

STUDENT EXPECTATIONS

Please check off each statement as you read it, and sign that you accept these guidelines as a condition of being on campus. Failure to comply may result in that permission being withdrawn.

1. Students should be free of any COVID-19 symptoms before coming to campus. Students will be required to complete a symptom questionnaire each time they enter campus. **Anyone who does not feel well SHOULD STAY HOME! SYMPTOMATIC INDIVIDUALS WILL BE SENT HOME.....**
2. Social distancing guidelines of 6 feet are to be maintained both inside and outside buildings.....
3. Face masks are required for all students when others are present. Disposable masks will be provided by the college, though students may bring face masks from home that meet home mask criteria. Proper disposal or laundering protocols shall be followed.....
4. Students shall follow signage for designated ingress and egress for buildings and classrooms while maintaining social distancing.....
5. All students entering a classroom or other buildings will be required to use hand sanitizer before entering and after exiting. Students taking a Science lab or other class activity must wash with soap and water before and after those activities.....
6. Students can only be in the classroom space during scheduled class time. Please remain in the seats assigned by your Instructor to facilitate contact tracings as needed. Students can make appointments with instructors and staff to address any questions or concerns.....
7. Students may only use designated indoor spaces for computer access and other academic needs. Appointments may be necessary. Some areas might be available for social interaction. Follow all established guidelines for each room, including social distancing, wearing masks, and disinfecting any surfaces touched.....
8. Sneeze and cough into your elbow or in a tissue which is discarded in the trash.....
9. Be honest about how you are feeling and with whom you have been in contact. You may wish to keep a personal Contact Log.....
10. Treat the guidelines, peers, faculty, and staff with respect. We are in this together to be safe.....
11. **When in Doubt, ASK!**
