DSPS Update

Student enrollments for DSPS have been on a steady increase for the Spring '22 semester. We have also seen a significant increase in student traffic through the High-Tech Center. Speaking of the High-Tech Center, we will be getting 12 new computers in the center. This upgrade will allow us to continue providing quality services to our students. On March 9, we will be hosting a virtual Advisory Board meeting. This is our once-a-year DSPS-specific, advisory meeting. We are also planning for graduation and applaud all the DSPS students who will be completing a degree or other award.

Graduation Applications Due!

Graduation Applications for Spring 2022 awards are due before April 1, 2022. The plan is to have an in-person, outdoor graduation ceremony! Find out more information on our [Graduation webpage](#) and [meet with a counselor](#) to make sure you have an approved ed plan in place.

Summer Classes

The summer class schedule is up on [connectColumbia](#). Many different start dates and types of classes are offered. Counselors can help you plan and are available every day on a drop-in basis, as well as scheduled appointments. Learn more on our [Counseling webpage](#).
