Vice President Report: No report at this time.

Treasure's Report: Treasurer Michelle reported that the Scholarship–Foundation Fund increased \$128.45 thanks to monthly payroll deductions and Save Mart – SHARES contributions. This gives us a grand total of \$2,917.59 for the Classified Senate Fund.

College Council: No report at this time.

Technology Committee: There was a continuation of tech discussion relating to the Columbia College campus and the district.

SLO Group: Discussed the new SLO tool called eLumen and discussed draft of ISLOs and how they would be input into the system. Spring Flex Day will be centered around eLumen training. The vendor will be there and will demonstrate the tool for faculty.

Staff Development: This is being talked about in College Council and it seems we may be duplicating efforts with Doralyn Foletti and the Staff Development Retreat. The College President would still like the classified to come up with a list of ideas and send them to her. This will be discussed at a later date when Doralyn can be here.

Classified Hiring Prioritization: President Shawn reported that requests have been sent out and applications have been received. He will now send out a list of received requests to all classified.
