

Developing Instructional Awareness

1. What do you do with your hands?
2. Where do you stand or sit?
3. When do you move to a different location?
4. Where do you move?
5. Where do your eyes most often focus?
6. What do you do when you finish one segment and are ready to move onto the next?
7. When do you speak louder/softer?
8. When do you speak faster/slower?
9. Do you laugh or smile in class?
10. How do you use examples?
11. How do you emphasize main points?
12. What do you do when students are inattentive?
13. Do you encourage student participation?
14. How do you begin/end class?
