, values, goal setting, creative and critical thinking, stress management, personal wellness, learning and personality theories, time management, study skills, interpersonal communication, cultural diversity, college expectations and etiquette, and how to build a community for academic and personal support. An educational plan is a course requirement. Not repeatable. Satisfies MJC Guidance requirement. Transfer: (CSU/UC) (CSU-GE: E)

GUIDE 25/BUSAD 25—Job Search and Interviewing Strategies, 1 unit
Hours per term: 18 lecture
Understanding the employment process and development of written and oral presentation skills necessary to conduct an efficient and effective job search. Topics include: the hiring process, employer perspectives, the hidden job market, networking, research, job search planning, making employer contacts and interviewing. Development of a master application, resume and letter of application. Credit may be earned once for GUIDE 25 or BUSAD 25. Not repeatable. MJC equivalent: (GUIDE 112) Transfer: (CSU)

GUIDE 30—Personal Growth and Development, 3 units
Hours per term: 54 lecture
Examination of personal and psycho-social dynamics and influences for personal growth and self-management. Focus is on self-exploration, leading to self-awareness and self-understanding, examining motives behind choices, coping with changes, relationships, dynamics and resolution of conflicts, and the role of cognition and emotions in behavior and health; includes active personal involvement, class interaction, case studies, building personal portfolios, and self-study. Field trips may be required. Not repeatable. Satisfies MJC Guidance requirement. Transfer: (CSU) (CSU-GE: E)

GUIDE 51—Principles of Leadership, 1 unit
Formerly listed as: GUIDE 115
Hours per term: 18 lecture
Designed to introduce students to the dynamics of working groups and the impact of leadership on work groups. Students will explore leadership theories and models as well as their own values and beliefs to develop a personal leadership philosophy. Topics may include developing skills in principles and administration of parliamentary law; the co-curricular activity program; finances, including budgetary procedure. Not repeatable. MJC equivalent: SOCS 58 Transfer: (CSU)

GUIDE 100—College Success, 3 units
Hours per term: 54 lecture
Prepares students for the challenges of college-level coursework. Designed for students new to college, re-entering college, or those on academic or progress probation status who would like to develop or improve skills and abilities necessary for college success. Topics include: values, goal-setting methods, time management, note-taking techniques, textbook reading strategies, test-taking skills, memorization, critical and creative thinking, learning styles, and the use of technology for academic success. Familiarizes students with the College, its curriculum, facilities, services, policies, programs and degree and transfer requirements. Not repeatable. MJC equivalent: (STSK 78)

GUIDE 107—Orientation to College, ½-1 unit
Hours per term: 9-18 lecture
A course designed to prepare the student to meet the demands of college rigor. Especially beneficial to new students to Columbia College and students returning to college after a long absence, this course addresses policies and practices at Columbia College. Topics covered include academic renewal, grading policy, advanced placement credit, academic and progress probation and dismissal, educational planning, requirements for the associate degree, certificates of achievement and transfer to the four-year university, and other topics related to the use of the programs and services at Columbia College. Such topics include financial aid, tutoring, counseling, special services for students with disabilities, career planning and job placement. Not repeatable. Grading: (P/NP only) MJC equivalent: (GUIDE 110)

GUIDE 108—Guidance for Career Technical Education, 1 unit
Hours per term: 18 lecture
Designed to familiarize students with the various Career Technical Education certificates and degrees available at Columbia College. Course topics will include college resources available to assist students in meeting the rigor of college coursework, as well as the research and planning required to successfully achieve educational goals. Not repeatable. Grading: (P/NP only) Field trips required.

GUIDE 150—Guidance for Nursing Majors, ½ unit
Hours per term: 9 lecture
Course will familiarize Columbia College students with the MJC Associate Degree in Nursing Program and will also cover requirements for transfer to baccalaureate level nursing programs. Important aspects of nursing as an occupational choice will be covered along with information regarding the nursing profession. Not repeatable. Grading: (P/NP only) Field trips may be required. (Satisfies MJC Guidance requirement)
COURSES: HHP

HHP

(HEALTH AND HUMAN PERFORMANCE)

Note: Columbia College Health and Human Performance activity courses receive equivalent credit at MJC for physical education.

HHP 2—Women’s Health Issues, 3 units

Hours per term: 54 lecture

This course will focus on the politics of women’s health and medical care issues in the United States including analyzing, as well as establishing methods of utilizing, the health care system with specific attention to women as health care consumers; temporary concerns about the health care delivery system with emphasis on the gender politicalization of the social, physical, emotional, intellectual, spiritual and environmental aspects of gender-health. Not repeatable. MJC equivalent: (HE 111) Transfer: (CSU/UC) (CSU-GE: D4, E) (IGETC: 4D)

HHP 3—Introduction to Kinesiology, 3 units

Hours per term: 54 lecture

Provides an introduction to the interdisciplinary approach to the study of human movement. Emphasis on the importance of the subdisciplines will be discussed as well as career opportunities. Not repeatable. MJC equivalent: (PE 124) Transfer: (CSU/UC) C-ID: (KIN 100)

HHP 5—Introduction to Recreation and Leisure, 3 units

Hours per term: 54 lecture

This course provides students a detailed overview of the history, developments, and current trends in leisure and recreation studies. It reflects recent social change and challenges facing recreation industries in the 21st Century including: population shifts, technology and marketing. It also addresses the history of the parks movement and tourism/sport segments. This course is of interest to students of Health and Human Performance (Recreation-related subjects). Not repeatable. Transfer: (CSU) (CSU-GE: E)

HHP 6A—Lifetime Fitness Program I, 2 units

Hours per term: 54 lecture and 54 lecture/activity

Introduction to the fundamental principles and practices of scientific exercise conditioning, nutritional requirements, weight control techniques, coronary heart disease concepts, and considerations of preventive medicine. Basic exercise routine involves the circuit training system. Not repeatable. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.) (CSU-GE: E)

HHP 6B—Lifetime Fitness Program II, 1 unit

Prerequisite: Completion of HHP 6A with at least a C or P

Hours per term: 54 laboratory

A continuation of the exercise principles and practices employing the circuit training system presented in Lifetime Fitness Program I with emphasis on improving fitness component levels, compliance, motivation, and increased awareness of sound nutritional practices. Not repeatable. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.) (CSU-GE: E)

HHP 8A—Aerobic Exercise I, 1 unit

Formerly offered as: HHP 8A—Aerobic Exercise

Hours per term: 54 laboratory

Provides an introduction to cardiovascular conditioning with an emphasis on the fundamental principles of exercise as a component of health. Not repeatable. Transfer: (CSU/UC)

HHP 8B—Aerobic Exercise II, 1 unit

Formerly offered as: HHP 8B—Step Aerobics

Hours per term: 54 laboratory

Designed to improve cardiovascular endurance with an emphasis on step aerobics as a component of health. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 9—Circuit Cross-Training, 1 unit

Hours per term: 54 laboratory

A comprehensive workout at an introductory level to achieve personal fitness goals through the use of cardiovascular and strength training systems. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 10—Adaptive Physical Education, 1 unit

Hours per term: 54 laboratory

Designed to offer individually prescribed fitness direction to the physically limited with emphasis on the improvements of cardiovascular, flexibility, and strength components. Not repeatable. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.)

HHP 16A—Fitness Walking, 1 unit

Formerly offered as: HHP 16-Walking for Fitness

Hours per term: 54 laboratory

Provides an introduction and instruction to fitness walking along with other exercises to improve whole-body fitness. It is a low-impact activity course with emphasis on cardiovascular endurance and weight loss. Transfer: (CSU/UC)

HHP 16B—Power Walking, 1 unit

Recommended for Success: HHP 16A

Hours per term: 54 laboratory

Provides instruction and techniques for power (race) walking. Emphasis is on cardiovascular endurance and efficiency through moderate-to-high intensity workouts Not repeatable. Transfer: (CSU)

HHP 18A—Yoga I, 1 unit

Hours per term: 54 laboratory

Designed to provide a basic yoga foundation using postures, breathing and relaxation techniques to increase flexibility, strength, balance and coordination. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 18B—Yoga II, 1 unit

Recommended for Success: HHP 18A

Hours per term: 54 laboratory

Designed for students to perform more advanced postures, breathing, and relaxation techniques to further increase flexibility, strength, balance and coordination. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)
HHP 19—Aerobic Spinning, 1 unit  
*Hours per term: 54 laboratory*
Provides instruction on spinning as a method to improve cardio endurance and efficiency. Not repeatable. **Transfer:** (CSU/UC)

HHP 23—Contemporary Dance, 1 unit  
*Hours per term: 54 laboratory*
Introduction to contemporary dance technique; designed to acquaint the student with the fundamentals of dance and creative movement exploration while developing strength, flexibility, and expressiveness. Not repeatable. **Transfer:** (CSU/UC)

HHP 25—Jazz Dance, 1 unit  
*Formerly listed as: HHP 25—Jazz Dance*
*Hours per term: 54 laboratory*
Introduction to the fundamentals of jazz dance; designed to acquaint the student with basic technique in a cultural and historical context while developing strength, flexibility, and stylistic awareness. Not repeatable. **Transfer:** (CSU/UC)

HHP 32A—Basketball I, 1 unit  
*Hours per term: 54 laboratory*
This course is a basic introduction to basketball rules and terms, as well as an introduction to the basic skills of dribbling, passing, shooting, rebounding and defending in basketball. Not repeatable. **Transfer:** (CSU UC-Transfer credit limited. See a counselor.)

HHP 32B—Basketball II, 1 unit  
*Hours per term: 54 laboratory*
An intermediate level of skills and strategies for the experienced player. An introduction to offensive and defensive team concepts surrounding man-to-man, zone and transitional schemes will also be implemented in this course. Not repeatable. **Transfer:** (CSU UC-Transfer credit limited. See a counselor.)

HHP 32C—Basketball III, 1 unit  
*Recommended for Success: HHP 32B or previous participation in high-level interscholastic and/or intercollegiate basketball*
*Hours per term: 54 laboratory*
An advanced level of skill and strategies for the experienced basketball player. Intra-class scrimmages, scorekeeping and refereeing included. Not repeatable. **Transfer:** (CSU UC-Transfer credit limited. See a counselor.)

HHP 38A—Golf I, 1 unit  
*Hours per term: 54 laboratory*
Instruction and practice in fundamentals. Not repeatable. **Transfer:** (CSU/UC)

HHP 38B—Golf II, 1 unit  
*Recommended for Success: Completion of HHP 38A with at least a C or P*
*Hours per term: 54 laboratory*
Instruction and practice in skills, rules and strategy. Not repeatable. **Transfer:** (CSU/UC)

HHP 45—Co-Ed Flag Football, 1 unit  
*Hours per term: 54 laboratory*
Designed to introduce the necessary skills and knowledge to participate in recreational flag football. Instruction of rules along with drills to improve the student's skill level. Not repeatable. **Transfer:** (CSU/UC)

HHP 47A—Soccer I, 1 unit  
*Hours per term: 54 laboratory*
Provides basic instruction, practice and participation in game play. Course emphasis on rules, skills and game strategies for the beginning player. Man-to-man defensive strategies are included as well as inter-class competition. Not repeatable. **Transfer:** (CSU/UC-Transfer credit limited. See a counselor.)

HHP 47B—Soccer II, 1 unit  
*Recommended for Success: HHP 47A*
*Hours per term: 54 laboratory*
Provides intermediate instruction and practice, and participation in game play. Course emphasis on rules, skills and strategies for the intermediate player. Zonal defensive strategies are included as well as inter-class competition. Not repeatable. **Transfer:** (CSU UC-Transfer credit limited. See a counselor.)

HHP 47C—Soccer III, 1 unit  
*Recommended for Success: HHP 47B*
*Hours per term: 54 laboratory*
Provides advanced instruction, practice and participation in game play. Course emphasis on skills and strategies for the experienced player. Defensive concepts surrounding zonal versus man-to-man-styles are included. Not repeatable. **Transfer:** (CSU UC-Transfer credit limited. See a counselor.)

HHP 48—Co-Ed Softball, 1 unit  
*Hours per term: 54 laboratory*
Discussion and practical application of rules and offensive/defensive team strategies in the sport of softball. Instruction on biomechanics and emphasis on skill development in throwing, catching, hitting, bunting, fielding, pop-ups, pitching, catching, base running, and sliding. Not repeatable. **Transfer:** (CSU/UC)

HHP 50A—Tennis I, 1 unit  
*Hours per term: 54 laboratory*
Instruction and practice in fundamentals of Eastern grip tennis. Emphasis on development of sound ground strokes, serve, and volley. Includes rules, scoring, and game play in both singles and doubles tennis. Not repeatable. **Transfer:** (CSU/UC)

HHP 50B—Tennis II, 1 unit  
*Prerequisite(s): Completion of HHP 50A*
*Hours per term: 54 laboratory*
Instruction and practice in the advanced aspects of Eastern grip tennis. Emphasis on game play and development with individualized coaching and analysis for the more experienced player. Includes tactics and court coverage to encourage a more powerful game in both singles and doubles tennis. Not repeatable. **Transfer:** (CSU/UC)
COURSES:  HHP

HHP 53A—Volleyball I, 1 unit
Hours per term: 54 laboratory hours
Basic techniques with emphasis on offensive and defensive tactics of team play. Rules and intra-class competition included. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 53B—Volleyball II, 1 unit
Hours per term: 54 laboratory
An intermediate level of skills and strategies for the experienced player; an introduction to power volleyball play. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 53C—Volleyball III, 1 unit
Hours per term: 54 laboratory
An advanced level of skill and strategies for the experienced player. Intra-class power play competition included. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 55A—Fitness Training I for Firefighting, 1 unit
Hours per term: 54 laboratory
An introductory course designed to prepare students for the Candidate Physical Ability Test (CPAT) which is a requirement to become a firefighter in California. Training and conditioning will focus on specific agility, flexibility, muscle strength, muscle endurance, and cardiovascular activities for the CPAT and work-related duties. Emphasis on nutrition and maintaining a healthy lifestyle will be included. Not repeatable. Transfer: (CSU)

HHP 55B—Fitness Training II for Firefighting, 1 unit
Hours per term: 54 laboratory
An intermediate course designed to prepare students for the Candidate Physical Ability Test (CPAT) which is a requirement to become a firefighter in California. Training and conditioning will focus on specific agility, flexibility, muscle strength, muscle endurance, and cardiovascular activities. Emphasis on developing a well-balanced workout will be emphasized. Not repeatable. Transfer: (CSU)

HHP 56A—Weight Training I, 1 unit
Hours per term: 54 laboratory
Instruction in use of weights and body building equipment with emphasis upon individual program development. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 56B—Weight Training II, 1 unit
Recommended for Success: HHP 56A or equivalent
Hours per term: 54 laboratory
Designed to help individuals accomplish a fine state of physical fitness through the use of “overload” equipment and progressive resistance exercises. Each person shall, with the counseling of the instructor, analyze particular needs and establish a program that will help accomplish these goals. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)

HHP 59A—Beginning Tai Chi, 1 unit
Hours per term: 54 laboratory
Provides an introduction to Tai Chi. Emphasis will be on the Chuan-Yang style short form, 21 movements. Not repeatable. Transfer: (CSU/UC-Transfer credit limited. See a counselor.)
COURSES: HHP

HHP 60—Health and Fitness Education, 3 units
*Hours per term: 54 lecture*
Personal and community health: an understanding of contemporary health issues and problems with an emphasis on personal fitness and adjustment. An informative material survey contributing to a person's mental, physical, and social well-being. Not repeatable. MJC equivalent: (HE 110) Transfer: (CSU/UC) (CSU-GE: E)

HHP 61—Activities in Motor Development, 1 unit
*Co-requisite: CHILD 40*
*Hours per term: 54 laboratory*
Introduction and physical applications of gross motor activities and concepts across early childhood curriculum. Key components that ensure developmentally-appropriate physical activities for both children and staff will be identified along with the importance of collaboration with families and caregivers. Not repeatable. Transfer: (CSU)

HHP 62—Safety and First Aid Education, 3 units
*Hours per term: 54 lecture*
Provides instruction on the theory and skills involved with the immediate and temporary care of the injured. Emphasis will be on learning how to assess a victim's condition and proper treatment. The American Red Cross Standard First Aid, CPR, and AED certifications for Infant/Child/Adult will be granted upon satisfactory completion. Not repeatable. MJC equivalent: (HE 101) Transfer: (CSU/UC)-Transfer credit limited. See a counselor.) C-ID: (KIN 101)

HHP 63—Sociology of Sport, 3 units
*Hours per term: 54 lecture*
Examines the history of sport and its political, social and economic impact on public opinion. Includes an investigation into the phenomenon of sport, including cultural stratification, race, gender, education, economics, politics and the mass media. Not repeatable. MJC equivalent: (PE 120) Transfer: (CSU/UC) (CSU-GE: D0) (IGETC: 4J)

HHP 74—Introduction to Sport Management, 3 units
*Hours per term: 54 lecture*
Provides an introductory overview of professional sport management in North America. The political, historical, social, economic, and cultural impacts of sport management are explored. Topics will include team management, organizational administration, legal issues, public relations, and facility management. Students will become familiar with career opportunities in the sports management field. Not repeatable. Transfer: (CSU)

HHP 76—Sports Conditioning, 1 unit
*Hours per term: 54 laboratory*
This course is designed for the athlete or student wanting to participate in a vigorous training program to train for athletic competition. Components will include muscle strength, muscle endurance, cardiovascular endurance, and flexibility. Concepts of speed, power, and quickness will also be emphasized. May be repeated 3 times. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.)

HHP 79—Understanding Pediatric Physical Development, 2 units
*Hours per term: 54 laboratory*
Provides an introductory overview of early childhood development and physical education for children ages 3-9. This course focuses on the role of physical activity, movement and play in early childhood development. Emphasis will be placed on the assessment of children and their abilities to participate in physical activity in a safe and developmentally-appropriate manner. Not repeatable. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.) C-ID: (KIN 120)

HHP 80—Varsity Cross-Country, 3 units
*Hours per term: 162 laboratory*
Instruction, training, and competition in intercollegiate cross-country running. Participation in contests with other colleges will be scheduled. May be repeated 3 times. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.)

HHP 81—Varsity Cross-Country (Women), 1½ units
*Hours per term: 81 laboratory*
Provides instruction on the application of mechanical and anatomical principles of running. Preparation and training for intercollegiate varsity cross-country running. Participation in contests with other colleges will be scheduled. Field trips required. May be repeated three times. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.)

HHP 85—Varsity Tennis, 3 units
*Hours per term: 171 laboratory*
Preparation and training for intercollegiate varsity tennis competition. Participation in contests with other colleges will be scheduled. May be repeated three times. Transfer: (CSU/UC)

HHP 86—Varsity Volleyball (Women), 3 units
*Hours per term: 162 laboratory*
Preparation and training for intercollegiate varsity volleyball competition. Participation in contests with other colleges will be scheduled. Field trips required. May be repeated three times. Transfer: (CSU/UC)-Transfer credit limited. See a counselor.)

HHP 91A—Pilates I, 1 unit
*Hours per term: 54 laboratory*
Provides instruction designed to condition the entire body, using positions and movements that simulate functional activities and thereby correct body alignment and balance. Not repeatable. Transfer: (CSU/UC)

HHP 91B—Pilates II, 1 unit
*Hours per term: 54 laboratory*
Recommended for Success: Students should be able to complete one length of the pool without assistance
Provides an introduction to the application of mechanical and anatomical principles of aquatics for beginning swimmers. Not repeatable. Transfer: (CSU/UC)

HHP 91C—Pilates III, 1 unit
*Hours per term: 54 laboratory*
Recommended for Success: HHP 91A Pilates I
Provides an introduction to the application of mechanical and anatomical principles of aquatics for intermediate swimmers, with an emphasis on the four competitive swim strokes and increasing cardiorespiratory endurance. Not repeatable. Transfer: (CSU/UC)

HHP 94A—Swimming I, 1 unit
*Hours per term: 54 laboratory*
Recommended for Success: Students should be able to complete one length of the pool without assistance
Provides an introduction to the application of mechanical and anatomical principles of aquatics for beginning swimmers. Not repeatable. Transfer: (CSU/UC)

HHP 94B—Swimming II, 1 unit
*Hours per term: 54 laboratory*
Recommended for Success: HHP 94A Swimming I
Provides an introduction to the application of mechanical and anatomical principles of aquatics for intermediate swimmers, with an emphasis on the four competitive swim strokes and increasing cardiorespiratory endurance. Not repeatable. Transfer: (CSU/UC)
COURSING:  HIST

**HIST (HISTORY)**

**HIST 5/PHILO 5—Introduction to the History and Philosophy of Science, 3 units**
Prerequisite: Completion of ENGL 1A with at least a C or P
Hours per term: 54 lecture

An introduction to the ideas, processes and consequences of science through history. The historical development of philosophies of science will be central throughout. Critical reasoning and extensive writing will be required. Contextual cultural analysis is expected. Credit may be earned once for HIST 5 or PHILO 5. Not repeatable. Transfer: (CSU/UC) (CSU-GE: A3, C2) (IGETC: 1B, 3B)

**HIST 11—History of California, 3 units**
Hours per term: 54 lecture

Survey of California history from pre-Colombian period to the present. Emphasis will include the Indians, Spaniards, Mexicans, and Anglo-Americans. Considerable attention will be devoted to California’s influential role in national and world events. Not repeatable. MJC equivalent: (HIST 129) Transfer: (CSU/UC) (CSU-GE: D6) (IGETC: 4F)

**HIST 13—World Civilizations: to 1650, 3 units**
Hours per term: 54 lecture

Survey of the history of the world from the Neolithic period to the middle of the seventeenth century. The course will use a cross-cultural comparative approach as it analyzes the origins, achievements and decline of civilizations in Asia, Africa and the Americas, as well as the Middle East and Western Europe. Emphasis on the application of major theories of history to various stages of world development. The position of women in society will be highlighted. Not repeatable. MJC equivalent: (HIST 106) Transfer: (CSU/UC) (CSU-GE: D6) (IGETC: 4F) C-ID: (HIST 150)

**HIST 14—World Civilization: 1500 to Present, 3 units**
Hours per term: 54 lecture

Survey of world history from the beginning of the sixteenth century to the present time. The theme of revolution will be illustrated by the Industrial Revolution, the democratic revolutions of the eighteenth century, and the Communist revolutions of the twentieth century. Contemporary problems in Asia, Africa, Central and South America will be placed in historical context. The contributions of women in history will be a special topic of study. Not repeatable. MJC equivalent: (HIST 107) Transfer: (CSU/UC) (CSU-GE: D6) (IGETC: 4F) C-ID: (HIST 160)

**HIST 16—United States: to 1877, 3 units**
Hours per term: 54 lecture

Survey of the history of the United States from pre-European settlement to the end of Reconstruction. Important topics include: the Art and Science of History, pre-European civilizations, Colonization and Society, the War for Independence, Constitutional Development and Federalism, American Leadership, Westward Expansion, Industrialization and Economic Transformation, Urbanization, Sectional Conflicts and the Impending Crisis, Slavery and experiences of historically disadvantaged groups in the United States, relative to their geographic, economic, political, and social contexts. Political and historical developments particular to California and in relation to the federal government will be highlighted. HIST 16, taken in conjunction with POLSC 10, satisfies Associate Degree and CSU requirements in United States History, Constitution, and American Ideals. Completion of HIST 16 and/or HIST 17 in combination with MJC HIST 101 or HIST 102 will not fulfill the requirement for CSU graduation. Not repeatable. MJC equivalent: (HIST 101) Transfer: (CSU/UC) (CSU-GE: D6) (IGETC: 4F) C-ID: (HIST 130)

**HIST 17—United States: 1877 to Present, 3 units**
Hours per term: 54 lecture

Survey of the history of the United States from the end of Reconstruction to the present era. Course includes examinations of Reconstruction, Western Conquest, Federalism, Industrialization and Post-Industrialization, Urbanization, Foreign Relations, Social Movements, Major Wars, the Great Depression, Major Political and Institutional Developments, and Globalization. This course will also examine U.S. citizens’ rights and obligations, with special attention given to the experiences of historically disadvantaged groups in the U.S. Political and historical developments particular to California and in relation to the federal government will be highlighted. HIST 17, taken in conjunction with POLSC 10, satisfies Associate Degree and CSU requirements in United States History, Constitution, and American Ideals. Completion of HIST 16 and/or HIST 17 in combination with MJC HIST 101 or HIST 102 will not fulfill the requirement for CSU graduation. Not repeatable. MJC equivalent: (HIST 102) Transfer: (CSU/UC) (CSU-GE: D6) (IGETC: 4F) C-ID: (HIST 140)

**HIST 21—Women in American History, 3 units**
Hours per term: 54 lecture

Review and evaluate the roles and contributions of American women from the colonial period to the present, viewed within the context of the total American experience. The diversity of experience according to class and ethnicity will be emphasized, including the roles and experiences of Native American, African American, European, Latina, and Asian women in American history. Not repeatable. MJC equivalent: (HIST 116) Transfer: (CSU/UC) (CSU-GE: D4, D6) (IGETC: 4D, 4F)

**HIST 49—The Mother Lode, 3 units**
Hours per term: 54 lecture

Introduction to a contextual examination of major topics in Mother Lode history including the geography of the region, Native Americans, California Gold Rush, the timber and ranching industries, the railroad, water and environmental issues, and Mother Lode myths. Field trips may be required. Not repeatable. Transfer: (CSU)
HL-OC
(HEALTH OCCUPATIONS)

HL-OC 97—Work Experience in Health Occupations, 1-4 units

Co-requisite: Must be enrolled in at least seven (7) units, including Work Experience, where 75 employed hours with pay equals 1 unit, or 60 employed hours without pay equals 1 unit

Provides students an opportunity to experience supervised employment in Health Occupations. The student's employment must be related to educational or occupational goals. Grading: (P/NP only) May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Transfer: (CSU-Transfer credit limited. See a counselor.)

HPMGT
(HOSPITALITY MANAGEMENT)

HPMGT 97—Work Experience in Hospitality Management, 1-4 units

Co-requisite: Must be enrolled in at least seven (7) units, including Work Experience, where 75 employed hours with pay equals 1 unit, or 60 employed hours without pay equals 1 unit

Provides students an opportunity to experience supervised employment in Hospitality Management. The student's employment must be related to educational or occupational goals. Grading: (P/NP only) May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Two units of hotel work is required of hotel students. Transfer: (CSU-Transfer credit limited. See a counselor.)

HPMGT 102—Introduction to Hospitality Careers and Human Relations, 1½ units

Hours per term: 27 lecture

An introduction to the hospitality industry (comprising lodging, food and beverage services, and tourism) with a focus on its career opportunities and human relations management in the hospitality industry. Individual goal-setting and career planning are emphasized. Not repeatable.
HPMGT 104—Hospitality Laws and Regulations, 2 units  
*Hours per term: 36 lecture*

The study of legal issues relating to commercial food service and lodging operations which are national, State and local in scope. Using both the case method and specific statutes, introduces students to general concepts including the types of law, the nature of agreements and the judicial system, as well as regulatory agencies and the particular laws they enforce in the hospitality field. Not repeatable.

HPMGT 112—Front Office Management/Hotel Catering, 2 units  
*Hours per term: 36 lecture*

Introduction to the essential equipment, routines, and duties of the front desk clerk and their relationship to other hotel departments. Covers planning and preparation for private parties, dinners, meetings, and other special events that a hotel or restaurant may cater. Not repeatable.

HPMGT 114—Introduction to Maintenance and Housekeeping, 1½ units  
*Hours per term: 27 lecture*

Introduces the essential components of effective hotel or motel maintenance and housekeeping operations, including technical information on equipment and its servicing to establish a preventive maintenance routine. Provides broad scope of the housekeeping position, stressing employee responsibilities, record-keeping and use of equipment and materials. Not repeatable.

HPMGT 120—Safety and Sanitation, 1 unit  
*Hours per term: 18 lecture*

Sanitation and safety principles and practices for the food service professional. Provides ServSafe certification from the National restaurant Association. Not repeatable.

HPMGT 122—Restaurant Math, 1 unit  
*Hours per term: 18 lecture*

This is an arithmetic course for restaurant personnel. Students will be learning and applying basic math skills: addition, subtraction, multiplication, division, fractions, and percentages. There will be use of handheld calculators, gauges, scales and devices for measuring weights and volumes. Currency will be handled and time, distance, and temperature will be measured. There will be an emphasis on recognition and use of geometric shapes. Not repeatable.

HPMGT 126—Nutrition for Chefs, 2 units  
*Hours per term: 36 lecture*

Students will understand the USDA recommendations for basic nutritional requirements for good health, the food groups encompassing carbohydrates, proteins, fats, vitamins, phytochemicals and minerals, their sources and dependency along with the roles of water, electrolytes and atmospheric gasses in human health. Students will be familiar with the fundamental physiology of digestion and how the basic food groups interact and react in the human body. They will have the knowledge to evaluate recipes and menus for nutritional balance and can devise recipes and menus that conform to USDA nutritional recommendations. They will understand the relationship between nutritional and physical exercise needs in terms of energy balances. Not repeatable.

HPMGT 128—Kitchen Management, 3 units  
*Hours per term: 54 lecture*

Focused on the development of skills used to manage a commercial kitchen. Students will write menus and develop recipes, establish portion sizes and recipe costs, then price the menu items. Purchasing foods and supplies: comparative pricing among vendors, ordering, receiving, rotating and storing goods; taking and extending inventories. Students will learn to base production plans on sales forecasts, staff the kitchen accordingly, establish policies, standards and procedures regarding production, staff issues, facility/equipment maintenance and kitchen cleanliness. Basic concepts from the Uniform System of Accounts for Restaurants relating to kitchen operations will also be addressed. Not repeatable.

HPMGT 130—Survey of Commercial Food Service Operations, 3-6 units  
*Hours per term: 18 to 36 lecture and 108-216 laboratory*

A survey course which gives practical experience in operating a commercial food service operation. Production efficiency, marketing, ServSafe Sanitation guidelines, quality control, and production records are emphasized. Not repeatable.

HPMGT 133A—Introduction to Commercial Food Preparation, 3 units  
*Co-requisite: HPMGT 120*

*Hours per term: 27 lecture and 90 laboratory*

Initial culinary training for chefs includes concepts about safe, sanitary, and efficient food production procedures, orientation and training on equipment, hand tools and foods, and applications of nutritional concepts to recipe writing. Food inventory management skills will be practiced using both traditional and computer-aided costing. Adopting professional standards regarding uniforms, dependability, teamwork and quality performance will be emphasized. Field trips may be required. Not repeatable.

HPMGT 133B—Commercial Food Preparation, 4 units  
*Prerequisite: Completion of HPMGT 133A with at least a C or P*

*Hours per term: 27 lecture and 153 laboratory*

Focus is on restaurant line cookery. Involves preparation of soups, salads, entrees, vegetables and starches. Menu cycle extends from family-style to classical cuisine, including buffets. Quality assurance, production efficiency and kitchen management are emphasized. Not repeatable.

HPMGT 134—Commercial Baking: Beginning, 2½ units  
*Hours per term: 18 lecture and 81 laboratory*

*Materials fee required*

This course covers tools, terms and functions in preparation of baked goods: yeast breads and pastries, cookies, cakes and specialty items to American Culinary Federation (ACF) competencies. Field trips may be required. Not repeatable.

HPMGT 135—Commercial Baking: Advanced, 2 units  
*Prerequisite: Completion of HPMGT 134 with at least a C or P*

*Hours per term: 36 lecture*

Formulas used in commercial pastry shop, cake decoration, marzipan, chocolate work, pâté à chou and specialty items. Student participation. Field trips may be required. Not repeatable.
HPMGT 136—Dining Room Service and Management I, 2 units  
Hours per term: 18 lecture and 72 laboratory  
Operation of the Cellar Restaurant dining room and related service support stations is covered. The focus is on how to hire, train, motivate, schedule and assign jobs to a wait staff. Cost control, labor and supplies, quality assurance and productivity standards are addressed. Not repeatable.

HPMGT 140—Contemporary Cuisine, 2-3½ units  
Prerequisite: Completion of HPMGT 133B with at least a C or P  
Hours per term: 27 lecture and 108-144 laboratory  
Focused on the preparation of seasonal ingredients used to develop the menus for the advanced culinary course. Cooking techniques and theory pertaining to contemporary cuisine will be emphasized and the student will prepare on-line cooking stations in pastry, pantry, sauté, and grill. Not repeatable.

HPMGT 141—Restaurant Desserts, 2 units  
Prerequisite: Completion of HPMGT 135 with at least a C or P  
Hours per term: 18 lecture and 54 laboratory  
The production and presentation of classical and contemporary restaurant desserts. A practical study of the restaurant pastry chef’s special vendors, equipment, supplies, foods, processes and techniques used to produce a wide variety of desserts. Not repeatable.

HPMGT 142—Garde Manger, 1 unit  
Hours per term: 9 lecture and 27 laboratory  
A study of cold food preparation which includes vegetable and fruit carvings, appetizers, hors d’oeuvres, canapés, sauces, salads, forcemeats, pâtés, tray presentations, table setups, room setups, and food show competitions. Field trips may be required. Not repeatable.

HPMGT 143—Advanced Garde Manger, 1 unit  
Prerequisite: Completion of HPMGT 142 with at least a C or P  
Hours per term: 9 hours. 27 laboratory  
Advanced study of cold food preparation to include vegetable, fruit, and ice carvings, appetizers, hors d’oeuvres, canapés, sauces, salads, forcemeats, pâtés, tray presentation, table and room setup with attention to food shows and special event programs. Not repeatable.

HPMGT 144—Dining Room Service and Management II, 1-3½ units  
Prerequisite: Completion of Hpmgt 136 with at least a C or P  
Hours per term: 0-27 lecture and 24-108 laboratory  
Advanced service techniques, table settings and dining room etiquette utilizing a restaurant as a laboratory. Emphasis is on elegance and showmanship, developing the fine points of service, understanding wine and food compatibilities, building sales, managing the dining room with reservations, proper staffing and hosting. Field trips required. Not repeatable.

HPMGT 146—Dining Room Service and Management II, 1-3½ units  
Prerequisite: Completion of HPMGT 136 with at least a C or P  
Hours per term: 0-27 lecture and 24-108 laboratory  
Advanced service techniques, table settings and dining room etiquette utilizing a restaurant as a laboratory. Emphasis is on elegance and showmanship, developing the fine points of service, understanding wine and food compatibilities, building sales, managing the dining room with reservations, proper staffing and hosting. Field trips required. Not repeatable.

HPMGT 147—Beverage Management, 2 units  
Hours per term: 27 lecture and 27 laboratory  
A study of all aspects of beverage management including federal, State and local regulations, mixology, background and future of the beverage industry. Students should be 21 years of age, or if under 21, will be required to complete a number of independent assignments instead of labs. Field trips may be required. Not repeatable.

HPMGT 148—Introduction to Wines, 2 units  
Hours per term: 36 lecture  
A study of wines from around the world with an emphasis on California. History and development of the wine industry, viticulture, wine making techniques, restaurant sales, and restaurant service. Wine evaluation, marketing, and wine's relationship to food and menus will be covered. Field trips may be required. Not repeatable.

HPMGT 152—Restaurant Planning, 3 units  
Hours per term: 54 lecture  
Using a restaurant as a vehicle for attaining personal and professional goals students create a plan to conceive, design, staff, equip, stock, market and open the restaurant. They develop systems, policies and procedures for daily operations as well as relationships with professional service providers, vendors, lenders and regulatory agencies. This is an advanced class. Many topics will have been addressed and skills developed in earlier courses. This class unifies that knowledge and skill in the formation of a comprehensive restaurant plan. Field trips may be required. Not repeatable.

HPMGT 190—Culinary Arts Internship, 2 units  
Prerequisite: Completion of HPMGT 140 with at least a C or P  
Hours per term: 9 lecture and laboratory 72 hours  
Supervised field experience in Culinary or Pastry Arts study and research related to job training. Current developments in Culinary Arts. Not repeatable.

HPMGT 200—Exploring Culinary and Baking Skills, 1½-2½ units  
Hours per term: 9 hours and 54-108 laboratory  
This course is an exploratory course for those who are interested in learning proper usage of baking ovens, stoves, cooking equipment and tools. This course allows students to perform culinary and baking skills in a supervised environment. Emphasis will be placed on safety, sanitation, professionalism and basic competencies. Field trips may be required. Not repeatable. Grading: (P/NP only)

HPMGT 201A—Basic Baking and Pastry Arts, 2 units  
Hours per term: 9 lecture and 81 laboratory  
Introduction to pastries, breads, cookies, pies and cakes. Students will explore the proper use of baking ovens, stoves, cooking equipment, and tools to produce baked products. Emphasis is on safety, sanitation, and basic competencies. Not repeatable. Grading: (P/NP only)

HPMGT 201B—Intermediate Culinary and Pastry Arts, 2 units  
Recommended for Success: HPMGT 201A  
Hours per term: 9 lecture and 81 laboratory  
Intermediate preparation of pastries, breads, cookies, pies, and cakes. Students will learn to bake goods to industry standards. Emphasis will be placed on preparing intermediate-level baked goods. Not repeatable. Grading: (P/NP only)
HUMAN
(HUMANITIES)

HUMAN 1—Old World Culture, 3 units
Hours per term: 54 lecture
An introductory survey of influences on Western culture, historically structured from classical Greece to the Renaissance, presenting enduring works of art, drama, literature, music, and philosophy. MJC equivalent: (Human 105) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

HUMAN 2—Modern Culture, 3 units
Recommended for Success: ENGL 151 or equivalent
Hours per term: 54 lecture
An introductory survey of humanistic culture, historically structured from the enlightenment to the present, focusing on enduring works of art, drama, literature, music, and philosophy. Not repeatable. MJC equivalent: (Human 106) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

HUMAN 3—World Culture, 3 units
Recommended for Success: ENGL 151 or equivalent
Hours per term: 54 lecture
A study of selected works of literature, art, music, film, religion, philosophy, theatre and other forms of expression, particularly emphasizing the non-Western world. The works will be studied in their historical and cultural contexts. Not repeatable. MJC equivalent: (Human 110) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

HUMAN 4—World Religions and Spirituality, 3 units
Hours per term: 54 lecture
Study of the development of religious consciousness, including the earliest belief systems in the world, the major “living religions” today, tribal religions, “new age” religion and spirituality, and an examination of the meaning of the religious experience. Field trips may be required. Not repeatable. MJC equivalent: (PHILO 115) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

INDEPENDENT STUDY

Independent Study courses are intended to give students an opportunity to independently research specialized areas not available as regular course offerings of the college. They are designed to meet specific student interests and may be made available in any subject matter area. Consult your advisor for specific procedures. (See page 40 for conditions, limitations). These courses may transfer as electives or other credit as authorized by the transfer school. For UC, student is responsible for pre-authorization from UC department chair and Admissions Office.

INDIS (INTERDISCIPLINARY STUDIES)

INDIS 48—Sustainable Living, 3 units
Hours per term: 54 lecture
This course introduces life skills and decision-making strategies to students interested in a sustainable future for themselves and their local/global communities. The course will cover topics such as: how do our food choices affect both our health and our environment, what are the impacts of various consumer goods on the environment and society, what does it mean to build and maintain a sustainable house/building, where do my wastes go when I flush the toilet, where does my drinking water come from, where does my energy come from and what is its true cost? The course will be designed to help students see the individual as the pivot point between community health/world health and personal health. Field trips may be required. Not repeatable. Transfer: (CSU) (CSU-GE: E)

INDIS 110—Peer Tutoring, 1 unit
Hours per term: 18 lecture
Provides students with techniques and strategies for peer tutoring. Students will study learning styles, multiple intelligence theory, learning disabilities, as well as effective communication skills, planning and structuring a tutor session, questioning techniques and multicultural perspectives. Studying these topics will lead to clarifying the nature of an effective tutor. This course meets State regulations for peer tutoring training and College Reading and Learning Association (CRLA) certification. Not repeatable. Grading: (P/NP only)

INDIS 111—Group Peer Tutoring, ½ unit
Hours per term: 9 lecture
The Group Peer Tutoring course will train students to facilitate a structured group tutoring session and/or Supplemental Instruction (S.I.) session. Particular emphasis will be on tutoring techniques designed to improve study skills of students attending group sessions and/or S.I. sessions. Not repeatable. Grading: (P/NP only)

LIBR (LIBRARY SCIENCE)

LIBR 1—Introduction to Library and Information Resources, 1 unit
Hours per term: 18 lecture
This course is an introduction to the use of electronic and print resources, including developing effective search strategies and evaluating information sources. Emphasis is on library online catalogs, online periodic databases, print and electronic reference sources, and Internet resources. Not repeatable. Transfer: (CSU)

LIBR 101 Introduction to the Library, ½ unit
Hours per term: 9 lecture
Basic familiarization with library collections and services. Focus is on being an effective library user, including how to identify and locate print and electronic materials using library resources. Grading: (P/NP only)
MATH (MATHEMATICS)

MATH 2—Statistics, 4 units
Prerequisite(s): Completion of MATH 104 or with at least a C or P
Hours per term: 54 lecture
Statistics is the study of how to collect, organize, analyze, interpret, and communicate information from data. This course will cover descriptive statistics, normal distributions, correlation and regression, probability, sampling distributions, inference about quantitative and categorical variables, and inference about relationships. Not repeatable. MJC equivalent: (MATH 105) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A) (C-ID: MATH 110)

MATH 4—Mathematics for Elementary Teachers, 3 units
Prerequisite: Completion of MATH 104 with at least a C or P, or placement through the assessment process
Hours per term: 54 lecture
Critical study of the real number system and its subsystems for prospective elementary school teachers. Includes the definitions of the basic arithmetic operations and their algorithms, numeration systems, number theory, problem solving, and mathematical communication and reasoning. Field trips may be required. Not repeatable. MJC equivalent: (MATH 105) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B4) C-ID (MATH 120)

MATH 6—Mathematics for Liberal Arts Students, 3 units
Prerequisite: Completion of MATH 104 with at least a C or P, or placement through the assessment process
Hours per term: 54 lecture
A survey of important mathematical ideas with insight into their historical development, with emphasis on the nature of mathematical reasoning and the importance and applications of mathematics in society. Topics may include set theory and logic, number theory, functions and graphs, geometric ideas, probability and statistics, calculus, graph theory, or other significant areas of mathematics. Not repeatable. MJC equivalent: (MATH 101) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A)

MATH 8—Trigonometry, 3 units
Prerequisite(s): Completion of MATH 104 Algebra II or with at least a C or P
Hours per term: 54 lecture
The study of trigonometric functions analytically and graphically, in both Cartesian and polar coordinates. Course will cover solving trigonometric equations using identities and inverse functions and applying these concepts to right and oblique triangles, the unit circle, vectors, complex numbers and other applications. Not repeatable. Transfer: (CSU) (CSU-GE: B4) (C-ID MATH 851)

MATH 10—Introduction to Calculus, 3 units
Prerequisite(s): Completion of MATH 104 or MATH 101 with at least a C or P
Hours per term: 54 lecture
Introduction to the study of limits, derivatives, and integrals. Not repeatable. MJC equivalent: (MATH 14) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A) C-ID (MATH 110)

MATH 11—Linear Algebra, 3 units
Prerequisite(s): Completion of MATH 104 or MATH 101 with at least a C or P
Hours per term: 54 lecture
Introduction to matrices, determinants, and vector spaces. Not repeatable. MJC equivalent: (MATH 14) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A) C-ID (MATH 110)

MATH 12—Finite Mathematics, 3 units
Prerequisite: Completion of MATH 104 with at least a C or P, or placement through the assessment process
Hours per term: 54 lecture
Introduction to mathematical modeling, linear systems of equations and inequalities (linear programming), sets, combinatorics, probability, statistics, and the mathematics of finance. Not repeatable. MJC equivalent: (MATH 130) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A) C-ID (MATH 130)

MATH 16—Precalculus, 5 units
Prerequisite(s): Completion of MATH 8 with at least a C or P
Hours per term: 90 lecture
Topics in Algebra, Trigonometry and Analytic Geometry are studied in preparation for Calculus. Includes polynomial, absolute value, radical, rational, exponential, logarithmic, and trigonometric equations, functions and their graphs. Not repeatable. Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A) C-ID (MATH 155)

MATH 18A—Calculus I, 5 units
Prerequisite(s): Completion of MATH 17B or MATH 16 with at least a C or P
Hours per term: 90 lecture
Families of functions, limits, continuity, the derivative, derivative formulas, implicit differentiation, applications of derivatives, and an introduction to concepts and applications of the definite integral. Graphing calculator required. Not repeatable. MJC equivalent: (MATH 171) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A) C-ID: (MATH 210)

MATH 18B—Calculus II, 5 units
Prerequisite(s): Completion of MATH 18A or MATH 16 with at least a C or P
Hours per term: 90 lecture
Anti-derivatives, techniques of integration, applications of definite integrals to geometry, physics, probability, and economics, numerical integration, improper integrals, simple differential equations, convergence of series, power series, Taylor series, Fourier series, areas defined by polar and parametric curves. Not repeatable. MJC equivalent: (MATH 172) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A)

MATH 18C—Calculus III, 5 units
Prerequisite: Completion of MATH 18B with at least a C or P
Hours per term: 90 lecture
Vectors and solid analytic geometry, vector valued functions, partial differentiation, multiple integrals, vector fields and vector calculus. Not repeatable. MJC equivalent: (MATH 173) Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A)
MATH 26—Linear Algebra, 3 units
Prerequisite(s): Completion of MATH 18A with at least a C or P
Hours per term: 54 lecture
This course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination and matrix algebra. Investigation of properties of vectors in two and three dimensions leads to the notion of an abstract vector space. Vector space and matrix theory topics include inner products, norms, orthogonality, eigenvalues, eigenvectors, eigenspaces and linear transformations. The course also includes an introduction to writing proofs and selected applications and numerical methods. Not repeatable. Transfer: (CSU/UC) (CSU-GE: B4) (IGETC: 2A)

MATH 100A—Algebra I: First Half, 3 units
Prerequisite: Completion of MATH 602 with at least a C or P, or placement through the assessment process
Hours per term: 54 lecture
This course is equivalent to the first half of MATH 101, allowing the student more study time for the course topics. Completion of both MATH 100A and MATH 100B is equivalent to completion of MATH 101. Not repeatable.
MATH 10B—Algebra I: Second Half, 3 units
Prerequisite: Completion of MATH 100A with at least a C or P
Hours per term: 54 lecture
This course is equivalent to the second half of MATH 101, allowing
the student more study time for the course topics. Completion of both
MATH 100A and MATH 100B is equivalent to completion of MATH
101. Not repeatable.

MATH 101—Algebra I, 5 units
Prerequisite: Completion of MATH 602 with at least a C or P, or placement
through the assessment process
Hours per term: 90 lecture
Introduction to algebraic structures using tabular, graphical and
symbolic representations. Properties of real numbers, evaluating and
simplifying algebraic expressions, linear equations and inequalities in
one and two variables, systems of linear equations and inequalities,
proportions and direct variation, linear functions and models, integer
exponents, polynomial operations, factoring, solution of quadratic
equations by factoring and the quadratic formula. Not repeatable. MJC
equivalent: (MATH 90)

MATH 104—Algebra II, 5 units
Prerequisite: Completion of MATH 100B or MATH 101 with at least a C or
P, or placement through the assessment process
Hours per term: 90 lecture
Algebra II continues from Algebra I, studying functions using graphical,
numerical, formulaic and descriptive techniques. Students will solve
problems and applications modeled by linear, polynomial, rational,
exponential, logarithmic functions and quadratic functions in one and
two variables using conic sections. Students also perform operations,
simplify expressions and solve equations involving polynomials, com-
plex numbers, matrices and rational exponents. Introduction to series
and summation notation, as well as transformations and the algebra of
functions. Graphing calculator required. This course is prerequisite to
undergraduate transfer general education mathematics courses. Not
repeatable. MJC equivalent: (MATH 90)

MATH 601—Elementary Mathematics, 4 units
Hours per term: 72 lecture
Study of the concepts and procedures of arithmetic, with emphasis
on developing understanding as well as computational skills. Topics
include mathematical vocabulary, symbolic representation, arithme-
tic operations, fractions, decimals, percents, ratio, proportion, prime
factorization, and student study skills. Not repeatable. MJC equivalent:
(MATH 10)

MATH 602—Prealgebra, 4 units
Prerequisite: Completion of MATH 601 with at least a C or P
Hours per term: 72 lecture
Designed to help students prepare for algebra and applied math courses
by reviewing fundamental operations of arithmetic and common
geometric formulas, and introducing the algebraic concepts of simplif-
ing expressions, polynomial arithmetic, and solving linear equations.
Arithmetic reviewed includes calculation with integers, decimals, and
fractions. Ratios, percents, and their applications are also studied. Not
repeatable. MJC equivalent: (MATH 20)

MATH 650—Personalized Mathematics Development, ½-2 units
Hours per term: 27 to 108 laboratory
This course provides students opportunities to review or learn math-
ematics in an individualized, self-paced setting. Topics include: Basic
Math, Prealgebra, Beginning Algebra, Introduction to Geometry,
Intermediate Algebra, College Algebra, Trigonometry, Precalculus, and
Introduction to Statistics. Successful completion of this course does not
satisfy prerequisite or degree requirements. Not repeatable. Grading: (P/
NP only)

MGMT (MANAGEMENT)

MGMT 110—Communication in the Workplace, ½ unit
Hours per term: 9 lecture
Designed to introduce the student to key elements in communication
within business organizations. Topics include verbal and nonverbal
communication, listening skills and specific supervisory communica-
tion skills. Not repeatable. Grading: (P/NP only)

MGMT 111—Customer Service, ½ unit
Hours per term: 9 lecture
Designed to provide the student with certain key skills and attitudes
in order to effectively meet the needs of customers. The student will be
introduced to the concept of internal and external customers, customer
satisfaction and customer retention. Topics will also include com-
municating with customers, developing a positive attitude, handling
complaints and sales skills. Not repeatable. Grading: (P/NP only)

MGMT 112—Team Building, ½ unit
Hours per term: 9 lecture
Designed to provide the student with an understanding of how teams
work together, common problems teams encounter and how to solve
them. Students will learn to recognize various team player styles. Stu-
dents will be introduced to team building in the workplace. Not repeat-
able. Grading: (P/NP only)

MGMT 113—Attitude in the Workplace, ½ unit
Hours per term: 9 lecture
Designed to provide the student with certain key skills in the area of
attitude so that they may effectively maintain a positive attitude at the
workplace and at home. The student will be introduced to the concepts
of how attitudes are communicated, the three types of attitudes and how
to adjust one's attitude. Topics will also include the primary causes of
a bad attitude, turnaround strategies to battle these bad attitudes and
specific techniques to raise the attitude of others. Not repeatable. Grad-
ing: (P/NP only)
MGMT 114—Values and Ethics in the Workplace, ½ unit
Hours per term: 9 lecture
Designed to acquaint the student with the importance of values and ethics in the workplace. The importance of values and ethics involved in the supervisor's carrying out his/her duties will be emphasized. Grading: (P/NP only)

MGMT 115—Time Management, ½ unit
Hours per term: 9 lecture
Designed to introduce the student to time management principles and specific tools that assist in making maximum use of time. Basic concepts of managing space will also be covered. Not repeatable. Grading: (P/NP only)

MGMT 116—Stress Management in the Workplace, ½ unit
Hours per term: 9 lecture
Designed to acquaint the student with various skills the supervisor needs to help employees. Included is the recognition of stress and how to manage it, job burnout and what to do about it, and counseling employees in various situations. Not repeatable. Grading: (P/NP only)

MGMT 117—Conflict Management, ½ unit
Hours per term: 9 lecture
Designed to provide the student with an analysis of attitudes and behavior which create conflict between individuals and groups within an organization. Not repeatable. Grading: (P/NP only)

MGMT 118—Decision Making in the Workplace, ½ unit
Hours per term: 9 lecture
Designed to introduce the student to decision making and problem solving as a supervisor or employee. Not repeatable. Grading: (P/NP only)

MGMT 119—Managing Organizational Change, ½ unit
Hours per term: 9 lecture
Designed to provide the student with an understanding of change and the influence it has on an organization and the individuals in that organization. Topics will include understanding organizational change, theoretical models of change, stages of change, and how to manage organizational change. Not repeatable. Grading: (P/NP only)

MGMT 120—Generational Diversity: Managing Cross-Generational Teams, ½ unit
Hours per term: 9 lecture
For the first time in America's history, we have four generations working side by side in the workplace. This course is designed to equip students with knowledge and skills to work with and lead cross-generational teams. Not repeatable. Grading: (P/NP only)

MUSIC 2—Introduction to Music, 3 units
Recommended for Success: ENGL 151
Hours per term: 54 lecture
Survey of the many fields within the discipline of music, including a brief overview of fundamentals, music history, the voice, musical instruments, the science of acoustics, rock, jazz, and current styles, psychology of music, and analytical listening. Attendance at selected local concerts is required. Not repeatable. MJC equivalent: (MUSG 101)
Transfer: UC/CSU. (CSU-GE: C1) (IGETC: 3A) C-ID: (MUS 100)

MUSIC 4A—Elementary Musicianship, 1 unit
Prerequisite: Completion of MUSIC 4A with at least a C or P
Recommended for Success: Concurrent enrollment in Music 20A
Hours per term: 54 laboratory
Basic course for developing musical skills. Teaches sight singing, ear training, melodic dictation, and basic keyboard skills. Not repeatable. MJC equivalent: (MUST 131) Transfer: (CSU/UC) C-ID: (MUS 125)

MUSIC 5A—Intermediate Musicianship, 1 unit
Prerequisite(s): Completion of MUSIC 4B with at least a C or P
Hours per term: 54 laboratory
Continuation of MUSIC 4A to develop skills in sight singing, melodic and rhythmical dictation, and aural analysis of harmonic materials, and basic keyboard skills. Not repeatable. MJC equivalent: (MUST 132) Transfer: (CSU/UC) C-ID: (MUSIC 135)

MUSIC 5B—Intermediate Musicianship, 1 unit
Prerequisite(s): Completion of MUSIC 4B with at least a C or P
Hours per term: 54 laboratory
Continuation of MUSIC 5A, including sight singing, melodic and rhythmical dictation, and aural analysis of harmonic materials and basic keyboard skills. Not repeatable. MJC equivalent: (MUST 133) Transfer: (CSU/UC)

MUSIC 10—Survey of Music History and Literature: Ancient to 1750, 3 units
Hours per term: 54 lecture
A survey of elements of style, major composers, and masterpieces of music from the Greek era through Medieval, Renaissance, Baroque, and Early Classic periods; survey from 1000 BC through 1750 AD. Includes the music of Palestrina, Bach, and Handel. Not repeatable. MJC equivalent: (MUSG 121) Transfer: (CSU/UC) (CSU-GE: C1) (IGETC: 3A)
MUSIC 11—Survey of Music History and Literature: 1750 to Present, 3 units

Hours per term: 54 lecture
A survey of elements of style, major composers, and masterpieces of music during the Classic, Romantic, and Modern periods from 1750 to the present. Includes music of Mozart, Beethoven, Wagner, Debussy, Schoenberg, and Copland. Not repeatable. MJC equivalent: (MUST 122) Transfer: (CSU/UC) (CSU-GE: C1) (IGETC: 3A)

MUSIC 12—American Popular Music: Blues and Jazz to Rock 'n' Roll, 3 units

Hours per term: 54 lecture
An introduction to jazz style, jazz history, and popular music of the 20th and 21st centuries. Not repeatable. Transfer: (CSU/UC) (CSU-GE: C1) (IGETC: 3A)

MUSIC 20A—Elementary Music Theory, 3 units

Recommended for Success: Concurrent enrollment in MUSIC 4A
Hours per term: 54 lecture
Analysis of the essentials for understanding and writing music. Included are rhythm, scales, intervals, chords, notation, melody writing; study of diatonic 4 part harmony, figured bass, chord progressions, and harmonic motion. Not repeatable. MJC equivalent: (MUST 121) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) C-ID: (MUS 120)

MUSIC 20B—Elementary Music Theory, 3 units

Prerequisite(s): Completion of MUSIC 20A with at least a C or P
Hours per term: 54 lecture
Continuing study in harmony and analysis. Included are secondary dominants, modulation, altered chords, nonharmonic notes, and extended chords. Not repeatable. MJC equivalent: (MUST 122) Transfer: (CSU/UC) C-ID: (MUS 130)

MUSIC 21A—Intermediate Music Theory, 3 units

Prerequisite: Completion of Music 20B with at least a C or P
Hours per term: 54 lecture
A continuation of the study of the basic structural elements of music such as melody, rhythm, harmony and form with an emphasis on the organization of these elements; also includes a study of chromaticism, chromatic alterations, and complex tetrick structures. Not repeatable. MJC equivalent: (MUST 123) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) C-ID: (MUS 140)

MUSIC 21B—Intermediate Music Theory, 3 units

Prerequisite: Completion of Music 21A with at least a C or P
Hours per term: 54 lecture
Continued development of analytical and compositional techniques; study of modal and tonal counterpoint; introduction to Impressionism and to 20th century concepts of melody, harmony, and form. Not repeatable. MJC equivalent: (MUST 124) Transfer: (CSU/UC-Transfer credit limited. See a counselor.) C-ID: (MUS 150)

MUSIC 31A—Elementary Piano, 1 unit

Hours per term: 54 laboratory
An introduction to the skill of piano playing based on music reading: fundamentals of rhythm, notation, and technique. Basic theory will include knowledge and application of musical terms, scales, key signatures, and chords. Field trips required. Not repeatable. MJC equivalent: (MUSA 121) Transfer: (CSU/UC)

MUSIC 31B—Elementary Piano, 1 unit

Prerequisite: Completion of Music 31A with at least a C or P
Hours per term: 54 laboratory
Continuation of the fundamentals of piano performance with emphasis given to the essentials of music reading. Theory will include the presentation of scales and keys, both major and minor, review and application of chords and inversions, and an introduction to improvisation. Piano literature will include both classical and popular compositions as well as exercises and technical studies. Field trips required. Not repeatable. Transfer: (CSU/UC)

MUSIC 36—Elementary Voice, 1 unit

Hours per term: 54 laboratory
Large group instruction in singing for those with little or no vocal solo training. Includes basic singing techniques and songs for improving pitch, building range, endurance, tone, and breath control. Not repeatable. MJC equivalent: (MUSA 151) Transfer: (CSU/UC)

MUSIC 37—Advanced Elementary Voice, 1 unit

Prerequisite: Completion of Music 36 with at least a C or P
Hours per term: 54 laboratory
Large group instruction in singing for those with one semester of private or solo class voice. Includes reinforcement of basic singing techniques for building range, endurance, tone, and breath capacity taught in MUSIC 36. Music includes folk/traditional as well as English and Italian art song. Not repeatable. MJC equivalent: (MUSA 152) Transfer: (CSU/UC)

MUSIC 38—Intermediate Voice, 1 unit

Prerequisite: Completion of Music 37 with at least a C or P
Hours per term: 54 laboratory
Individual and small group instruction in the refinement of vocal technique for people with two semesters of class voice. Includes continued development of tone, endurance, and flexibility with an emphasis on solo public performance with traditional and art song literature. Not repeatable. Transfer: (CSU/UC)

MUSIC 39—Advanced Intermediate Voice, 1 unit

Prerequisite: Completion of Music 38 with at least a C or P
Hours per term: 54 laboratory
Individual and small group instruction in the development of vocal technique for people with three semesters of class voice. Includes continued development of expression and increased emphasis on public performance. Field trips may be required. Not repeatable. MJC equivalent: (MUSA 153) Transfer: (CSU/UC)
MUSIC 41A—Intermediate Piano, 1 unit
Prerequisite: Completion of Music 31B with at least a C or P
Hours per term: 54 laboratory
Continuation of the fundamentals of piano performance attained in MUSIC 31B with more emphasis given to technique, phrasing, and dynamics as progressively difficult music is presented. Theory will include additional major and minor scales and keys, chords, and inversions including seventh chords, improvisation, and transposition. Piano literature will include both classical and popular compositions as well as exercises and technical studies. Not repeatable. MJC equivalent: (CC MUSIC 41A & 41B = MJC MUSA 123) Transfer: (CSU/UC)

MUSIC 41B—Intermediate Piano, 1 unit
Prerequisite: Completion of Music 41A with at least a C or P
Hours per term: 54 laboratory
Continuation of the fundamentals of piano performance attained in MUSIC 31A, 31B, and 41A with more emphasis given to the adaptation of various techniques regarding style, touch, dynamics, and phrasing as they apply to different periods of piano literature. Opportunity to accompany instrumentalists and vocalists is offered as well as the performance of two-piano works. Theory will include all key signatures, scales, embellishments, diminished and augmented chords, and study of the Baroque, Classical, Romantic, and Contemporary periods in Music. Not repeatable. MJC equivalent: (MUSIC 41A+MUSIC 41B = MJC MUSA 123) Transfer: (CSU/UC)

MUSIC 49—Beginning Guitar, 1 unit
Hours per term: 54 laboratory
Basic guitar techniques, open string chords, right hand string and finger-picking. Introduction to music reading, basic chords, simple song accompaniments and melodic playing in first position. Student must provide a tunable, nylon string acoustic guitar. Not repeatable. MJC equivalent: (MUSA 141) Transfer: (CSU/UC)

Limitations apply to MUSIC 50 - MUSIC 78.
Each course is limited to a maximum of four (4) enrollments.

MUSIC 50—Private Lessons-Guitar, ½ unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 27 laboratory
Study of performance techniques, interpretation and repertoire in private instruction. Designed primarily for music majors and minors. Outside performance required. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 160)

MUSIC 51—Private Lessons-Keyboard, ½ unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 27 laboratory
Study of performance techniques, interpretation and repertoire in private instruction. Designed primarily for music majors and minors. Outside performance required. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 160)

MUSIC 52—Private Lessons-Woodwinds, ½ unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 27 laboratory
Study of performance techniques, interpretation and repertoire in private instruction. Designed primarily for music majors and minors. Outside performance required. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 160)

MUSIC 53—Private Lessons-Brass, ½ unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 27 laboratory
Study of performance techniques, interpretation and repertoire in private instruction. Designed primarily for music majors and minors. Outside performance required. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 160)

MUSIC 54—Private Lessons-Strings, ½ unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 27 laboratory
Study of performance techniques, interpretation and repertoire in private instruction. Designed primarily for music majors and minors. Outside performance required. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 160)

MUSIC 55—Private Lessons- Percussion, ½ unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 27 laboratory
Study of performance techniques, interpretation and repertoire in private instruction. Designed primarily for music majors and minors. Outside performance required. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 160)

MUSIC 56—Private Lessons-Voice, ½ unit
Enrollment limited to: students who successfully interview with instructor.
Hours per term: 27 laboratory
Study of performance techniques, interpretation and repertoire in private instruction. Designed primarily for music majors and minors. Outside performance required. May be repeated three times. MJC equivalent: (MUSA 154) Transfer: (CSU/UC) C-ID: (MUS 160)

MUSIC 60—College Choir, 1 unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 54 laboratory
Materials fee required
Instruction and performance in vocal and choral techniques including group tone production, singing, parts, and reading music. Designed for singers with limited or no choir experience as well as intermediate. Repertoire includes selections of various styles. Field trips required. Materials fee required. Four completions allowed. Transfer: (CSU/UC) C-ID (MUS 180)
MUSIC 64—Jazz Choir, 1 unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 54 laboratory
Study and performance of vocal jazz and improvisation in an ensemble of limited size. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 180)

MUSIC 66—Columbia College Community Chorus, 1 unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 54 to 108 activity
Study and performance of mixed choral works of various styles and periods. Includes development of vocal technique and musicianship. Four completions allowed. MJC equivalent: (MUSE 151) Transfer: (CSU/UC) C-ID: (MUS 180)

MUSIC 72—Jazz Ensemble, 1 unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 54 laboratory
Study and performance of instrumental jazz and improvisation; techniques of improvisation will be explored. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 180)

MUSIC 75—Jazz Studies, 1 unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 54 laboratory
Study and performance of instrumental and vocal jazz in both solo and ensemble (including big band, choir, combos, and solo with accompaniment). Includes beginning jazz theory, improvisation, style, interpretation, performance practice, conducted performance and the development of an individual standard jazz repertoire. Repertoire may vary from semester to semester. Field trips may be required. Four completions allowed. Transfer: (CSU/UC) C-ID: (MUS 180)

MUSIC 76—Community Orchestra, 1 unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 54 to 108 activity
Study and performance of orchestral literature of various styles and media. Audition required for wind, brass, and percussion players as needed. May be repeated three times. MJC equivalent: (MUSE 161) Transfer: (CSU/UC) C-ID: (MUS 180)

MUSIC 78—Ensemble: Instrumental Emphasis, 1 unit
Enrollment limited to: students who successfully pass audition during the first week of class
Hours per term: 54 laboratory
Study and performance of music for instrumental ensembles including wind ensemble and small orchestra literature. Four completions allowed. MJC equivalent: (MUSE 166 OR MUSE 176) Transfer: (CSU/UC) C-ID: (MUS 180)

NARTC & NATRE
See FNR (Forestry and Natural Resources)

Columbia College does not offer a Nursing program.
However, within the Yosemite Community College District, Modesto Junior College offers an Associate Degree for Nursing satellite program that operates on the Columbia College campus. See a Columbia College counselor (209) 588-5109 for more information.

OFTEC OFFICE TECHNOLOGY

OFTEC 42/ART 51/CCTDM 51—Publication Design I, 3 units
Recommended for Success: OFTEC 141
Hours per term: 36 lecture and 54 laboratory
An introduction to general publication design theory with emphasis on typography, page layout, graphics, and design. Students will create media for print and digital publishing. Exercises and projects will include the creation of a multi-page booklet, poster, newsletter, brochures and an interactive document formatted for digital publishing. Credit may be earned once for OFTEC 42 or ART 51 or CCTDM 51. Not repeatable. Transfer: (CSU)

OFTEC 43/CCTDM 52/ART 52—Publication Design II, 3 units
Prerequisite: Completion of ART 51/OFTEC 42/CCTDM 51 with at least a C or P
Hours per term: 36 lecture and 54 laboratory
A continuation of study in problems of Publication Design. Areas of focused study will be in advanced problems of page layout, typography, print, and interactive documents for digital publication. Credit may be earned once for OFTEC 43 or ART 52 or CCTDM 52. Not repeatable. Transfer: (CSU)

OFTEC 50—Medical Terminology, 3 units
Hours per term: 54 lecture
An introduction to basic word structure including word roots, prefixes and suffixes used in medical vocabulary; also specialized vocabulary for the various anatomical systems used by allied health fields. Not repeatable. MJC equivalent: (MDAST 321) Transfer: (CSU)
OFTEC 97—Work Experience in Office Technology, 1-4 units  
Co-requisite: Must be enrolled in at least seven (7) units, including Work Experience, where 75 employed hours with pay equals 1 unit, or 60 employed hours without pay equals 1 unit  
Provides students an opportunity to experience supervised employment in Office Technology. The student’s employment must be related to educational or occupational goals. Grading: (P/NP only) May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Transfer: (CSU- Transfer credit limited. See a counselor.)

OFTEC 100—Computer Keyboarding I, 1 unit  
Hours per term: 54 laboratory (self-paced)  
Designed for students wishing to master the touch method of keyboarding. Not repeatable.

OFTEC 125—Records Management and Filing Applications, 3 units  
Hours per term: 54 lecture  
This is a basic course in the principles and practices of effective records management systems and includes practice in classifying, arranging, and storing of records for both manual and computerized records systems. Emphasis is placed on practical applications of alphabetic, numeric, geographic and subject filing systems. Meets or exceeds specifications of American Records Management Association. Not repeatable.

OFTEC 130—Business English, 3 units  
Hours per term: 54 lecture  
A review of the mechanics of English grammar, punctuation, and sentence structure with emphasis on business applications. Vocabulary development, spelling, and use of the dictionary are also studied. Not repeatable. MJC equivalent: (OFADM 304)

OFTEC 131—Office Procedures and Technology, 3 units  
Hours per term: 54 lecture  
Application of workforce issues and development of skills including decision making, team building, business ethics, communication, and time management. Introduction to meeting management, travel and conference planning. Development of presentation skills and an employment portfolio. Not repeatable. MJC equivalent: (OFADM 314)

OFTEC 132—Business Communications, 3 units  
Prerequisite: Completion of OFTEC 130 or ENGL 650 with at least a C or P  
Hours per term: 54 lecture  
Study and development of a variety of communication skills. Emphasis will be placed on writing skills as well as speaking, listening, and nonverbal skills. Students will learn how to compose and create effective documents typically used in business and personal situations including letters, memos, technology-related messages and reports. Not repeatable.

OFTEC 140—Beginning Word Processing, 2 units  
Recommended for Success: OFTEC 100  
Hours per term: 36 lecture  
Students receive instruction in a current word processing program which includes editing, saving, changing format, fonts, tabs; using Spell Check; creating headers/footers and footnotes/endnotes; cutting and pasting; and using file management techniques. Not repeatable.

OFTEC 141—Intermediate Word Processing, 3 units  
Recommended for Success: OFTEC 140  
Hours per term: 36 lecture and 54 laboratory  
Students receive instruction in intermediate word processing features which will be applied to creating business documents. Areas of emphasis will include text columns, macros, styles, math, merge, repetitive documents, sort and select, and graphics. Not repeatable. MJC equivalent: (CSCI 224)

OFTEC 142/CCTIS 142—Desktop Publishing Essentials, 2 units  
Formerly listed as: CMPSC 142  
Recommended for Success: Basic word processing skills such as editing and formatting text, copy/paste, file saving, Spell Check, etc.  
Hours per term: 36 lecture  
An introduction to general desktop publishing theory with emphasis on design elements of formatted text, frames, photographs, clipart, lines, and pictures. Students will create sample projects such as newsletters, brochures, flyers, business cards, etc. Not repeatable. Grading: (P/NP only)

OFTEC 149—Electronic Health Records, 2 units  
Hours per term: 36 lecture  
Students learn to apply hands-on skills by creating charts for new patients, recording vital signs, managing office visits, and creating letters to patients and healthcare providers. Students experience computer-simulated office management through EHR software. Not repeatable.

OFTEC 150—Medical Law and Ethics, 2 units  
Hours per term: 36 lecture  
An introduction to law and ethics in the medical office. The course covers principles, procedures, and regulations involving legal and ethical relationships among physicians, patients, and medical assistants. It also includes current ethical issues and risk management as they relate to the practice of medicine and fiduciary responsibilities. Not repeatable.

OFTEC 151—Medical Office Management, 3 units  
Recommended for Success: OFTEC 50  
Hours per term: 54 lecture  
An introduction to the multiple functions performed by the Medical Office Specialist. Topics include appointment scheduling; verbal, nonverbal, and written communication; interpersonal skills; telephone techniques; managing office supplies, equipment, and personnel; development of organizational and decision-making skills and financial records. A model practice management program is included. Not repeatable.

OFTEC 152A—Medical Billing and Coding, 3 units  
Recommended for Success: OFTEC 50  
Hours per term: 54 lecture  
A fundamental course in medical insurance billing and coding which includes the following elements: governmental and private insurance plans, compliance issues and HIPAA privacy requirements, electronic claims and a practice management program. Not repeatable.
OFTEC 152B—Medical Coding II, 3 units
Recommended for Success: OFTEC 152A
Hours per term: 54 lecture
Intensive application of coding skills in the various medical specialties which expands on procedure and diagnostic coding skills. Abstracting information from the patient records and combining it with knowledge of coding guidelines to optimize physician payment. Not repeatable.

OFTEC 152C—Advanced Medical Coding, 3 units
Prerequisite: Completion of OFTEC 152B with at least a C or P
Hours per term: 54 lecture
Advanced Coding provides an in-depth understanding of physician-based medical coding and coding services such as medical visits, diagnostic testing and interpretation, treatments, surgeries, and anesthesia. Students will enhance clinical decision-making skills and learn to pull the right information from documents, select the right codes, determine the correct sequencing of those codes, and audit cases. Not repeatable.

OFTEC 168—Creating a Virtual Office, 3 units
Recommended for Success: CCTIS 4, CCTIS 100
Hours per term: 54 lecture
Application of administrative support and entrepreneurial skill sets in the development of a virtual office business. Emphasis will be placed on business development, personal skill sets, marketing strategies, communication, organization, and operations. In this setting, a virtual entrepreneur is a highly skilled professional working independently in support of other businesses and providing a multitude of services, often using the latest technology. Not repeatable.

OFTEC 210—Typing Speed and Accuracy Building, 1 unit
Recommended for Success: OFTEC 100
Hours per term: 54 lecture
Speed building and accuracy with intensive drills, timed writings and remedial work. Not repeatable.

OFTEC 215—Word Processing for Personal Use, 1 unit
Hours per term: 18 lecture
Instruction in typing, storing, revising, printing, and other beginning commands for a variety of applications using a word processing program. Designed for non-majors; no previous computer experience is required. Not repeatable. Grading: (P/NP only)

OFTEC 216—Intermediate/Advanced Word Processing for Personal Use, 1-2 units
Recommended for Success: OFTEC 215
Hours per term: 18 or 36 lecture
Intermediate and advanced functions of word processing programs, particularly for personal use. Topics may include styles, headers/footers, footnotes and endnotes, tables, merging, and a variety of graphic, clip art and drawing features. This course is designed for non-majors. Prior basic word processing experience is recommended. Not repeatable. Grading: (P/NP only)

PHILO (PHILOSOPHY)

PHILO 1—Introduction to Philosophy, 3 units
Recommended for Success: Eligibility for ENGL 1A
Hours per term: 54 lecture
Survey of the field of philosophy, including human nature, meaning in life, and values in ethics, social justice, and art; knowledge, truth, logic, and the scientific method; ultimate reality and philosophy of religion. Not repeatable. MJC equivalent: (PHILO 101) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B) C-ID: PHIL 100

PHILO 5/HIST 5—Introduction to the History and Philosophy of Science, 3 units
Prerequisite: Completion of ENGL 1A with at least a C or P
Hours per term: 54 lecture
An introduction to the ideas, processes and consequences of science through history. The historical development of philosophies of science will be central throughout. Critical reasoning and extensive writing will be required. Contextual cultural analysis is expected. Credit may be earned once for PHILO 5 or HIST 5. Not repeatable. Transfer: (CSU/UC) (CSU-GE: A3, C2) (IGETC: 1B, 3B)

PHILO 25—Twentieth Century Philosophy, 3 units
Recommended for Success: ENGL 1A
Hours per term: 54 lecture
A brief survey of nineteenth and twentieth century philosophy emphasizing the contributions of various thinkers to our understanding of what it is to be human, the nature of society and the relationship of the individual to it, science, technology and human values, and the meaning of life itself. Not repeatable. MJC equivalent: (PHILO 123) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

PHILO 35—Environmental Ethics, 3 units
Hours per term: 54 lecture
Do we have moral obligations towards nature? Who counts more: ecosystems, species, or individuals? What, if anything, is the value of wilderness? Course will address questions and issues such as these that arise when considering the relationship between human beings and the environment. Topics include animal rights, land use policy, sustainability, bioengineering, climate change, environmental justice. Theoretical approaches include deep ecology, anthropocentrism, eco-feminism, and pragmatism. Field trips may be required. Not repeatable. MJC equivalent: (PHILO 135) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B)

PHOTOGRAPHY

see ART
PHYCS (PHYSICS)

PHYCS 1—Conceptual Physics, 3 units

*Hours per term: 54 lecture*

A conceptual investigation of the physics of motion, energy, light and color, gravitation, and an introduction to black holes and relativistic time travel. Not repeatable. MJC equivalent: (PHYS 160) **Transfer:** (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A)

PHYCS 2—Conceptual Physical Science: A Starship Voyage, 3 units

**Recommended for Success:** MATH 101

*Hours per term: 54 lecture*

You have been accepted to be a crew member of Earth's first starship, the Sakarov. Class meetings are simulations of the crew's orientation seminars and orientation workshops—the textbook being the orientation manual for this first interstellar voyage. During orientation workshops, crew members, working in small groups, will apply elementary physics and astronomy concepts, learned from the seminars, to deal with voyage predicaments. Topics addressed include scale and composition of the local universe; gravitation; how stars and planets form; light; how telescopes work; keys to understanding motion in space; linear momentum; and angular momentum. Not repeatable. **Transfer:** (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1) (IGETC: 5A)

PHYCS 4A—Introductory Physics I: Trigonometry Level, 4 units

**Prerequisite/Co-requisite:** Completion of MATH 8 or MATH 17B with at least a C or P, or concurrent enrollment in either MATH 8 or MATH 17B

*Hours per term: 54 lecture and 54 laboratory*

A trigonometry-level introduction to the modeling of physical phenomena using Newtonian theory and its extensions. Core topics include: kinematics, dynamics, work and energy, momentum, fluids, and simple harmonic motion. This course requires the student to use algebra, trigonometry, abstract concept assimilation, and critical thinking. Field trips may be required. Not repeatable. MJC equivalent: (PHYS 142) **Transfer:** (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1, B3) (IGETC: 5A, 5C) **C-ID:** (PHYS 105)

PHYCS 4B—Introductory Physics II: Trigonometry Level, 4 units

**Prerequisite:** Completion of PHYCS 4A with at least a C or P

*Hours per term: 54 lecture and 54 laboratory*

A trigonometry-level introduction to the modeling of physical phenomena using electrostatics, magnetostatics, electromagnetic induction, and electric circuit theories. Includes an introduction to optics and modern physics. This course requires the student to use the following college-level skills: algebra, trigonometry, abstract concept assimilation, critical thinking, and a four-stage physics modeling procedure (developed in Introductory Physics I). Not repeatable. MJC equivalent: (PHYS 143) **Transfer:** (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1, B3) (IGETC: 5A, 5C) **C-ID:** (PHYS 110) (PHYCS 4A + PHYCS 4B = CID PHYS 100S)

PHYCS 5A—Introductory Physics I: Calculus Level, 4 units

**Prerequisite:** Completion of MATH 18A with at least a C or P

*Hours per term: 54 lecture and 54 laboratory*

A calculus-based introduction to the modeling of physical phenomena using Newtonian theory and its extensions. Topics include macroscopic force laws, linear and rotational dynamics, energy, fluids, oscillations, thermal physics, and waves. This course requires the student to use the following college-level skills: algebra, trigonometry, beginning calculus, abstract concept assimilation, and critical thinking. Not repeatable. MJC equivalent: (PHYS 101) **Transfer:** (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1, B3) (IGETC: 5A, 5C) **C-ID:** (PHYS 205)

PHYCS 5B—Introductory Physics II: Calculus Level, 4 units

**Prerequisite:** Completion of PHYCS 5A and MATH 18B with at least a C or P

*Hours per term: 54 lecture and 54 laboratory*

A calculus-level introduction to modeling with electrostatics, magneto statics, electromagnetic induction, and electric circuit theories. Includes an introduction to optics and modern physics. This course requires the student to use the following college-level skills: algebra, trigonometry, integral calculus, abstract concept assimilation, critical thinking, and a four-stage physics modeling procedure (developed in Introductory Physics I). Not repeatable. MJC equivalent: (PHYS 103) **Transfer:** (CSU/UC-Transfer credit limited. See a counselor.) (CSU-GE: B1, B3) (IGETC: 5A, 5C) **C-ID:** (PHYS 210)

PHYCS 5C—Physics III: Calculus Level, 4 units

**Prerequisite(s):** Completion of PHYCS 5A and MATH 18B with at least a C or P

*Recommended for Success:** Concurrent enrollment in MATH 18C

*Hours per term: 54 lecture and 54 laboratory*

PHYCS 5C is a continuation of PHYCS 5B. It emphasizes the laws of thermodynamics, relativity, and topics of modern physics. PHYCS 5C is intended for students majoring in physical sciences and engineering. Since different colleges vary slightly in the order in which the topics are presented, it is strongly recommended that students take the entire sequence at Columbia College. Not repeatable. **Transfer:** (CSU) **C-ID:** (PHYS 210)

PHYCS 30/CHEM 30—Survey of Chemistry and Physics, 4 units

**Prerequisite:** Completion of MATH 101 with at least a C or P

*Hours per term: 54 lecture and 54 laboratory*

An investigation of basic principles of physics and chemistry including matter, physical and chemical properties, energy, motion, light, atomic structure, bonding, solutions and chemical reactions. The interdependence of chemistry and physics will be emphasized. The inquiry-based learning experience is designed to assist students and future science educators in learning how to guide learning by self-discovery. Not repeatable. MJC equivalent: (PHSCI 180) **Transfer:** (CSU/UC) (CSU-GE: B1, B3) (IGETC: 5A, 5C) **C-ID:** (CHEM 30 or PHYCS 30 = C-ID CHEM 140)
POLSC (POLITICAL SCIENCE)

POLSC 10—Constitutional Government, 3 units

Hours per term: 54 lecture

A survey course in the political system of the United States from its inception at the end of the eighteenth century until the present time. Primary focus will be the Constitution, its ideological underpinnings, uses and limitations. Class will also cover the two party system, the process of justice, the specific mechanisms of legislature, and the governmental power at the national, state, and local levels, with specific emphasis on the state of California. The interests and rights of all historically under represented groups will be included in the analysis of the power structure. (UC/CSU) (With HIST 16 or HIST 17 meets California State requirement for United States History, Constitution and American ideals.) MJC equivalent: (POLSC 101) Transfer: (CSU/UC) (CSU-GE: D8) (IGETC: 4H) C-ID: (POLS 110)

POLSC 12—American Political Thought, 3 units

Hours per term: 54 lecture

Historical survey of major American political ideas, political processes, ideals and aspirations. The origins, evolution, and current directions of American political thought will be examined through specific American values and beliefs. The course will introduce the major political ideologies, their origins, and the implications and consequences of those in American history. Not repeatable. Transfer: (CSU/UC) (CSU-GE: D8) (IGETC: 4H)

POLSC 14—International Relations, 3 units

Hours per term: 54 lecture

Introduction to the principles and practices of international politics, emphasizing problems of war and peace, foreign policies of major powers, problems of developing countries, and global problems. Emphasis placed upon the formulation and execution of American foreign policy within a constitutional and political framework. The dynamics of interstate relations, diplomacy, international law, non-state actors and supra-national organizations will be emphasized. Not repeatable. MJC equivalent (POLSC 110) Transfer: (CSU/UC) (CSU-GE: D8) (IGETC: 4H) C-ID: (POLS 140)

POLSC 16—Comparative Government and Politics, 3 units

Hours per term: 54 lecture

Comparative analysis of different kinds of political systems, including their history, political institutions, processes and policies, the environments in which they occur, and their consequences. Not repeatable. Transfer: (CSU) (CSU-GE: D8) (C-ID: (POLS 130)

Professor Tom Johnson passes out materials for a lecture course. Many classroom spaces like the one above feature locally milled redwood paneling bringing into the classroom the feel of the unique and beautiful setting of the campus. The panels were donated to the college when it was first built in the late 1960s.
PSYCH 1—General Psychology, 3 units  
**Recommended for Success:** ENGL 151  
**Hours per term:** 54 lecture  
An introductory survey course of the general field of psychology. Topics to be covered include: the scientific method (including the impact of diversity and ethics), conditioning, personality development, aggression, emotions, stress, anxiety, therapy, sexuality, motivation, consciousness, biology and behavior, and abnormal psychology. Not repeatable. MJC equivalent: (PSYCH 101) **Transfer:** (CSU/UC) (CSU-GE: D9) (IGETC: 4I) **C-ID:** (PSY 110)

PSYCH 2—Current Issues in Psychology, 3 units  
**Prerequisite:** Completion of PSYCH 1 with at least a C or P  
**Hours per term:** 54 lecture  
A look at the more advanced areas of study in psychology concentrating on current theoretical approaches and research findings regarding areas of current interest and controversy. Not repeatable. **Transfer:** (CSU)

PSYCH 3—Research Methods in Psychology, 3 units  
**Prerequisites:** Completion of PSYCH 1 and MATH 2  
**Hours per term:** 54 lecture  
An introduction to basic research methods used in Psychology (and other behavioral sciences). This includes an examination of the scientific method, research design (descriptive, observational, correlational and experimental methods), experimental procedures, the collection, analysis and reporting of research data, the review and evaluation of research articles and ethics in research. Research design and methodology will be illustrated through selected research topics in psychology, for example, neuroscience, learning, memory, development and social psychology. Not repeatable. MJC equivalent: (PSYCH 102) **Transfer:** (CSU/UC) (CSU-GE: D9) **C-ID:** (PSY 200)

PSYCH 4—Physical and Cognitive Development, 3 units  
**Recommended for Success:** ENGL 151  
**Hours per term:** 54 lecture  
An introduction to the scientific study of the human being from conception to death. The interplay of biological, psychological, social and cultural forces on the developing human will be examined. As well as examining universal development, the course will examine individual differences in human development including developmental problems associated with physical, cognitive, social and personality issues. Instruction will include theoretical concepts as well as practical application. Not repeatable. MJC equivalent: (PSYCH 141) **Transfer:** (CSU/UC) (CSU-GE: E) (IGETC: 4I) **C-ID:** (PSY 180)

PSYCH 5—Human Sexual Behavior, 3 units  
**Recommended for Success:** Completion of ENGL 151 with at least a C or P  
**Hours per term:** 54 lecture  
Exploration of issues in human sexuality from a psychological, social and biological perspective. Study and discussion of sexual behavior, feelings and attitudes as they affect one’s self and others. Not repeatable. MJC equivalent: (PSYCH 110) **Transfer:** (CSU/UC) (CSU-GE: E) (IGETC: 4I) **C-ID:** (PSY 130)

PSYCH 9—Lifespan Human Development, 3 units  
**Recommended for Success:** PSYCH 1  
**Hours per term:** 54 lecture  
An introduction to the scientific study of the human being from conception to death. The interplay of biological, psychological, social and cultural forces on the developing human will be examined. As well as examining universal development, the course will examine individual differences in human development including developmental problems associated with physical, cognitive, social and personality issues. Instruction will include theoretical concepts as well as practical application. Not repeatable. MJC equivalent: (PSYCH 141) **Transfer:** (CSU/UC) (CSU-GE: E) (IGETC: 4I) **C-ID:** (PSY 180)

PSYCH 10—Lifespan Human Development, 3 units  
**Recommended for Success:** PSYCH 1  
**Hours per term:** 54 lecture  
An introduction to the scientific study of the human being from conception to death. The interplay of biological, psychological, social and cultural forces on the developing human will be examined. As well as examining universal development, the course will examine individual differences in human development including developmental problems associated with physical, cognitive, social and personality issues. Instruction will include theoretical concepts as well as practical application. Not repeatable. MJC equivalent: (PSYCH 141) **Transfer:** (CSU/UC) (CSU-GE: E) (IGETC: 4I) **C-ID:** (PSY 180)

PSYCH 15—Research Methods in Psychology, 3 units  
**Prerequisites:** Completion of PSYCH 1 and MATH 2  
**Hours per term:** 54 lecture  
An introduction to basic research methods used in Psychology (and other behavioral sciences). This includes an examination of the scientific method, research design (descriptive, observational, correlational and experimental methods), experimental procedures, the collection, analysis and reporting of research data, the review and evaluation of research articles and ethics in research. Research design and methodology will be illustrated through selected research topics in psychology, for example, neuroscience, learning, memory, development and social psychology. Not repeatable. MJC equivalent: (PSYCH 102) **Transfer:** (CSU/UC) (CSU-GE: D9) **C-ID:** (PSY 200)

PSYCH 20—Sport Psychology, 3 units  
**Hours per term:** 54 lecture  
Introductory survey of the theoretical and practical applications of psychology to sport and exercise. Cognitive, behavioral, social-psychological and affective factors related to populations and topics in sport and exercise will be covered. Topics include introduction to sport psychology, personality and sport, audience effect, aggression, arousal/stress, anxiety, motivation, team climate, and youth issues/gender issues. Not repeatable. **Transfer:** (CSU) (CSU-GE: D9, E)

PSYCH 24—Abnormal Psychology, 3 units  
**Recommended for Success:** ENGL 151  
**Hours per term:** 54 lecture  
This course is designed to introduce students to the scientific study of psychopathology and atypical psychological behavior. The course will examine psychological disorders from a variety of contemporary psychological perspectives, including the biological and neuroscience perspectives, the psychological perspectives and the sociocultural perspectives. Students will also be introduced to current assessment and diagnostic criteria and the DSM-5, as well as treatment strategies. An examination of the scientific method and current research are also presented. Not repeatable. **Transfer:** (CSU/UC) (CSU-GE: D9) (IGETC: 4I) **C-ID:** (PSY 120)

PSYCH 30—Psychology of Adjustment, 3 units  
**Recommended for Success:** ENGL 151  
**Hours per term:** 54 lecture  
This course is designed for students to learn and apply psychological principles and theories to their everyday life and foster their personal and social adjustment. This includes an examination of different psychological perspectives and their theoretical foundations as well as the influence of culture, society, gender, ethnicity, historical cohort and socio-economic status. Furthermore, students shall learn how scientists, clinicians and other practitioners study psychology. Lastly, this course should facilitate student understanding of other social sciences and improve critical thinking skills. Field trips may be required. Not repeatable. MJC equivalent: (PSYCH 130) **Transfer:** (CSU) (CSU-GE: E) **C-ID:** (PSY 115)

PSYCH 35—Introduction to Drugs and Behavior, 3 units  
**Recommended for Success:** Completion of PSYCH 1 with at least a C or P  
**Hours per term:** 54 lecture  
An introduction to how drugs affect behavior. Instruction in basic pharmacology and neurophysiology as it relates to drug self-administration and resultant altering of behavior. Overview of the history, concepts and theory of drug use. Includes discussion of issues related to drug use such as drug abuse as a disease or disorder, and drug use for specific purposes such as enhancing sports performance. Designed for students who do not possess a technical background. Not repeatable. MJC equivalent: (HUMSR 116) **Transfer:** (CSU/UC) (CSU-GE: D9, E) (IGETC: 4I)
PSYCH 40—Stress Management, 3 units
Recommended for Success: ENGL 151
Hours per term: 54 lecture
An overview of the psychological, physiological, sociological and behavioral dynamics underlying the management of the human stress response. The class covers the biological and psychological aspects of the stress response, as well as the appraisal and management of stress. This includes time management, lifestyle choices, behavior modification techniques, relaxation training, and interpersonal communication techniques. Not repeatable. Transfer: (CSU) (CSU-GE: E)

PSYCH 52—Introduction to Peer Support for Psychosocial Rehabilitation, 3 units
Hours per term: 54 lecture
This course provides an overview of the knowledge, skills and attitudes that are required for individuals entering the field of Peer Counseling. The individual role of peer counselor is defined, as well as how the peer counselor integrates into a multidisciplinary team. The core values of psychosocial rehabilitation and recovery are reviewed, and students will identify their strengths in relationship to these values. Core skills are defined and demonstrated, such as self-management (using Mary Ellen Copeland’s Wellness Recovery Action Plan), advocacy, boundaries and working from a strengths perspective. In addition, the student learns basic documentation skills and reviews confidentiality regulations under HIPAA. Not repeatable. Transfer: (CSU)

PSYCH 56—Introduction to Psychosocial Rehabilitation, 3 units
Prerequisite: Completion of PSYCH 52 with at least a C or P
Hours per term: 54 lecture
The course reviews the history of the treatment of persons with psychiatric disorders and shows the evolution of thinking and practice in the field. The course provides an overview of the fundamental theories, strategies, practice models and interventions commonly utilized in psychosocial rehabilitation. During the course, the student will review the principles and values of psychosocial rehabilitation, emphasizing consumer empowerment and recovery. The course will cover a brief history of the field, current practice models, and will identify important issues facing the psychosocial rehabilitation practitioner today. The purpose of this course is to present the core values and principles of recovery-oriented, psychosocial rehabilitation practice. Also presented is basic information on psychiatric disorders, current research and how to work in an empowering way with consumers about medication. Not repeatable. Transfer: (CSU)

SAR (SEARCH AND RESCUE)

SAR 10—Introduction to Search Theory, 2 units
Hours per term: 36 lecture
An overview of current search theories as developed by the National Park Service and the National Association for Search and Rescue. National Association for Search and Rescue Certification available to the student. Not repeatable. Transfer: (CSU)

SAR 50/FIRE 50—Low Angle Rope Rescue, 1½ units
Hours per term: 27 lecture
This course is designed to take the student to the basic skill and knowledge levels of Low Angle (not vertical) Rope Rescue. Topics will include, but are not limited to: basic rappelling, rescue of ambulatory and non-ambulatory persons with an emphasis on safety and teamwork. Topics reflect current Urban Search and Rescue and California State Fire Training standards and equipment. Successful students will be certified in Low Angle Rope Rescue by the California State Fire Marshal’s Office. Not repeatable. Grading: (P/NP only) MJC equivalent sequence: (CC FIRE 7, FIRE 50, FIRE 101, FIRE 106 & FIRE 107 = MJC FSCI 362 & FSCI 363) Transfer: (CSU)

SAR 59—Rescue Systems I: Instructor Training, 3 units
Hours per term: 54 lecture
Review and update of heavy duty rescue skills and techniques designed to prepare qualified personnel to teach those skills and techniques to others. Not repeatable. Grading: (P/NP only) Transfer: (CSU)

SAR 62/GEOGR 62/CCTIS 62—GIS Mapping, Introduction to SAR GIS, 1 unit
Hours per term: 18 lecture
Students who take this course will learn how to apply their GIS skills in Search and Rescue (SAR) Mapping. Students will learn SAR incident symbology, data standards and organization, establishing incident locations, search segments, SAR incident map products, and responsibilities of a GIS specialist on SARs and other critical incidents. The course will use a workflow and data model developed by SAR personnel that integrates with ArcGIS 10. Additionally, students will utilize GPS data that they have collected from GPS devices, convert them to shapefiles, and create team and briefing incident maps. During a full-day exercise, students will also live-track SAR teams using satellite tracking devices. This course includes hands-on experience in SAR incident mapping and data organization. Not repeatable. Credit may only be earned once for SAR 62 or GEOGR 62 or CCTIS 62. Grading: (P/NP only) Transfer: (CSU)
COURSES: SIGN - SKLDV

SIGN (SIGN LANGUAGE)

SIGN 40A—ASL: Beginning Communication with the Deaf, 3 units
Hours per term: 54 lecture
This is the beginning course in American Sign Language (ASL) and Deaf culture. ASL is the language used by culturally Deaf people in the United States. The class focus is on everyday conversations and situations. Emphasis is on both receptive and expressive skills. Not repeatable. Transfer: (CSU/UC) (CSU-GE: C2)

SIGN 40B—ASL: Elementary Communication with the Deaf, 3 units
Prerequisite: Completion of SIGN 40A with at least a C or P
Hours per term: 54 lecture
This is an elementary level course in American Sign Language (ASL) and Deaf culture. ASL is the language used by culturally Deaf people in the United States. The class focus is on everyday conversations and situations. Emphasis is on both receptive and expressive skills. Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B, 6A)

SIGN 40C—ASL: Intermediate Communication with the Deaf, 3 units
Prerequisite: Completion of SIGN 40B with at least a C or P
Hours per term: 54 lecture
This is the third course in American Sign Language (ASL) and Deaf Culture. ASL is the language used by most deaf people in the United States. Emphasis is on improving speed and fluency. Not repeatable. Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B, 6A)

SKLDV (SKILL DEVELOPMENT)

SKLDV 610—Introduction to Computer Access, ½-1 unit
Prerequisite: Verified disability according to California Community College Title 5 regulations
Hours per term: 27-55 laboratory
Designed to provide access to and instruction in specialized computer programs for students with verified learning, developmental, or physical disabilities. Students will work in one or more areas, including adaptive typing and word processing, fundamental academic skills such as reading, spelling, vocabulary, grammar, and mathematics, and/or cognitive exercises and memory-building techniques. Not repeatable. Grading: (P/NP only)

SKLDV 690—Study Skills, ½ unit
Hours per term: 9 lecture
An introductory discussion of effective study methods. Topics will include goal setting, time management, learning styles, note taking, textbook analysis, memory/concentration, and test taking.
COURSES:

SOCIO 1—Introduction to Sociology, 3 units

*Hours per term: 54 lecture*

Introduction to the principal concepts and methods of sociology; survey of interactions, interrelationships and processes of society, such as culture, socialization, stratification, minorities, primary and secondary groups, social change. Not repeatable. MJC equivalent: (SOCIO 101)  
Transfer: (CSU/UC) (CSU-GE: D0) (IGETC: 4J) C-ID: (SOCI 110)

SOCIO 2—American Society: Social Problems and Deviance, 3 units

*Hours per term: 54 lecture*

A focus on social problems, such as family disorganization, religious conflicts, educational irregularities, poverty, physical and mental health care, political issues, crime and justice, violence and aggression, drug issues, and environmental problems. These problems and others will be studied from the perspective of social institutions, social deviance, and other perspectives of sociology. MJC equivalent: (SOCIO 102)  
Transfer: (CSU/UC) (CSU-GE: D0) (IGETC: 4J) C-ID: (SOCI 115)

SOCIO 5—Ethnicity and Ethnic Relations in America, 3 units

*Hours per term: 54 lecture*

This is a multidisciplinary study of ethnicity (belonging to an ethnic group) and ethnic group relations in the United States from a historical and sociological perspective. It emphasizes a challenging field of study with the dynamics of emergence, ethnocentrism, change, marginality and acculturation of major ethnic groups in the United States. The immense diversity of these groups will be explored and analyzed through the methodology of recent sociological research. This course is designed to meet an ethnic studies requirement. Not repeatable. MJC equivalent: (SOCIO 150)  
Transfer: (CSU/UC) (CSU-GE: D3, D0) (IGETC: 4C, 4J) C-ID: (SOCI 150)

Columbia College's intimate campus facilitates immersive and intensive learning experiences where strong relationships are easily forged among peers, faculty, and staff.
SOcio 7/AnthR 7—Gender, Culture and Society, 3 units

Hours per term: 54 lecture

The course takes an inclusive bio-cultural evolutionary perspective on gender, focusing on non-human primate societies as well as primitive (small scale) and modern (large scale) human societies. Factors such as culture, ecological conditions and historical circumstances, forces of stratification (e.g. age, social class), socialization (e.g. rites of passage, conformity and deviance) as well as the science (e.g. concepts, theories and methods) of studying these topics will be addressed. Though course readings will represent many disciplines, the course readings reflect the perspectives of bio-cultural anthropology as well as sociology. This emphasis addresses the fundamental assumption that while sex differences are biological, gender encompasses the traits that culture assigns and inculcates (with varying degrees of success) in males and females. Credit may be earned only once for the following: ANTH 7 or SOCIO 7. Not repeatable. Transfer: (CSU/UC) (CSU-GE: D0) (IGETC: 4D) C-ID: (SOCI 140)

SOcio 8/AnthR 8—Research Methods in the Social and Behavioral Sciences, 3 units

Prerequisite: Completion of SOCIO 1 with at least a C or P

Hours per term: 54 lecture

Surveys research traditions and processes in the social and behavioral sciences. The course addresses: epistemological traditions, research conceptualization, research design, research process, measures, sampling, data collection and analysis, reporting traditions, ethics, as well as implications for theory and public policy. While the primary focus is on Anthropology, Psychology, and Sociology, there will be a secondary focus on the disciplines of Biology, Demography, History, Political Science, and Public Health. Not repeatable. Credit may only be earned once for SOCIO 8 or ANTHR 8. Transfer: (CSU/UC) (CSU-GE: D0) (IGETC: 4J) C-ID: (SOCI 120)

SOcio 12—Sociology of the Family, 3 units

Hours per term: 54 lecture

Comparative and historical treatment of the family institution. Analysis of kinship and family structure, roles and relationships within the family. Interdisciplinary assessment of the reciprocal relationship between contemporary society and the American family. Not repeatable. MJC equivalent: (SOCIO 125) Transfer: (CSU/UC) (CSU-GE: E) (IGETC: 4J) C-ID: (SOCI 130)

SOcio 28—Death and Dying, 3 units

Hours per term: 54 lecture

Principles, concepts and methods of sociology used in examining predominant attitudes and practices regarding death, dying, and grief in the U.S.; included will be interdisciplinary methods and materials relevant to suicide, the terminally ill, bereavement, and various viewpoints about the phenomenon of death. Field trips may be required. Not repeatable. MJC equivalent: (HUMSR 114) Transfer: (CSU) (CSU-GE: E)

SPAN 1A—Spanish: Beginning, 5 units

Recommended for Success: Completion of ENGL 151 with at least a C or a P, or eligibility for ENGL 1A through the assessment process

Hours per term: 90 lecture

Introduction to the introduction language, emphasizing natural communications and supported by foundation grammar. For true beginners and students with one year of high school Spanish or the equivalent. Not repeatable. MJC equivalent: (SPAN 101) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 6A) C-ID: (SPAN 100)

SPAN 1B—Spanish: Beginning, 5 units

Formerly listed as: SPAN 1B—Spanish: Beginning,

Prerequisite(s): Completion of SPAN 1A or,

Hours per term: 90 lecture

Continuation of SPAN 1A, fundamentals of spoken and written Spanish. Not repeatable. MJC equivalent: (SPAN 102) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B, 6A) C-ID: (SPAN 110)

SPAN 2A—Spanish: Intermediate, 5 units

Prerequisite: Completion of SPAN 1B with at least a C or P or 3 years of high school Spanish or equivalent

Hours per term: 90 lecture

Continuation of SPAN 1B. Includes grammar, conversation and discussion, composition and reading. Not repeatable. MJC equivalent: (SPAN 103) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B, 6A) C-ID: (SPAN 200)

SPAN 2B—Spanish: Intermediate, 5 units

Prerequisite: Completion of SPAN 2A with at least a C or P

Hours per term: 90 lecture

A continuation of intermediate-level SPAN 2A. MJC equivalent: (SPAN 104) Transfer: (CSU/UC) (CSU-GE: C2) (IGETC: 3B, 6A) C-ID: (SPAN 210)

SPAN 10A—Conversational Spanish: Beginning, 3 units

Hours per term: 54 lecture

Practice in vocabulary, idioms and grammatical usage with emphasis on conversational use of the language as spoken in Hispanic America. Not repeatable. MJC equivalent: (SPAN 51) Transfer: (CSU)
SPAN 20A—Conversational Spanish: Intermediate, 3 units
Recommended for Success: SPAN 1B or 3 years of high school Spanish, or equivalent
Hours per term: 54 lecture
An intermediate-level conversation course designed for the practice of listening and speaking skills in Spanish with a focus on everyday language in a comparative cultural context. Preparation includes reading of assigned material. Not repeatable. Transfer: (CSU)

SPAN 20B—Conversational Spanish: Intermediate, 3 units
Prerequisite: Completion of Span 20A or SPAN 2A with at least a C or P
Hours per term: 54 lecture
An intermediate-level conversation course designed to refine listening and speaking skills through discussion of contemporary issues in a comparative cultural context. Preparation includes reading of assigned material. Not repeatable. Transfer: (CSU)

SPAN 150A—Spanish for the Community, 2 units
Hours per term: 36 lecture
A conversation-based course for beginners. This course will be useful for individuals who work with Spanish-speaking customers or employees, for individuals planning to travel to Spanish-speaking countries, or for those wishing a basic orientation to the structure of Spanish with an eye to continuing language study. Not repeatable. Grading: (P/NP only)

SPAN 150B—Spanish for the Community II, 2 units
Hours per term: 36 lecture
Continuation of an introductory conversational Spanish course for beginning learners. Course will be useful for individuals who work with Spanish-speaking customers or employees, for individuals planning to travel to Spanish-speaking countries, or for those wishing a basic orientation to the structure and use of Spanish. Not repeatable. Grading: (P/NP only)

SPCOM (SPEECH COMMUNICATION)

SPCOM 1—Introduction to Public Speaking, 3 units
Hours per term: 54 lecture
Principles of oral communication including speech composition and techniques of presenting informal and formal speeches. Emphasis given to organization, delivery, critical thinking, and evaluative listening. Not repeatable. MJC equivalent: (COMM 100) Transfer: (CSU/UC) (CSU-GE: A1) (IGETC: 1C) C-ID: (COMM 110)

SPCOM 2—Argumentation and Debate, 3 units
Prerequisite: Completion of SPCOM 1 with at least a C or P
Hours per term: 54 lecture
A study of argumentation and debate. Emphasis is given to analysis of the rules, strategies, and argumentation models central to parliamentary debate. Special consideration will be given to the elements of logic; analysis of opposing arguments and models of refutation and rebuttal. These areas of inquiry are conducted through modes specific to oral traditions and contemporary debate theory. Not repeatable. MJC equivalent: (COMM 104) Transfer: (CSU/UC) (CSU-GE: A3) C-ID: (COMM 120)

SPCOM 4—Introduction to Human Communication, 3 units
Hours per term: 54 lecture
Course material focuses on the history of the study of human communication, basic research methods for the evaluation of human communication phenomena, and ethical perspectives in communication. Recurrent variables in verbal and non-verbal interaction are traced through the intrapersonal, interpersonal, and multi-personal systems. Not repeatable. MJC equivalent: (COMM 102) Transfer: (CSU/UC) (CSU-GE: A1) (IGETC: 1C) C-ID: (COMM 180)

SPCOM 5—Intercultural Communication, 3 units
Hours per term: 54 lecture
A study of intercultural communication with a focus on the analysis and comparisons of message perception and transmission in interactions between people from different cultures. Practical application of skills for effective communication between people of different domestic and international cultures is emphasized. Field trips required. Not repeatable. MJC equivalent: (COMM 130) Transfer: (CSU/UC) (CSU-GE: D3) (IGETC: 4C) C-ID: (COMM 150)

SPCOM 7—Forensics Workshop, 3 units
Hours per term: 54 lecture
Principles of applied speech communication through participation in competitive speech performances. Students will participate in intercollegiate forensics. Competitive events include debate, individual speaking, and interpretive performances. Field trips required. May be repeated three times. MJC equivalent: (COMM 105) Transfer: (CSU) C-ID: (COMM 160B)
SPCOM 9/BUSAD 9—Introduction to Small Group and Team Communication, 3 units

*Hours per term: 54 lecture*

This course focuses on the intersection between communication and the ability of small groups or teams to effectively achieve objectives. Course includes the study of, and practice in, discussion methodology, types of discussion groups, information gathering, problem solving, decision making, and leadership roles. Not repeatable. Credit may be earned once for SPCOM 9 or BUSAD 9. MJC equivalent: (COMM 106)

Transfer: (CSU) C-ID: (COMM 140)

SPCOM 12—Media and American Culture, 3 units

*Hours per term: 54 lecture*

An overview of the evolution of mass media and its cumulative effects on public perception and American cultural identity. Specific emphasis includes television, newspapers, film, advertising, and the internet. Course content explores the relationship the media has in shaping public perception and behavior. Not repeatable. Transfer: (CSU/UC) (CSU-GE: D7) (IGETC: 4G)

SPCOM 19/DRAMA 19—Exploring Radio Drama, 1½-3 units

*Hours per term: 27-54 lecture*

An intensive course focused on audio theatre production featuring the expressive use of the voice and sound effects. Students will create, rehearse, perform and provide sound effects for audio plays to be recorded. Not repeatable. Credit may be earned once for SPCOM 19 or DRAMA 19. Transfer: (CSU)

---

T-AID (TEACHER AIDE TRAINING)

T-AID 97—Work Experience as a Teacher Aide, 1-4 units

*Co-requisite: Must be enrolled in at least seven (7) units, including Work Experience, where 75 employed hours with pay equals 1 unit, or 60 employed hours without pay equals 1 unit*

Provides students an opportunity to experience supervised employment in Teacher Aide Training. The student's employment must be related to educational or occupational goals. Grading: (P/NP only) May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. Transfer: (CSU-Transfer credit limited. See a counselor.)
**WKEEXP**

**WORK EXPERIENCE**

All CSU campuses will accept Work Experience; see your counselor or work experience coordinator for limitations.

**WKEEXP 97—Cooperative Work Experience, 1-4 units**

- **Co-requisite:** Enrollment in a minimum of seven (7) units including Cooperative Work Experience at Columbia College where 75 hours of paid employment equals 1 unit of credit, or 60 hours of unpaid employment equals 1 unit of credit.

  Provides students an opportunity to experience supervised employment. The student’s employment must be related to educational or occupational goals. Grading: (P/NP only). May be repeated for no more than a total of 16 units of credit less any units earned in any other Work Experience course. **Transfer:** (CSU-Transfer credit limited. See a counselor.)

**WT**

**WELDING TECHNOLOGY**

**WT 97—Work Experience in Welding Technology, 2-4 units**

- **Co-requisite:** Enrollment in a minimum of seven (7) units including Cooperative Work Experience at Columbia College where 75 hours of paid employment equals 1 unit of credit, or 60 hours of unpaid employment equals 1 unit of credit.

  Provides students an opportunity to experience supervised employment in Welding Technology. The student’s employment must be related to educational or occupational goals. May be repeated to a maximum of 16 units. 3 completions allowed. Grading: (P/NP Only). **Transfer:** (CSU-Transfer credit limited. See a counselor.)

**WT 101—Practical Laboratory, 1 unit**

- **Prerequisite:** Completion of WT 121 with at least a C or P
- **Hours per term:** 18 lecture and 54 laboratory
- **Materials fee required**

  The student shall gain practical welding experience by working on individual projects (including certification projects). Emphasis is on quality, appearance and function. Not repeatable.

**WT 103/ART 103—Practical Laboratory, Metal Sculpture, 1 unit**

- **Prerequisite:** Completion of WT 166/ART 166 with at least a C or P
- **Hours per term:** 18 lecture and 54 laboratory

  The student shall gain practical experience by working on individual projects in metal sculpture design and fabrication. Emphasis is on quality, appearance and function. Not repeatable. Credit may be earned once for WT 103 or ART 103.

**WT 121—Arc/Gas Welding, 3 units**

*Formerly offered as: Welding Technology Level I*

- **Hours per term:** 36 lecture and 54 laboratory
- **Materials fee required**

  Covers welding safety, shielded metal arc welding (SMAW), and metal cutting processes. This course complies with American Welding Society (AWS) and Schools Excelling through National Skills Education (SENSE) curriculum standards. Students are required to supply leathers, safety glasses, and welding gloves. Field trips may be required. Not repeatable. MJC equivalent: (WELD 200)

**WT 122—MIG Welding (GMAW/FCAW), 3 units**

*Formerly offered as: Welding Technology Level II*

- **Prerequisite:** Completion of WT 121 with at least a C or P
- **Hours per term:** 36 lecture and 54 laboratory
- **Materials fee required**

  Covers welding safety, welding symbols and detail drawings, characteristics of metallurgy, Gas Metal Arc Welding (GMAW), Flux Core Arc Welding (FCAW). This course complies with American Welding Society (AWS) and Schools Excelling through National Skills Education (SENSE) curriculum standards. Students are required to supply leathers, safety glasses, and welding gloves. Field trips may be required. Not repeatable. MJC equivalent: (WELD 204)

**WT 123—TIG Welding (GTAW), 3 units**

*Formerly offered as: Welding Technology Level III*

- **Prerequisite:** Completion of WT 121 with at least a C or P
- **Hours per term:** 36 lecture and 54 laboratory
- **Materials fee required**

  Covers welding safety, Gas Tungsten Arc Welding (GTAW), including Mild Steel, Stainless Steel and Aluminum all positions. This course complies with American Welding Society (AWS) and Schools Excelling through National Skills Education (SENSE) curriculum standards. Students are required to supply leathers, safety glasses, and welding gloves. Field trips may be required. MJC equivalent: (WELD 206)

**WT 160/AT 160—Exploring Technical Trades, 6 units**

- **Hours per term:** 18 lecture and 162 laboratory

  Students will experience topics and engage in projects from the auto body/collision repair, automotive technology, and welding technology programs. Career and educational pathways will be emphasized. Field trips may be required. Credit may be earned once for ART 160 or WT 160. Not repeatable.

**WT 165/ART 165—Metal Sculpture, 1½ units**

- **Hours per term:** 9 lecture and 54 laboratory

  An introduction to various metal working techniques with an emphasis on aesthetic design and quality of metal joining. An introduction to M.I.G. welding will be offered, time being available. Credit may be earned once for WT 165 or ART 165. Field trips may be required. Not repeatable.

**WT 166—Metal Sculpture Projects, 1 unit**

- **Prerequisite:** Completion of WT 165/ART 165 with at least a C or P
- **Hours per term:** 54 laboratory

  This course is designed to allow students to expand upon their skills in metal sculpture techniques and to provide for the student a more individualized pursuit in metal sculpturing. Students will work progressively more independently from instructor direction. Credit may be earned once for WT 166 or ART 166. Field trips may be required. Not repeatable.
Non-Credit Courses

ENGL 705A—English as a Second Language: Low Beginning
Hours per term: 54 lecture
Recommended for Success: Recommended Skill: Basic literacy in first language
Elementary course in speaking, listening, reading, and writing English for persons learning English as another language. Emphasis is on vocabulary and sentence structure for practical communication. May be repeated 5 times. Non-graded.

ENGL 705B—English as a Second Language: High Beginning
Recommended for Success: ENGL 705A
Hours per term: 54 lecture
High beginning course in speaking, listening, reading and writing English for persons learning English as another language with continued emphasis on practical communication. May be repeated 5 times. Non-graded.

ENGL 705C—English as a Second Language: Intermediate
Recommended for Success: ENGL 705B
Hours per term: 54 lecture
Intermediate ESL course in speaking, listening, reading and writing English for persons learning English as another language with continued emphasis on practical communication, and an increased emphasis on written skills. Non-graded. May be repeated 5 times(s).

ENGL 705D—English as a Second Language-Advanced
Recommended for Success: ENGL 705C
Advanced ESL course for students who have completed 705C or assessment-tested into this level. Course covers advanced reading, writing and interpretation of various materials. May be repeated 5 times. Non-graded.

ENGL 705E—English as a Second Language-Proficient
Recommended for Success: ENGL 705D English as a Second Language-Advanced
Hours per term: 54 lecture
Top level ESL course; student completing this course and scoring a 250 or higher on the Comprehensive Adult Student Assessment Systems (CASAS) test will, based on the ESL instructor’s recommendation, be able to move into a credit ESL course and complete assessment for placement in English courses. May be repeated 5 time(s).

HHP 300—Lifelong Health and Fitness
Hours per term: 27 laboratory
Designed to offer lifelong education and promote the health and physical wellbeing of individuals. It includes a comprehensive workout designed to achieve personal fitness goals. Unlimited repeats. Note: 27 to 108 contact hours.

HHP 303—Rehabilitation for Physically Limited
Hours per term: 27 laboratory
Designed to offer individually prescribed fitness to the physically limited with emphasis on the improvements of cardiovascular, flexibility and strength components. Unlimited repeats.

MUSIC 302—Choral Singing
Hours per term: 54 laboratory
Study and performance of mixed choral works of various styles and periods for older adults. Includes development of vocal technique and musicianship. Unlimited repeats.

MUSIC 303—Orchestra
Hours per term: 54 laboratory
Study and performance of orchestral literature of various styles and media for older adults. Audition required for wind, brass, and percussion players as needed. Field trips may be required. Unlimited repeats.

MUSIC 305—Jazz Studies
Hours per term: 108 laboratory
Study and performance of instrumental and vocal jazz in both solo and ensemble (including big band, choir, combos, and solo with accompaniment). Includes beginning jazz theory, improvisation, style, interpretation, performance practice and the development of an individual standard jazz repertoire. Repertoire may vary from semester to semester. Field trips may be required. May be repeated or 32 times.

MUSIC 308—Solo Singing
Hours per term: 54 laboratory
Instruction in solo singing including breath support, resonance, interpretation, phrasing, and performance for older adults. Class is taught in a group setting but with time given for individualized instruction. Non-graded. Unlimited repeats.
SKLDV (Non-credit courses in Skills Development)

SKLDV 302—Parenting Strategies and Family Relationships  
Hours per term: 20 lecture and 12 laboratory
This course examines the importance of family relationships and helps identify strategies that can lead to positive changes within the family. Students will learn strategies for effective parenting, effective communication, stress and anger management, domestic violence resolution and personal boundary maintenance.

SKLDV 410—Supervised Tutoring  
Provides supervised tutoring in a designated laboratory/activity learning center in order to support student success in course(s) in which they are enrolled. Note: Student contact hours may range from 1-10 hours weekly.

SKLDV 700—GED Preparation  
Hours per term: 54 lecture
Designed to teach the general skills needed to pass the General Educational Development test. Unlimited repeats.

SKLDV 701—Life Strategies for Success  
Hours per term: 20 lecture and 12 laboratory
Students will learn and practice skills and strategies that will assist them in developing and implementing a personal plan for achieving their life goals.

SKLDV 703—Practical Money Skills for Life  
Hours per term: 20 lecture and 12 laboratory
This is a basic course in money management. Each student will be introduced to the benefits of budgeting and financial planning. Students will become familiar with recognizing how to best utilize their financial resources, identify the benefits and drawbacks of using credit, learn the various types of checking and savings accounts, identify various wconsumer scams, and learn how to protect themselves from identity theft.

SKLDV 705—Preparation for Citizenship Test  
Hours per term: 18 lecture
Review of high-frequency English vocabulary and pronunciation, basic U.S. historical facts and U.S. government principles to prepare for the citizenship test. Requires basic literacy in home language and mid-beginning ESL. May be repeated four times.

SKLDV 792—Applied Skills  
Hours per term: 54 laboratory
The course is designed for students who need to develop basic skills and personal qualities in preparation for successful employment or enrollment in continuing education. Individualized assistance will be provided to analyze specific learning needs and to plan a program of study to improve skills. Skill areas may include basic arithmetic, reading development, employment/personal skills, time management, problem solving, and communication skills (oral and written). Emphasis on a six-week employment skills/job readiness module will be the focus of activities during the first third of the course and will include use of a performance assessment tool. May be repeated two times.
### PROJECTED Course Offerings 2016-2018

This list of projected course offerings is provided to assist students and counselors in creating educational plans. While the college will do its best to honor these projected course offerings, please note that the list is subject to change due to enrollment constraints. Please consult the Schedule of Classes at apps.gocolumbia.edu/ClassSearch/ for actual course offerings for any given term.
