Minutes from Previous meeting were approved.

**Action Items:**

Hiring Prioritization Committee recommendations, Form and Process: Classified Senate advised removing “are not required” at the bottom of the form and adding an additional Yes and No checkbox; also suggested adding an error message when one of the questions is not entered.

**Officers Report:**

Doralyn said that the Board has accepted the Accreditation follow up.

**Treasurers Report:** No report.

**Safety:**

Discussed how students are driving too fast in particular areas on campus. New signs have been put in, and the possibility of speed bumps has been considered to help reduce speeds, particularly by child care building. Also, CHP will be on campus practicing a “Shooter on campus” simulation.

**Facilities:**

Discussed what rooms will be closed during the remodel. Classified Senate would like to know where Manzanita stands in the remodel.

Tom Hofstra’s class will be cleaning up the lake area and moving new plants to the lake.

**College Council:**

Doralyn said that College Council approved new College goals, reducing them from 10 to 5. College Council discussed feedback on new policies for service and therapy animals and suggesting new wording.

**Technology:**

Technology Committee will discuss Facebook and Social media policies and will design templates for posting to these outlets.

**Budget/Big Picture Budget Discussion:** No report.

**CS Policy & Procedures:** No report.

**CS Web Update:**

Shawn discussed how Classified Senate will be setting up a time to take photos for the website and will also be sending out a questionnaire for possible mini bios.

**Star Award:**

Shelly Muniz and Doreen Bass are on the committee, they will be discussing meeting times.

Meeting was adjourned at 9:25am.
