

Final Examination Schedule

Spring Semester 2014

April 28–May 2

Unless otherwise indicated, classes do not meet at their regularly scheduled times during the final examination period. Only this final examination schedule applies. The final examination for any **day class that meets only once a week, Monday-Thursday**, will be given during the last class meeting prior to the final examination period. Classes **will meet** for finals on Friday, May 2.

The examination times for lecture/laboratory and lecture/seminar courses are determined by the time of the lecture.

EVENING CLASSES ONLY (Classes that begin at 5:00 pm or later): All evening classes continue to meet through the last day of the semester. Final examinations for evening classes may be given during either of the last two sessions. If given during the next-to-last session, the last class session must still be held, and may be used to review the results of the final examination.

OFF-CAMPUS CLASSES: Classes that meet off campus continue to meet through the last day of the semester. Final examinations for off-campus classes may be given during either of the last two sessions. If given during the next-to-last session, the last class session must still be held, and may be used to review the results of the final examination.

Final examinations for Independent Study, Work Experience, and classes with a meeting pattern not shown below are arranged with the instructor.
